かつて夜の冥府に爆然と輝く官職が聳えていた。
招かれた客たちは皆一様に、呻吟の果てに悶え死んだ。
しかたのないことだ。王のためなのだ。
しかし、凶事は知らぬ間に忍びよっていた。
その晩の客は少し妙だった。
蠟のように血の気を失った顔。
髪は老人のようにさらに白く、眼だけが底なしの暗闇。
おまへは悪魔と誓い、何を待たのだ。
後に神域の男として裏社会に君臨する赤木しげるだった。

赤木しげる

あらすじ

昭和33年。チキンランを生き残った少年・赤木しげるは、初めて打つ麻雀でも異才を発揮し、ヤクザ相手の勝負に次々と勝利を収めてゆく。昭和40年。退屈に倦んだ資産家・鷺巣は、血液を賭ける狂気の麻雀を行っていた。アカギ・仰木・安岡の3人は、殺人鬼・鷺巣を狩るため、生き血を賭けた勝負・鷺巣麻雀に挑む。5回戦までを終えアカギは約5億円を奪う一方、血液2000CCを失い致死量まであと少し。迎えた6回戦、アカギは鷺巣からの直撃ボーナスを狙っていく。そして放銃した鷺巣は70万の不足分を自らの血で払うと申し出た!!

【鷺巣麻雀概要】

アカギが半荘6回戦を戦い抜けばアカギ側の勝利。途中でアカギが絶命すれば、それまでに得た現金も全て没収、鷺巣側の勝利となる。

●レート: 1000点=100万円=血液100c.c.。アカギと鷺巣のサシ勝負。ウマ(1万・3万)・オカを加算したポイント差で半荘ごとに精算。アカギの致死量2000c.c.は点棒2万点に相当し、鷺巣の現有資産5億円は50万点に相当する。

●ガラス牌: 1種4牌のうち3枚が透明ガラス牌。

●ボーナス払い: 半荘精算時以外にも、アカギと鷺巣の間で直接点棒の移動があった場合には、その局ごとに血液or現金をやりとりする。

●鷺巣側の特例: 半荘2回を区切りとして勝負を続行するか、途中終了するかを、鷺巣側のみ選択できる。

●5回戦終了時、新たに順位負けの血液精算とチョンボの支払いをアカギと鷺巣のサシで支払う取り決めに追加。

Has

This
blood-

game of
Washizu
Mahjong...

South

Round,

The
Final,
6th
Session

Dora Indicator: 8-Man

Onto the back of
the man who at
one point seemed
far, far away...

Latched
his
hands...

Akagi
has, at
long
last...

He has
hold of
him!

Stumbling
forward
along the
beaten
path...

After
being
exhausted
from run-
ning and
running
for so
long...

From
Was-
hizu's
per-
spec-
tive...

He feels
a hand!

At a time
when he
seems to
have one
foot in the
grave...

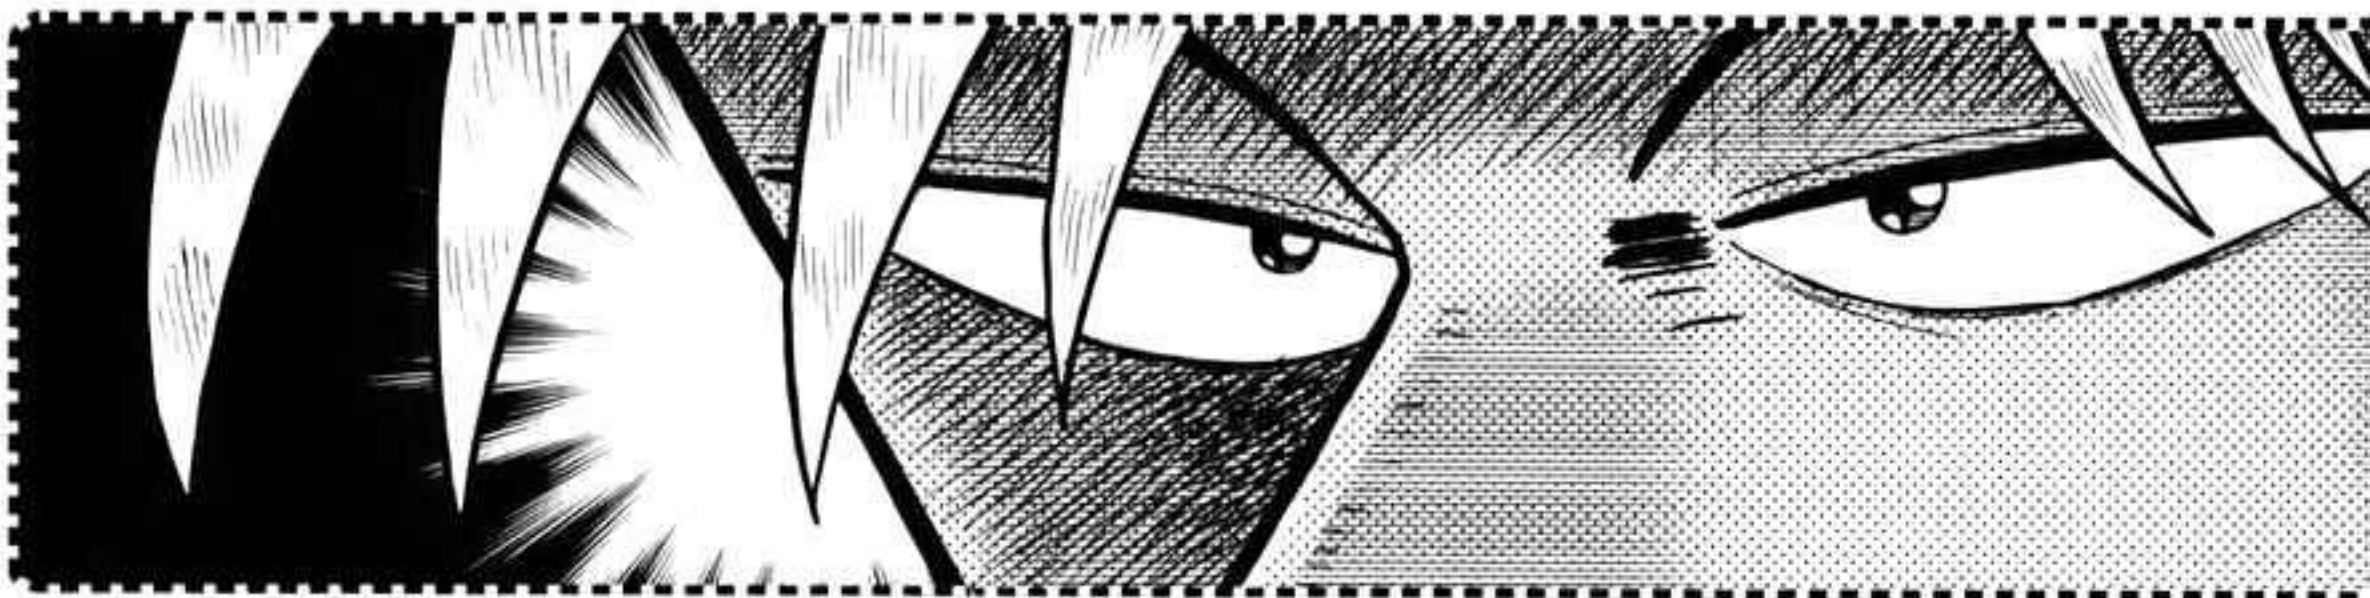

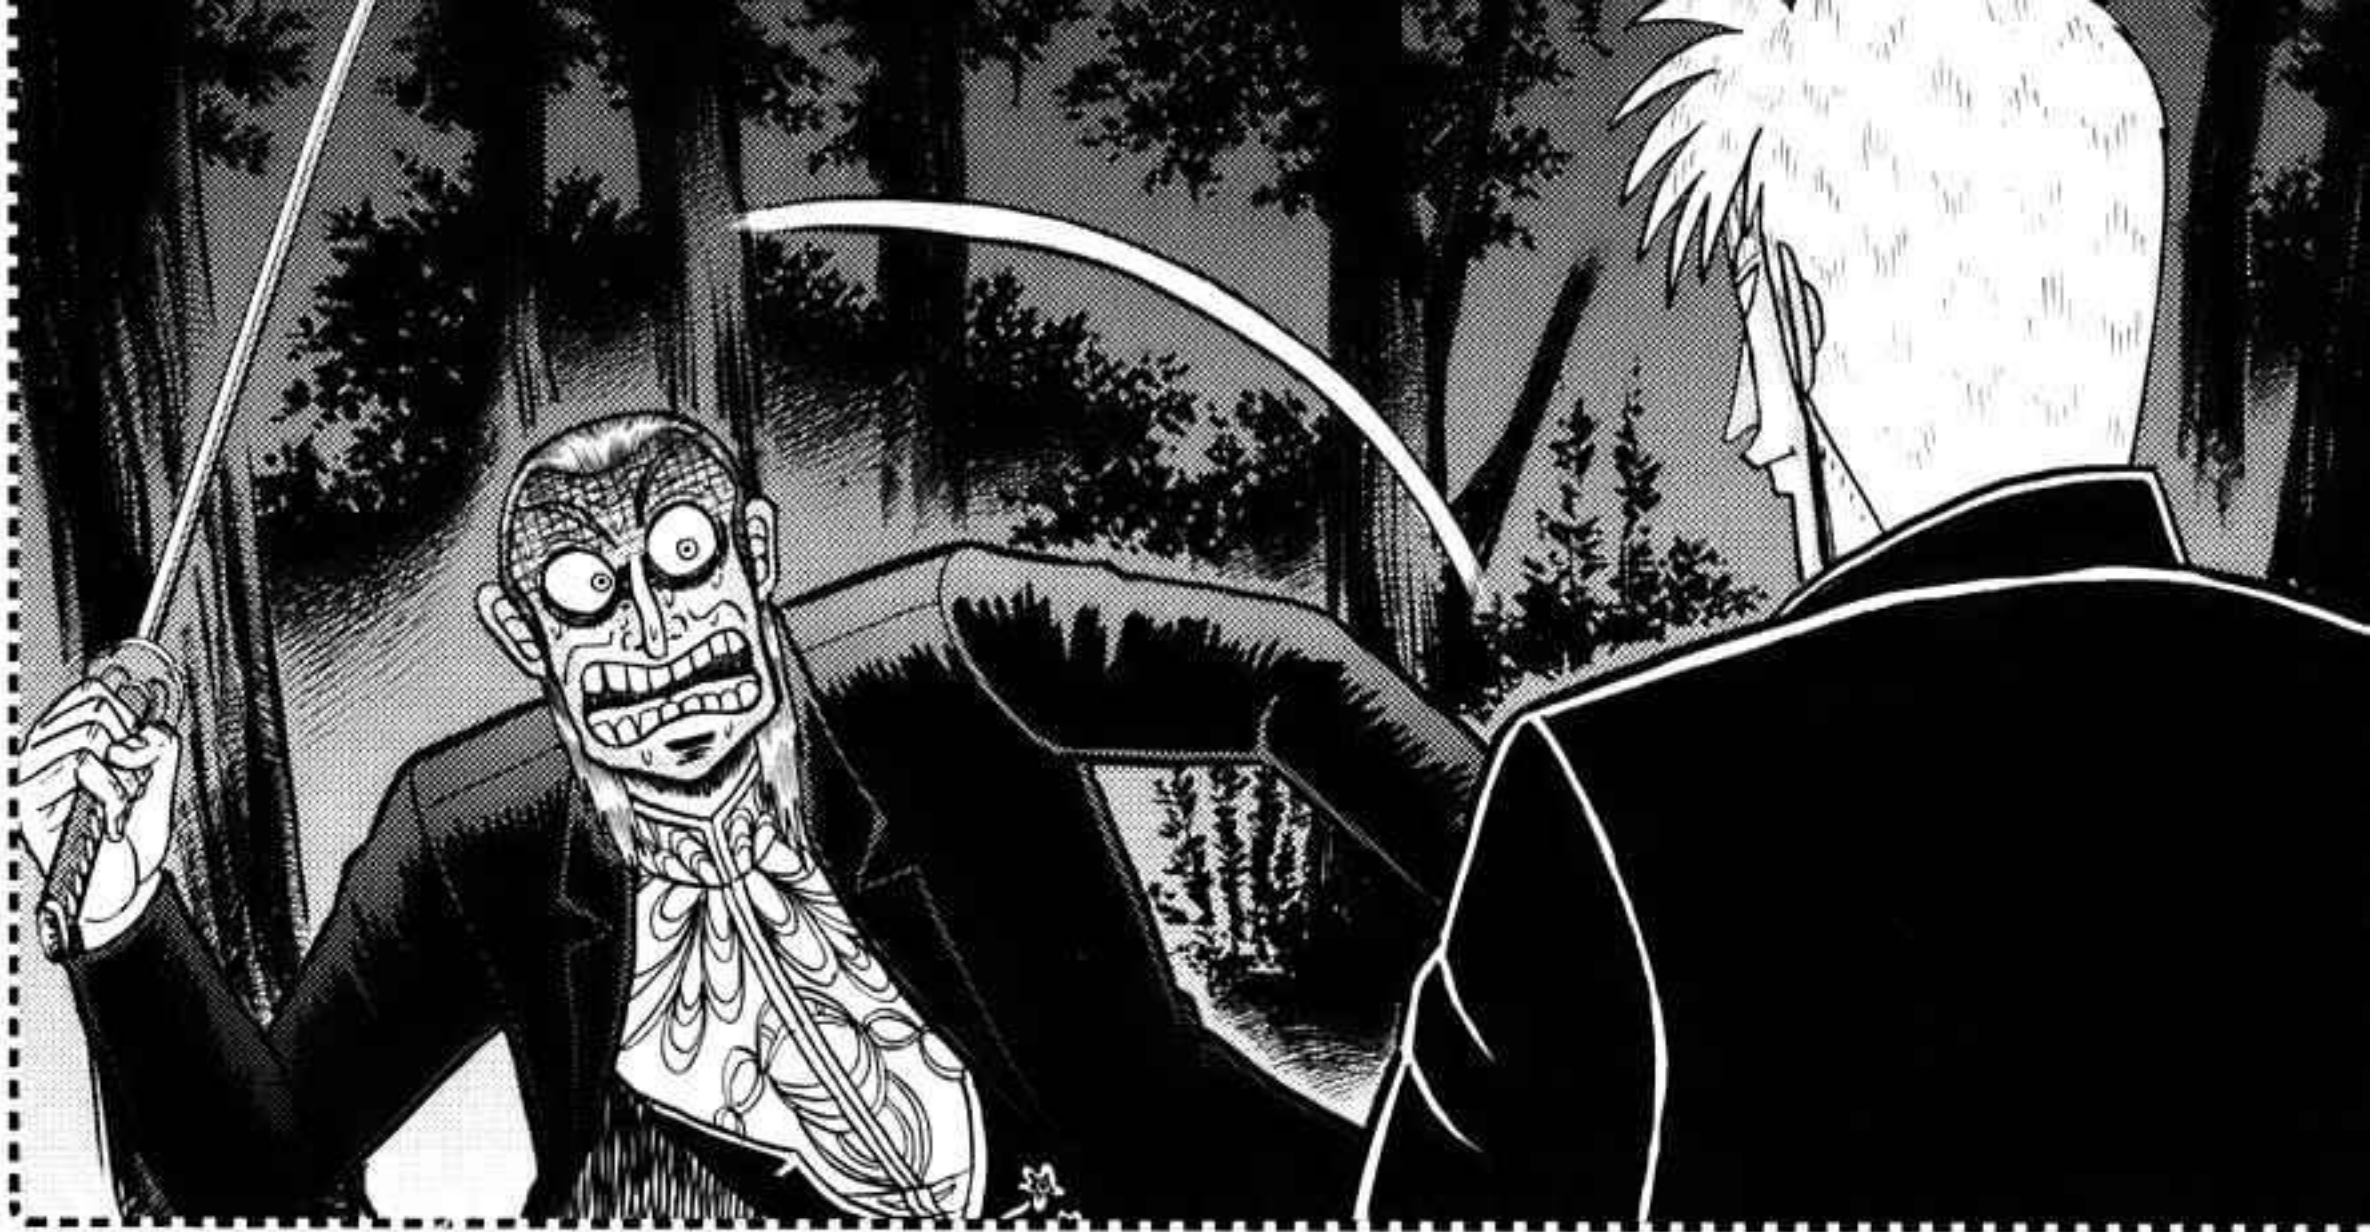

Is
the
very
devil
that
he has
been
escap-
ing
from!

Stand-
ing
behind
him...

It is
**A

DEVIL!

And also a very crafty and cunning...

A lunatic who wanted to die from the beginning...

Is now right before his eyes!

That he was trying to somehow keep that far away...

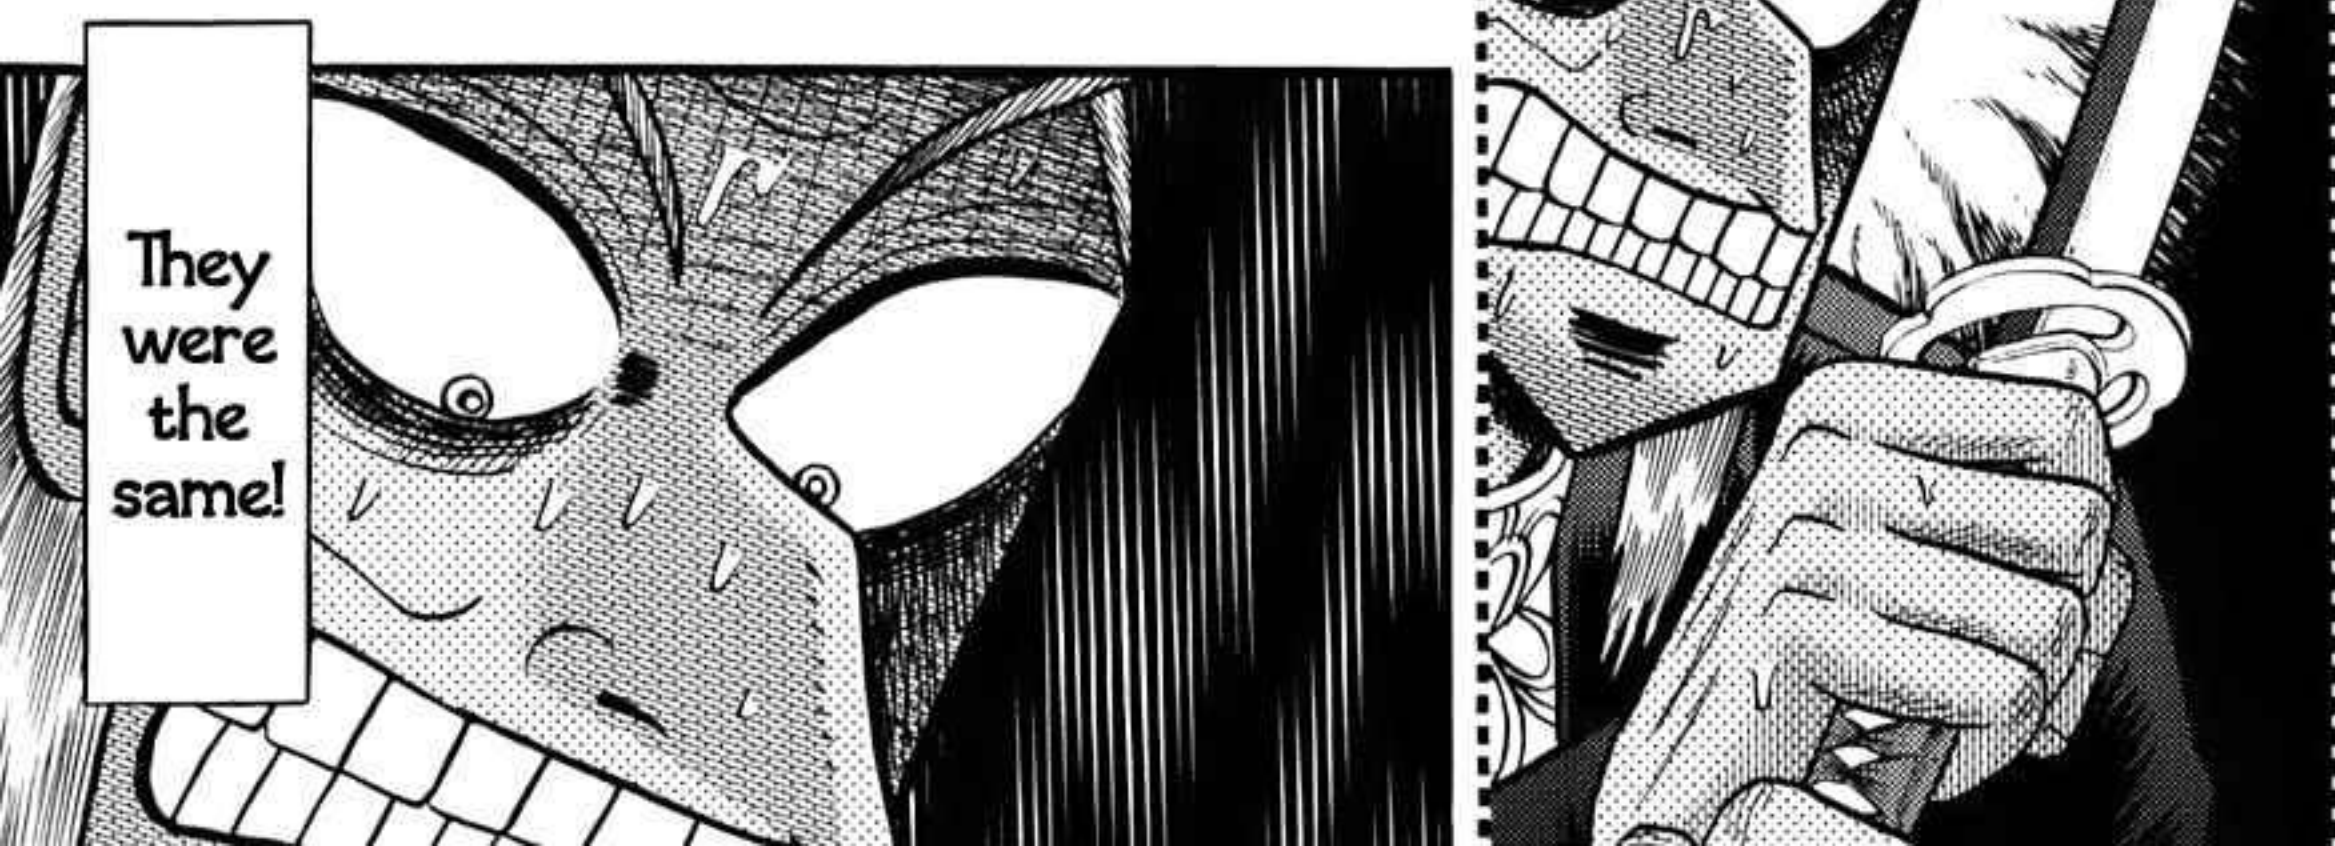

The same devil that was so far behind him...

And before he knew it...

He has lost the Money he had relied on for so long...

He now has no way of avoiding facing him!

They were the same!

The same
level, of
having to
bet their
own
blood!

They
were
on the
same
ground
level!

The
blood
that the
two have
lost to
now...

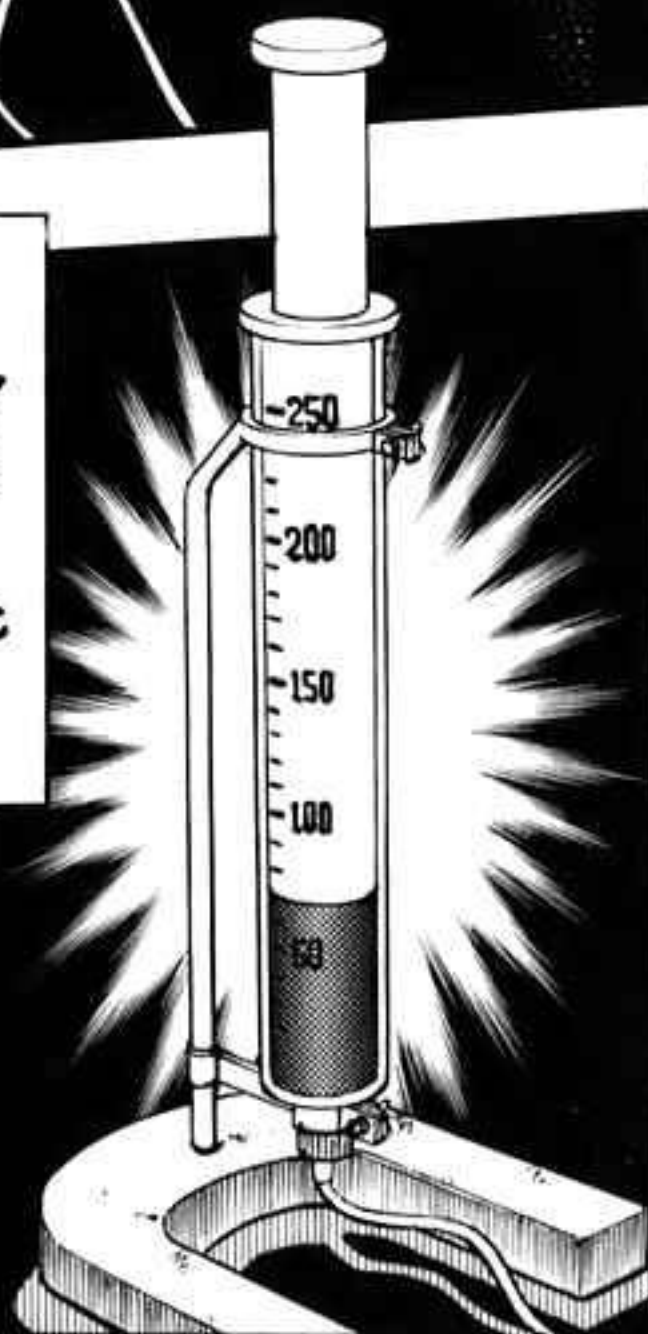

Is
2000
ccs
for
Akagi
...

Any way
you slice
it, it is
apparent
...

And
70
ccs
for
Was-
hizu.

It
would
be
12,600
points
...

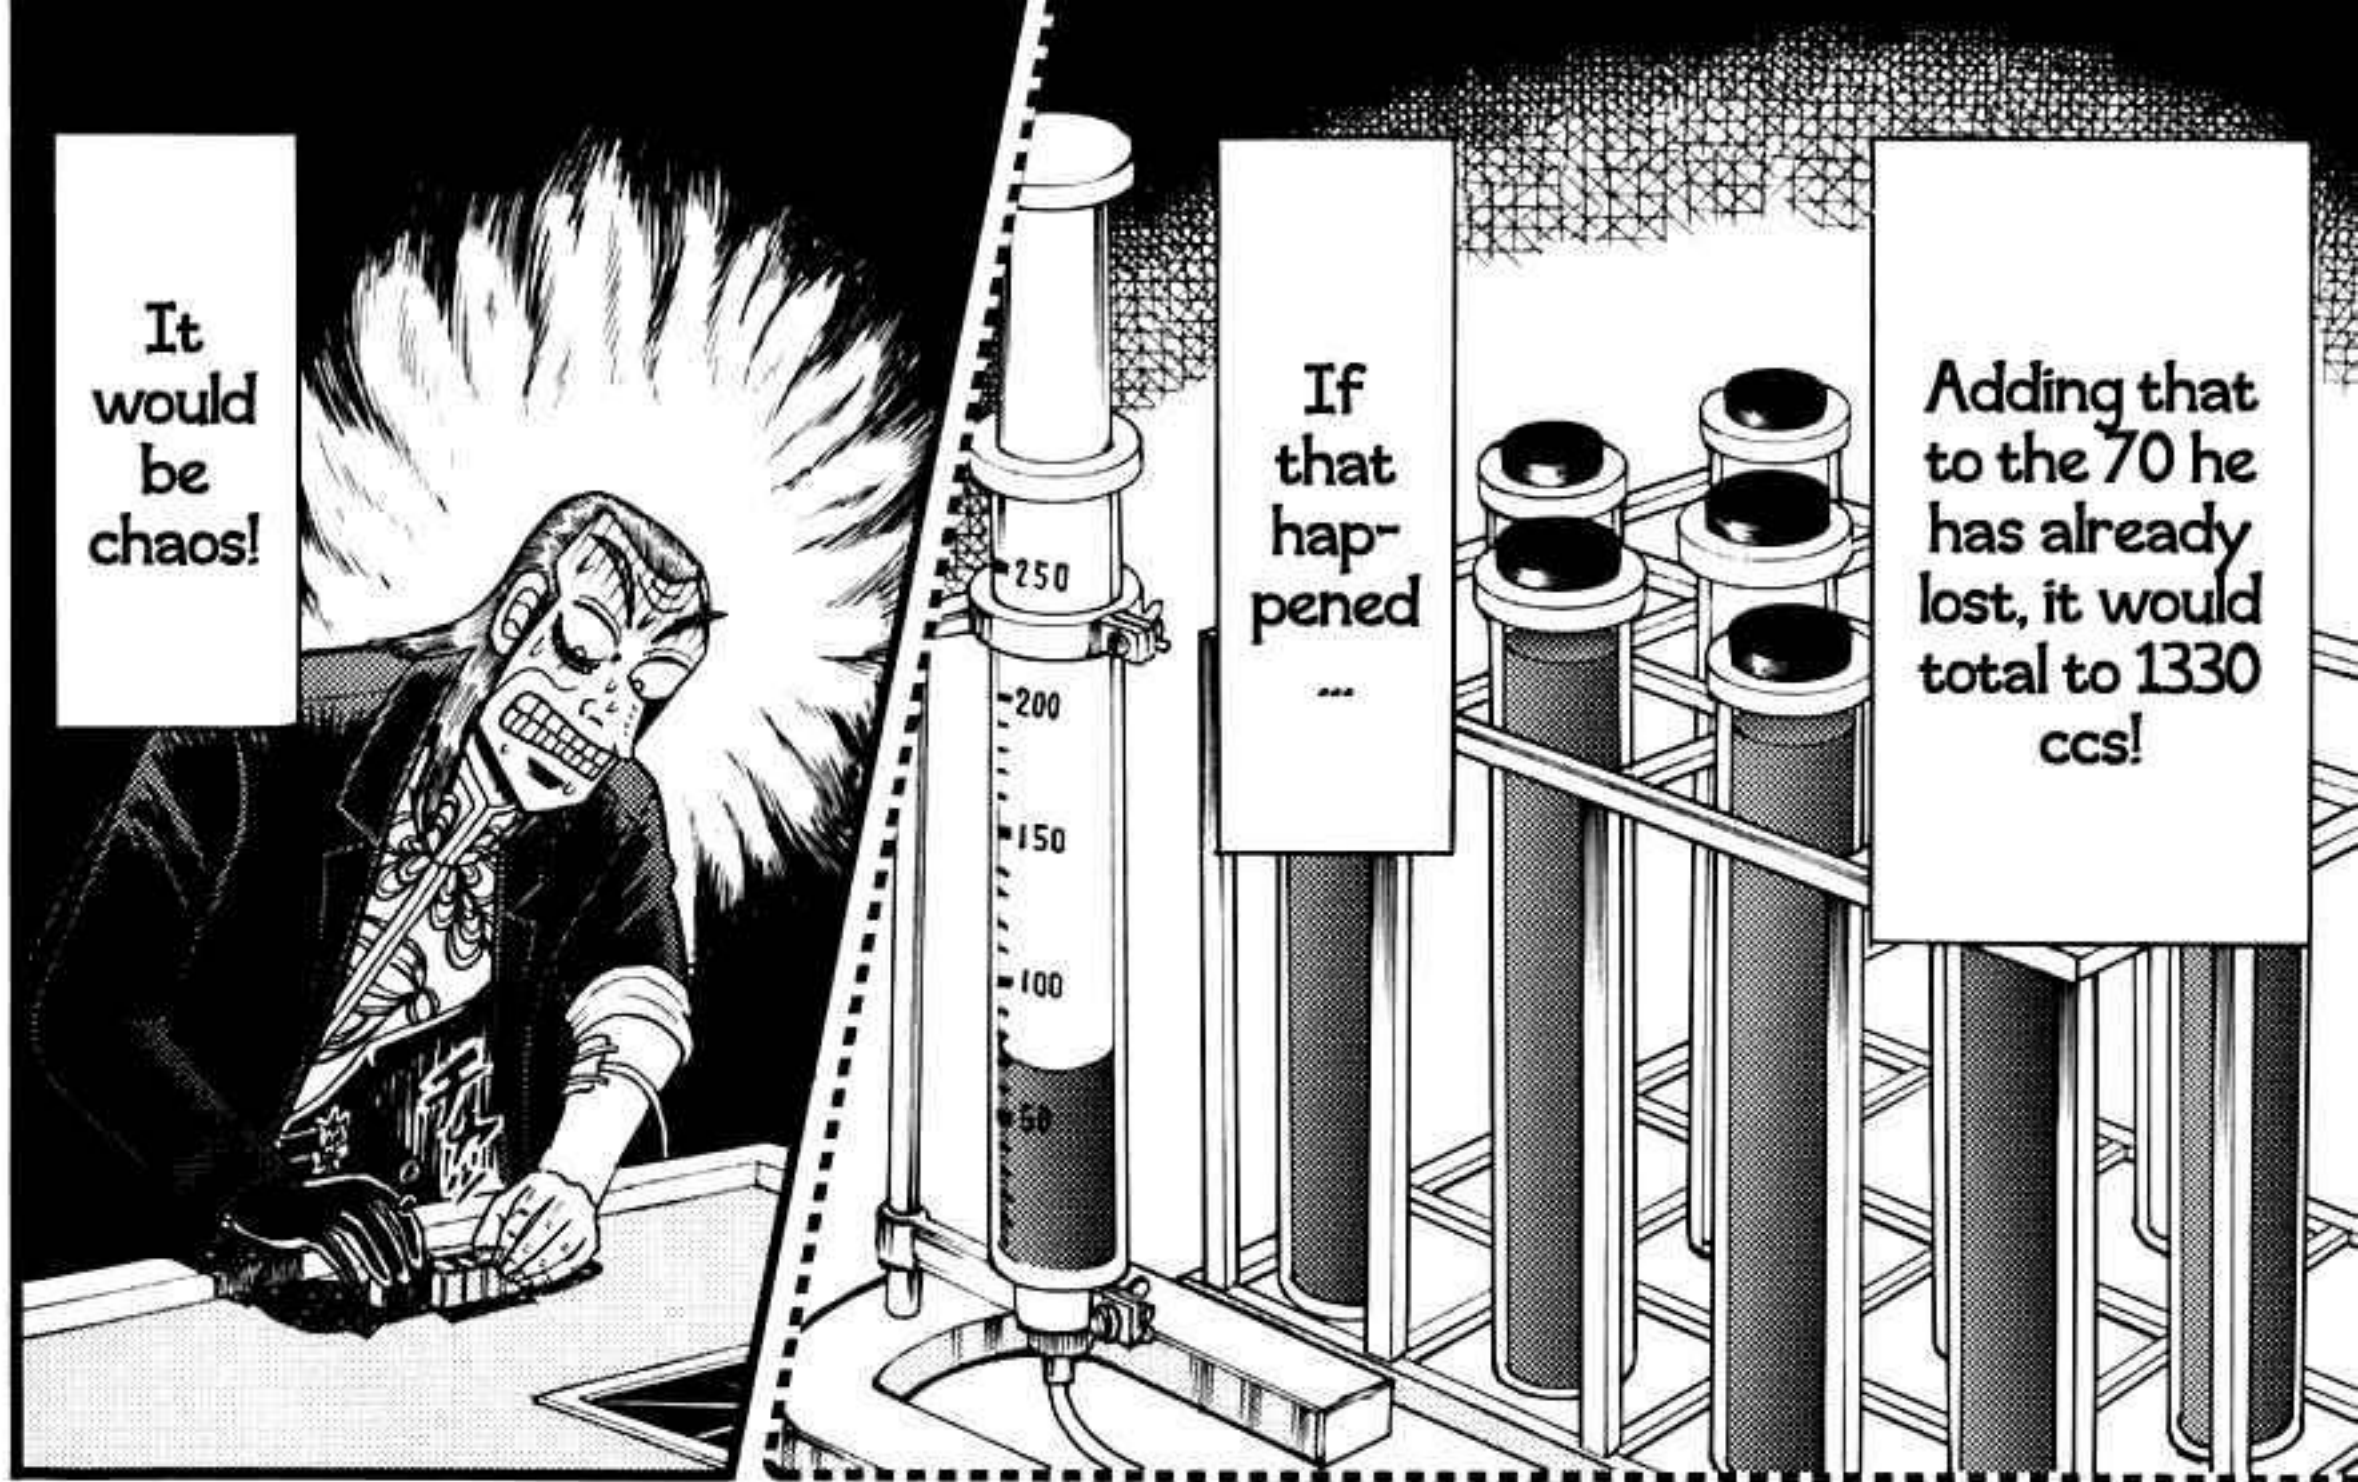

And get a
Direct Hit
Mangan
from
Washizu...

But if,
right now,
Akagi were
to use his
dealer
turn...

In blood,
1260 ccs!

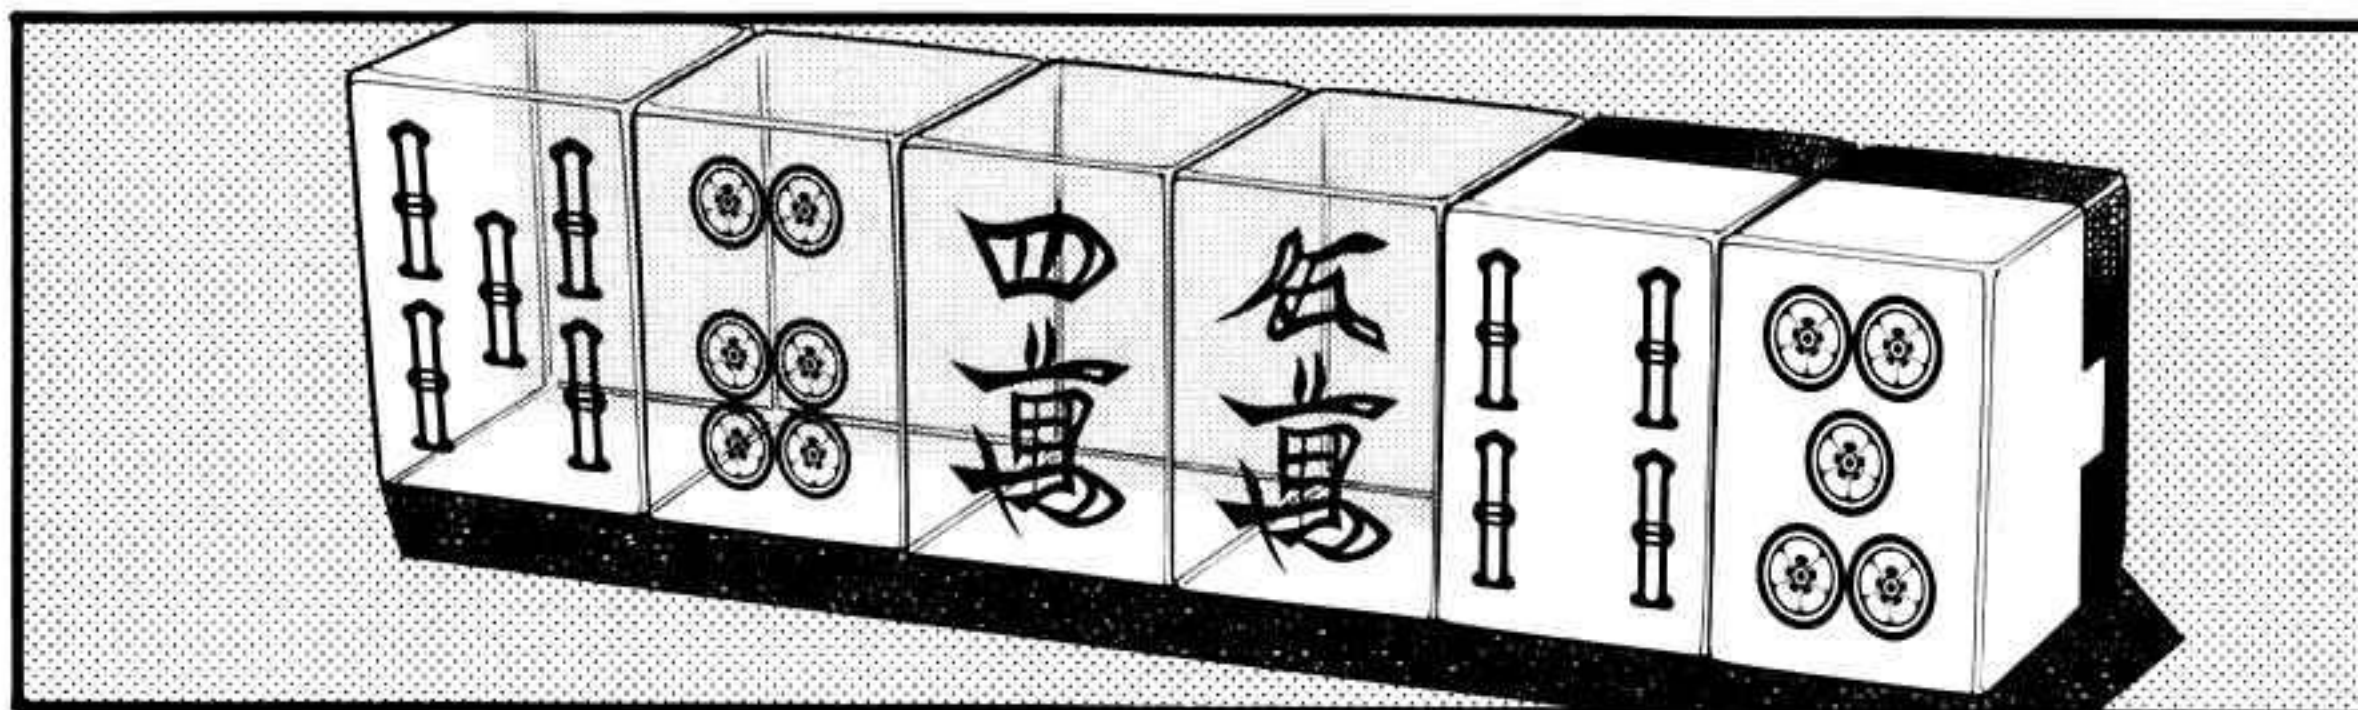

That
there
is still a
large gap
between
the two!

It
would
be
chaos!

If
that
hap-
pened
...

Adding that
to the 70 he
has already
lost, it would
total to 1330
ccs!

So there
is no telling
which way
the game
will go!

STOP

AKAGI'S

A

WHICH
MEANS...

HIM IF WE'RE

A

HAND!

AND IN
ORDER FOR
THAT TO
HAPPEN,
FIRST...

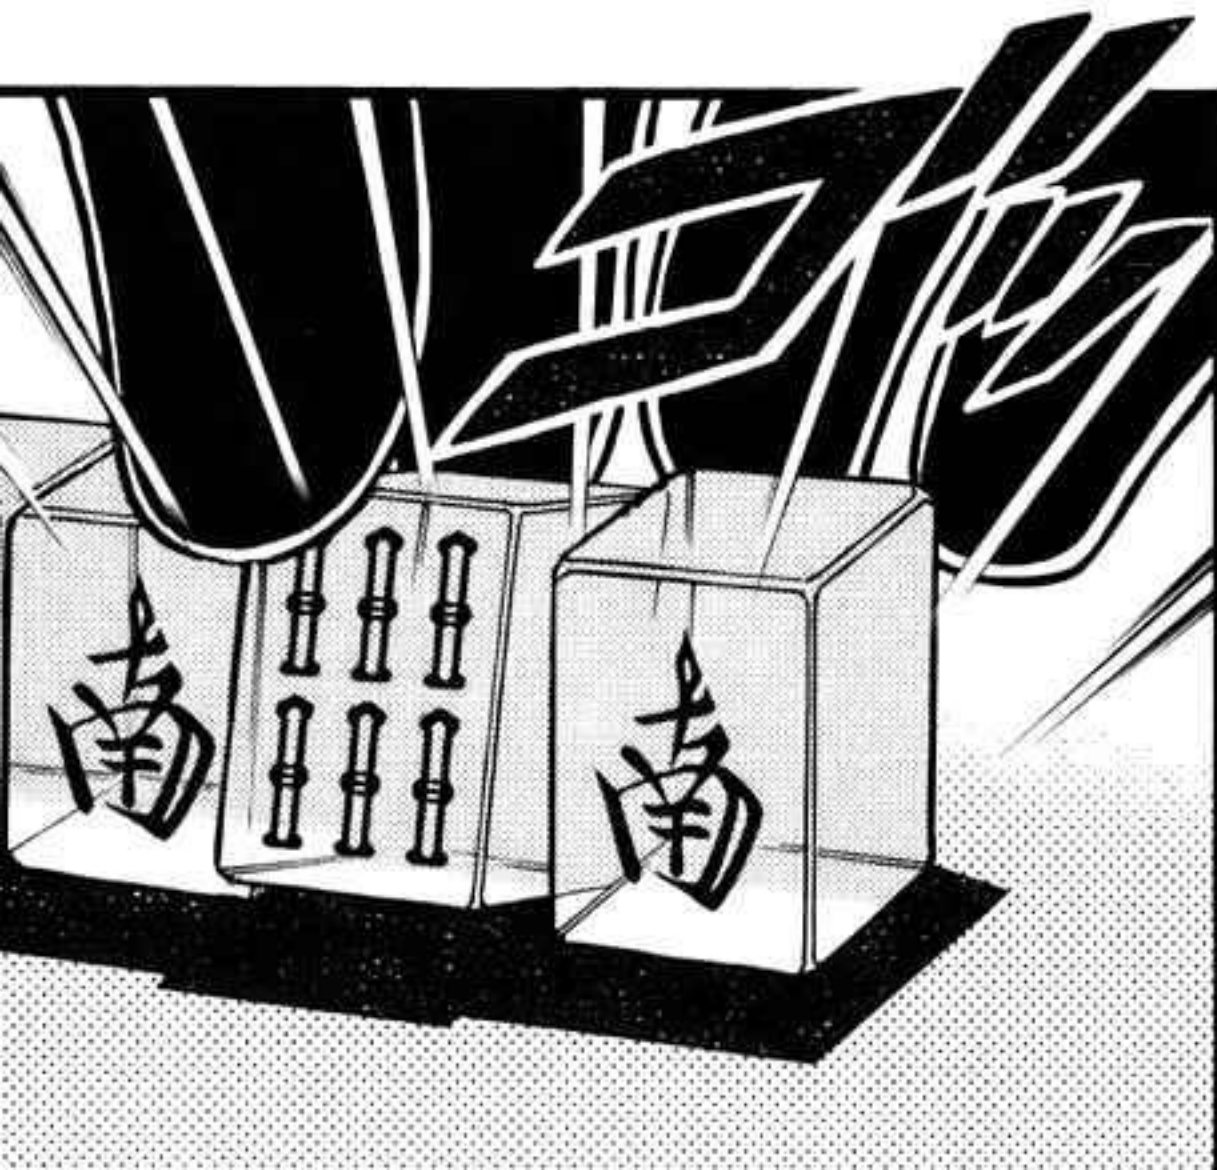

I NEED TO

THE ONLY
WAY OUT!

Washizu

running...

And, as
carnage
in the
midst of
carnage...

Truly,
the game
had been
started
anew!

That was
the back-
drop for
this South
1st Round,
2nd Honba!

To con-
tinue by
bet-
ting his
blood!

And
forced
him...

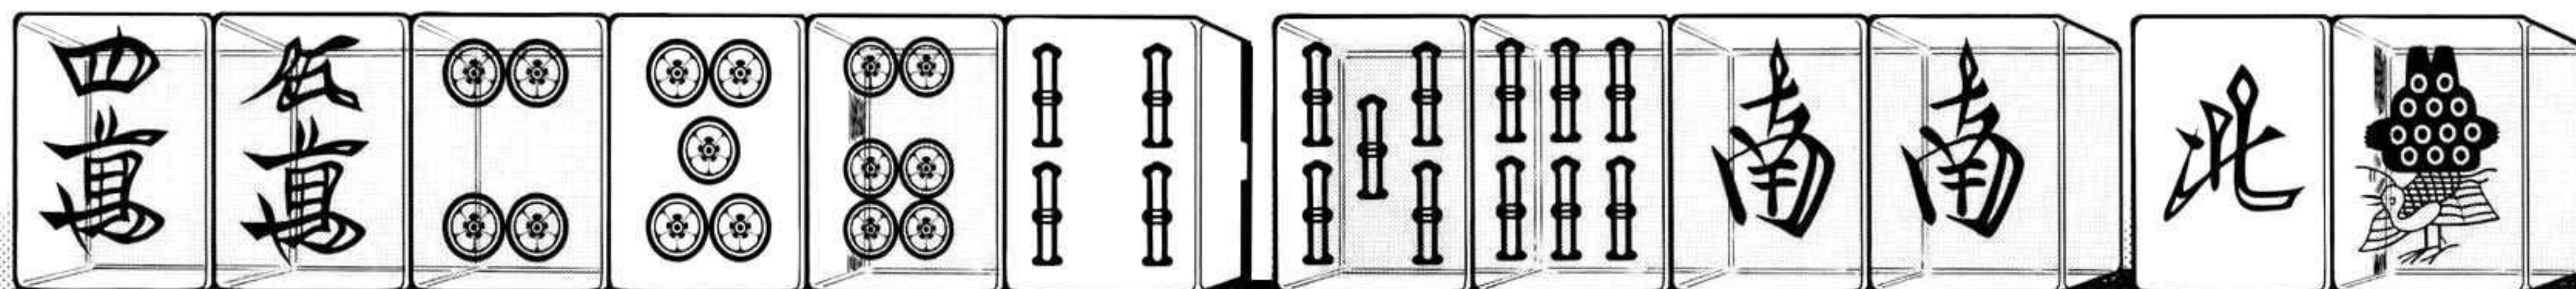

Had finally
burned
through
all of
Washizu's
funds...

Which al-
lowed him
to squeeze
direct hits
out from
his oppo-
nent...

Akagi's
play
style...

With this
starting
hand!

After 12 Tiles:

And then ...

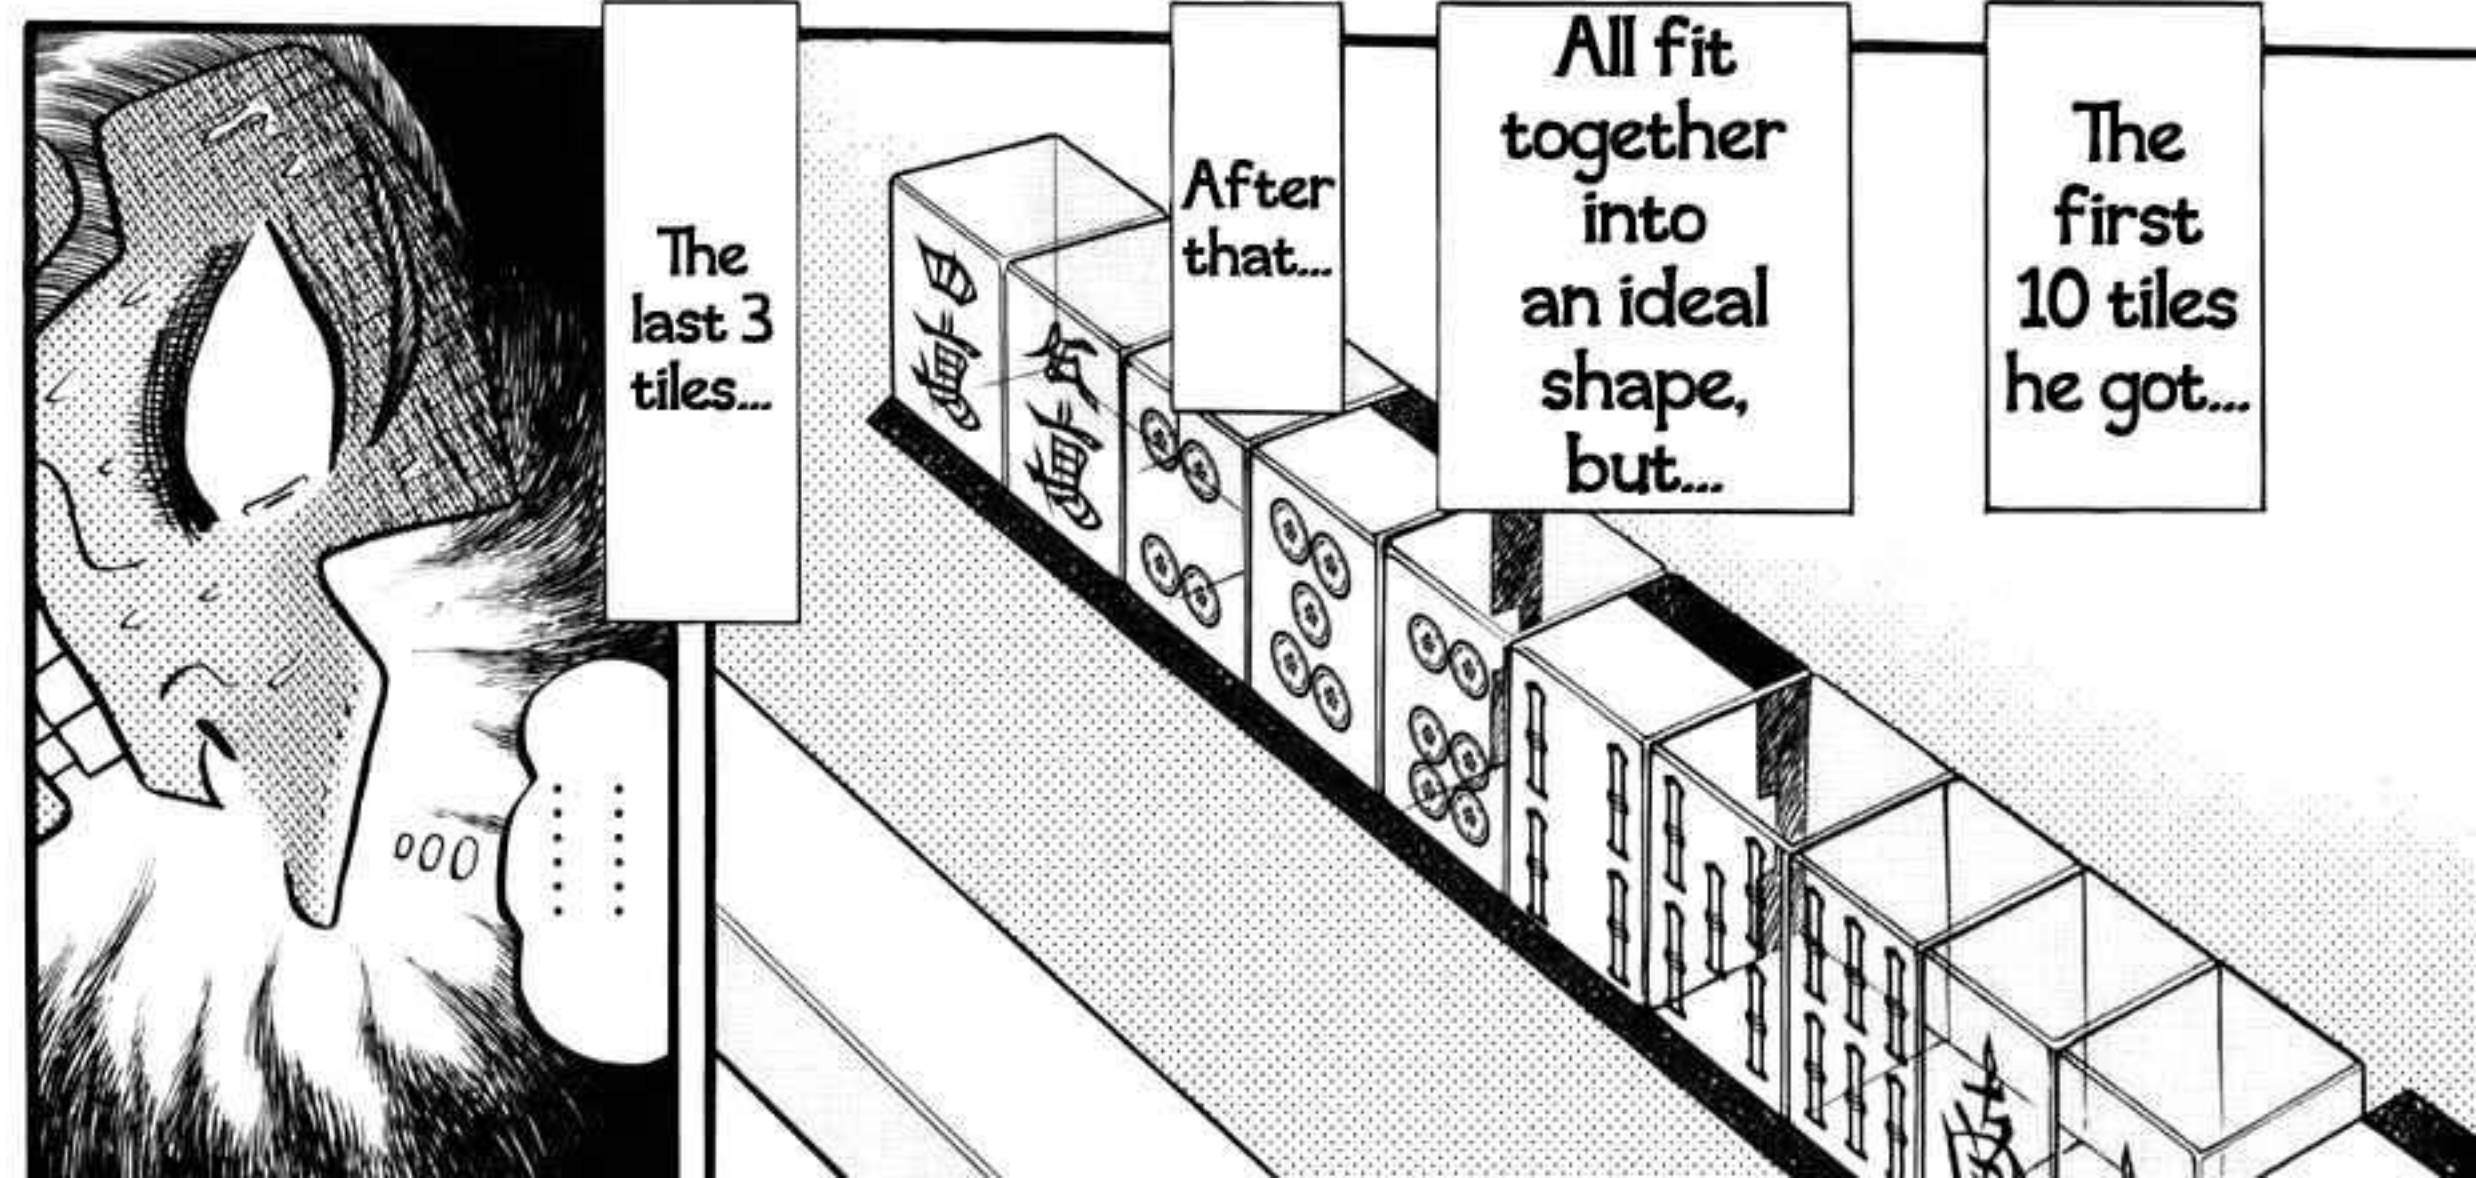

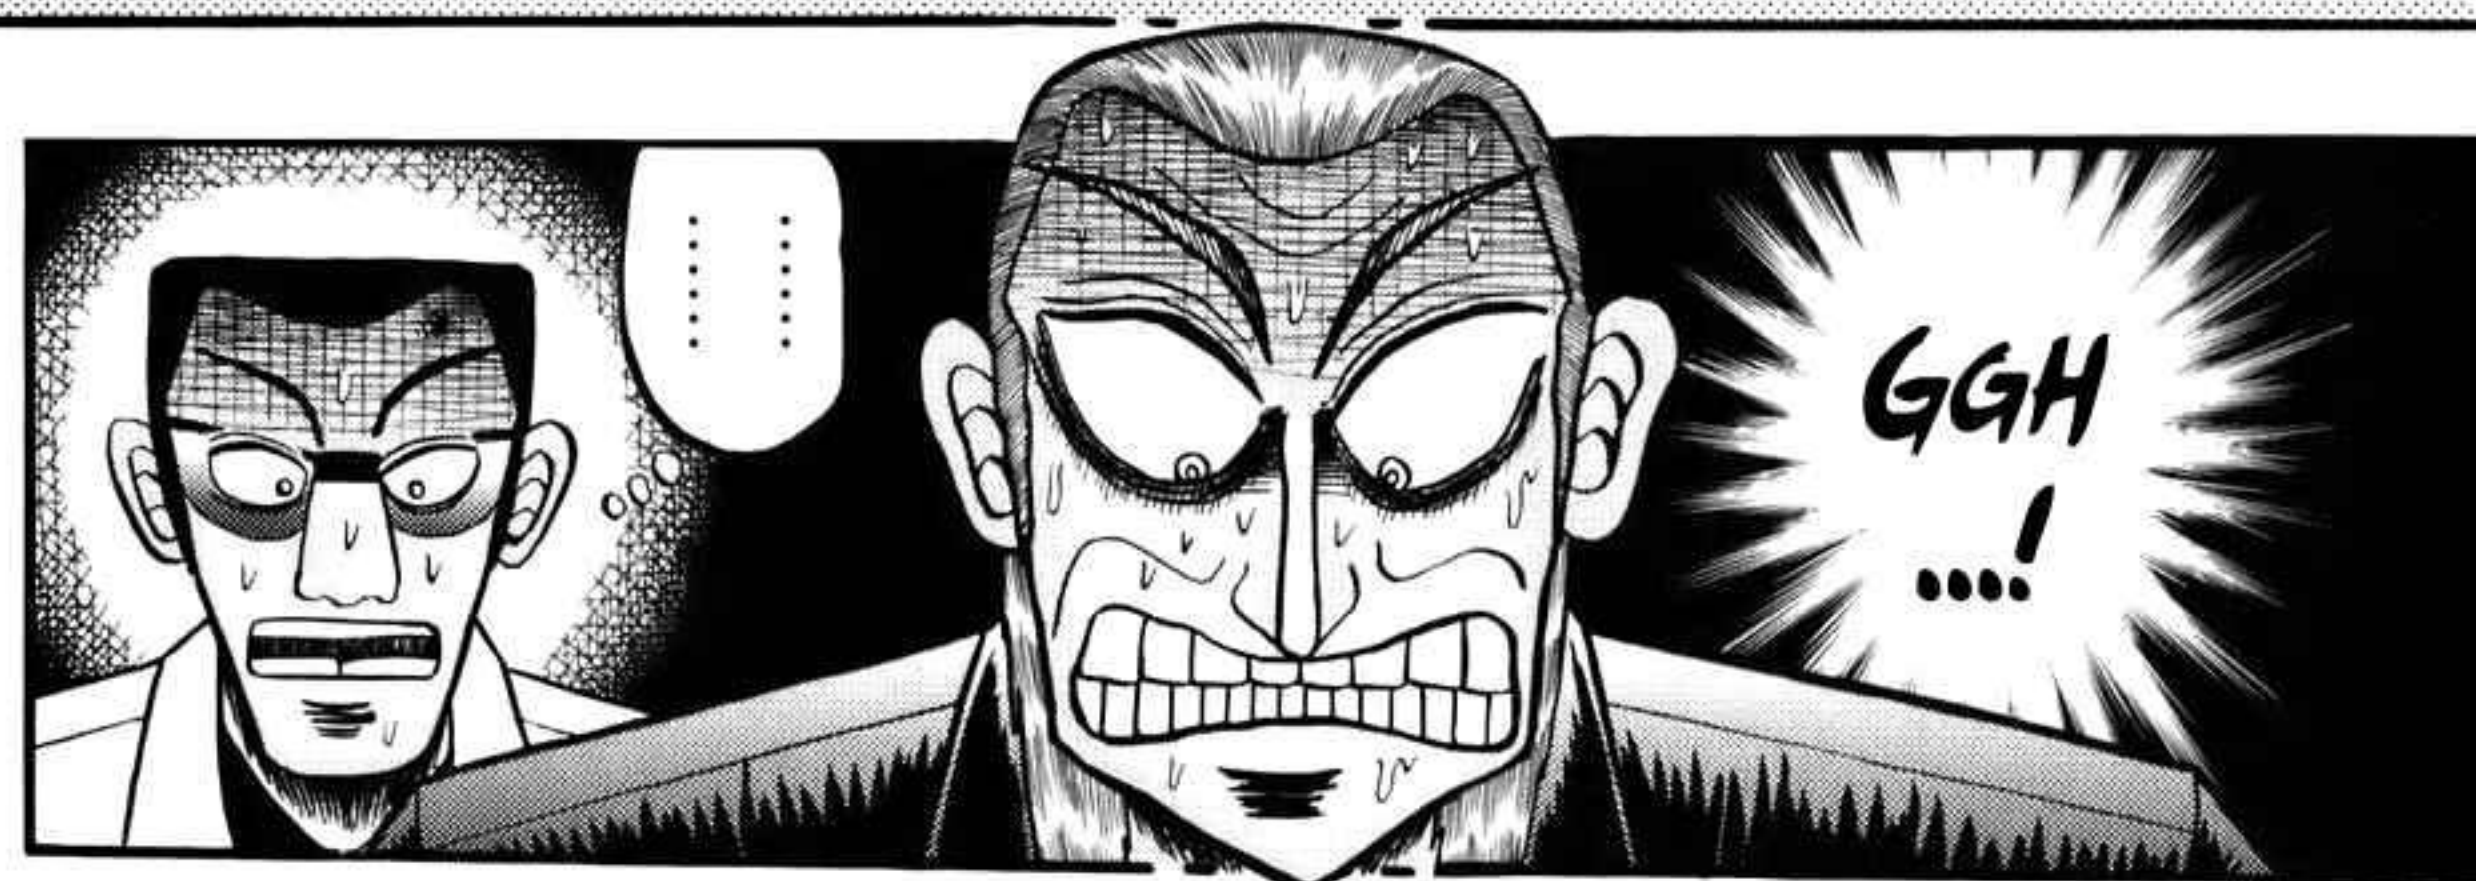

Finally...

The 13th tile, as well...

Starting with the 11th and 12th tiles, failed to fall in place!

The last 3 tiles...

After that...

All fit together into an ideal shape, but...

The first 10 tiles he got...

But...

A starting hand 2 tiles from Tenpai!

It had 2 complete sequences, for 2-Shan-Ten!

It had 2 complete sequences, for 2-Shan-Ten!

It was favorable!

The numbered tiles in his hand were in a shape that could easily fill up!

Just like Washizu...

Further-

IT WILL BE

But, for the time being...

There was no way of telling which of them had the momentum.

Like waves breaking on the shore and then retreating, they matched each others' pace, exactly!

Made its way over to Akagi!

Akagi's Hand

And got himself to an even better 1-Shan-Ten.

He made his pair, with this...

GGH...!

Three Wans (三萬), Three Wans (三萬), Four Wans (四萬), Five Wans (五萬), two pairs of Chrysanthemums (菊花), three Chrysanthemums (菊花), one pair of Dragons (龍), four Winds (風) - East (東), South (南), West (西), North (北), and two Souths (南).
The label "Washizu's Hand" is placed below the middle section of the hand.

He
charges!

Sud-

He
dashes

CHAPTER 190: PLUNGE

第190話 飛翔

The bull who
had to this
point merely
ran away...

Driven
by
fear...

He
dashes
forward
violently!

That is
what
this is!

Truly...

And so he
abruptly
begins his
attack!!

Now feels
continuing
that way can
only lead to
his death...

He throws
himself
into the
fray with
this Riichi!

Washizu is
taking the
plunge!

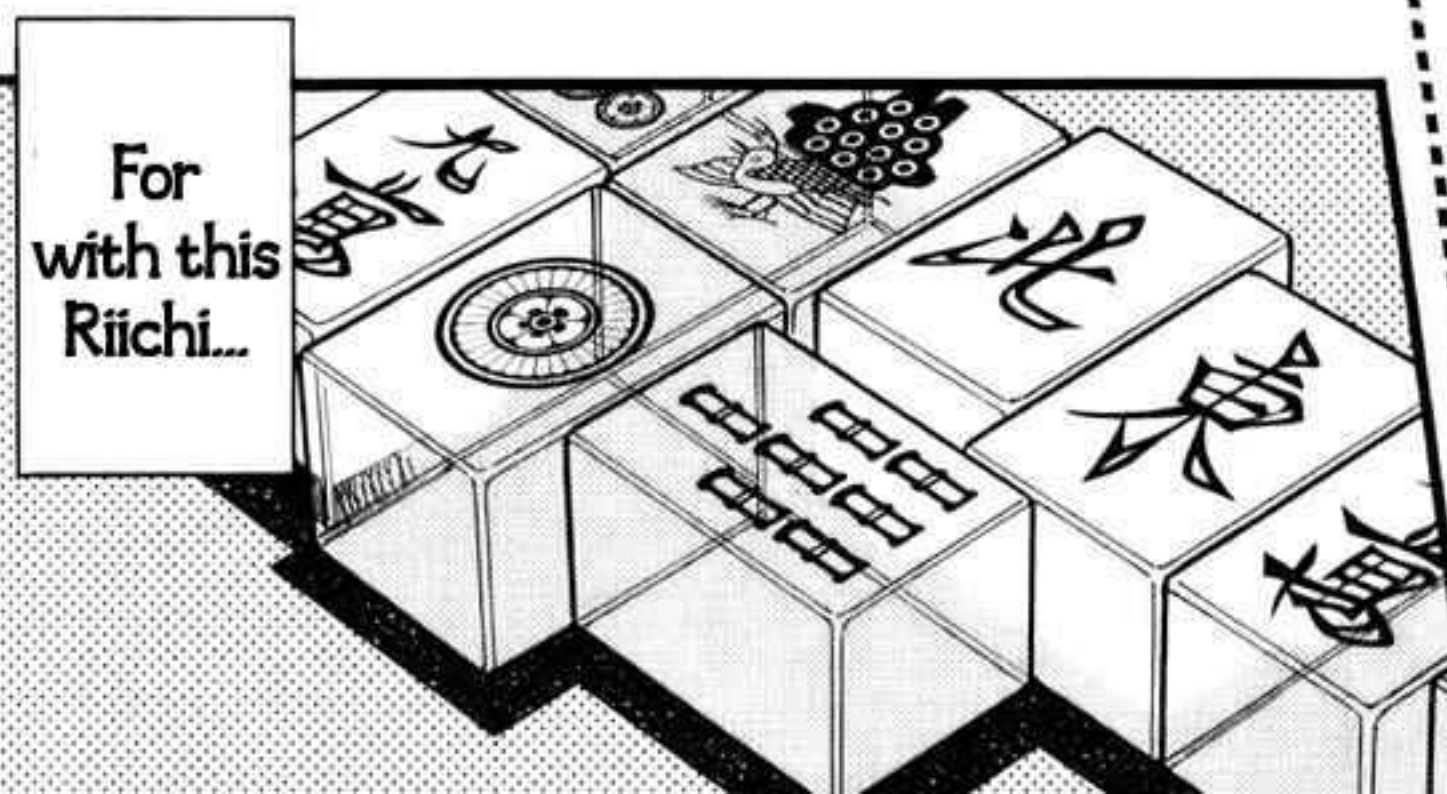

He
casts
aside
hesita-
tion!

Seeing
this as a
do-or-die
scenario...

And
being
knocked
to his
hands
and
knees...

For
with this
Riichi...

After
being
chased
and cor-
nered...

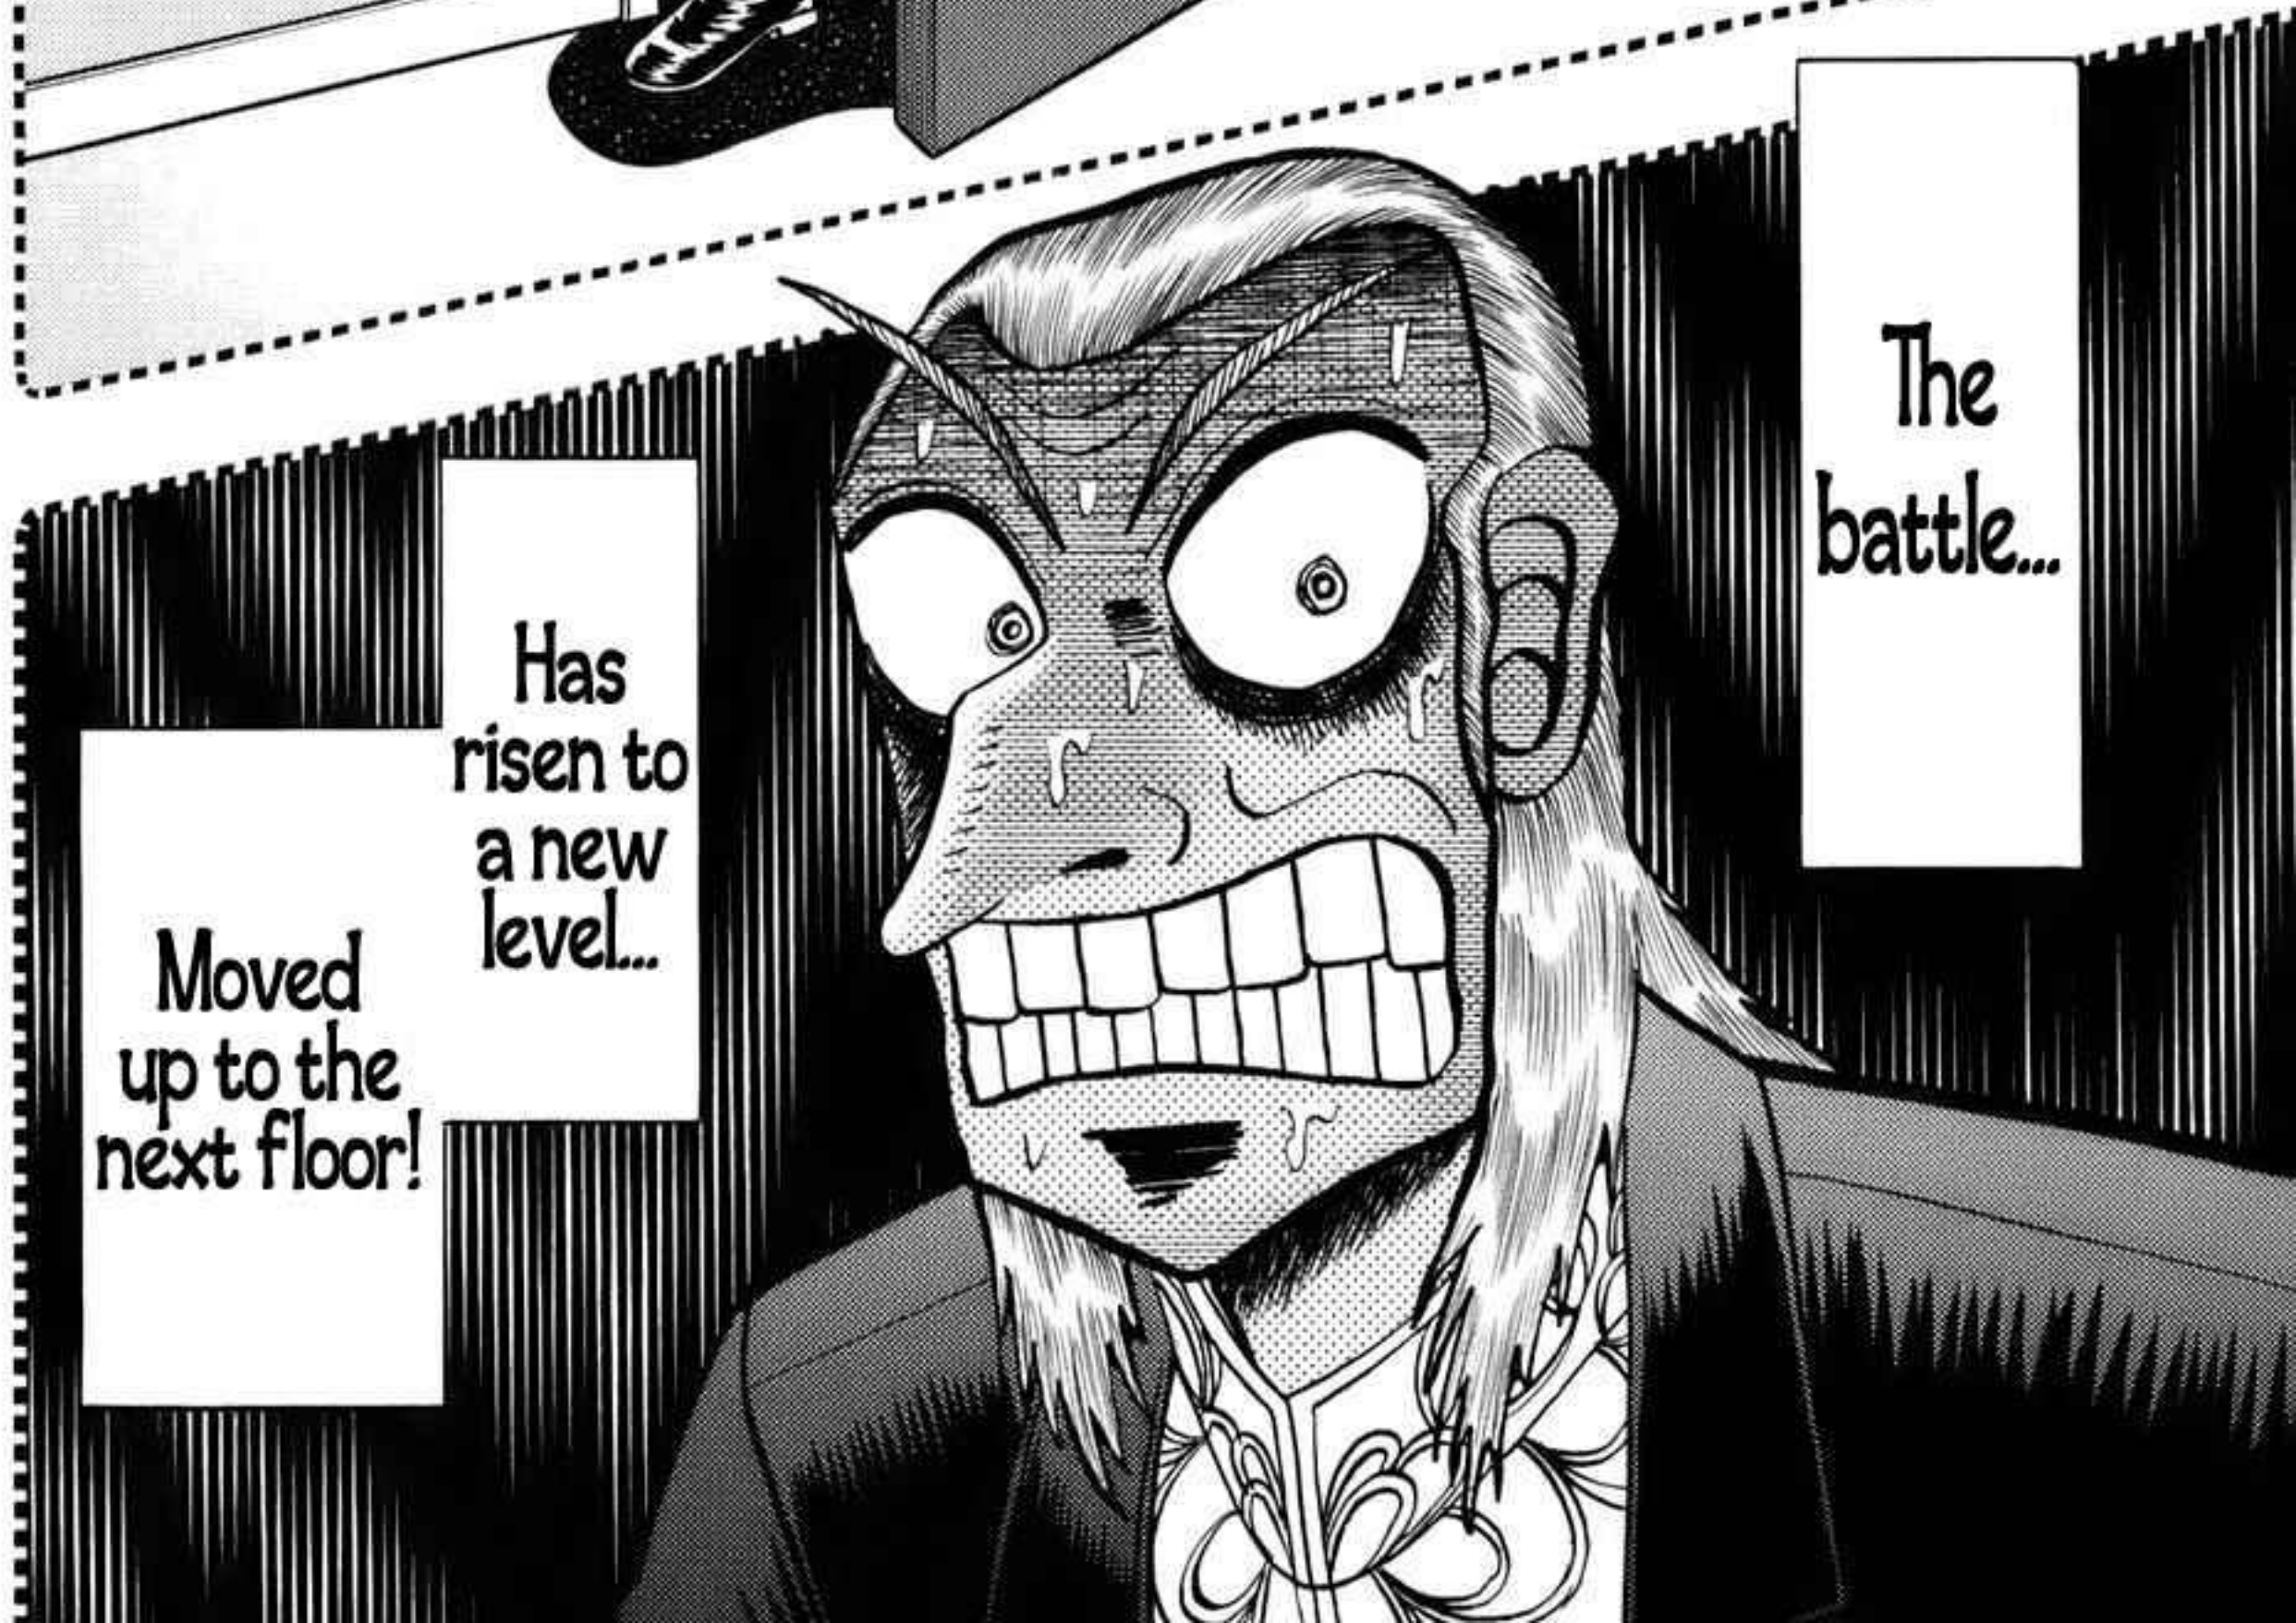

He
has
also
lost
blood!

His money...
His entire
fortune
has been
lost!

A door
has
opened!

The
battle...

Has
risen to
a new
level...

Moved
up to the
next floor!

If
either
of them
moves
back a
bit...

There is
a cliff
at each
of their
backs!

And
now...

What
waits
for them
is death!

They
will die
at that
moment!

**I MUST
ATTACK!**

**IN
WHICH
CASE...**

**ATTACK
AND KILL
AKAGI!!!**

**ATTACK!!
ATTACK!!
ATTACK!!**

AND ONE OF
US CHASING
AFTER THEM!
THIS...

NOW, IT'S
NOT A CASE
OF ONE OF
US RUNNING...

**SLICE
HIM TO
RIB-
BONS!!**

IS NO
LONGER
THAT KIND
OF FIGHT!

WITHOUT
HESITATION,
CHARGE
FORWARD!!

YOU HAVE TO
CHARGE AT IT!

IF YOU
SPOT A
WEAKNESS...

Akagi's Hand

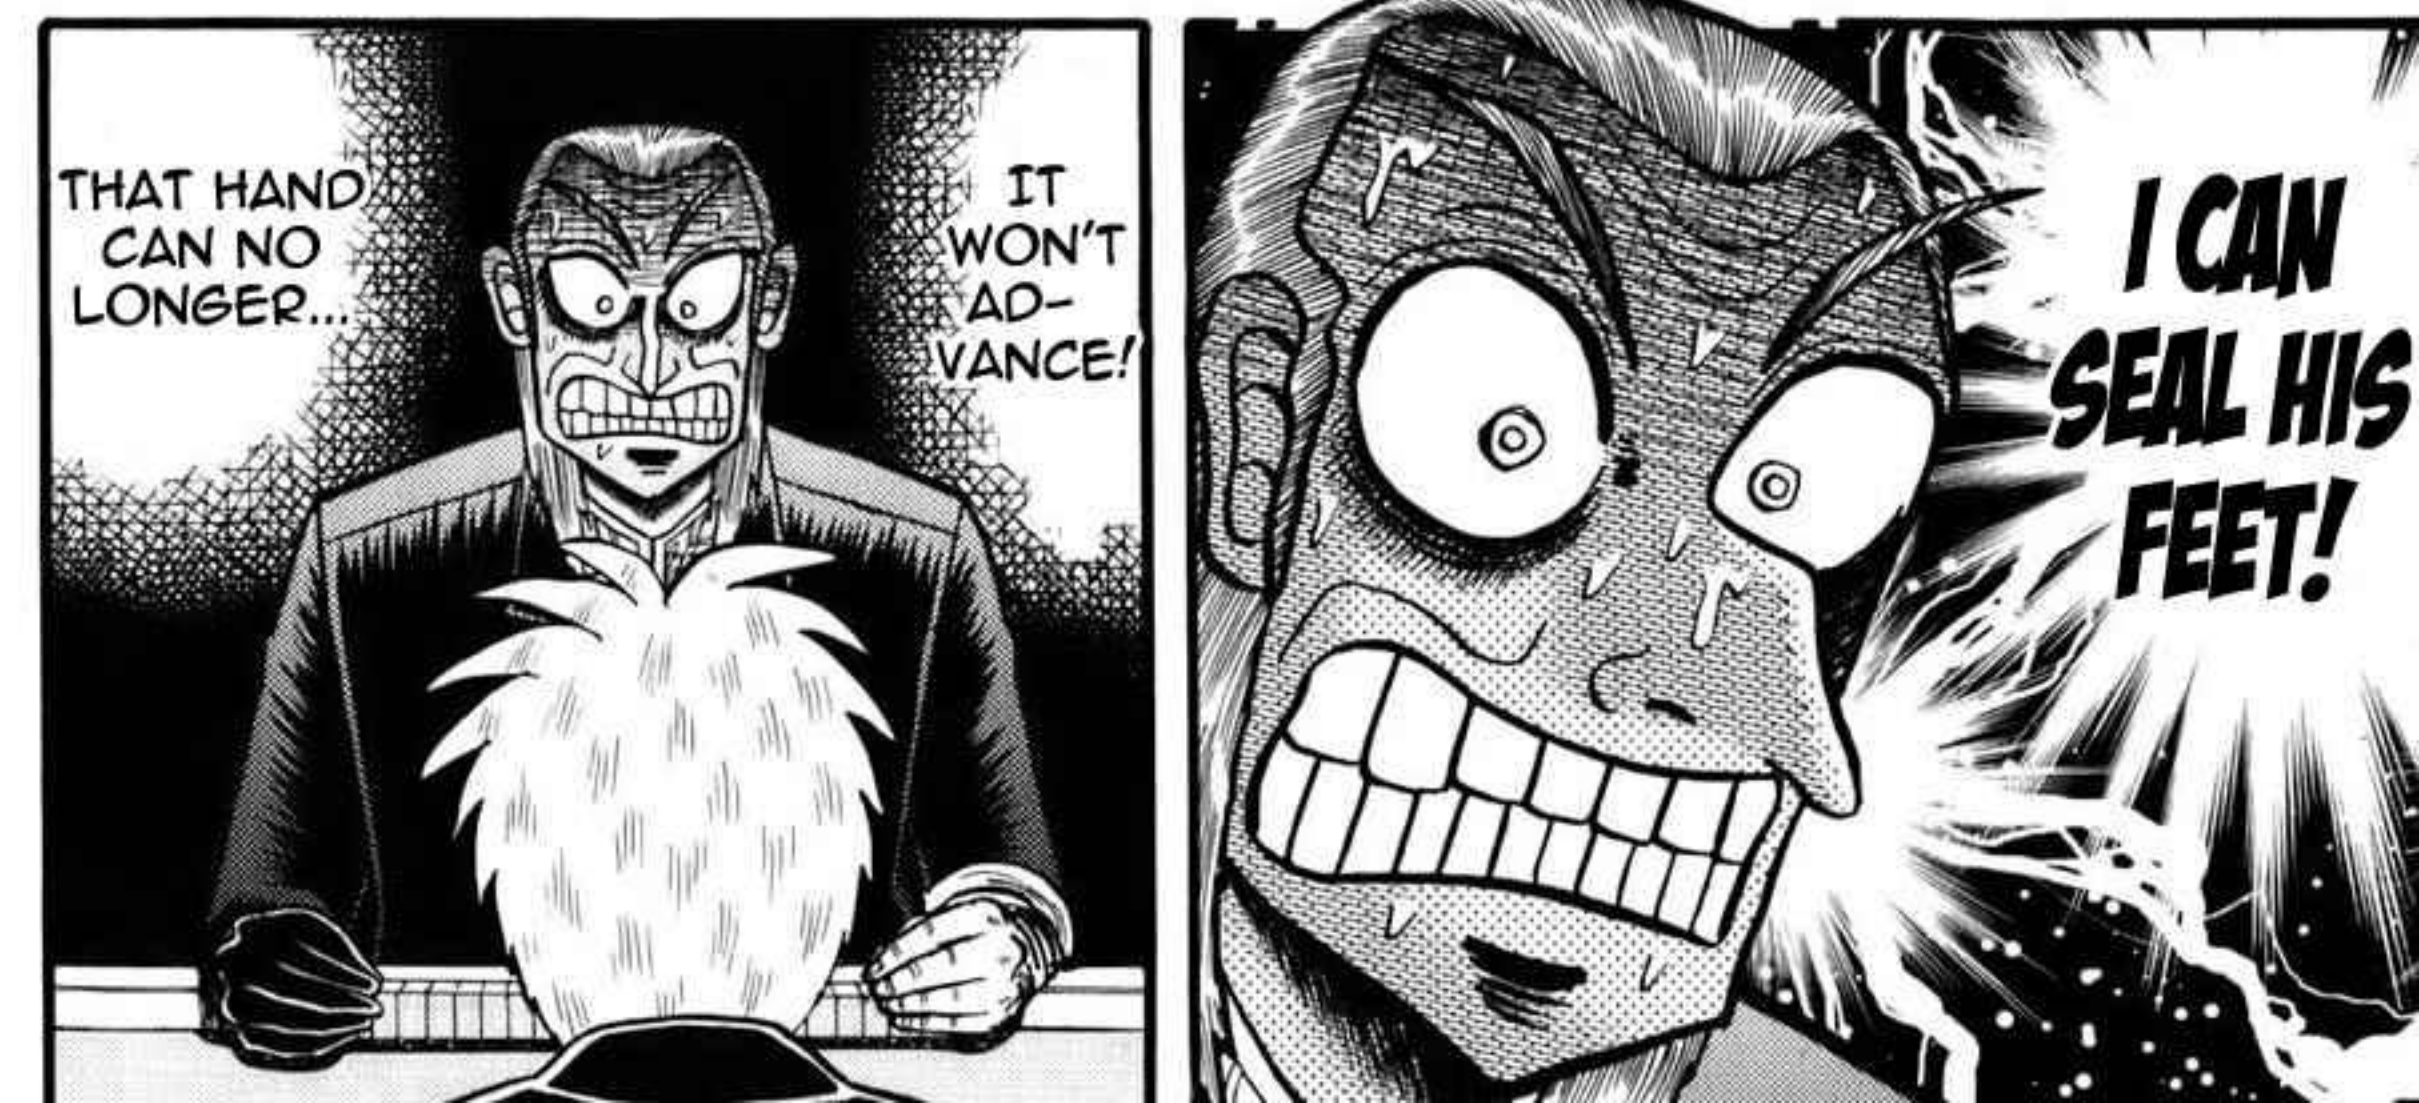

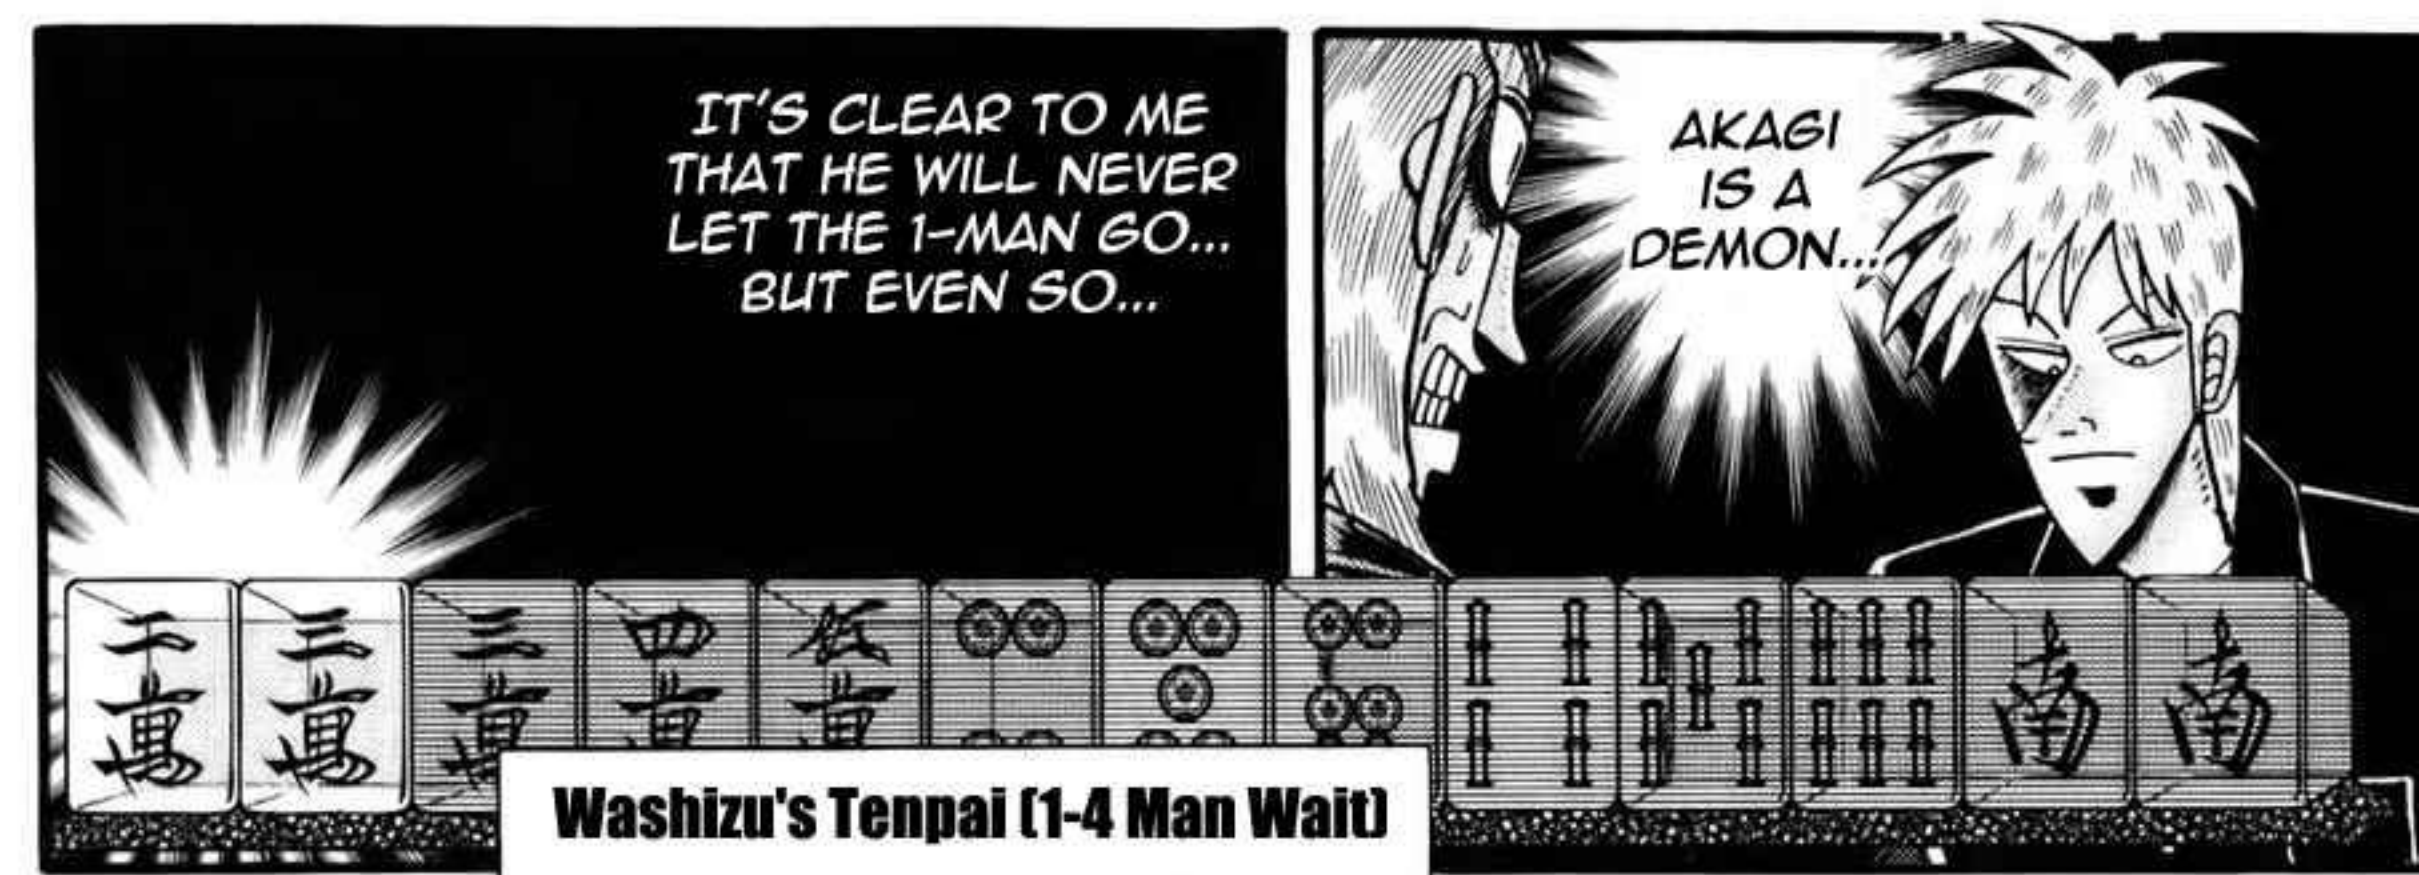

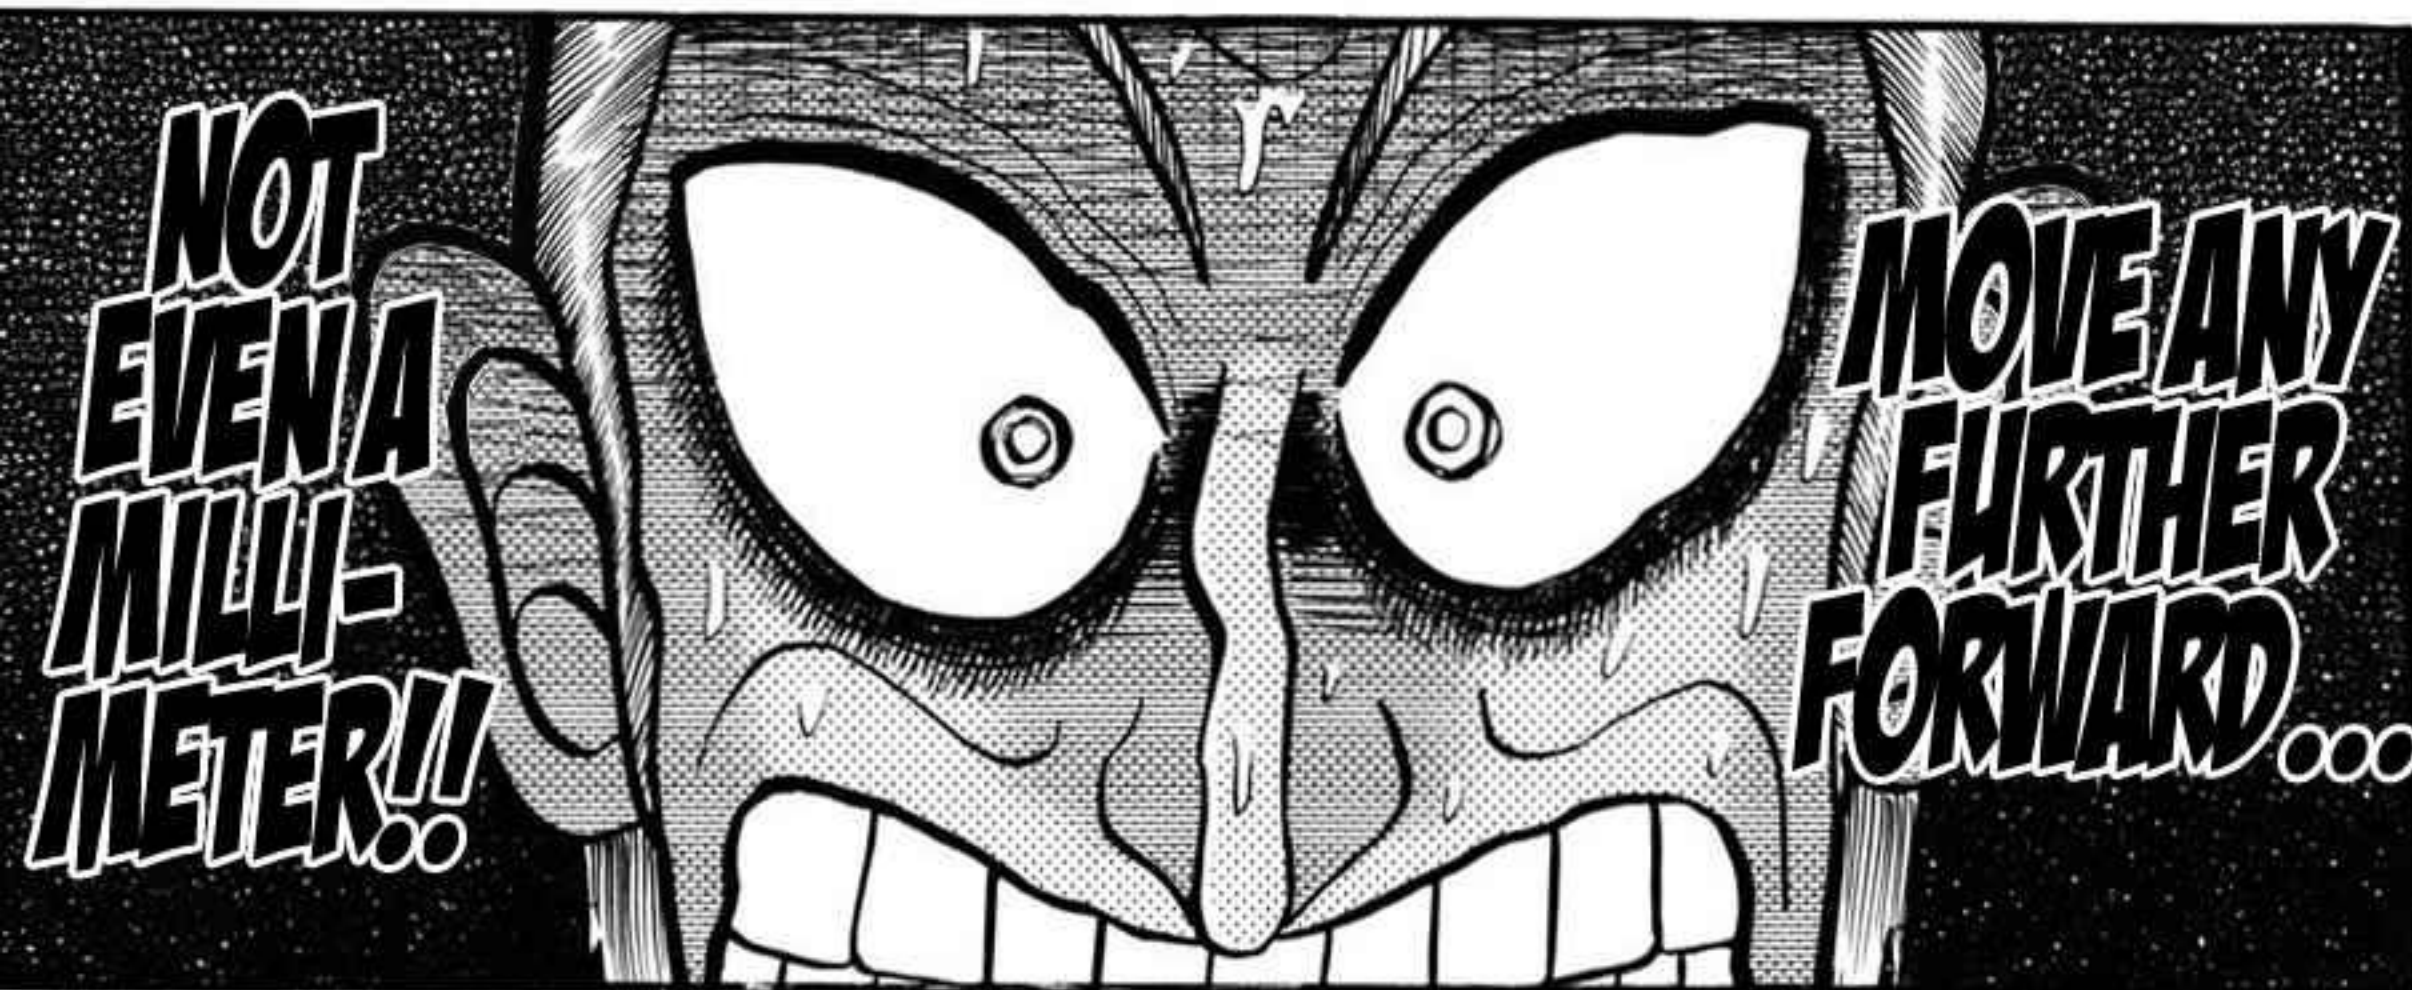

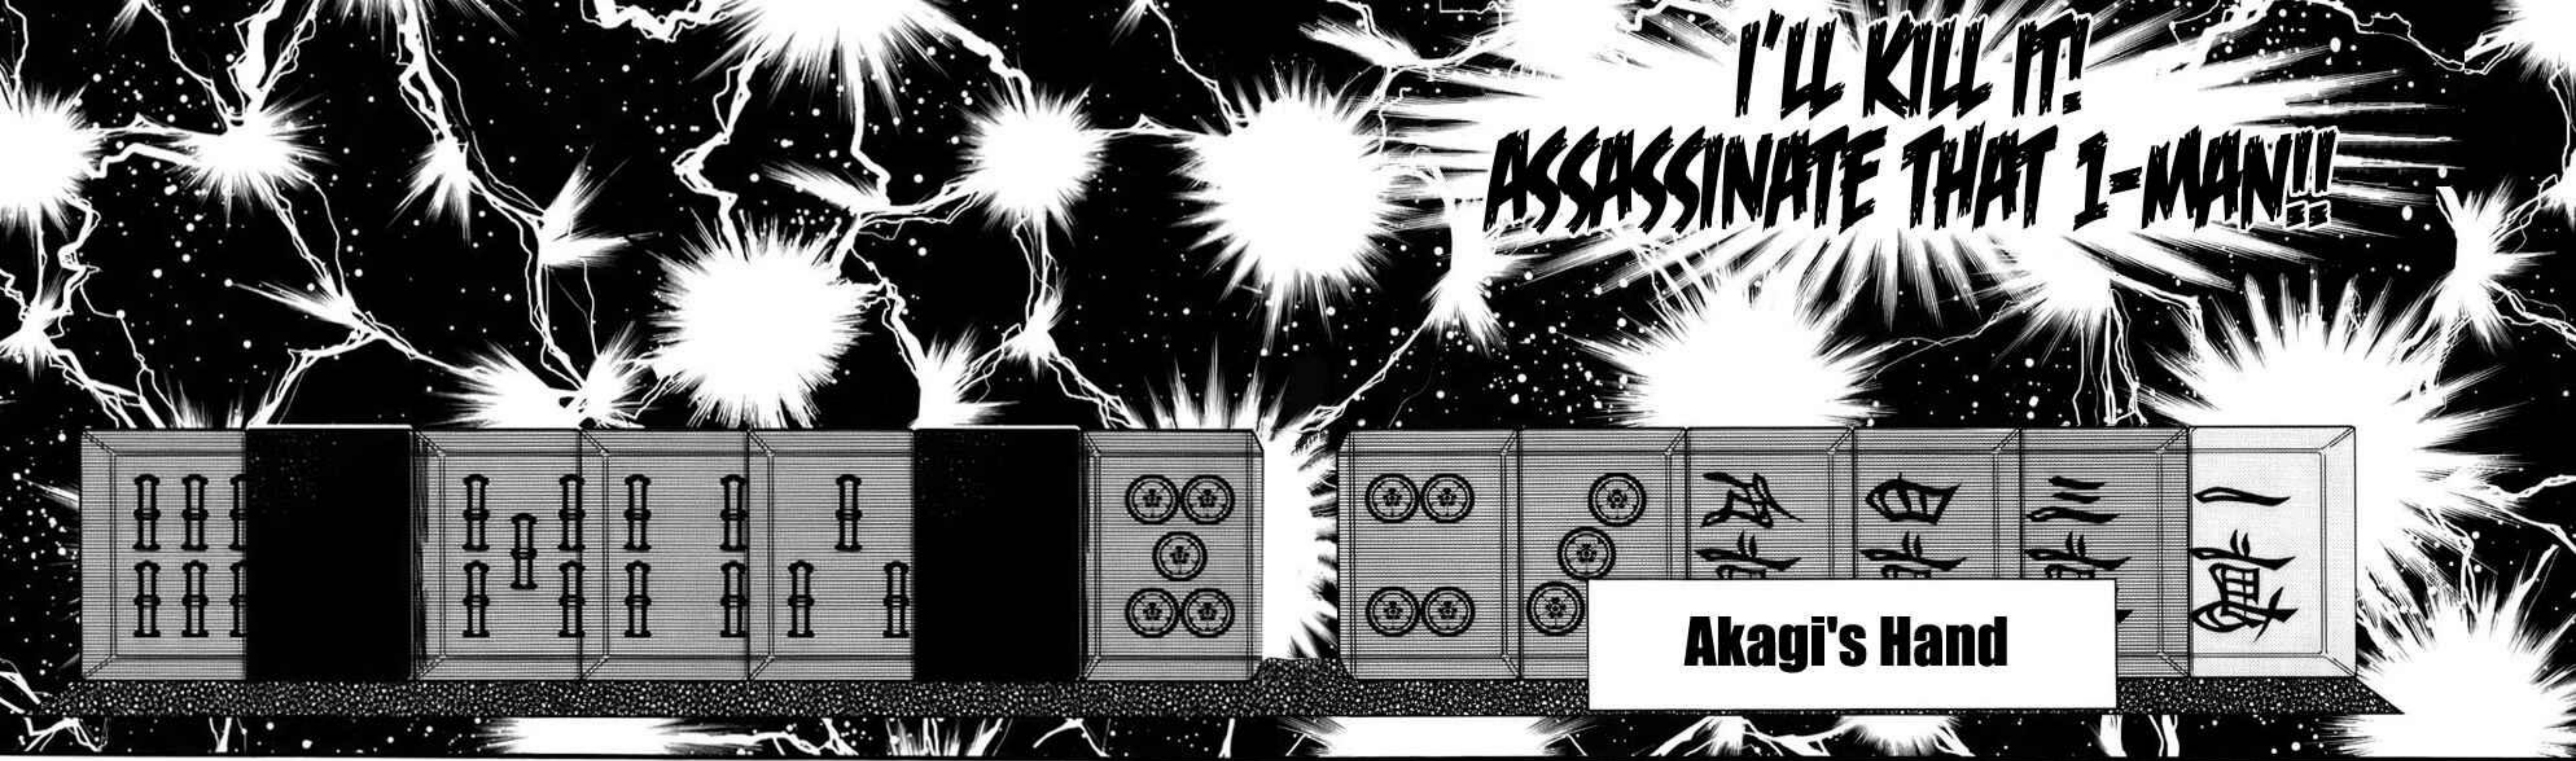

CHARGE!!

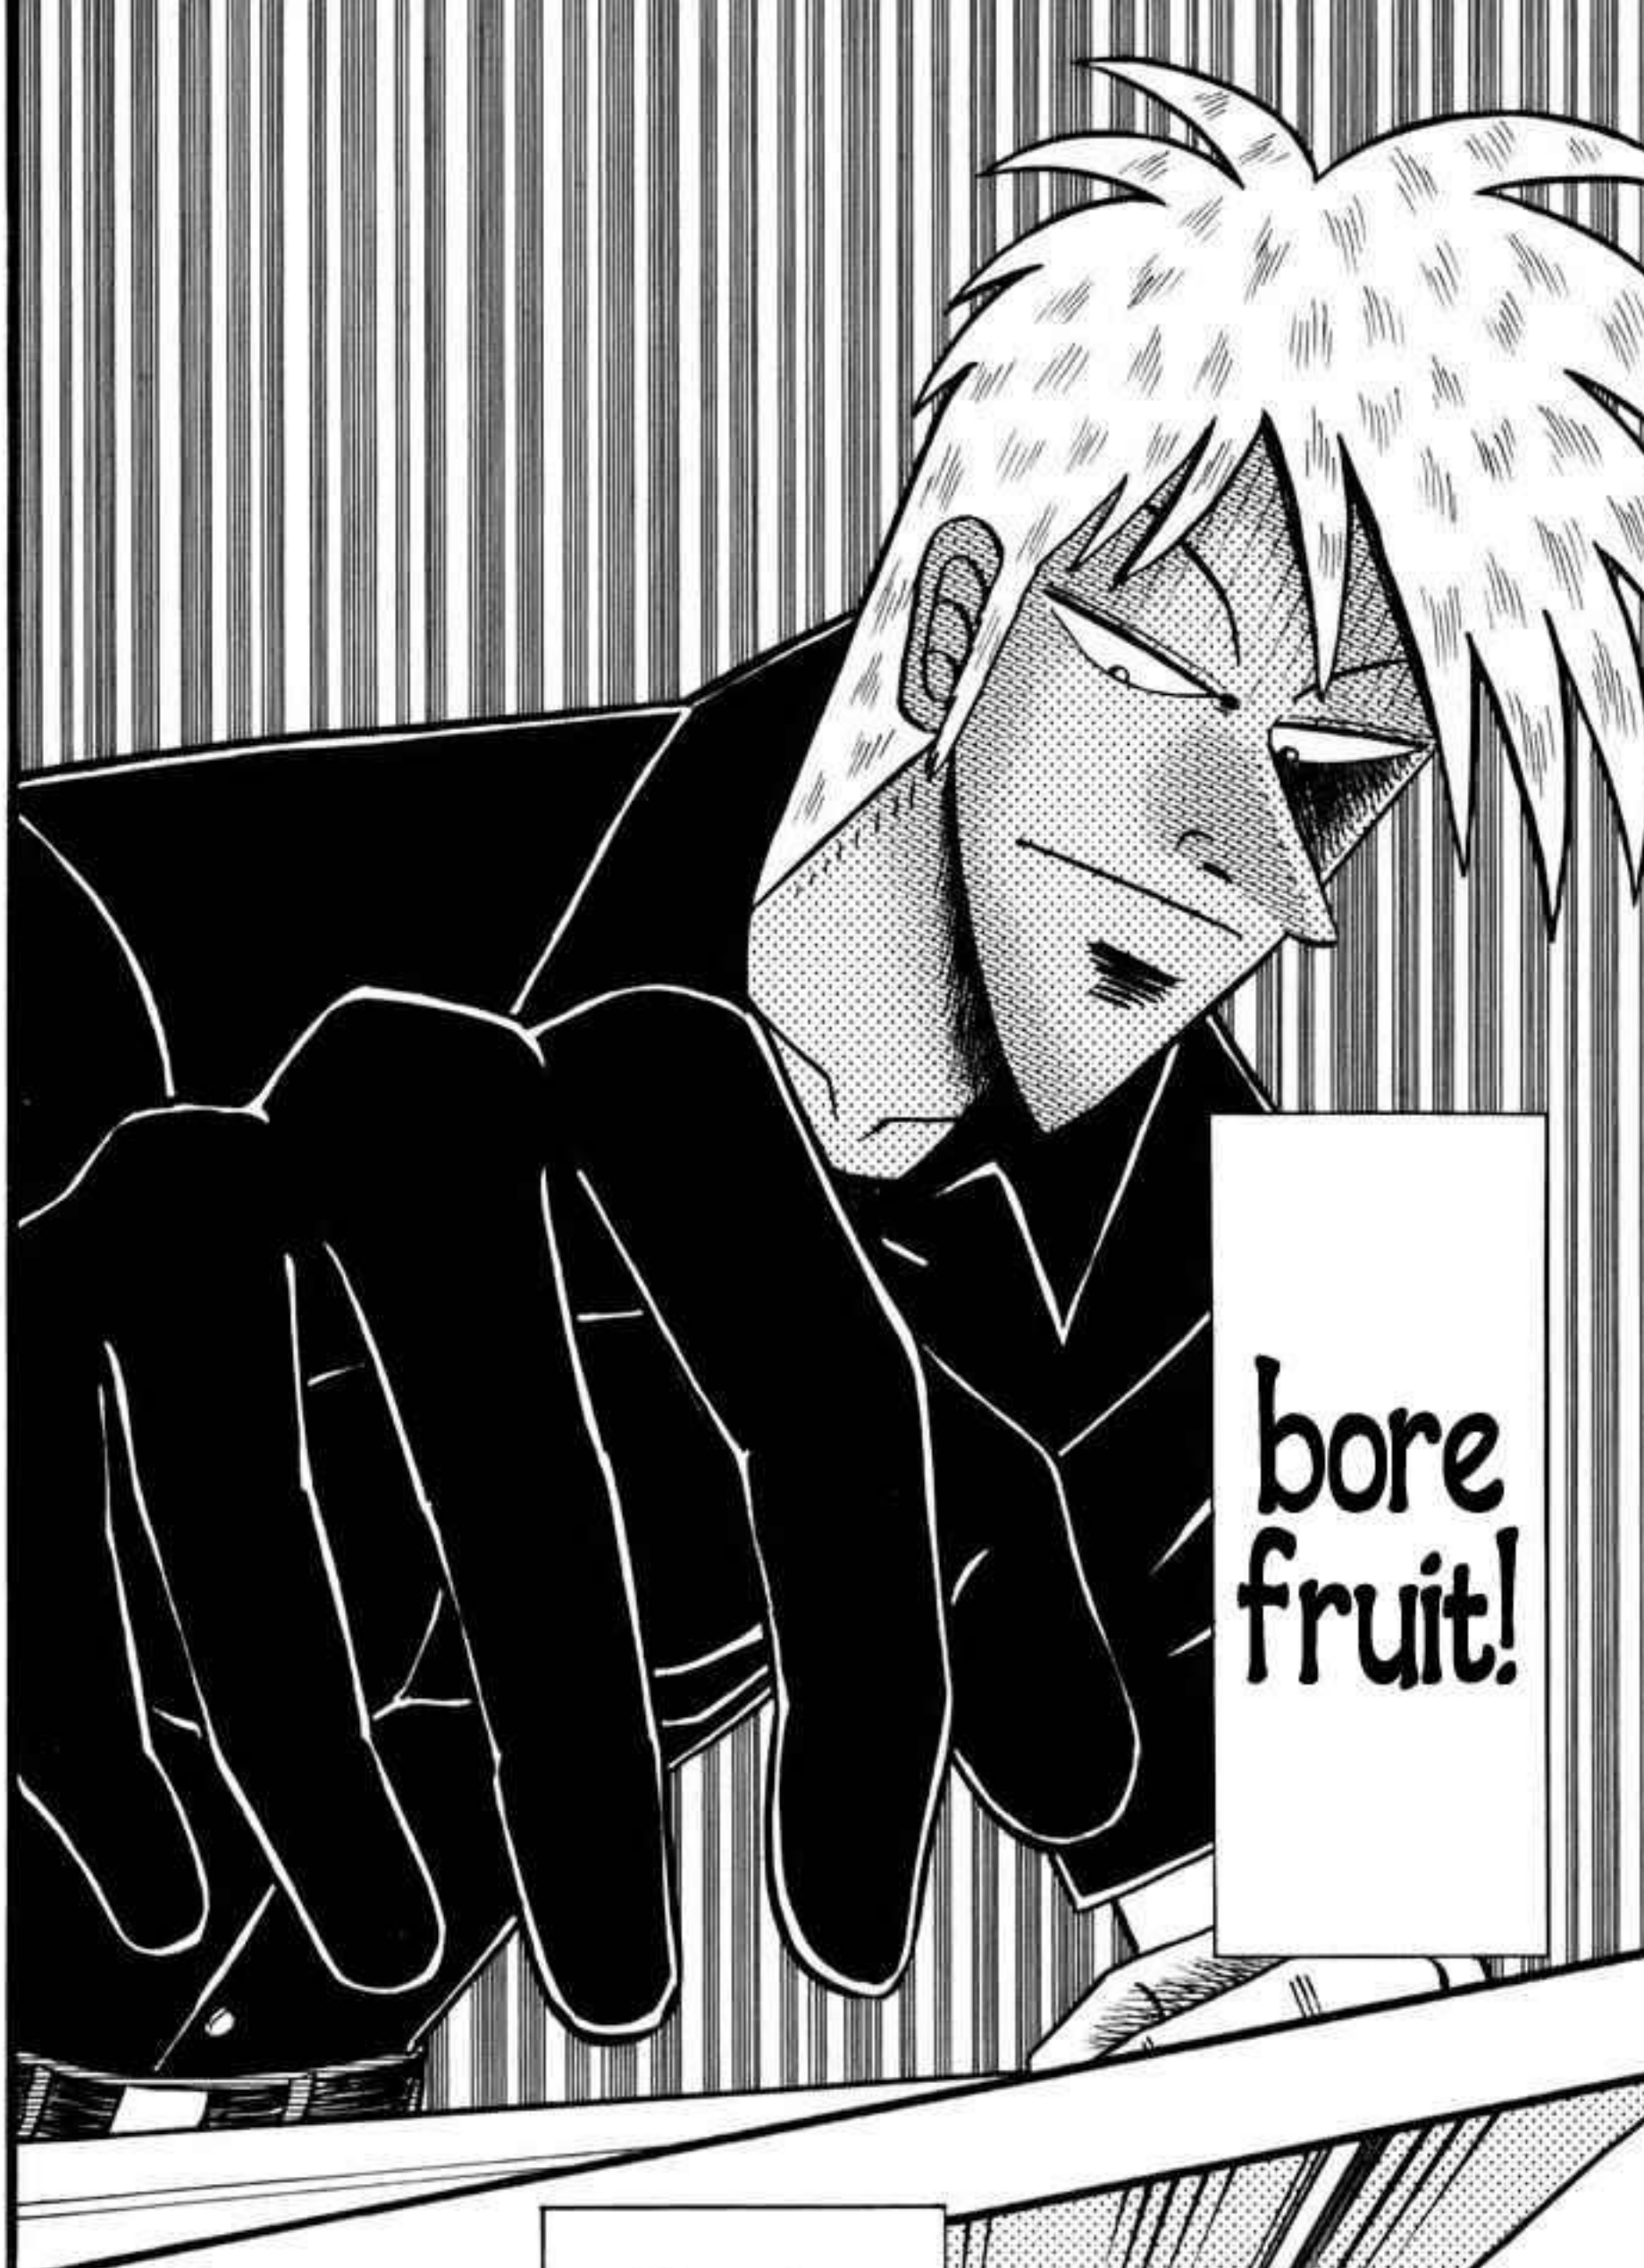

EVEN
KNOWING
THE RISKS...

IN
OTHER
WORDS
...

VICTORY
WILL NOT
EMERGE!

IF NOT,
THE PATH
WON'T OPEN
FOR YOU!

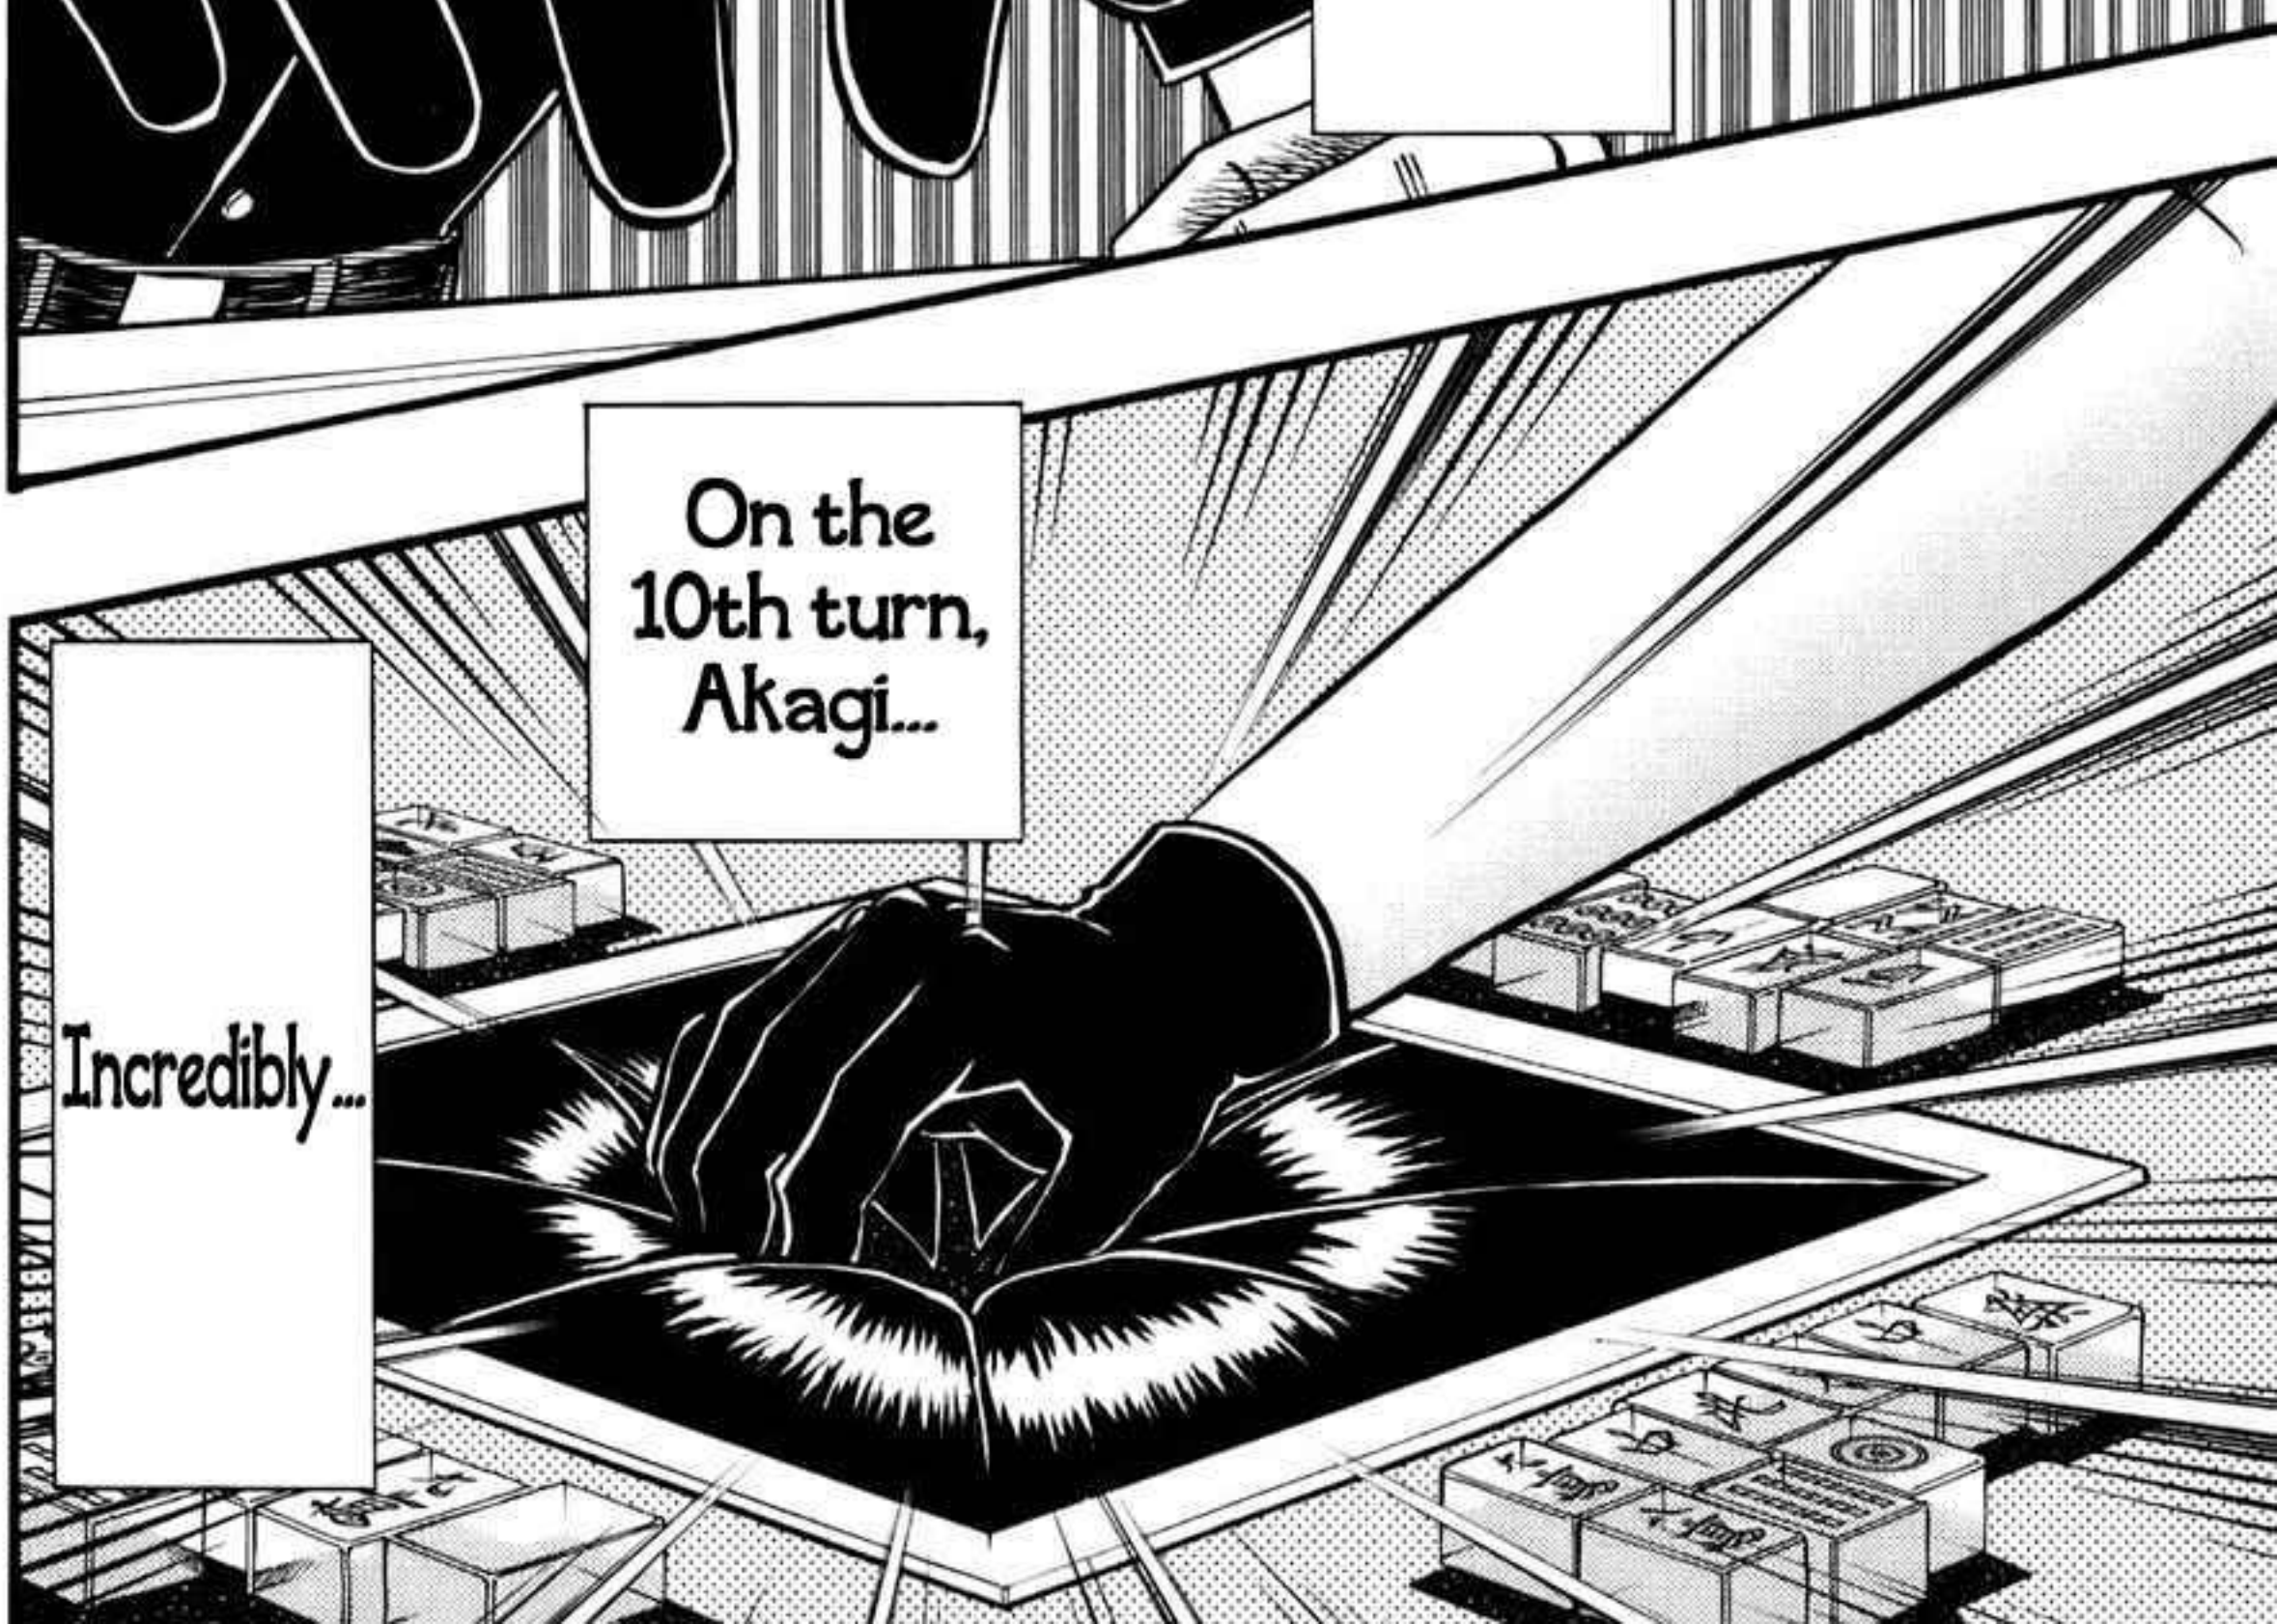

Tenacity
of
Washir-
zu's...

bore
fruit!

On the
10th turn,
Akagi...

Incredibly...

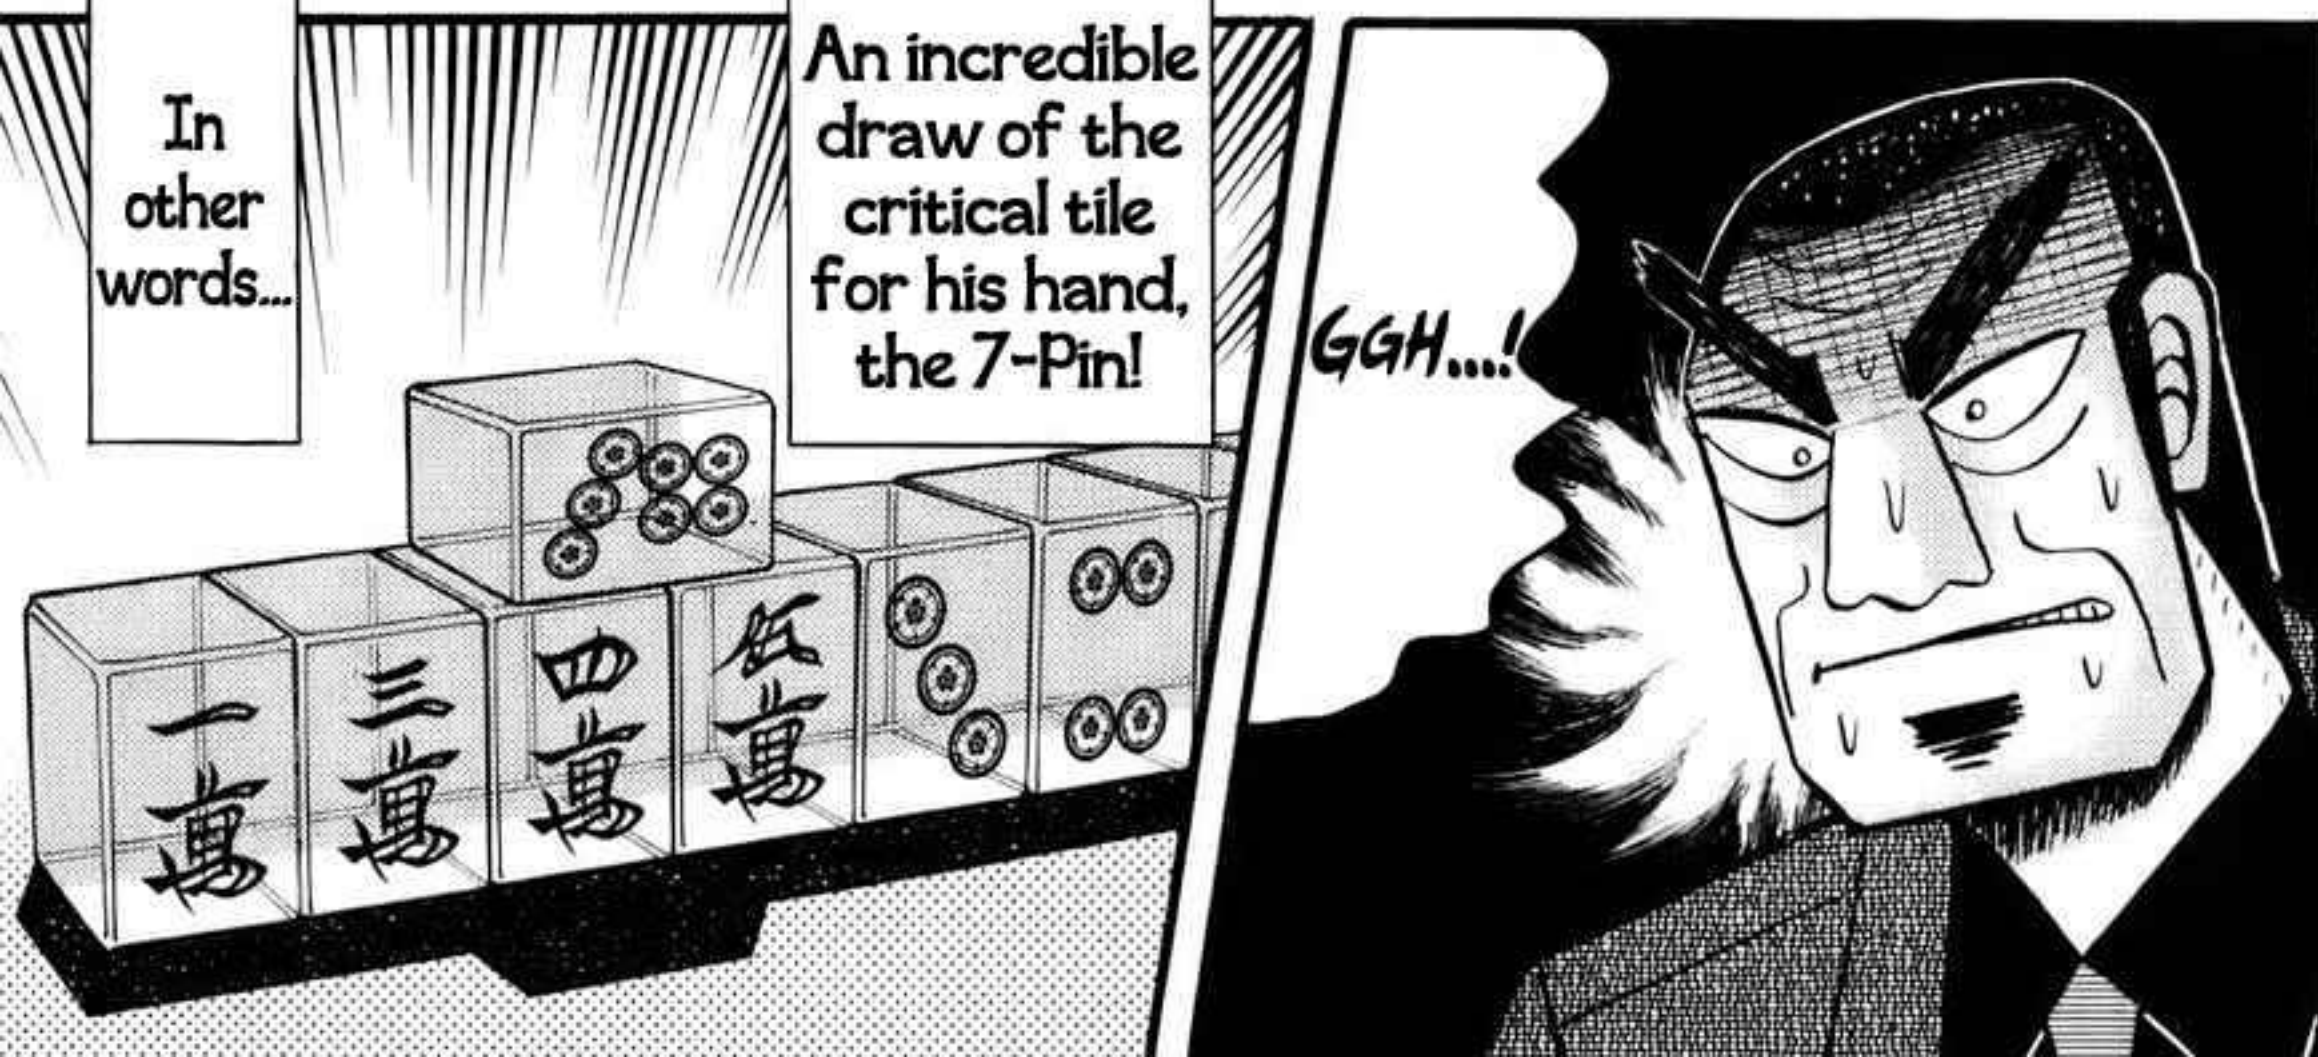

Drew
the
7-Pin!

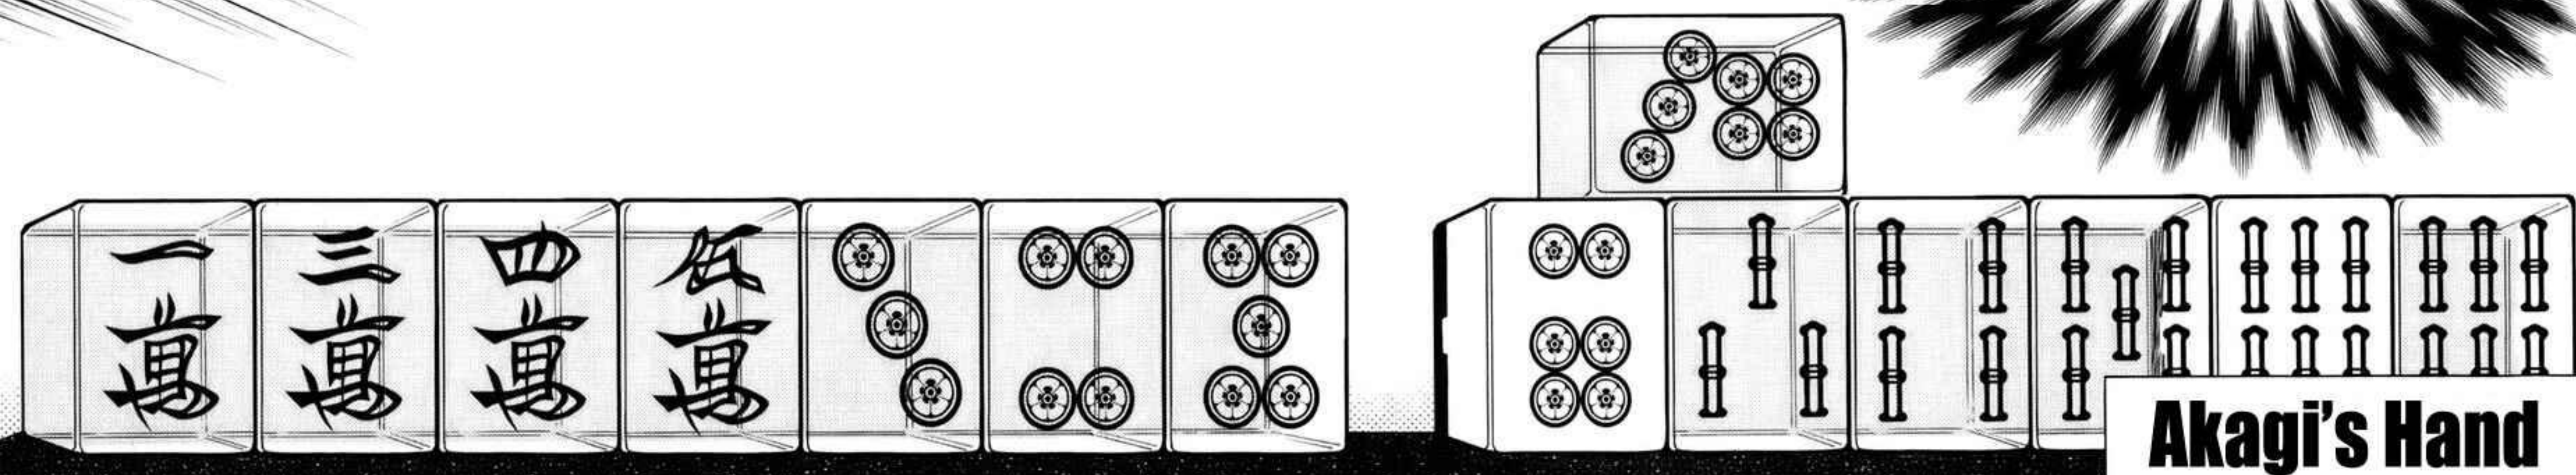

In
other
words...

An incredible
draw of the
critical tile
for his hand,
the 7-Pin!

GGH...!

IT WAS TENPAI!!!

Akagi's Hand

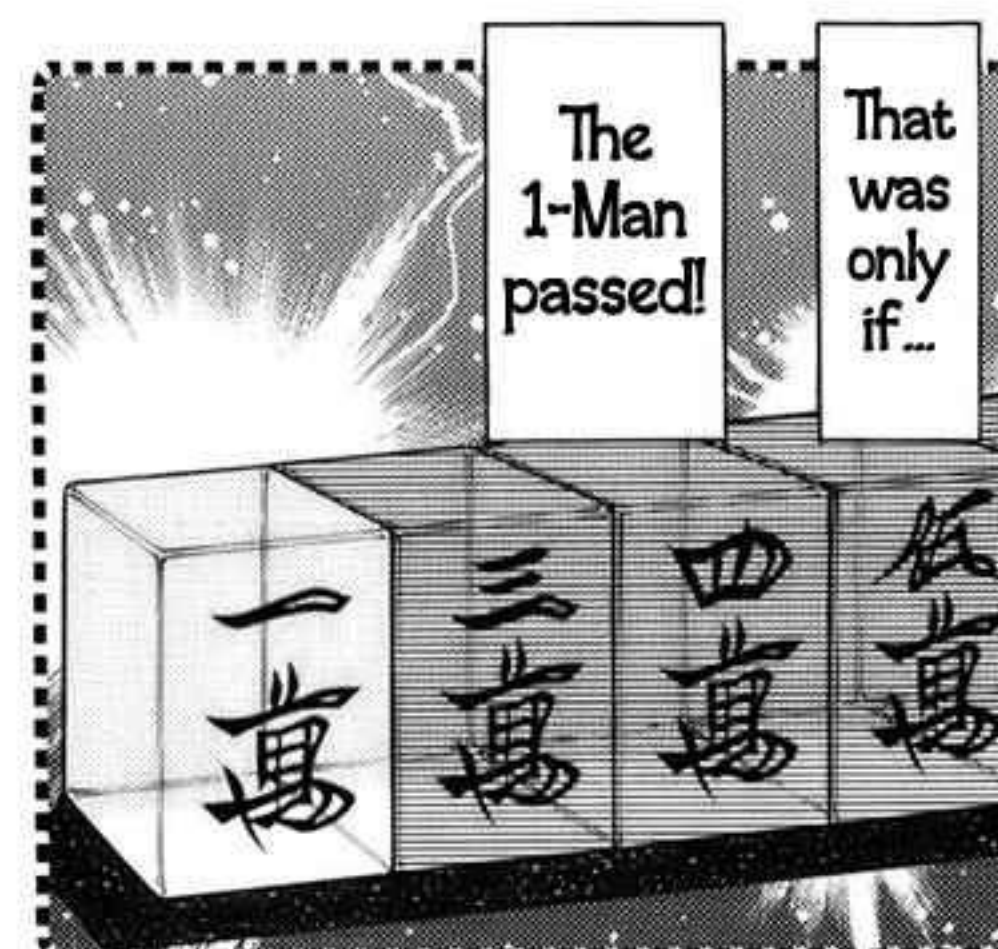

How-
ever...

He did not
deal into
Washizu's
hand!

He
dealt the
7-Pin after
drawing it!

There was no
way Akagi
could let the
1-Man go...

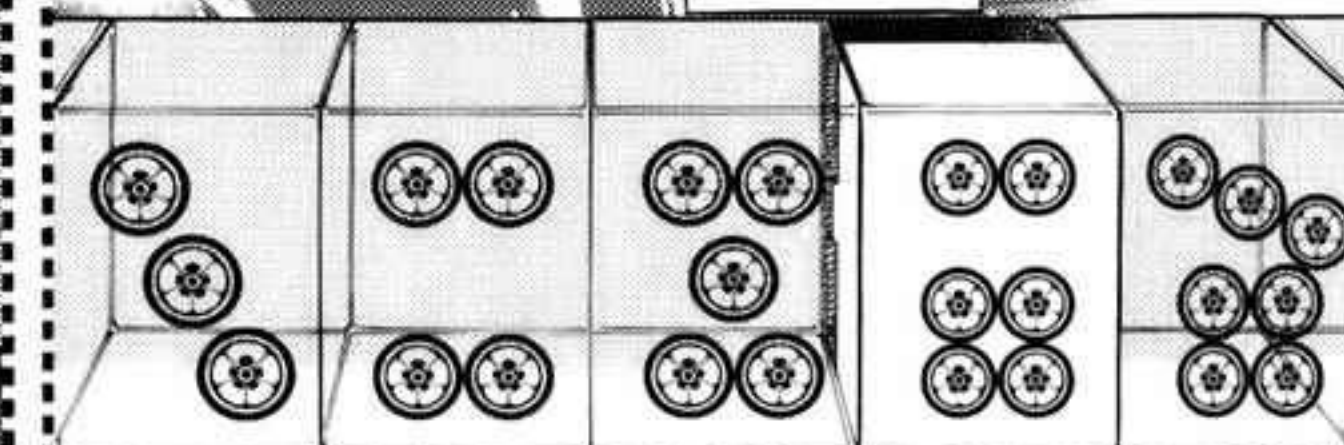

The
1-Man
passed!

That
was only
if...

How-
ever...

With a
2-5-8 pin
wait!

Tanyao,
Pinfu,
San
Shoku...

had done
its job
splendidly!

Washi-
zu's
Riichi...

He had
been held
back, deci-
sively!

And
then...

So
natu-
rally...

Washizu's
hand was a
clear-and-
cut 1-4 Man
wait!

He un-
earthed
it!

Imme-
diately
after...

8-Pin!

HAH...!

That
tenpai...

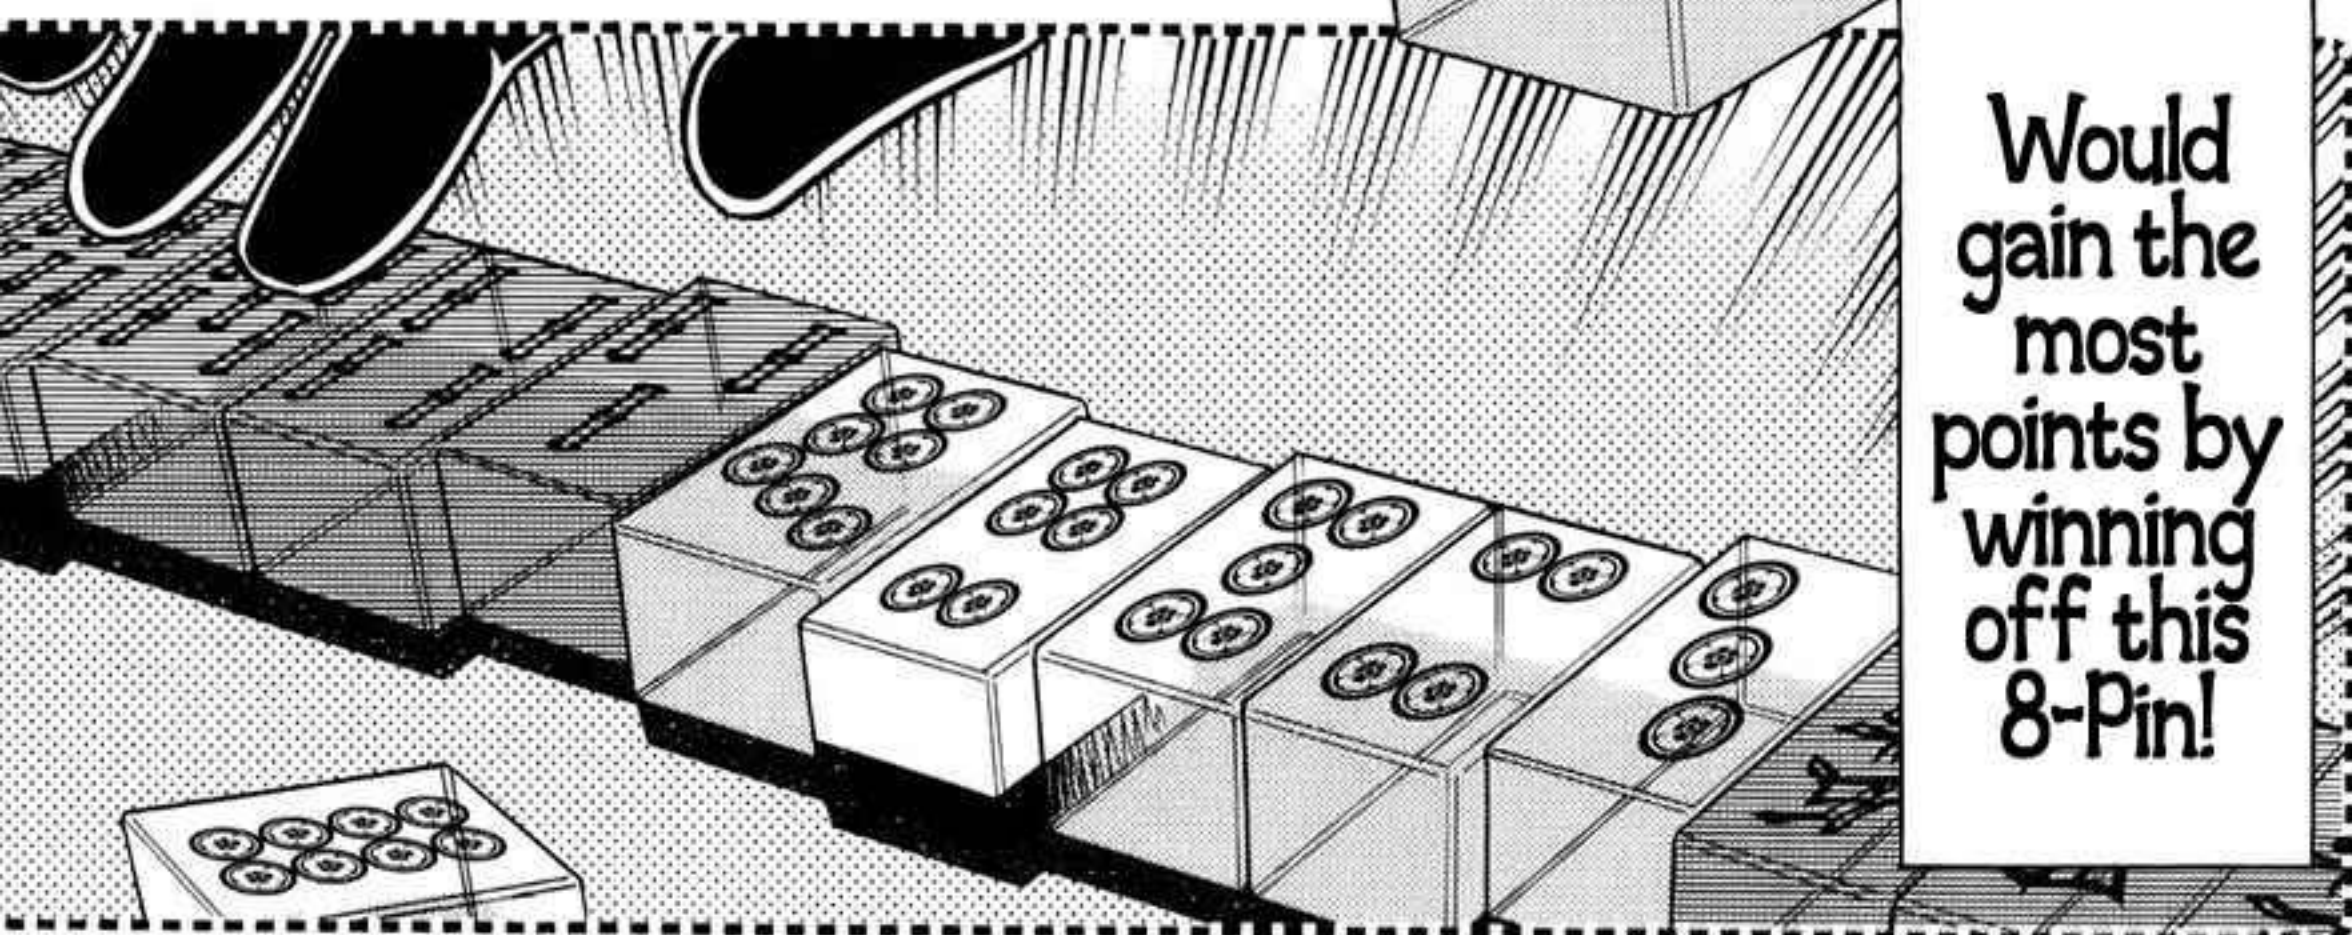

Akagi's Riichi,
Tanyao, Pinfu,
San Shoku
hand...

The re-
sulting
hand...

Had Akagi
made the
1-Man go
through...

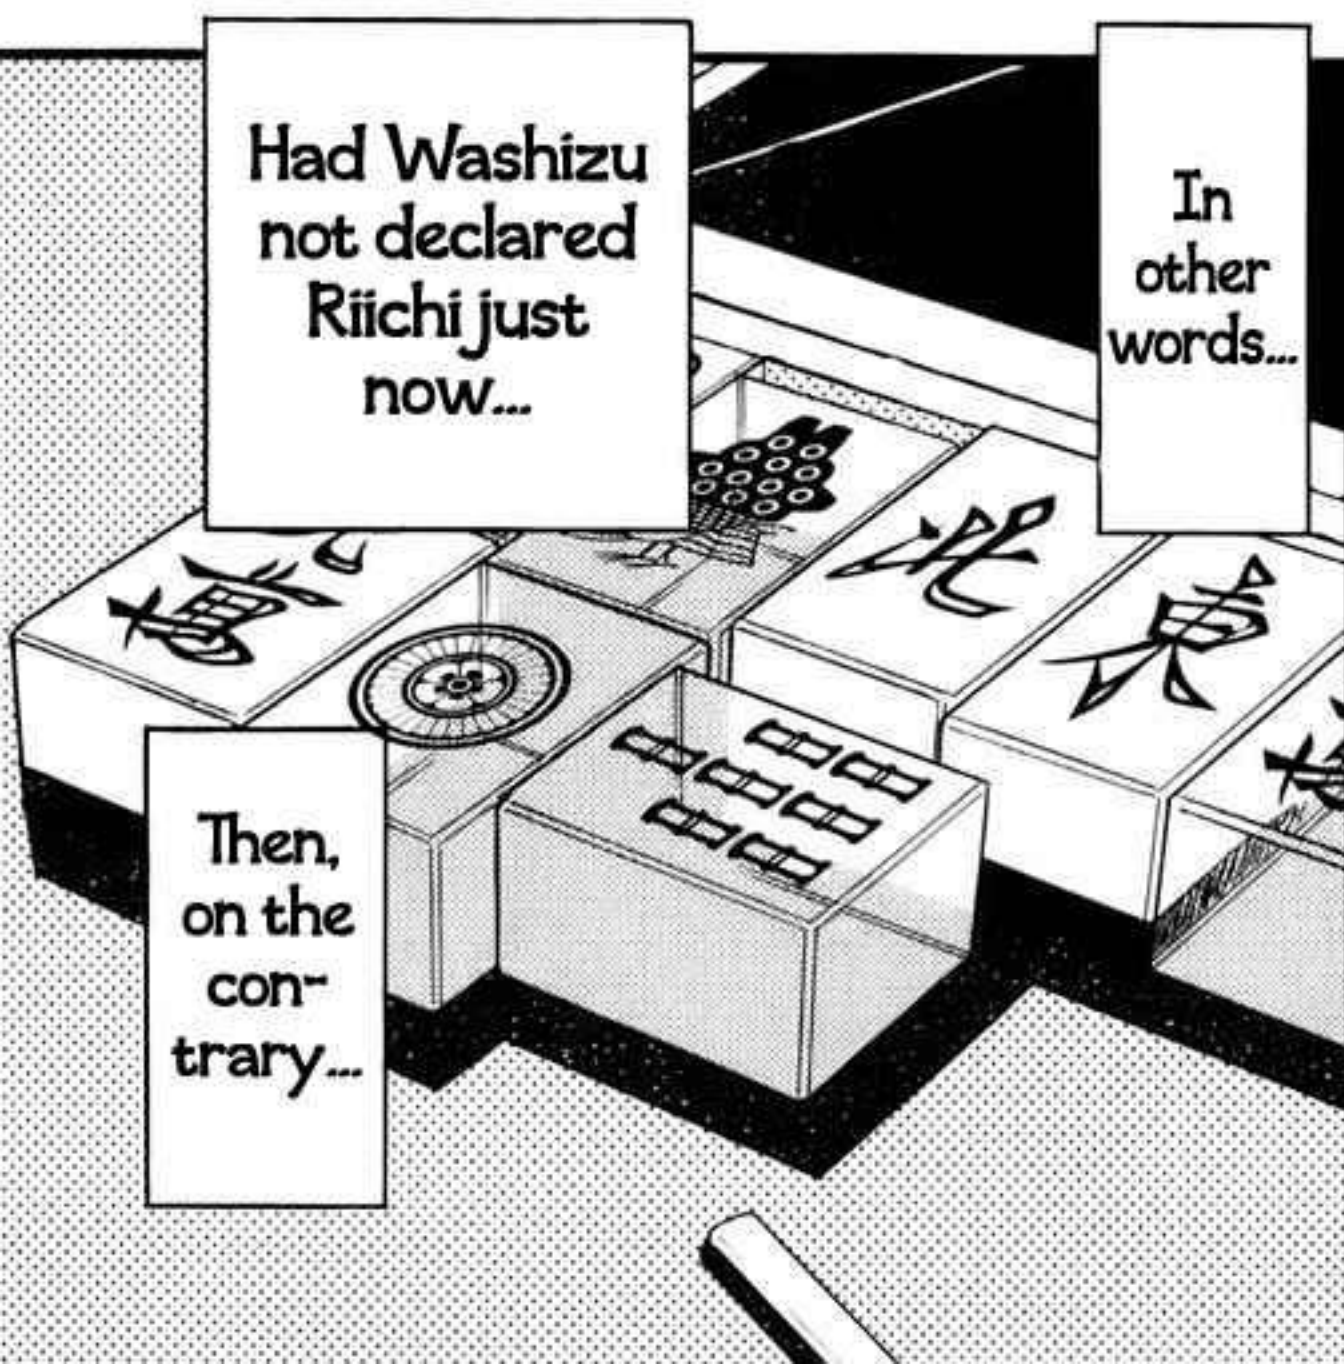

Would
gain the
most
points by
winning
off this
8-Pin!

Had Washizu
not declared
Riichi just
now...

In
other
words...

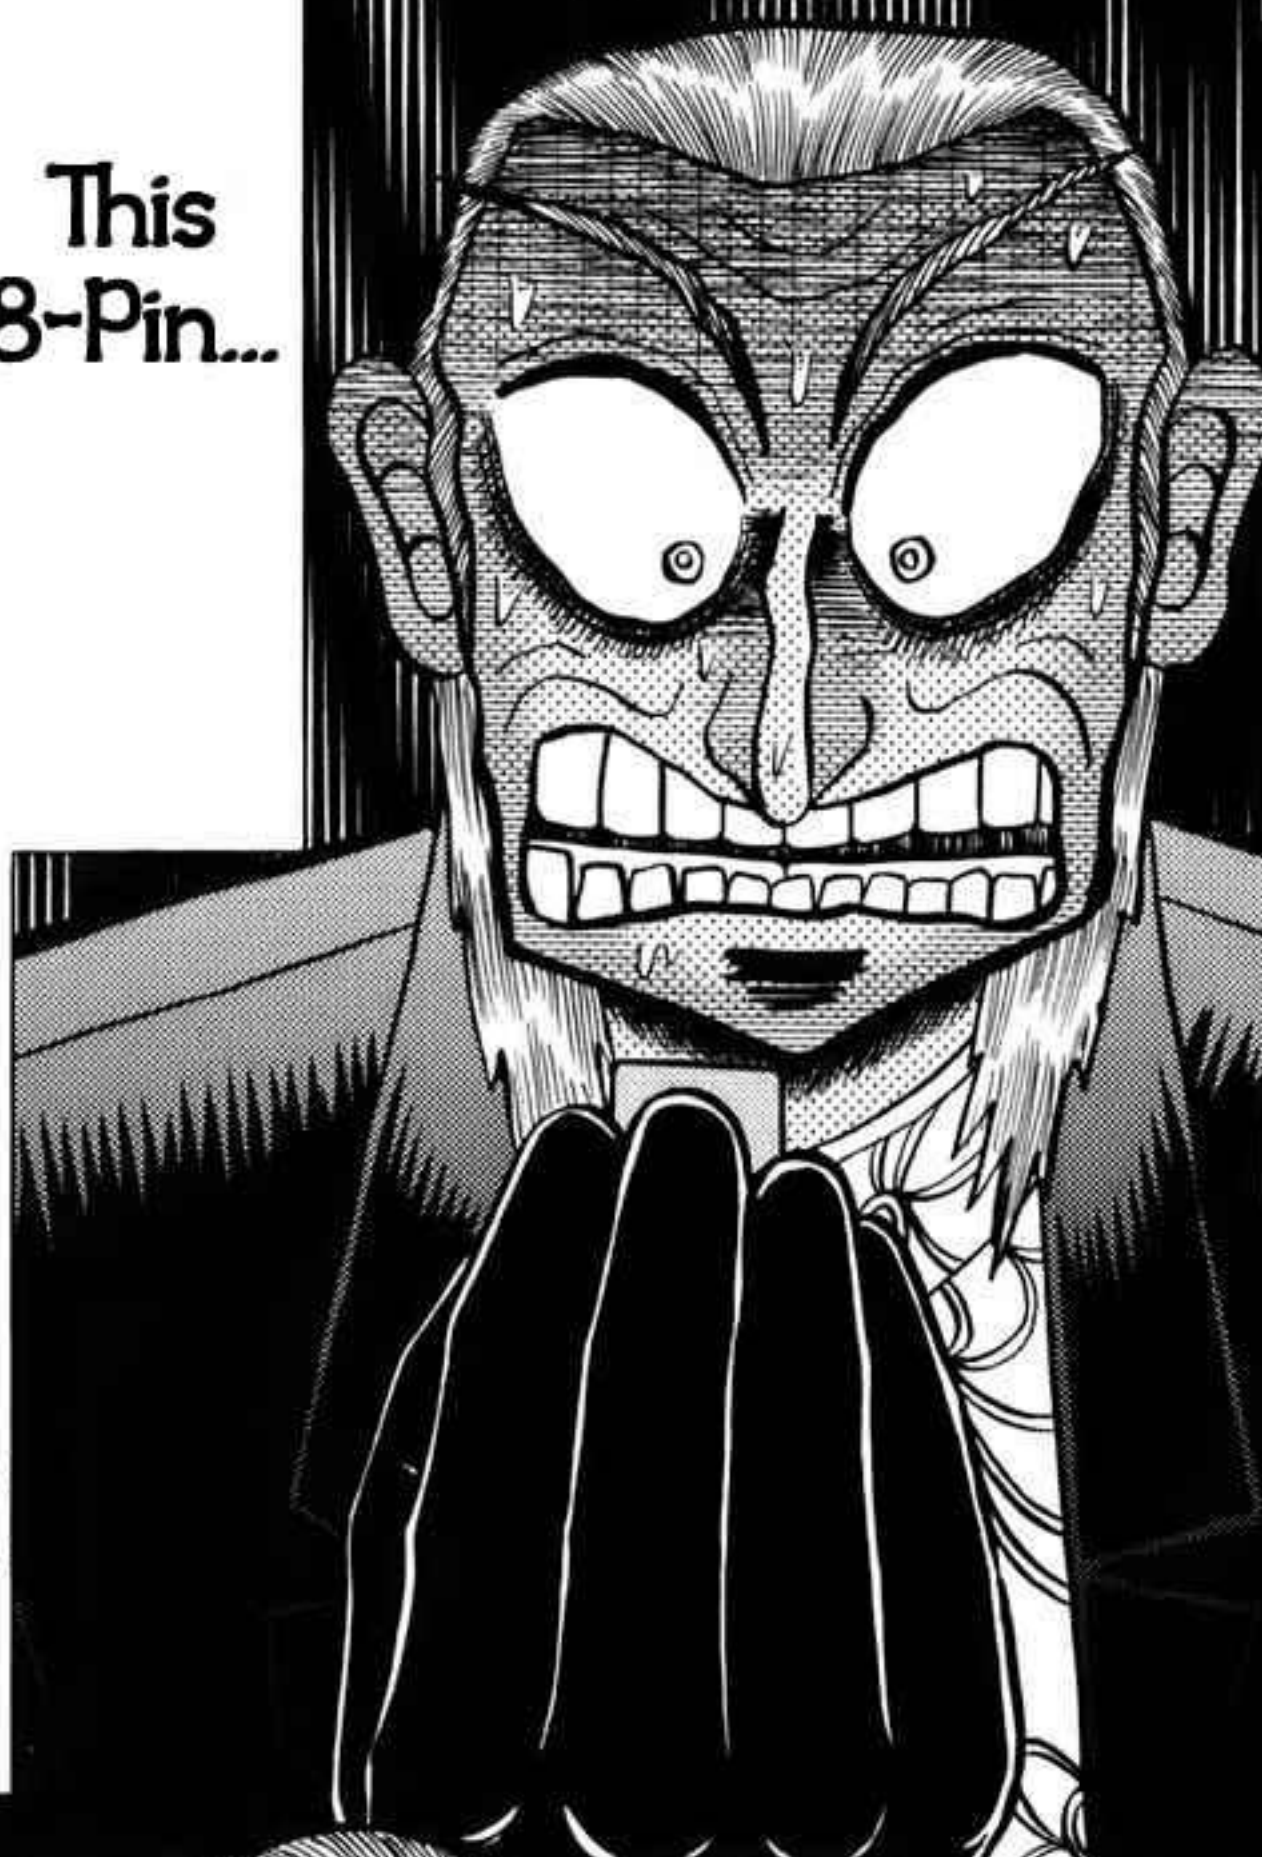

Then,
on the
con-
trary...

This
8-Pin...

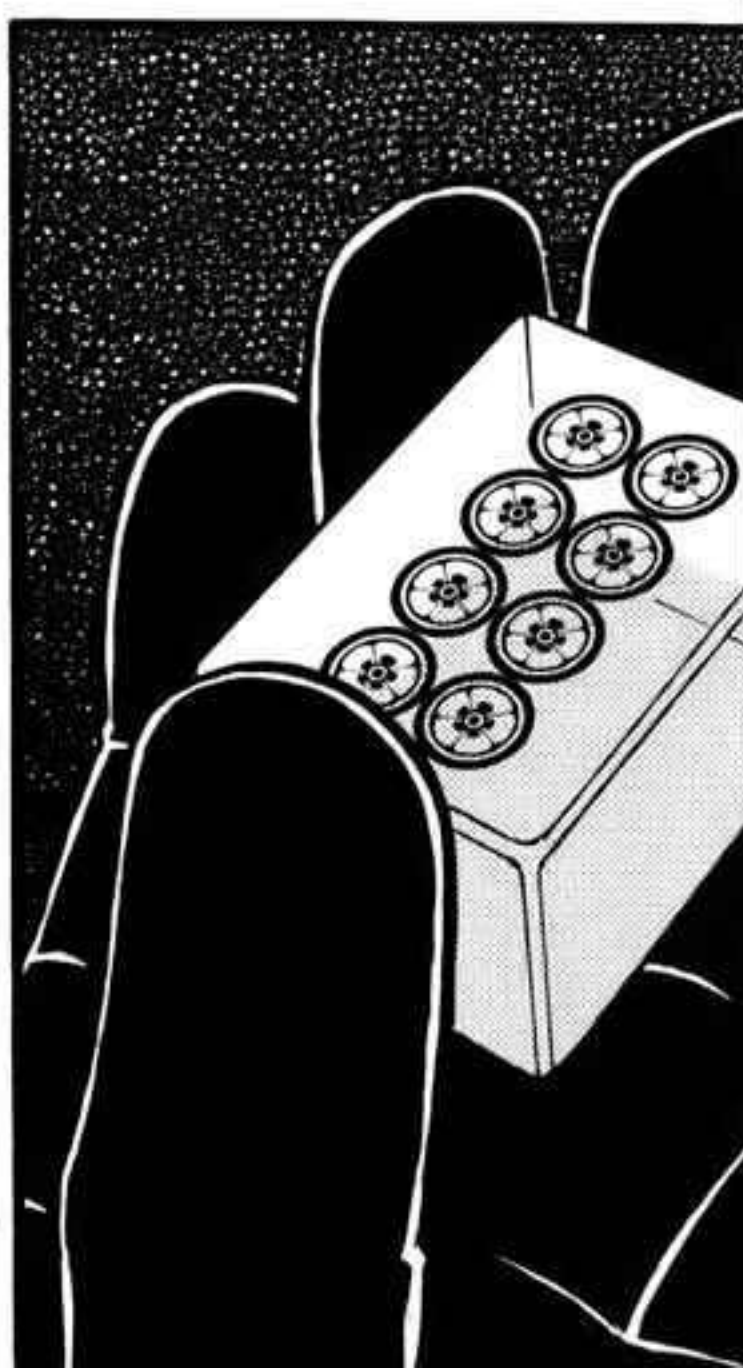

He would
have been
swallowed
whole!

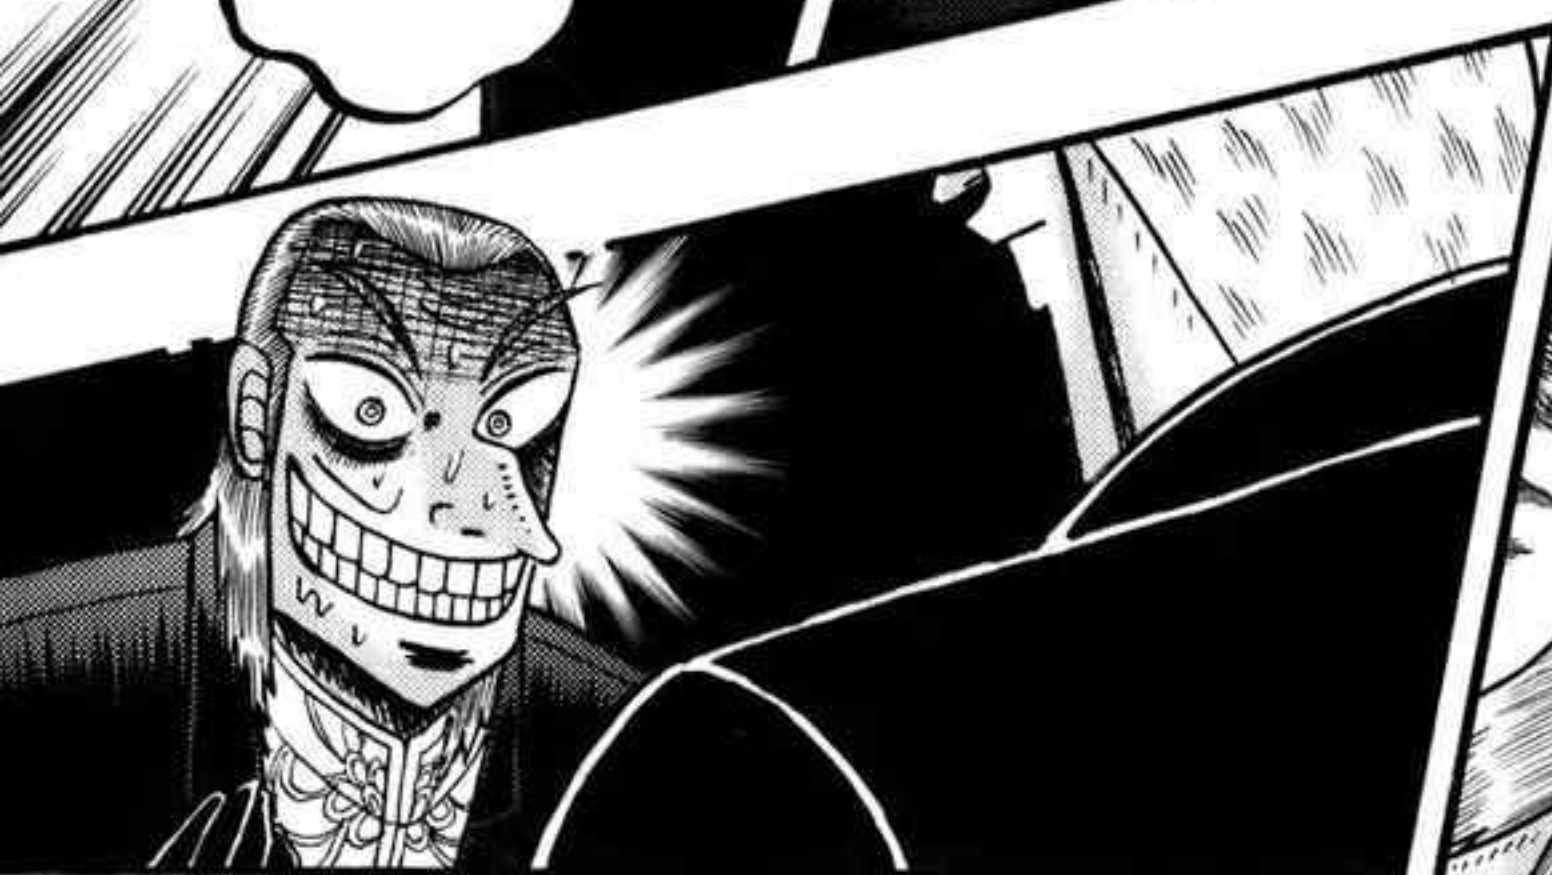

Would
have
binded
him in
shackles!

KHEH...

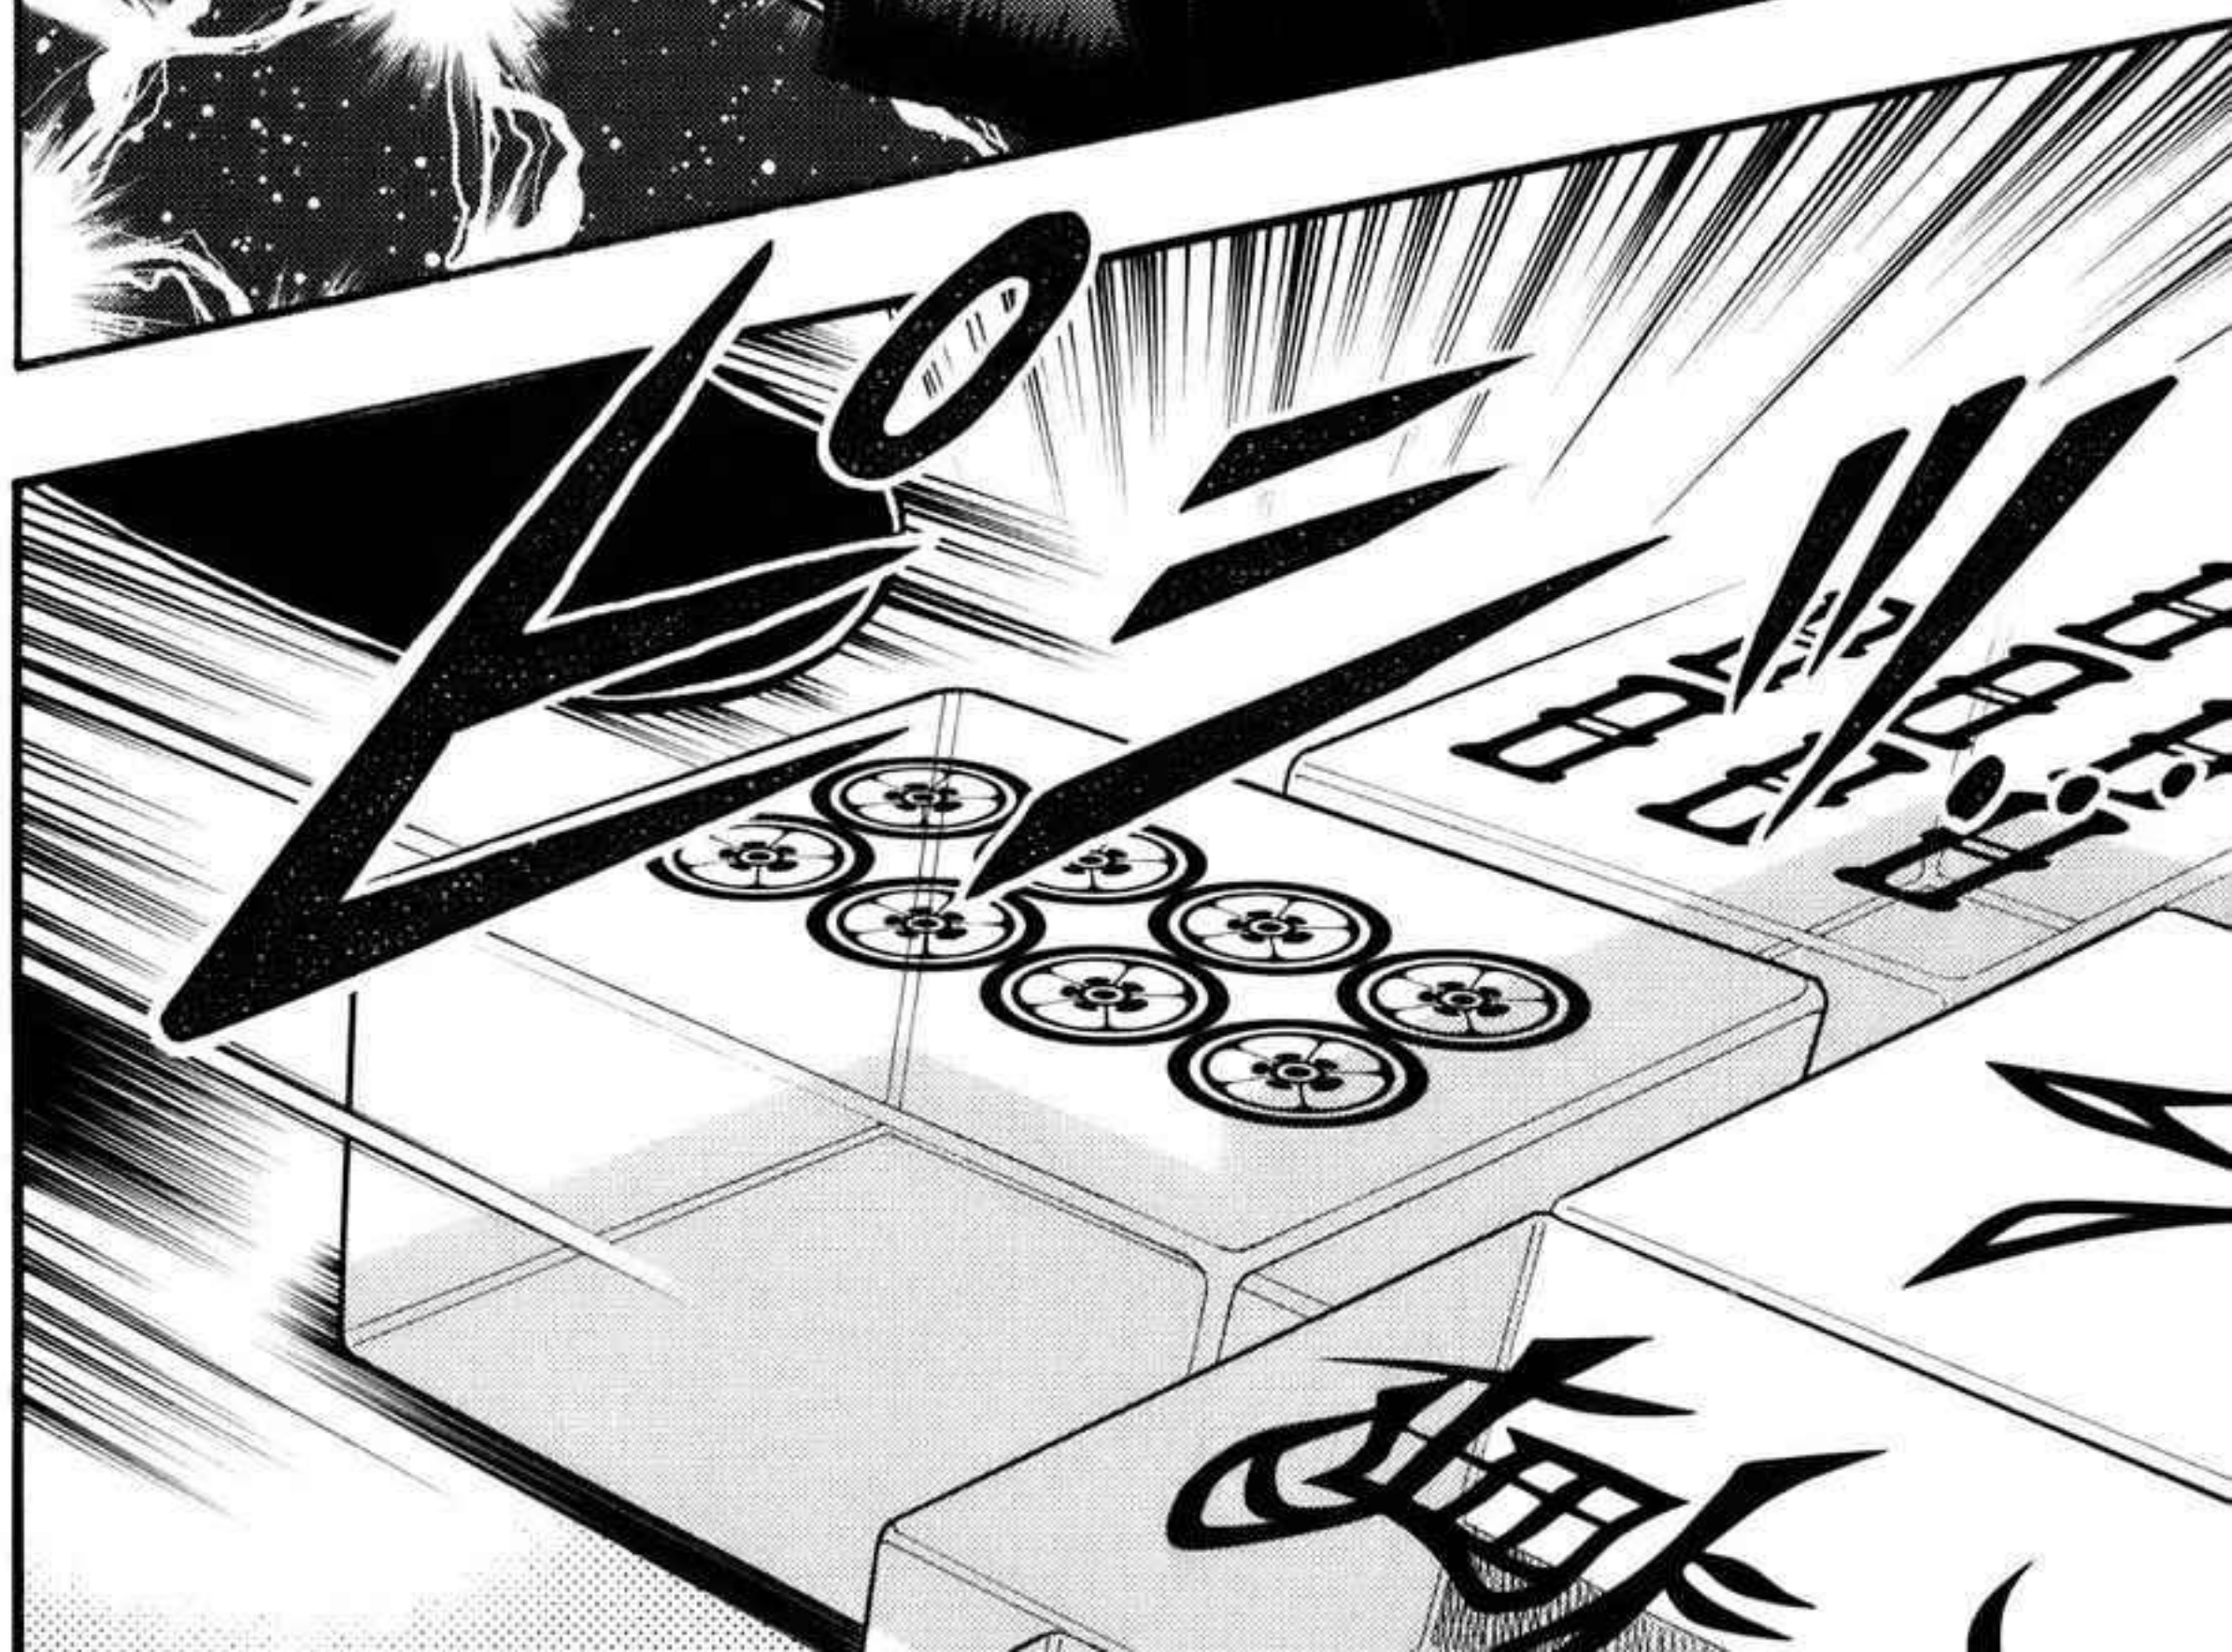

Sealed
off his
feet!

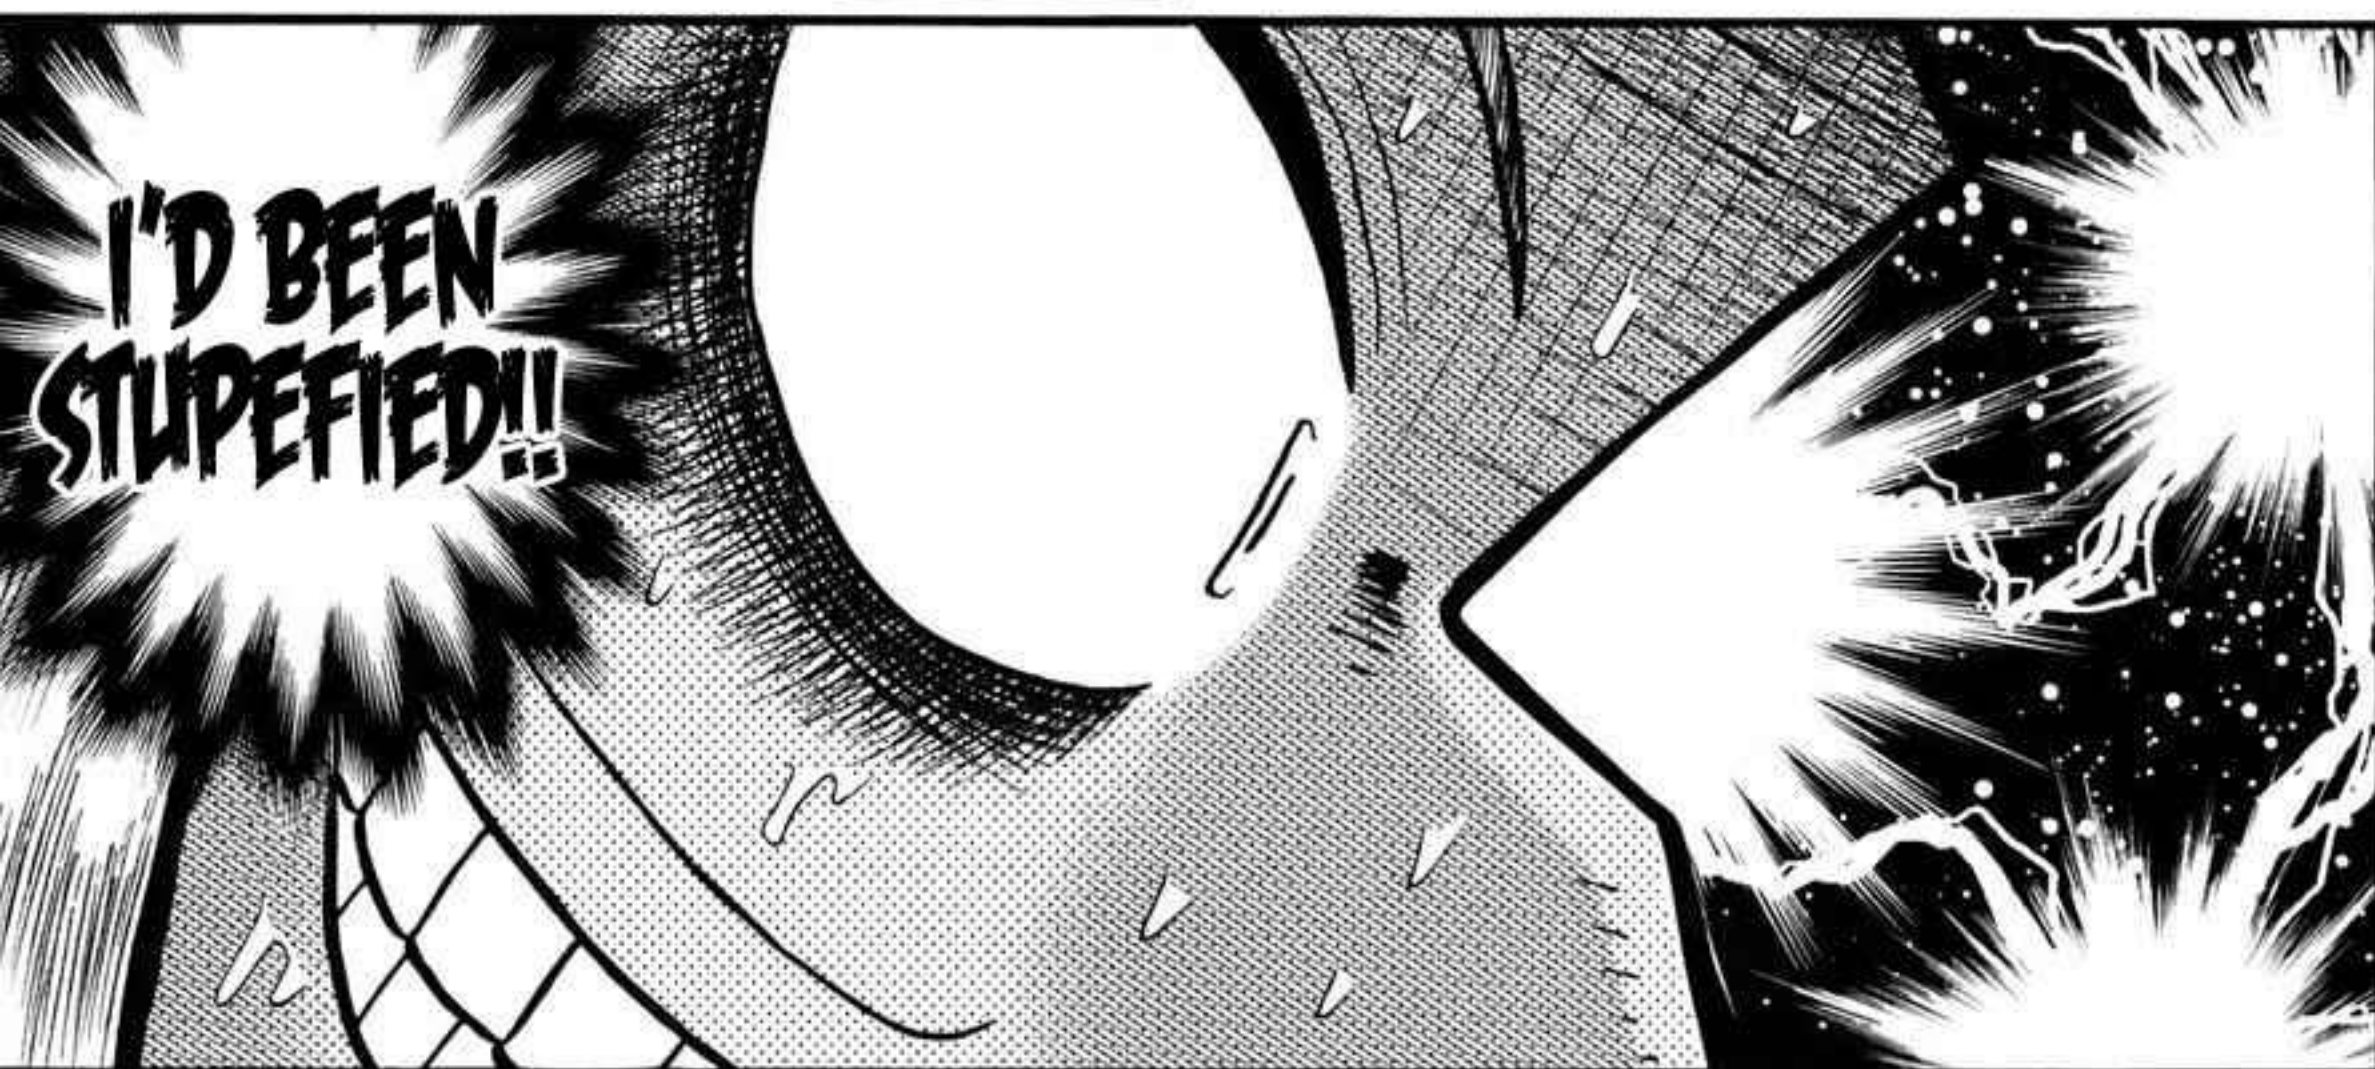

WILL
NEVER SEE
THE BLESSING
OF THE GODS
ABOVE!!

THOSE WHO
COWER
AND RUN
AROUND IN
FEAR...

KILL...!

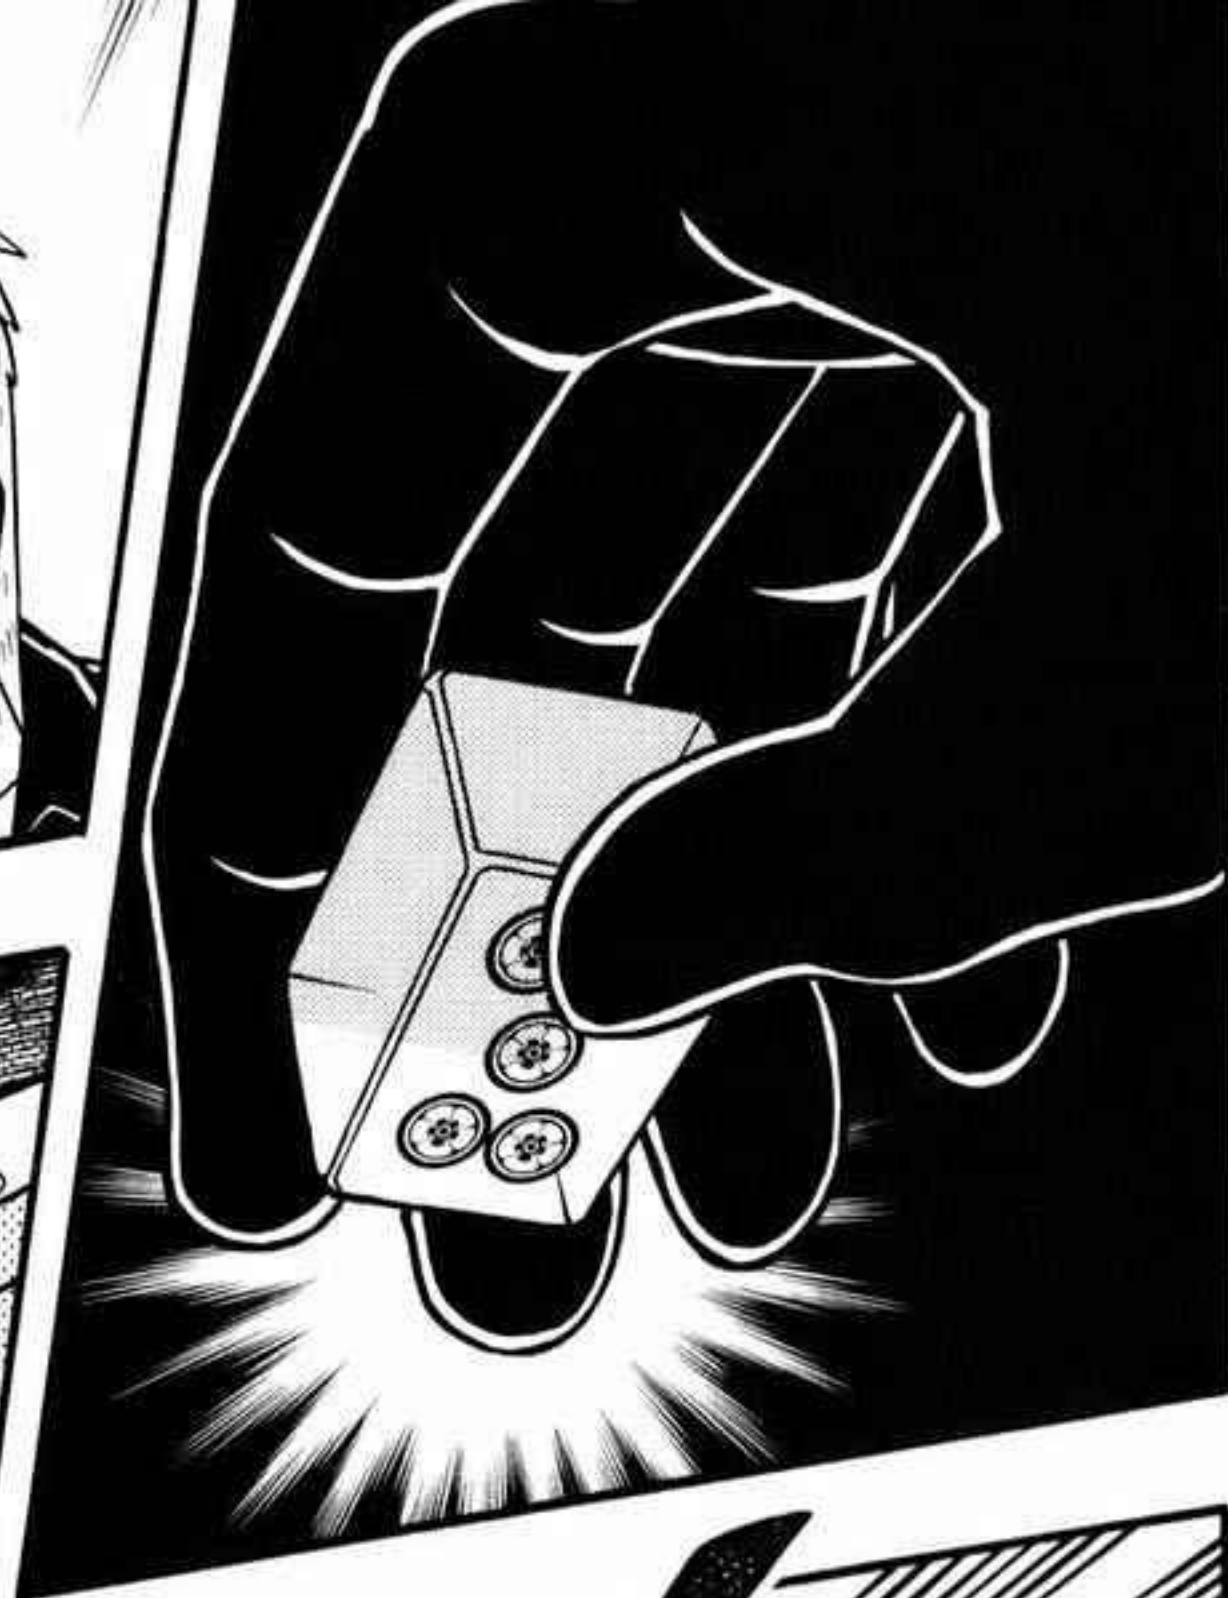

**YOU
MUST
CHARGE
FOR-
WARD...**

**TOWARDS
A
COMPLETED
HAND!**

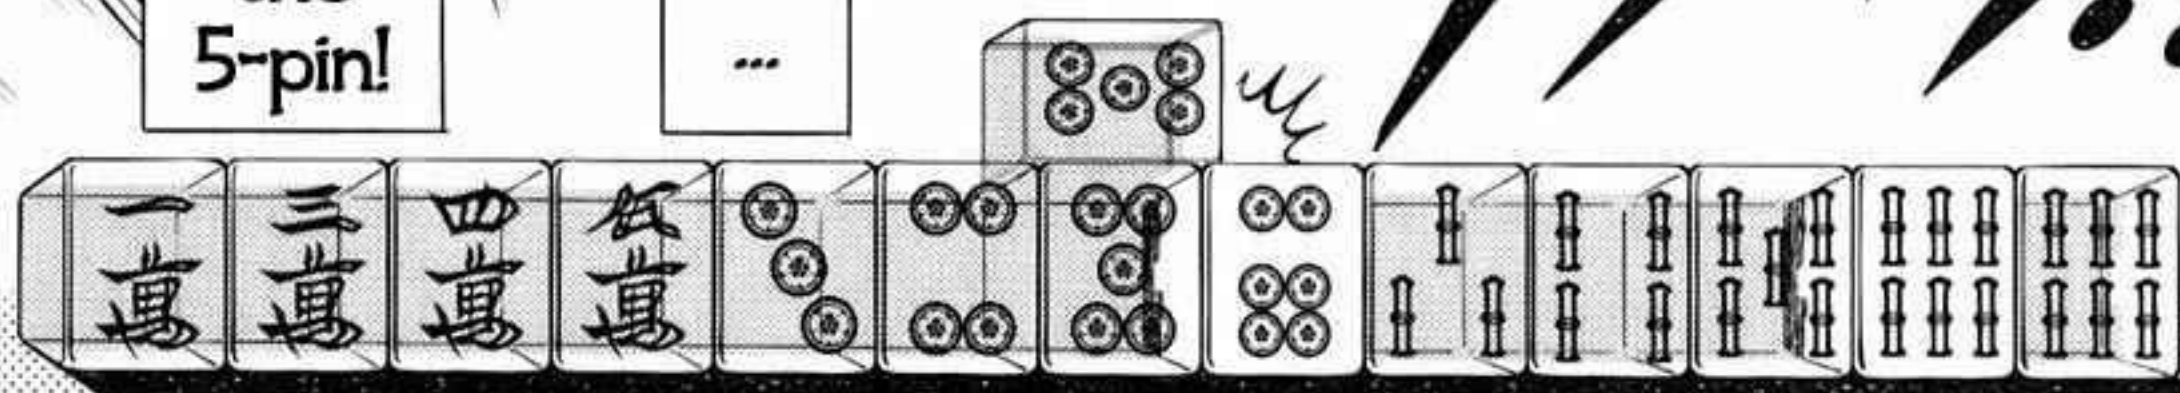

**TOWARDS
VICTORY!!**

Akagi
draws
the
5-pin!

This
time
...

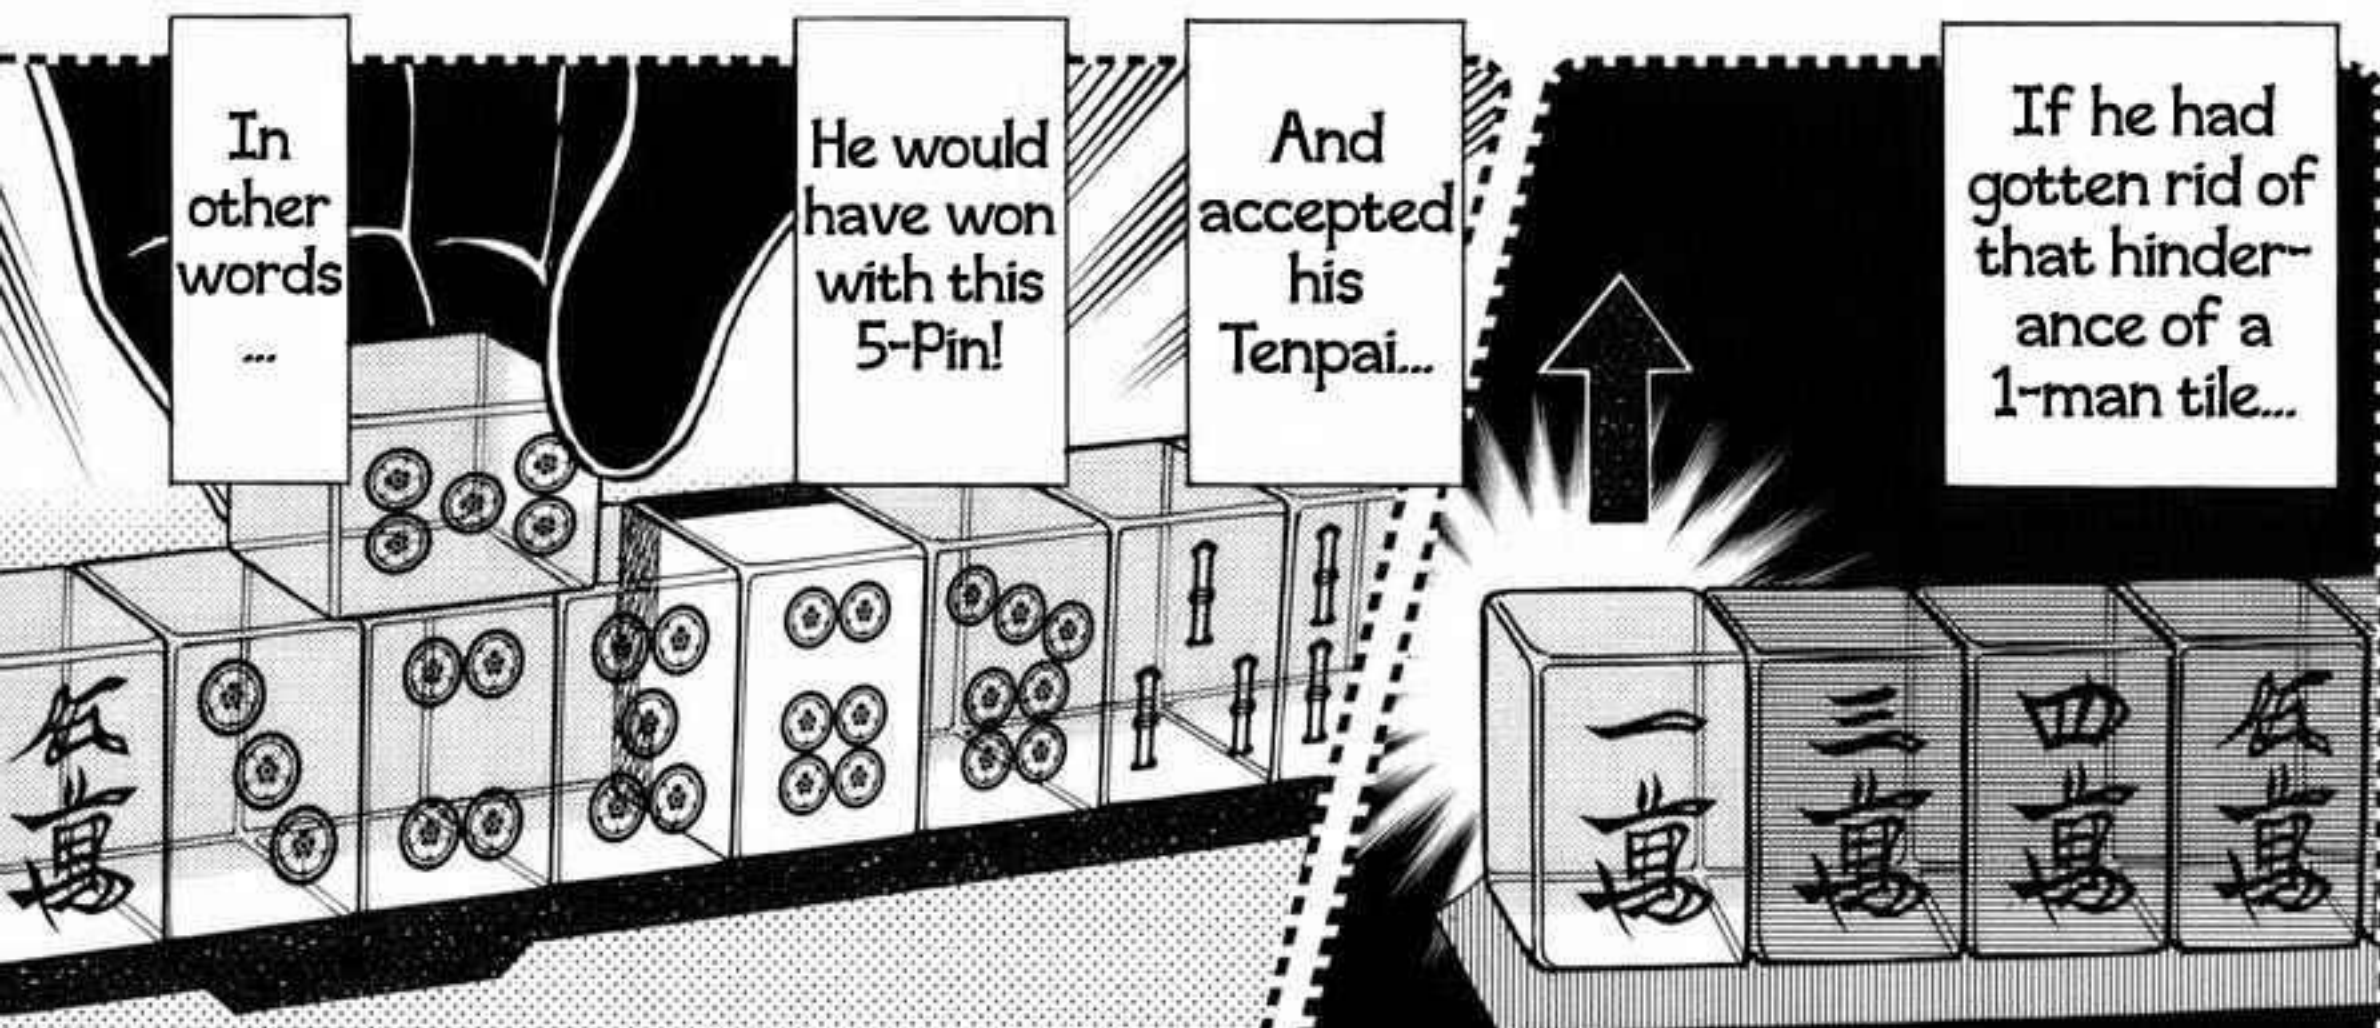

In
other
words
...

He would
have won
with this
5-Pin!

And
accepted
his
Tenpai...

If he had
gotten rid of
that hinder-
ance of a
1-man tile...

With a
Tanyao,
Pinfu, San
Shoku and
Menzen
Tsumo hand,
for Mangan!

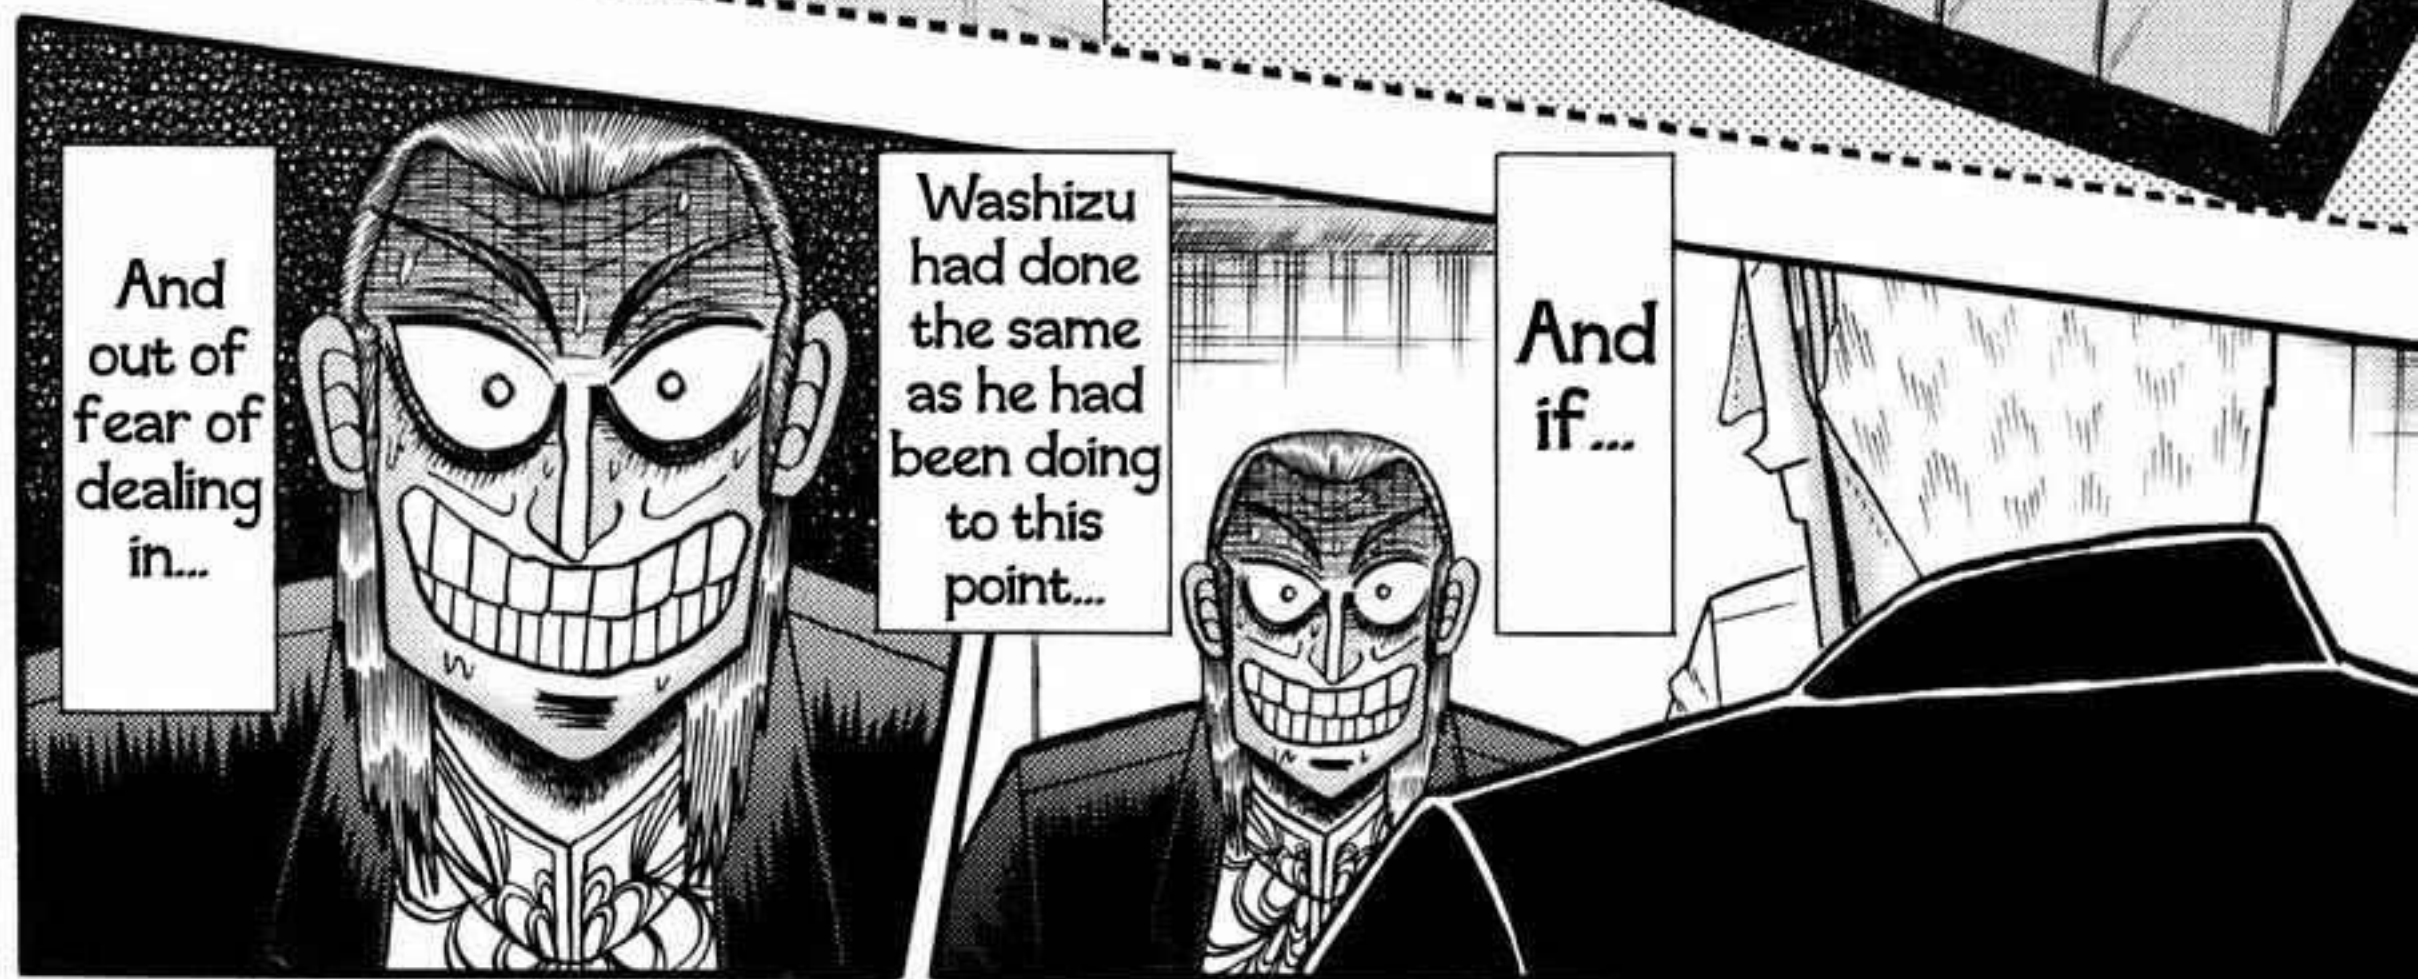

This
round
would
be over!

And
out of
fear of
dealing
in...

Washizu
had done
the same
as he had
been doing
to this
point...

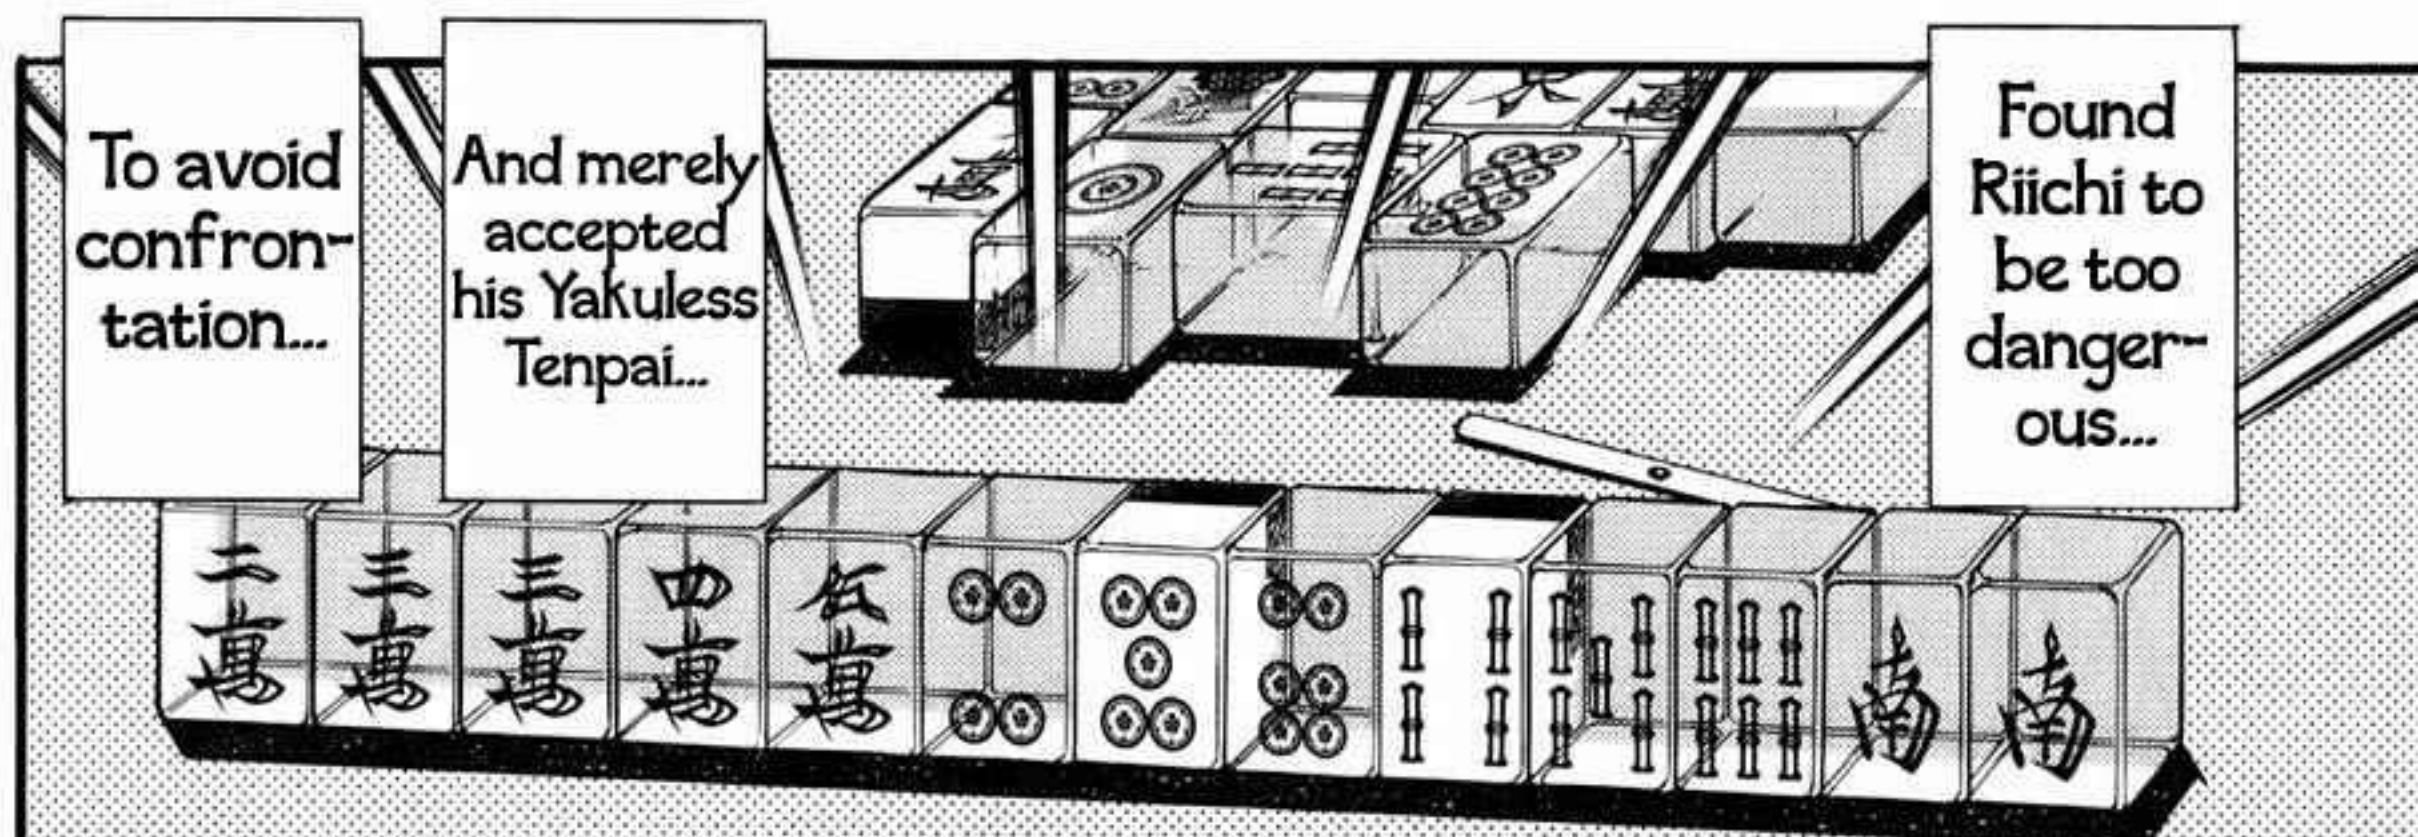

And
if...

To avoid
confron-
tation...

And merely
accepted
his Yakuless
Tenpai...

Found
Riichi to
be too dan-
gerous...

Having Akagi
Tsumo using
the 5-Pin on
the 11th turn...

Or in-
stead
...

And
dealing
into his
hand...

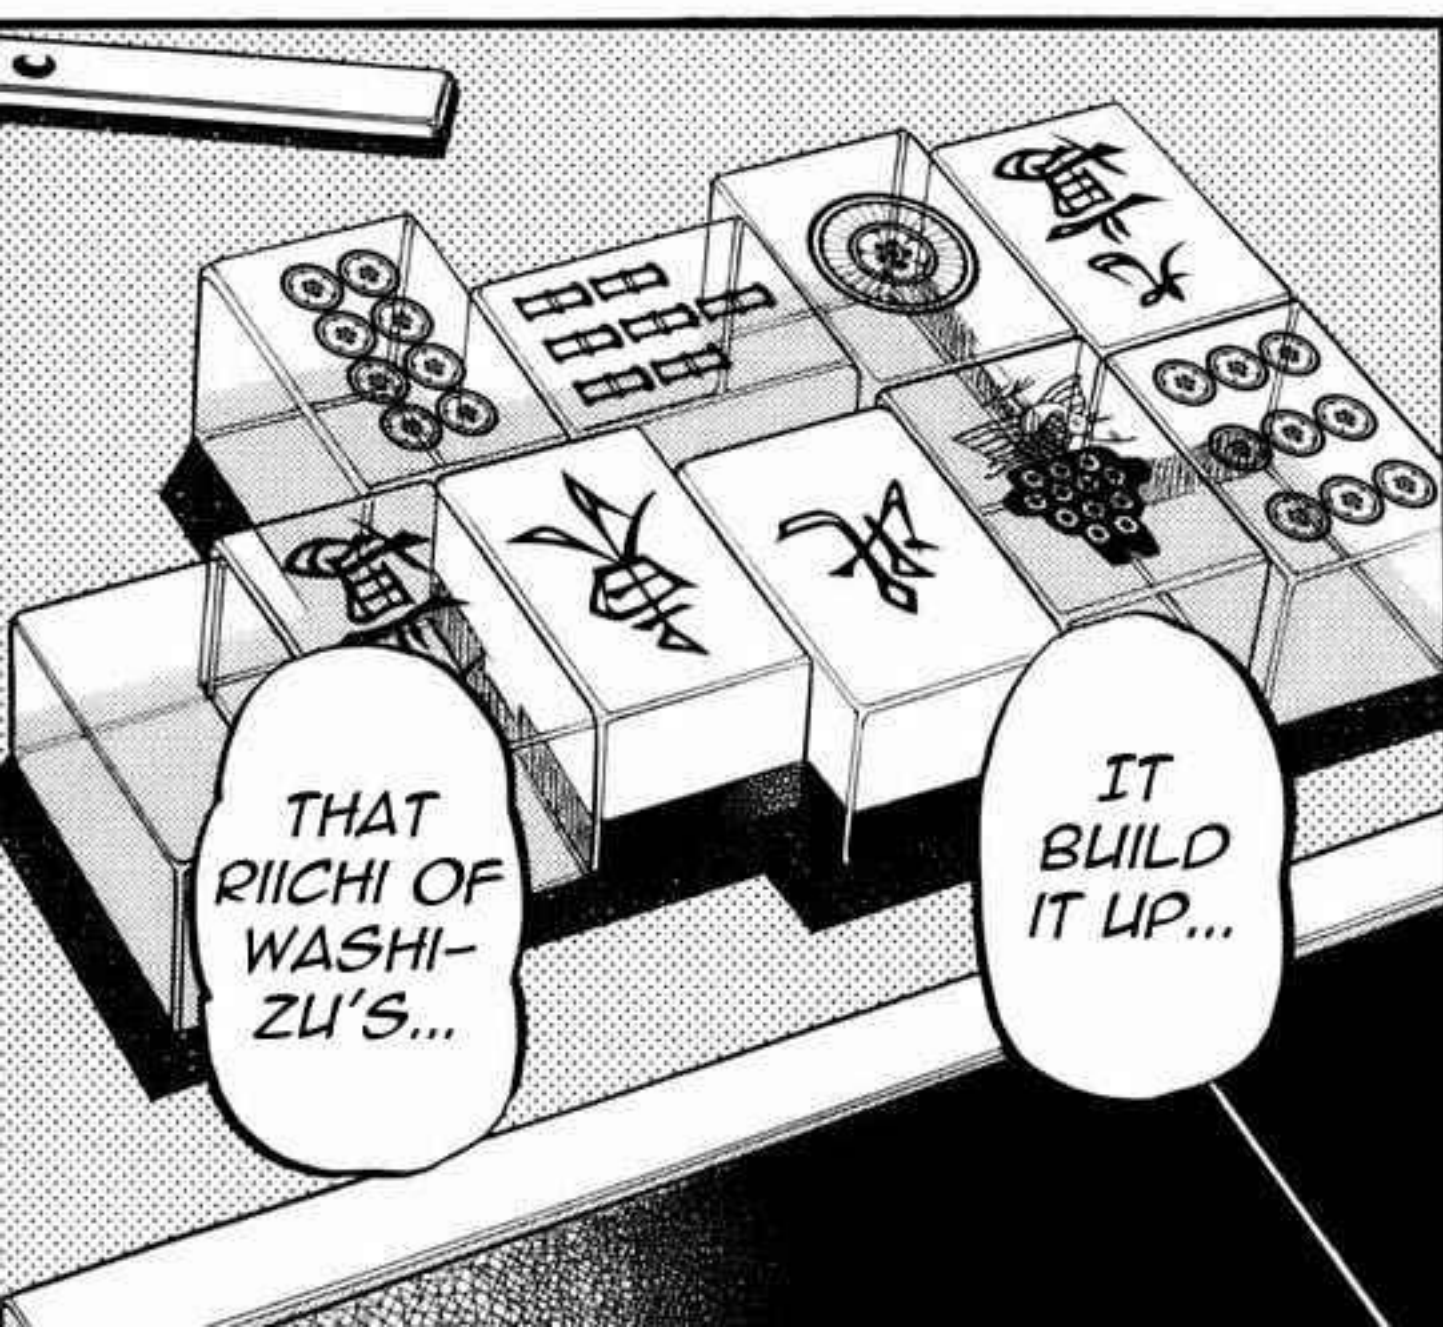

Then, on
the 10th
turn,
through
either
playing
the 8-pin...

It
would
have
ended!

This
round
would
be fin-
ished...

It
would
spell
the
end!

THAT
RIICHI OF
WASHI-
ZU'S...

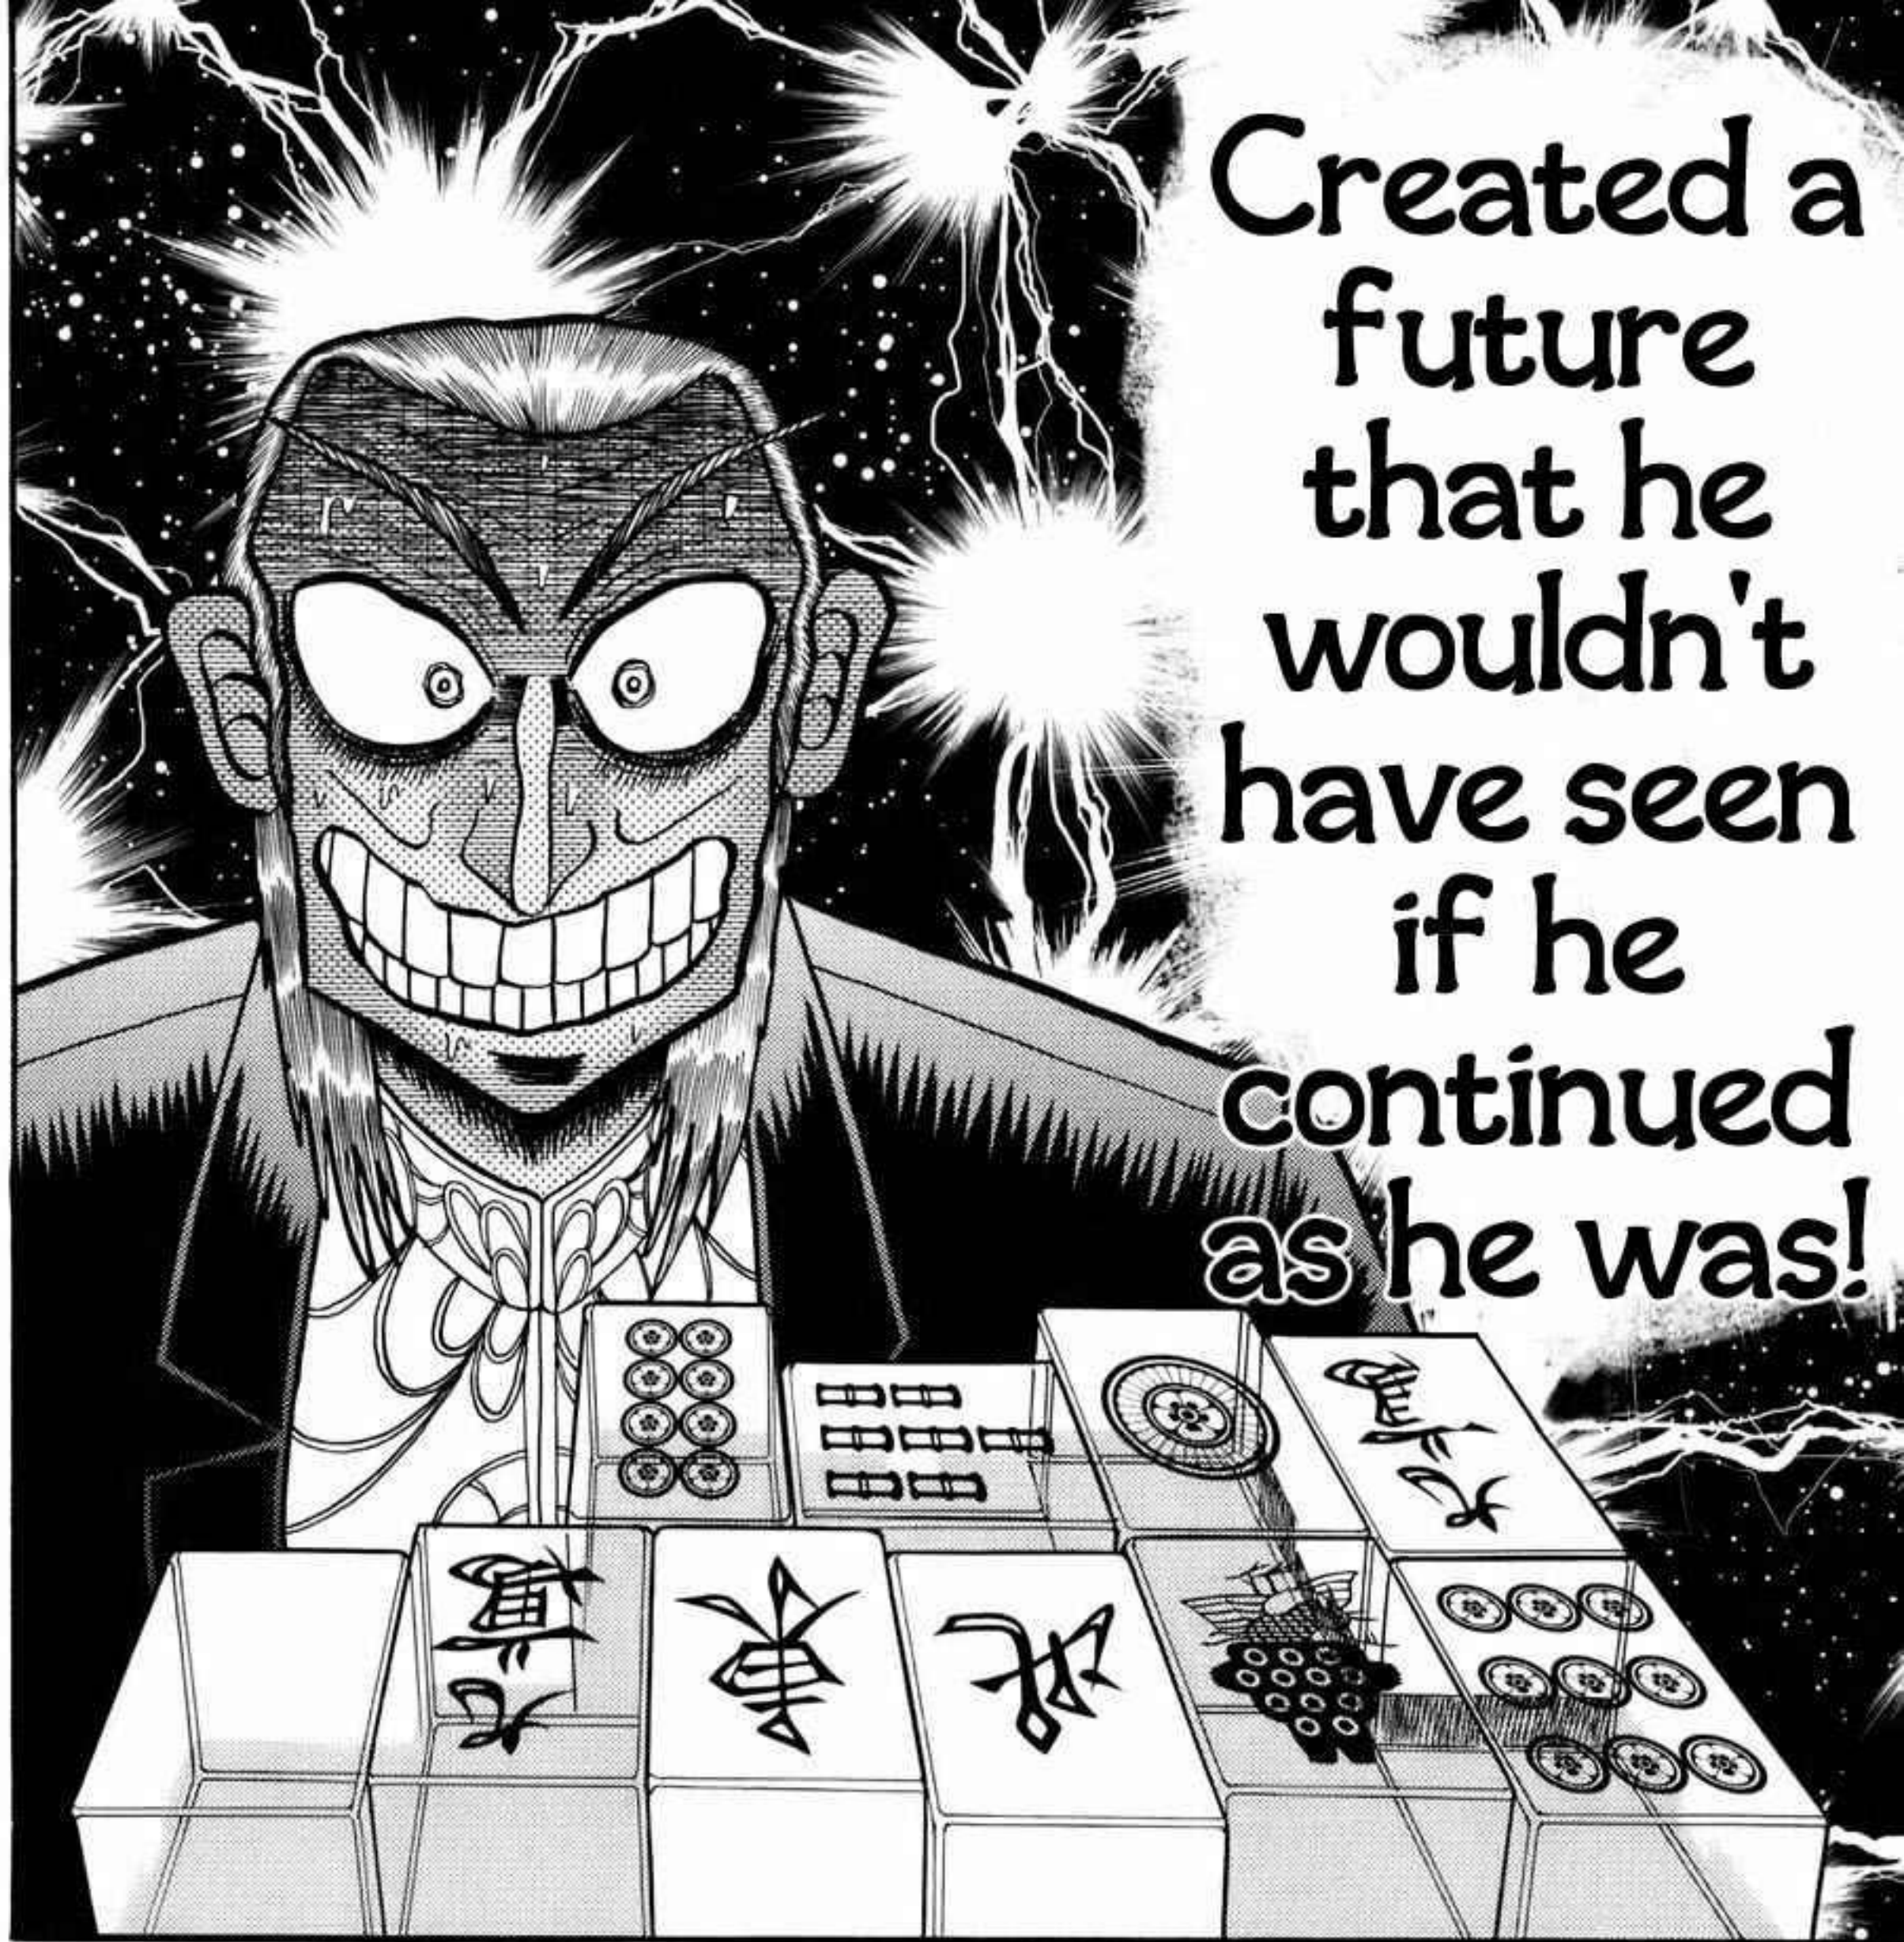

IT
BUILD
IT UP...

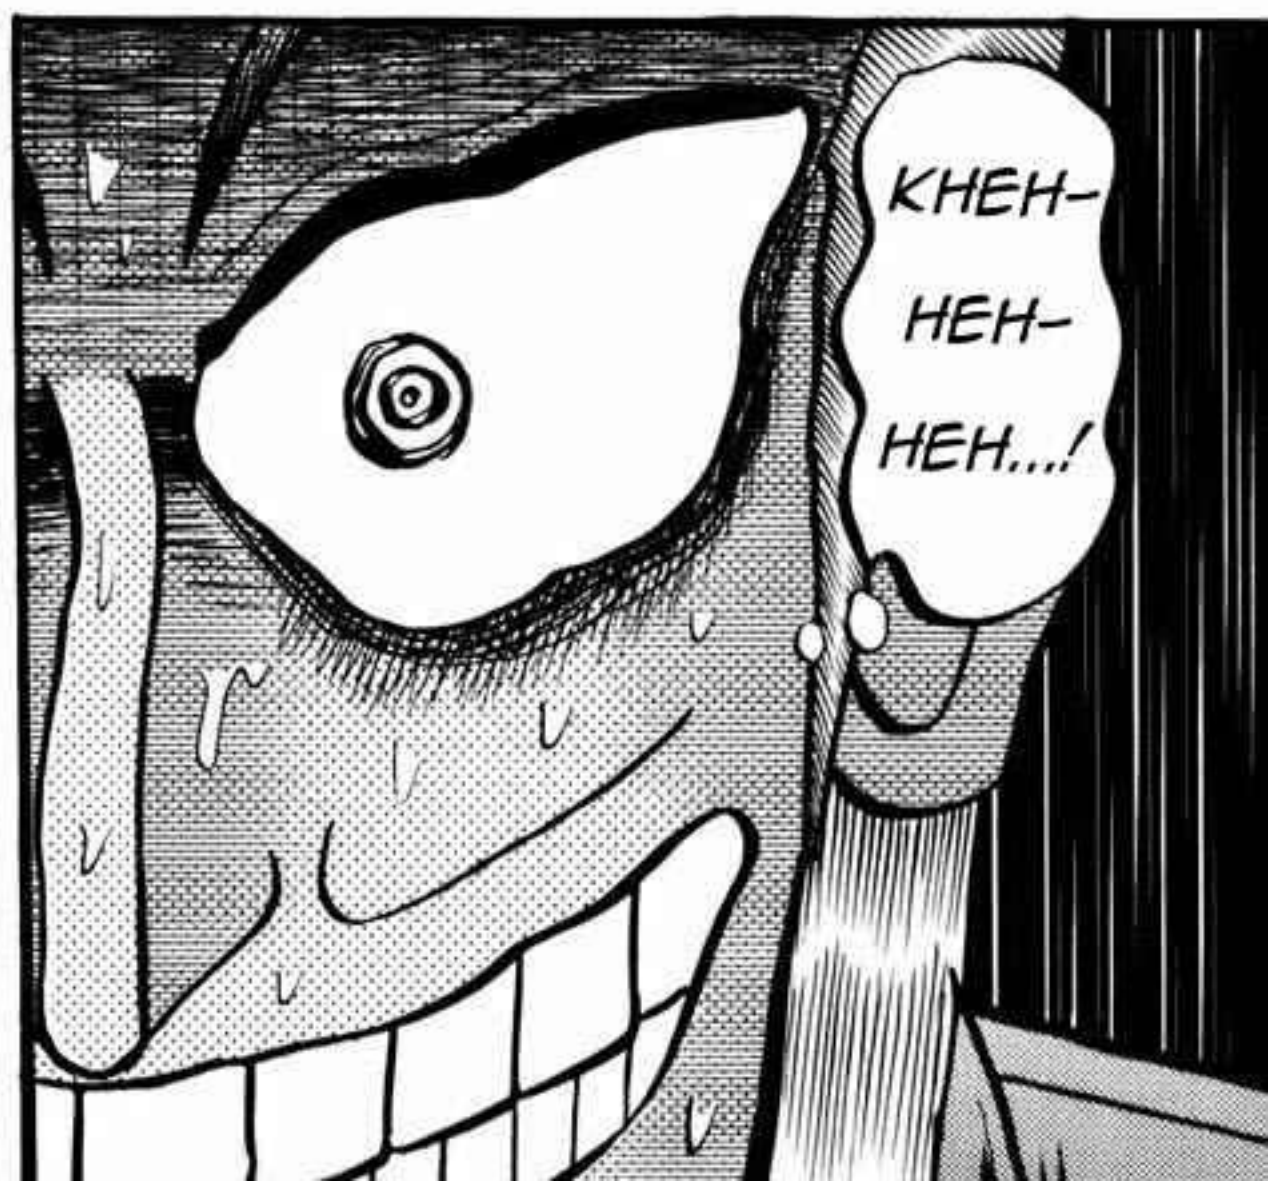

IN
THE
END
...

Oo

Created a
future
that he
wouldn't
have seen
if he
continued
as he was!

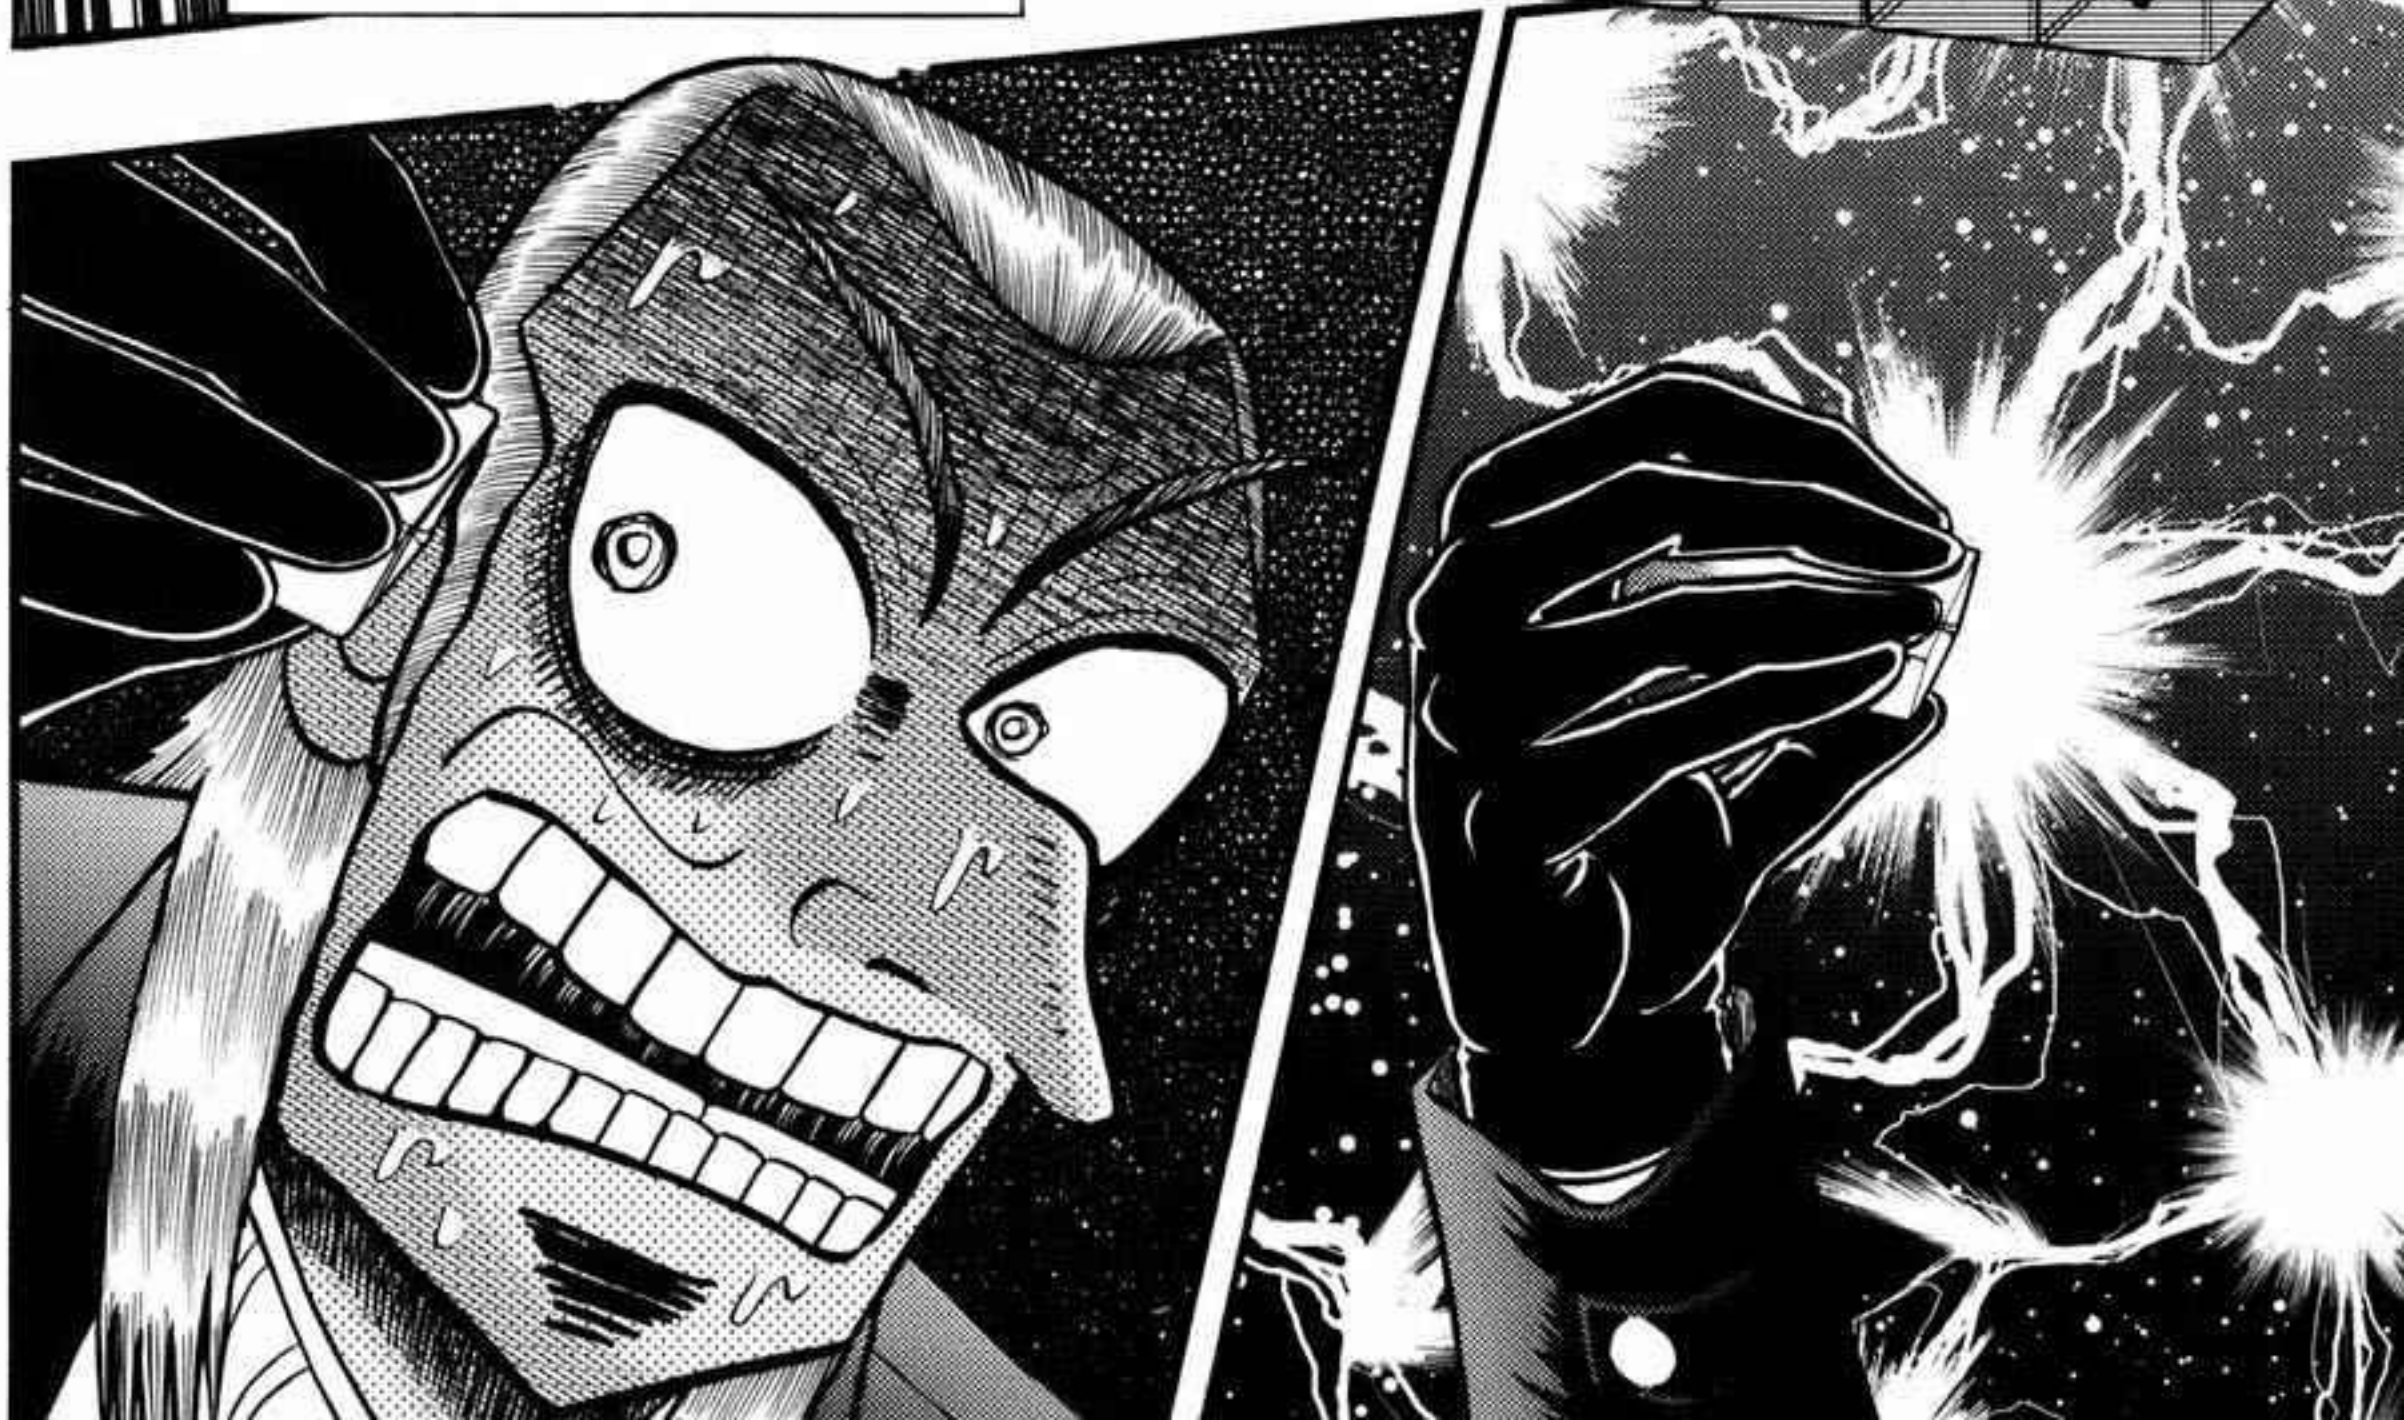

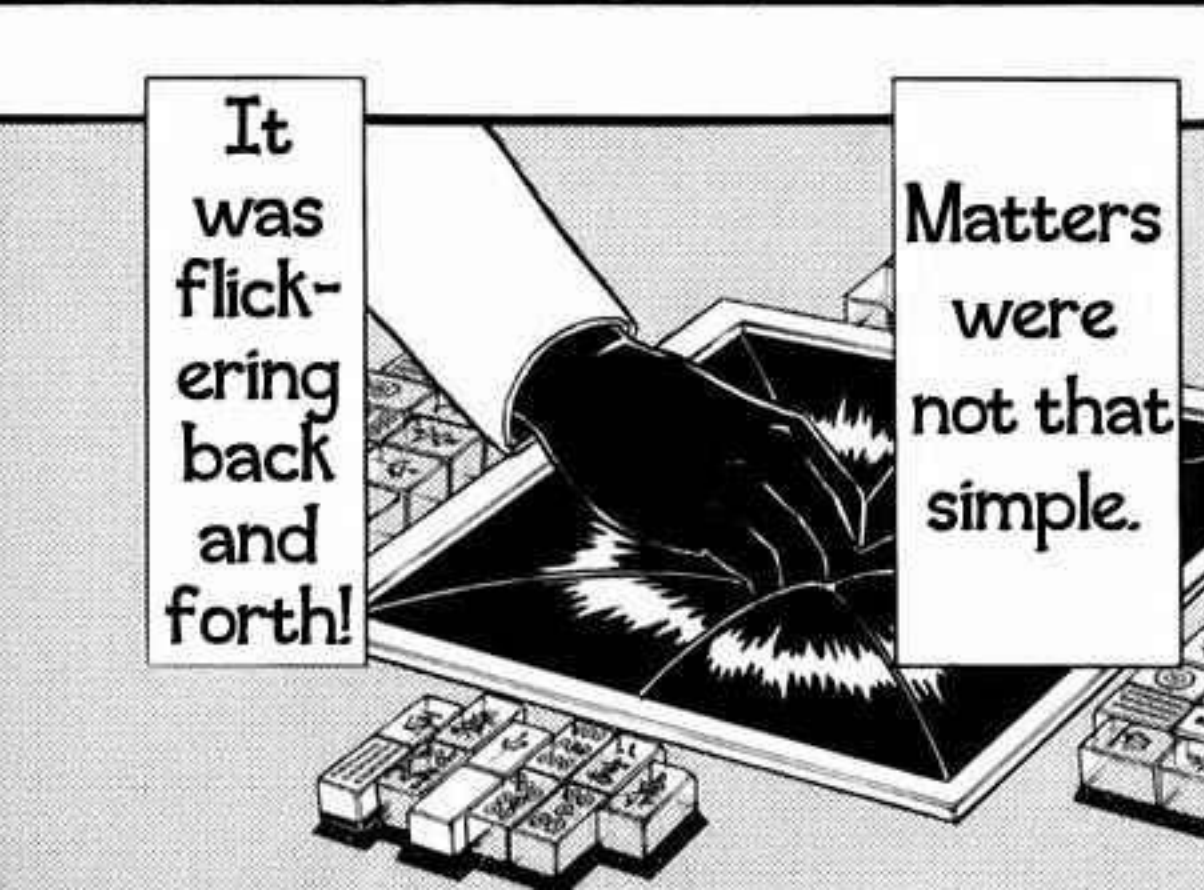

KHEH-
HEH-
HEH....!

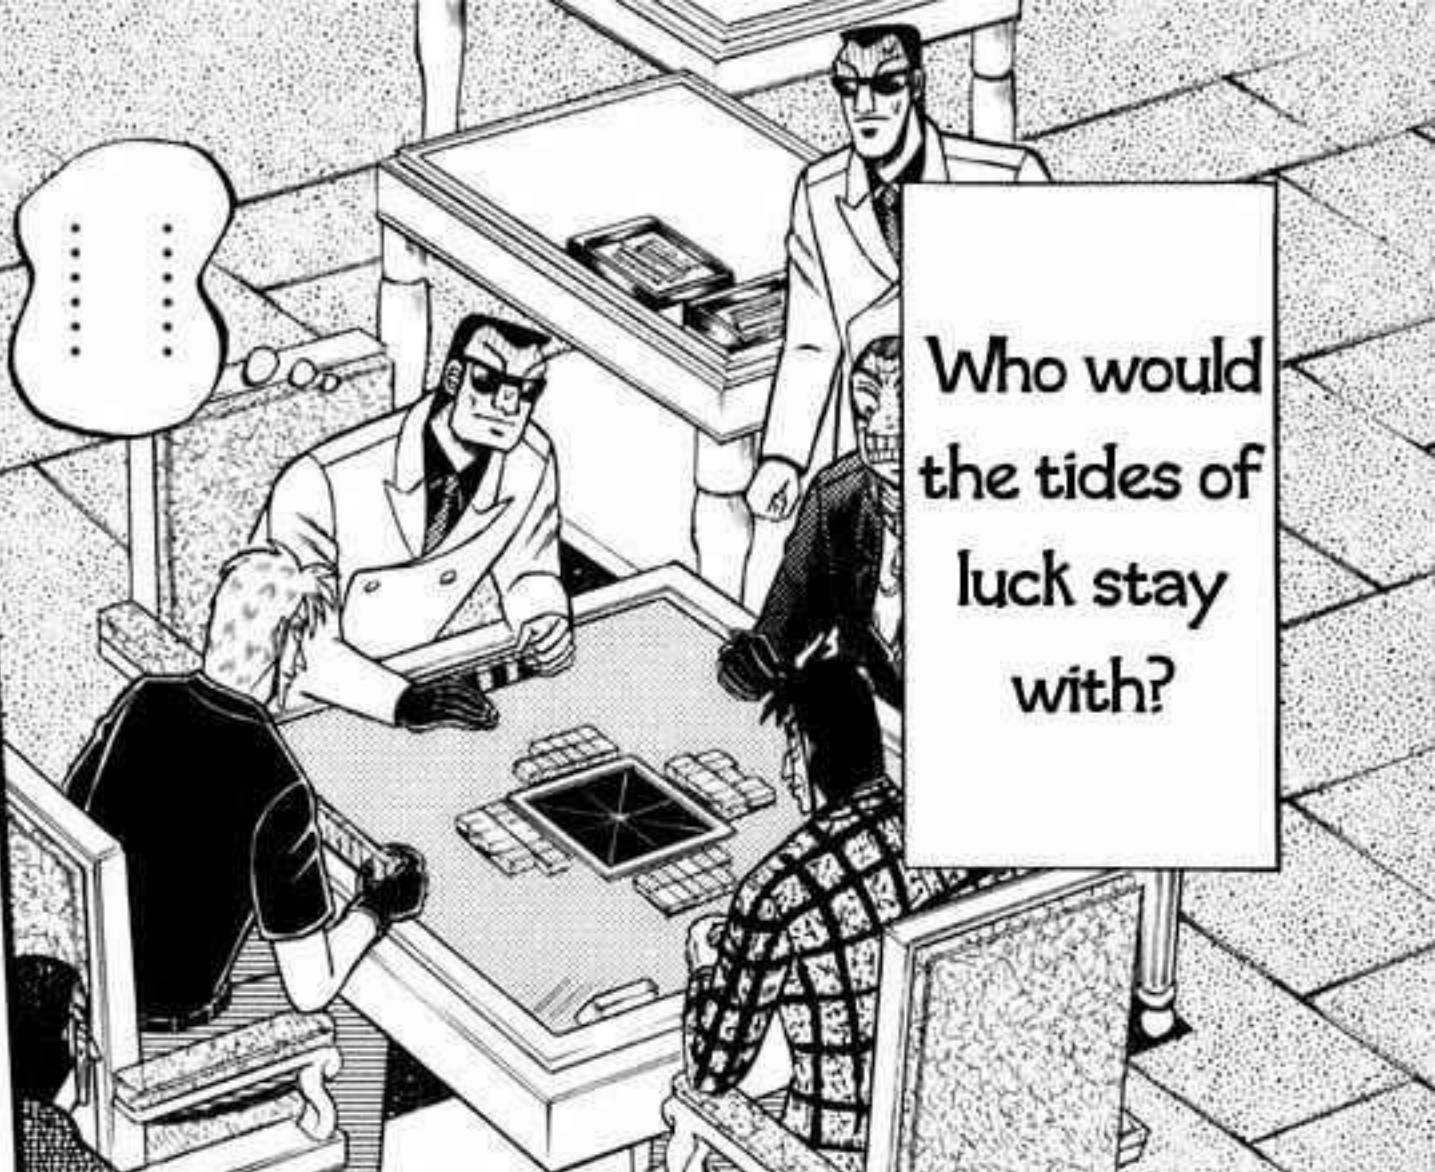

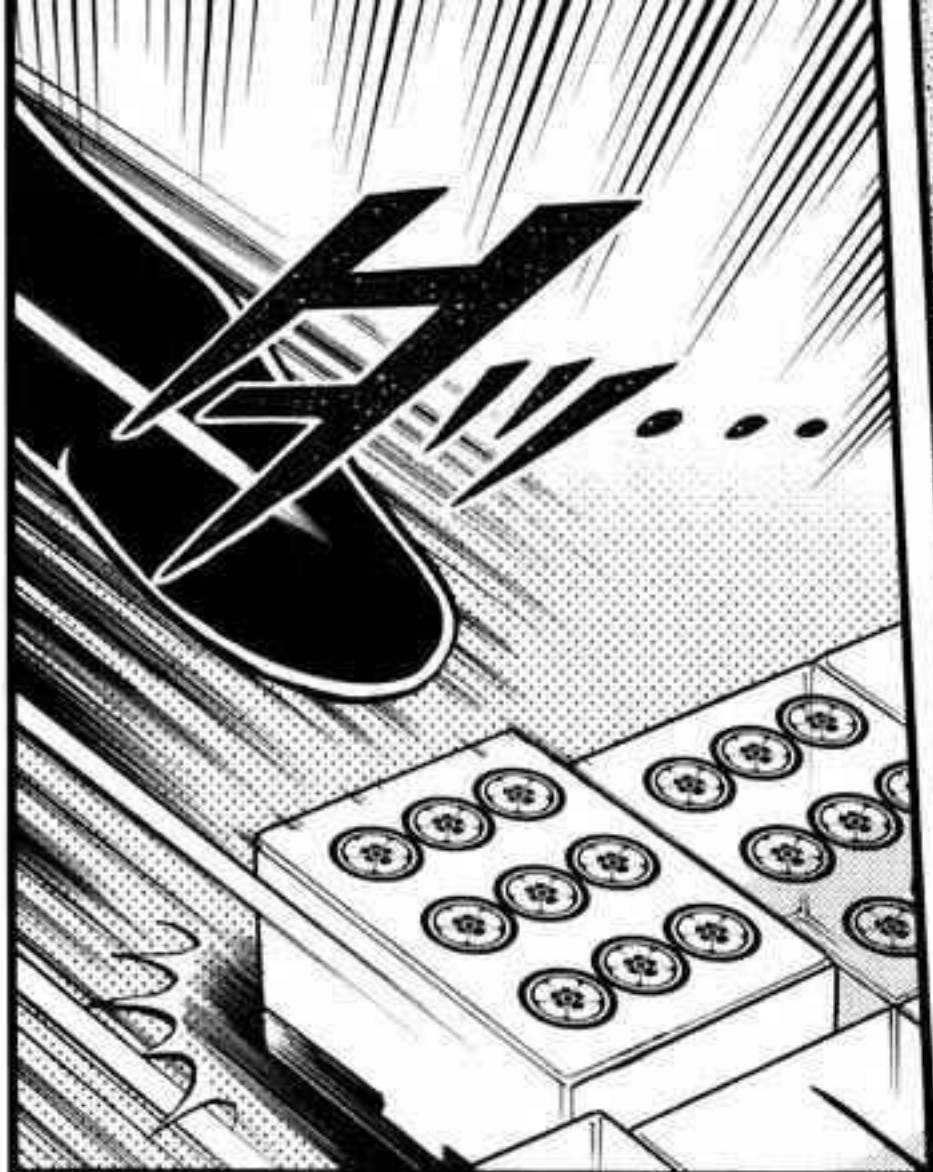

Can
Was-
hizu
do
it?!

Can
he do
it?

Who would
the tides of
luck stay
with?

The
heavens
were now
deciding
...

Or would it
be
Washizu?

Would
it be
Akagi?

It appeared as
though there
were some-
thing boosting
Washizu's side
up higher...

With
that
Riichi,
just
now...

Cer-
tainly,
for the
moment
...

Was
deserv-
ing!

Which
of
the
two...

There
was
some-
thing!

How-
ever

...

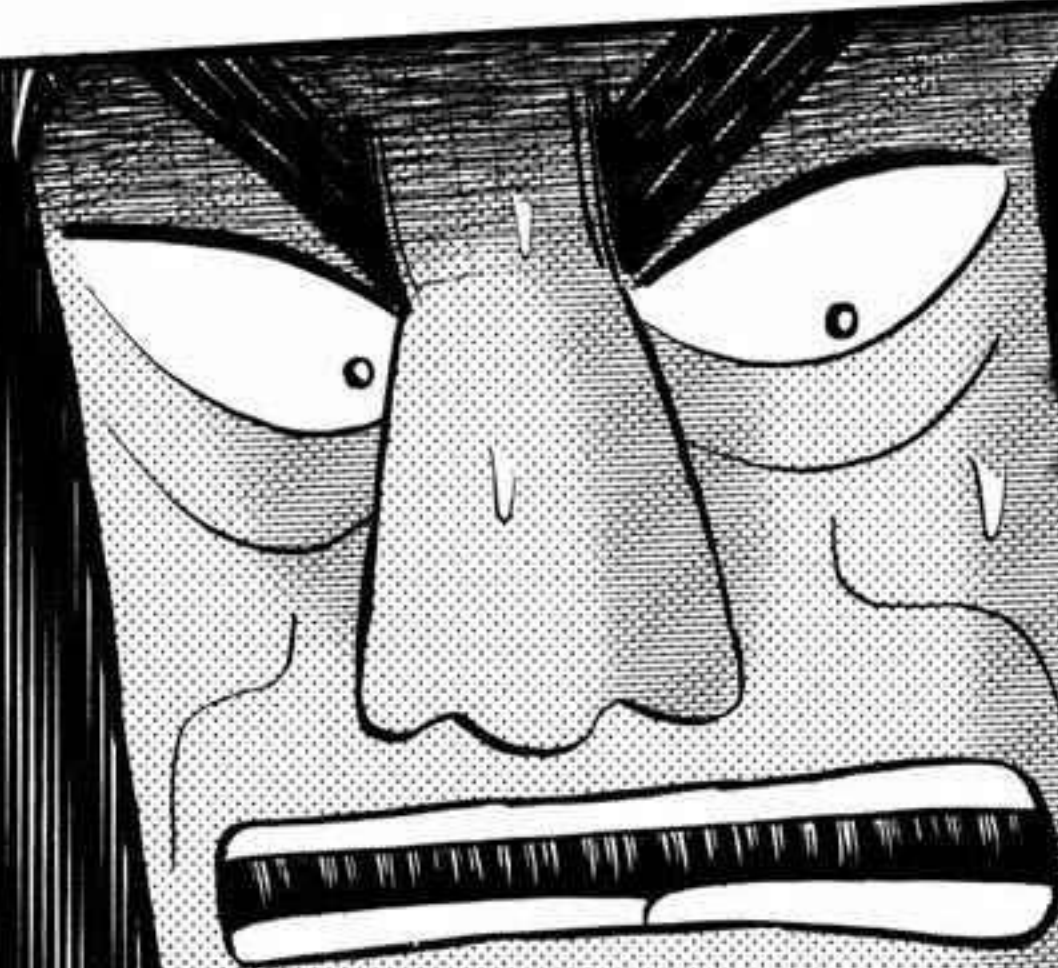

Some-
thing
orches-
trating
this
round!

On
the
12th
turn...

It was
Akagi!

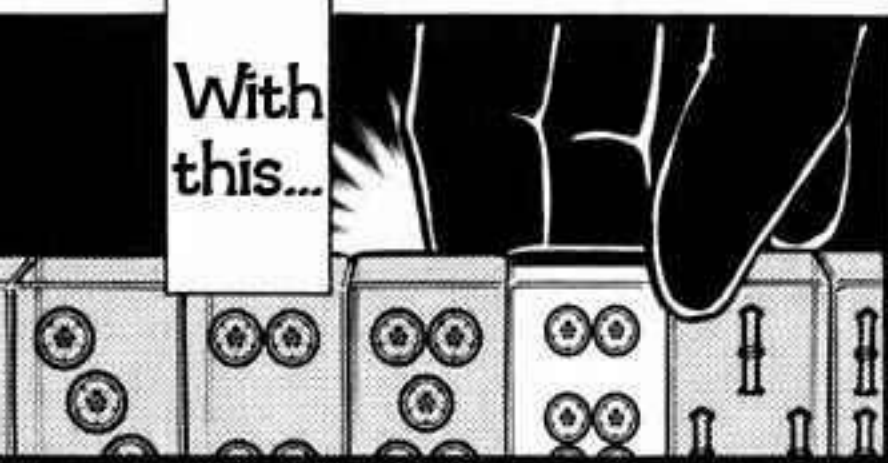

GGH!!
.....

Akagi re-
ceived
a
boost
of
luck!

This
time, it
was
Akagi!

With
this...

By deal-
ing the
6-pin
with this
hand...

The
1-Man
that he
could not
deal
clung to-
gether!

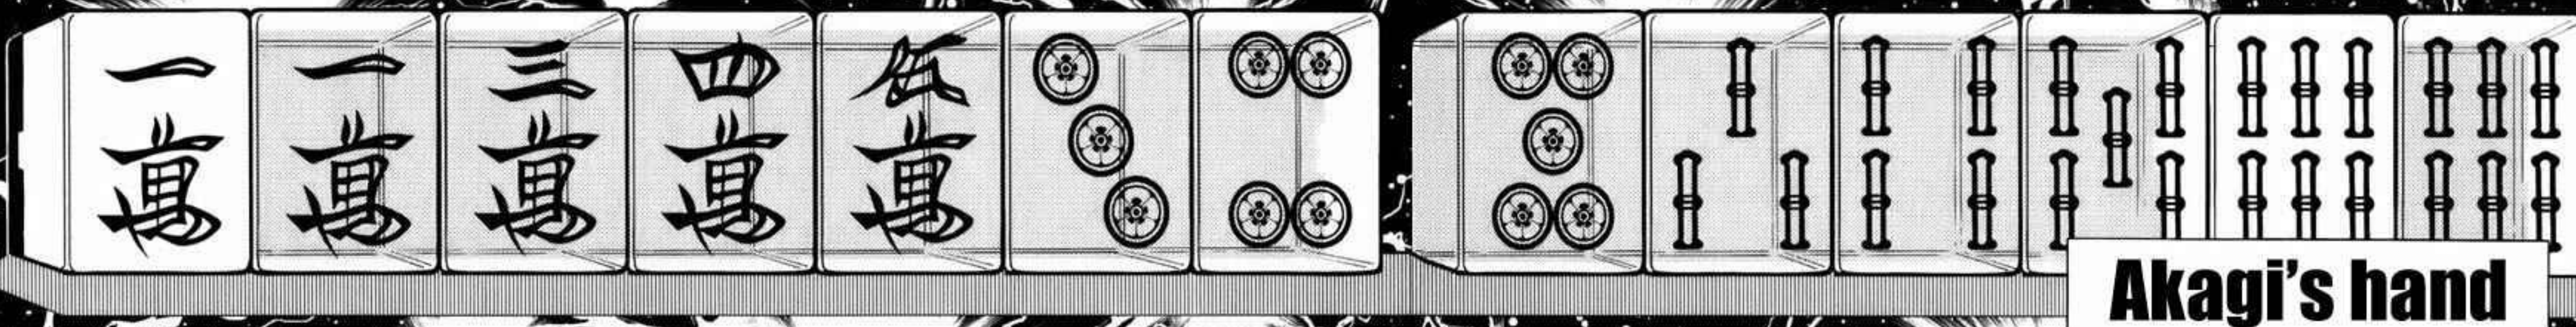

Washi-
zu's
winning
tiles...

The
1-Man
!

IT WOULD BE TENPAI!!!

Akagi's hand

And if Washizu were to deal into that hand...

With even one Ura-Dora, it would make for Haneman!

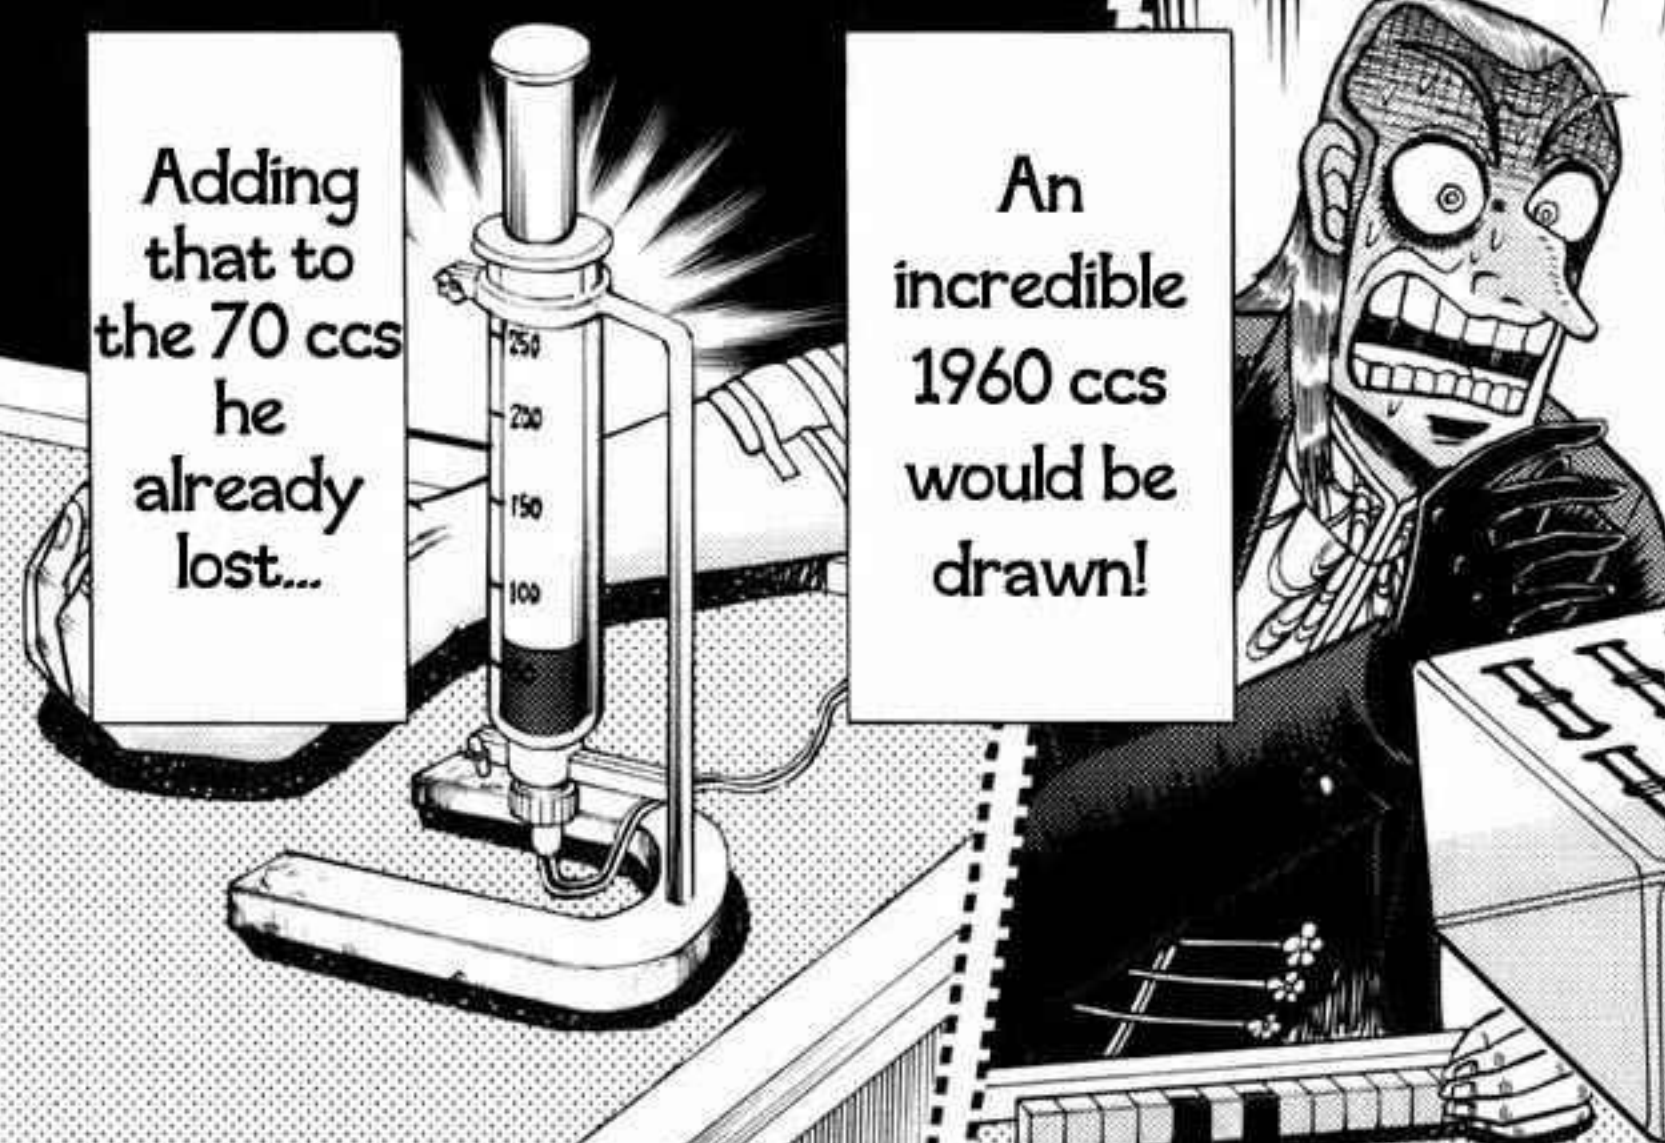

It would be San Shoku, Riichi, and 2 Dora, making for 5 Han.

Adding that to the 70 ccs he already lost...

An incredible 1960 ccs would be drawn!

It would be a Dealer Haneman (With 2 Honba and a Riichi Stick) for 19,600!

The only question from here...

From here ...

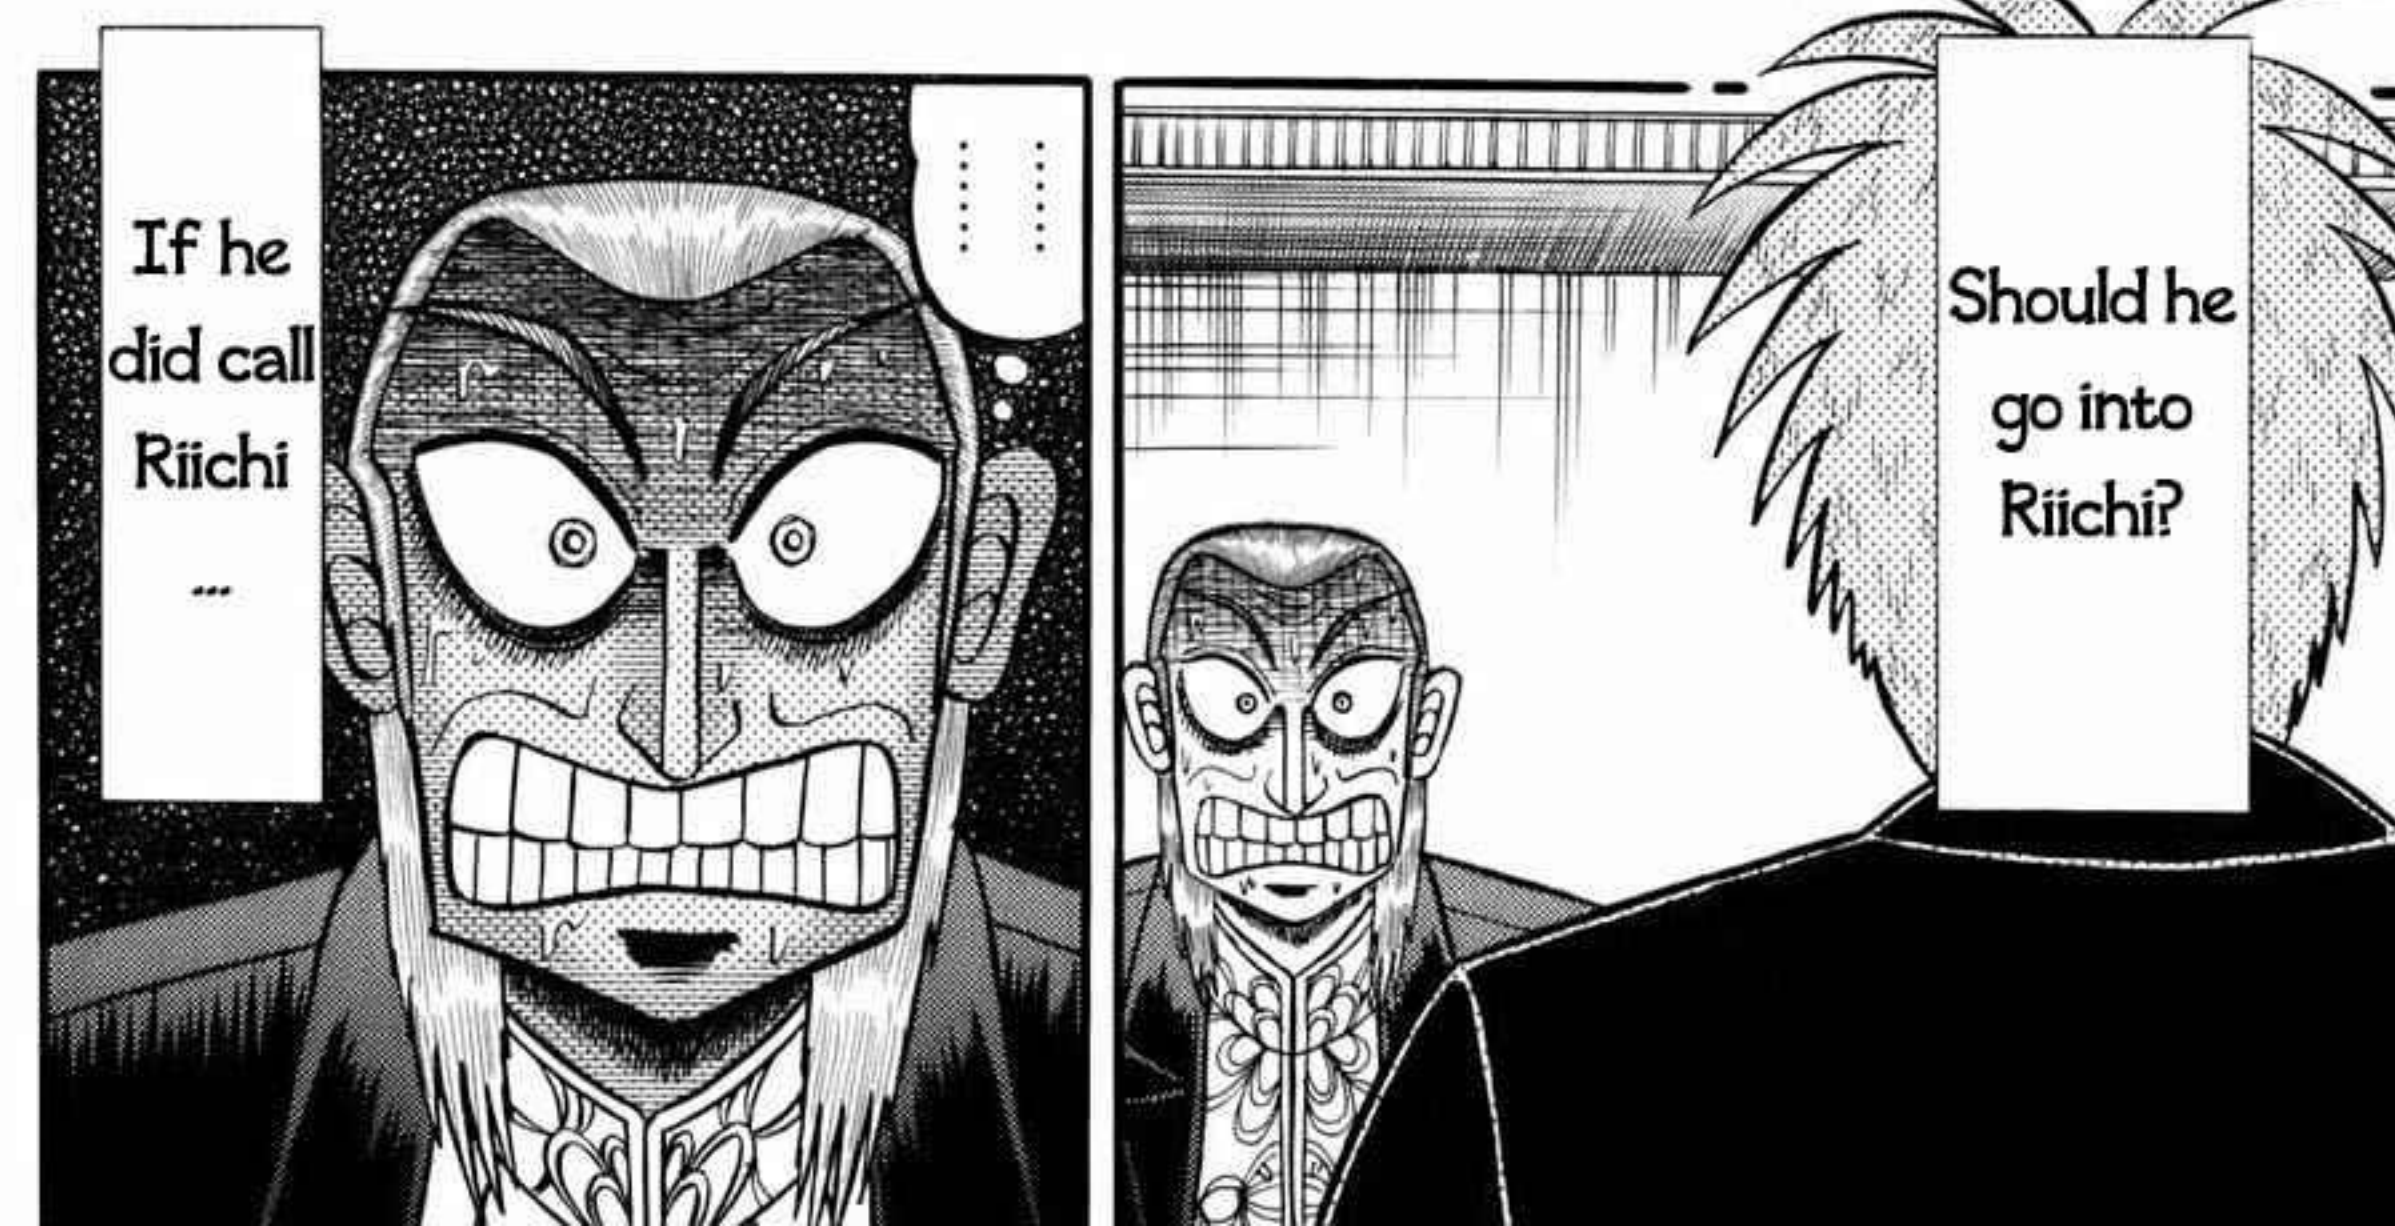

This was settled!

A San Shoku, 2-Dora Mangan hand!

If he did call Riichi ...

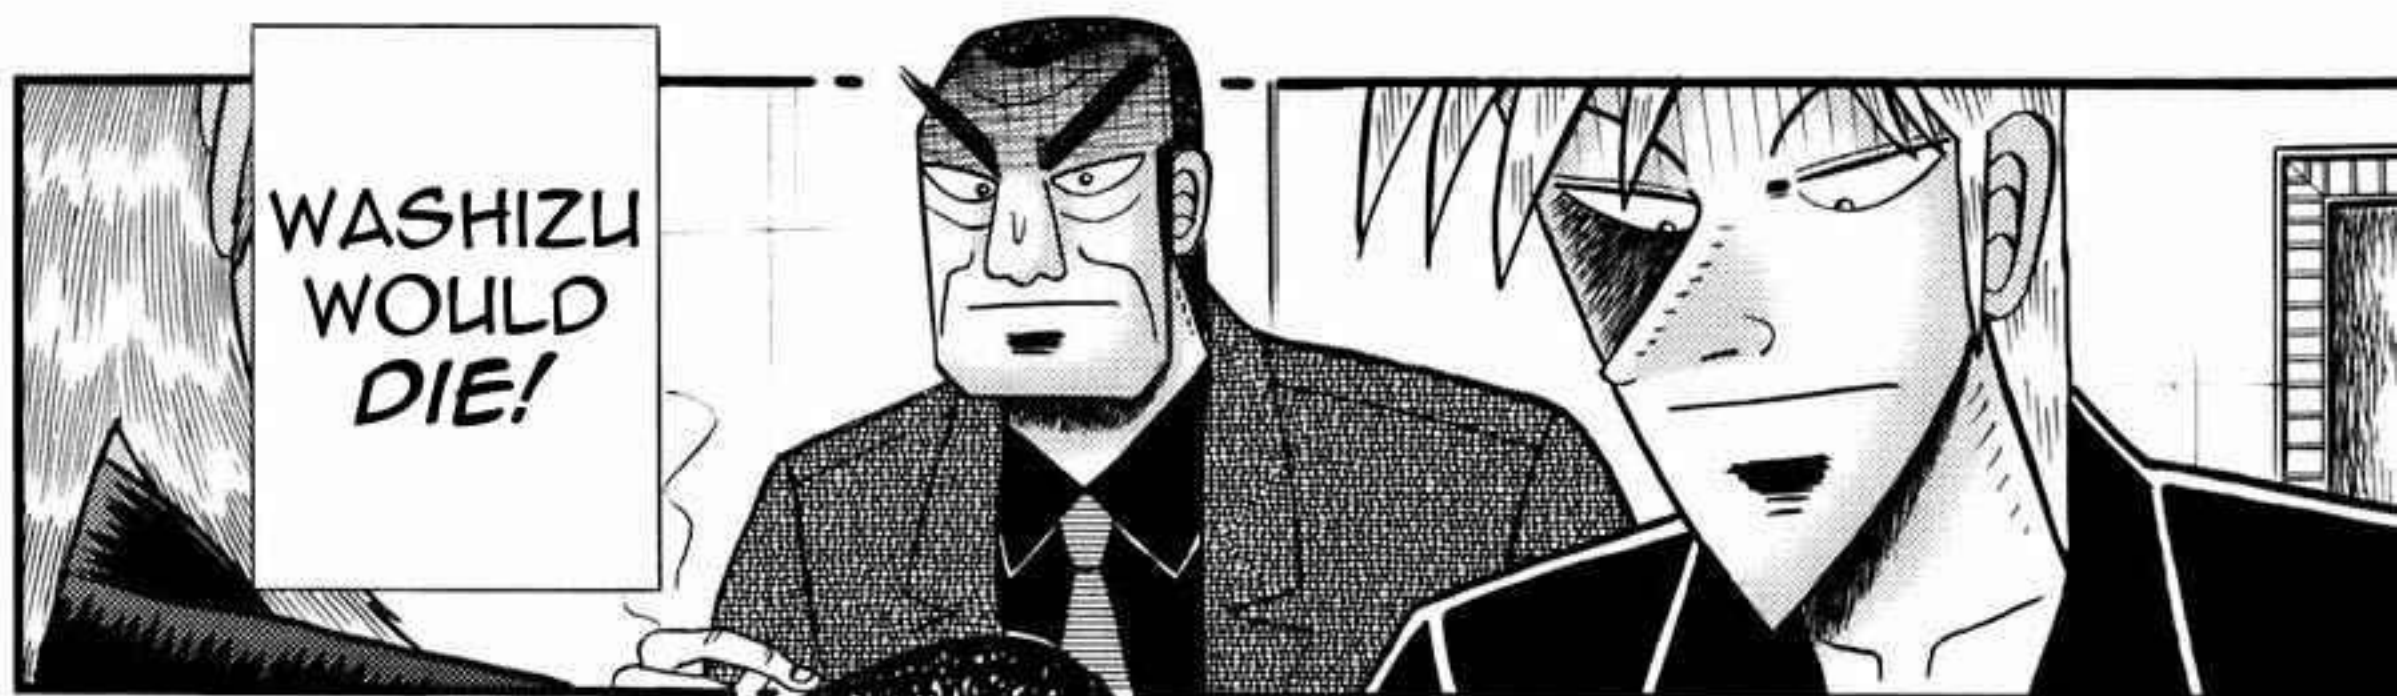

Should he go into Riichi?

This
would
spell
death!

Makes
2030
ccs!

WASHIZU
WOULD
DIE!

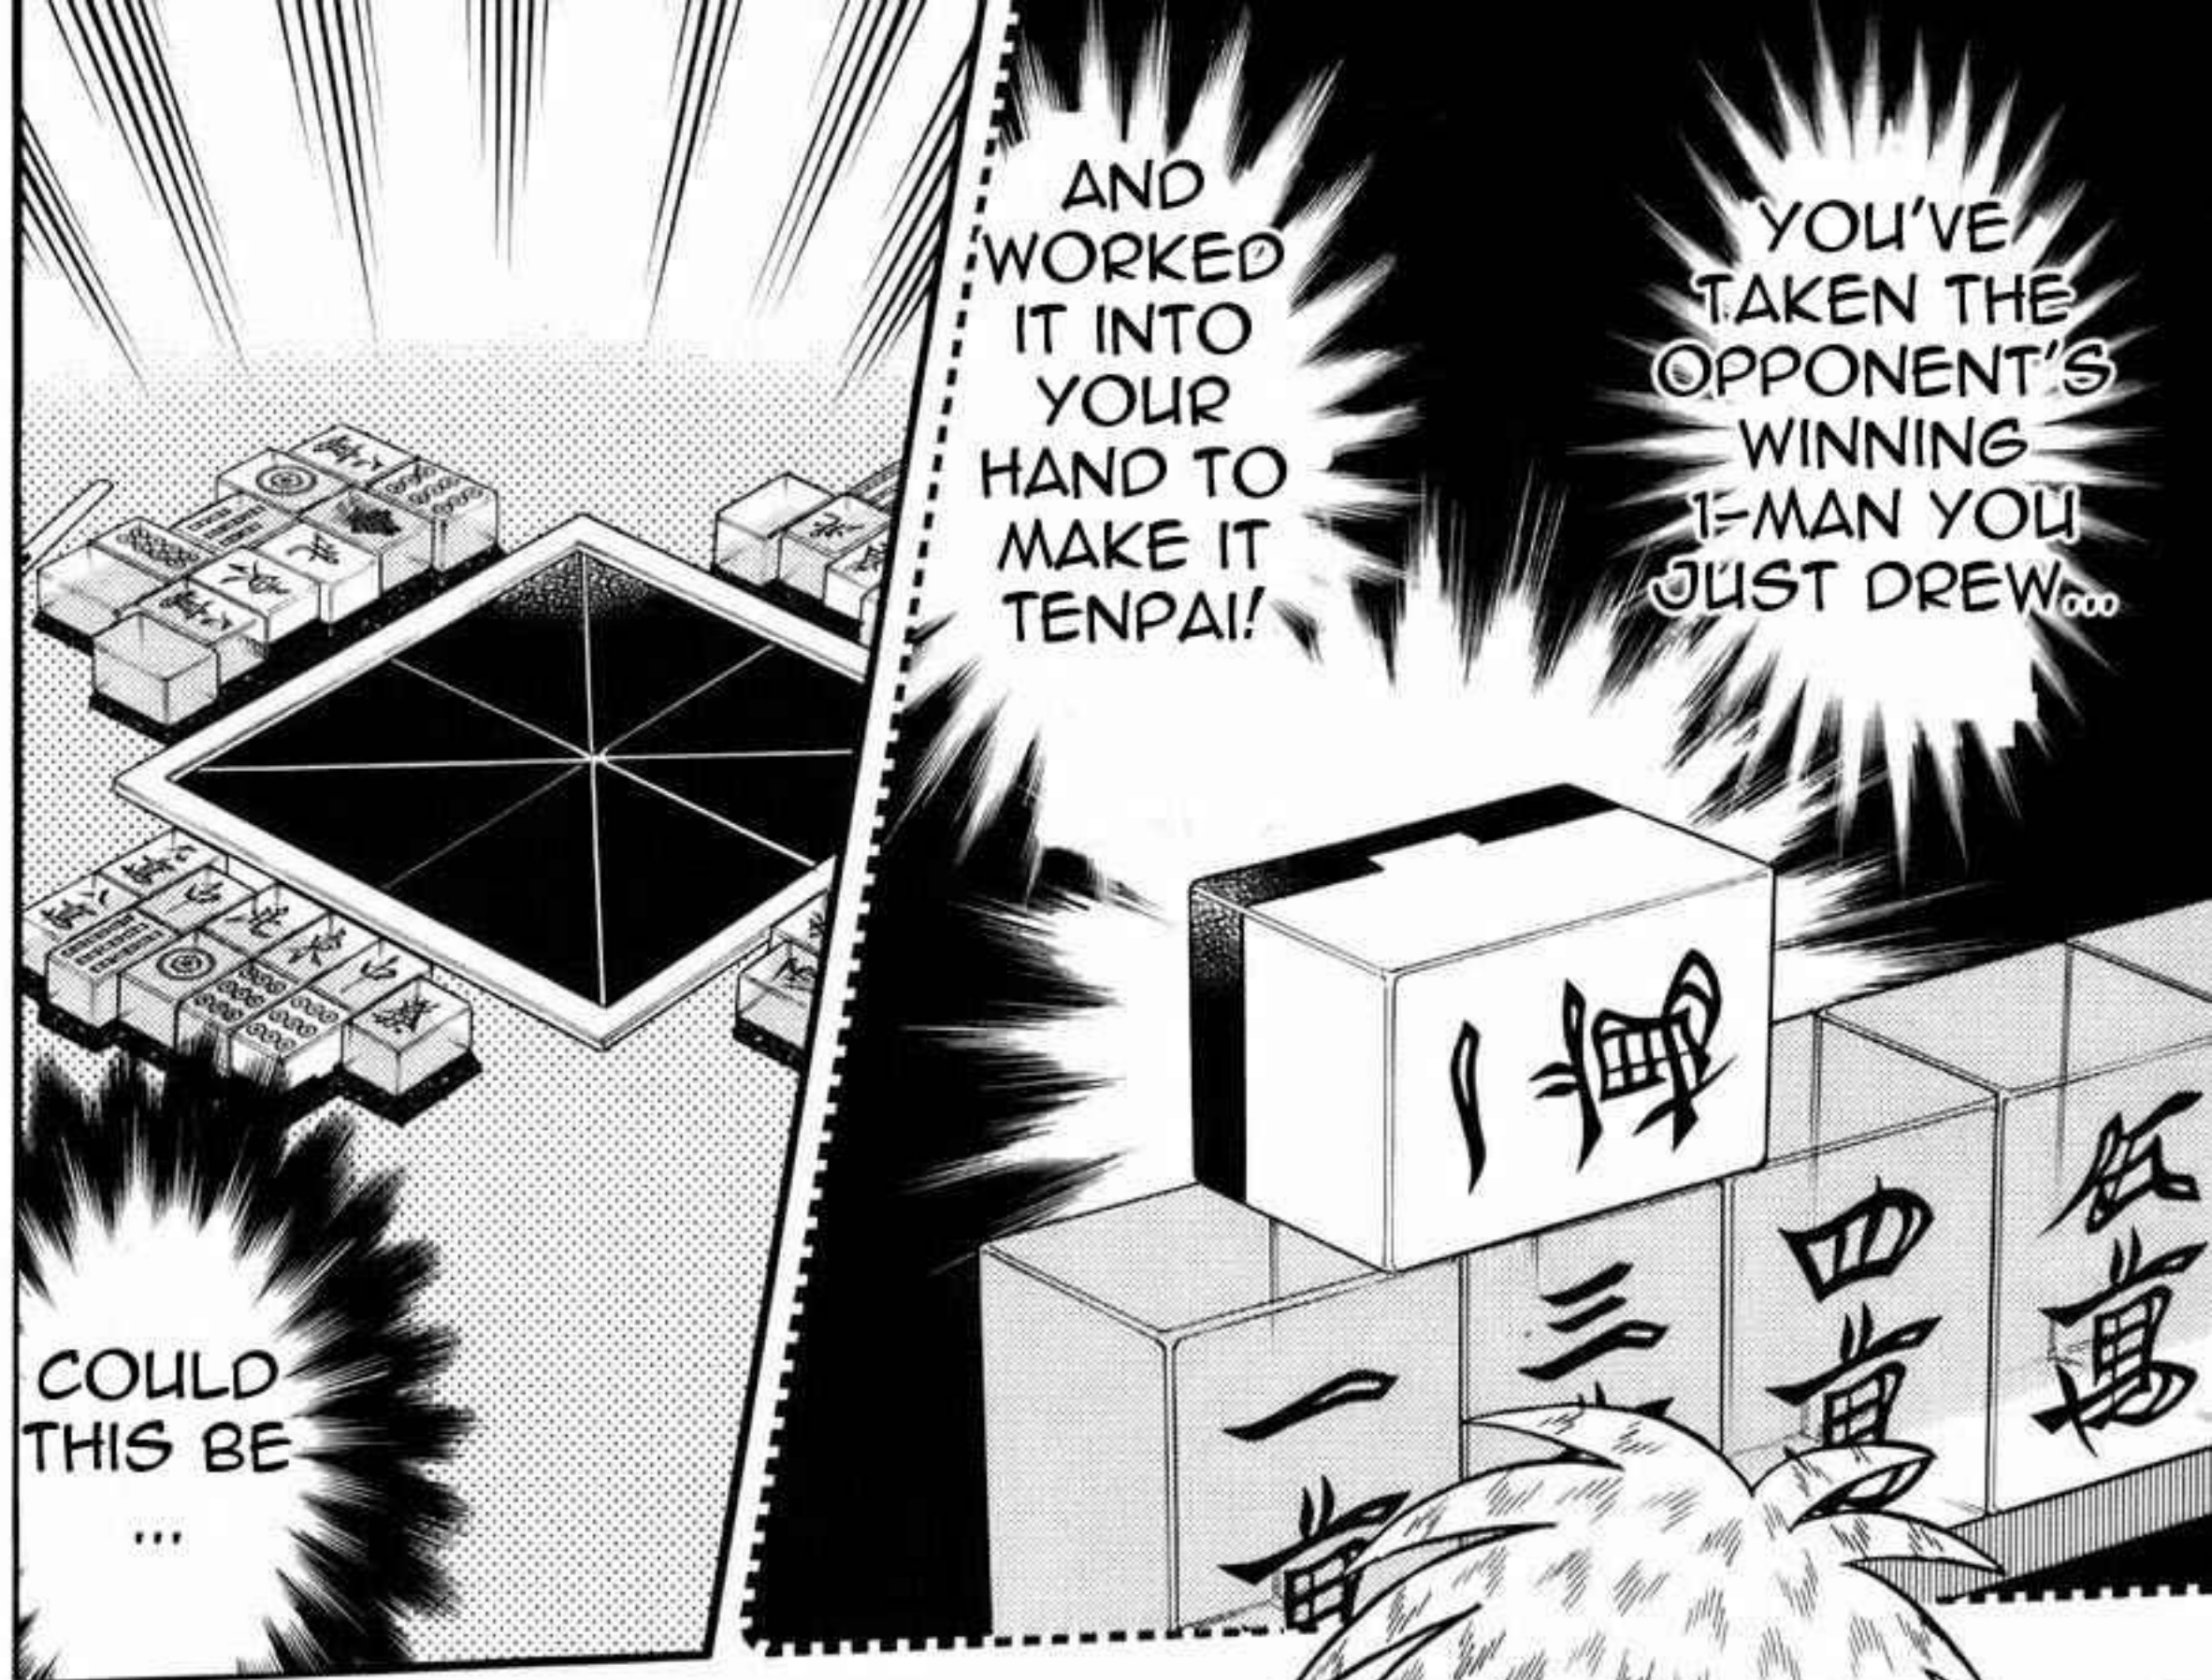

SO THAT
MEANS
...

THAT
MEANS
...

WE CAN
SETTLE
IT!

WHICH
MEANS
...

AND
WORKED
IT INTO
YOUR
HAND TO
MAKE IT
TENPAI!

YOU'VE
TAKEN THE
OPPONENT'S
WINNING
1-MAN YOU
JUST DREW...

COULD
THIS BE
...

A SIGN
THAT
YOU'RE IN
LUCK,
RIGHT
NOW?

A SIGN
OF THE
CHANGING
TIDES!

**AND RETURN
BACK TO
SHORE ALIVE!**

**THAT WE'RE
ABOUT TO BE
SWEEPED UP BY
THE TIDES...**

**SO
FIND A
WAVE...**

**IN
OTHER
WORDS
...**

**AND
RIDE
IT!**

Akagi
does not
do it!

He
does
not
do it!

He does not
ride the so-
called wave...

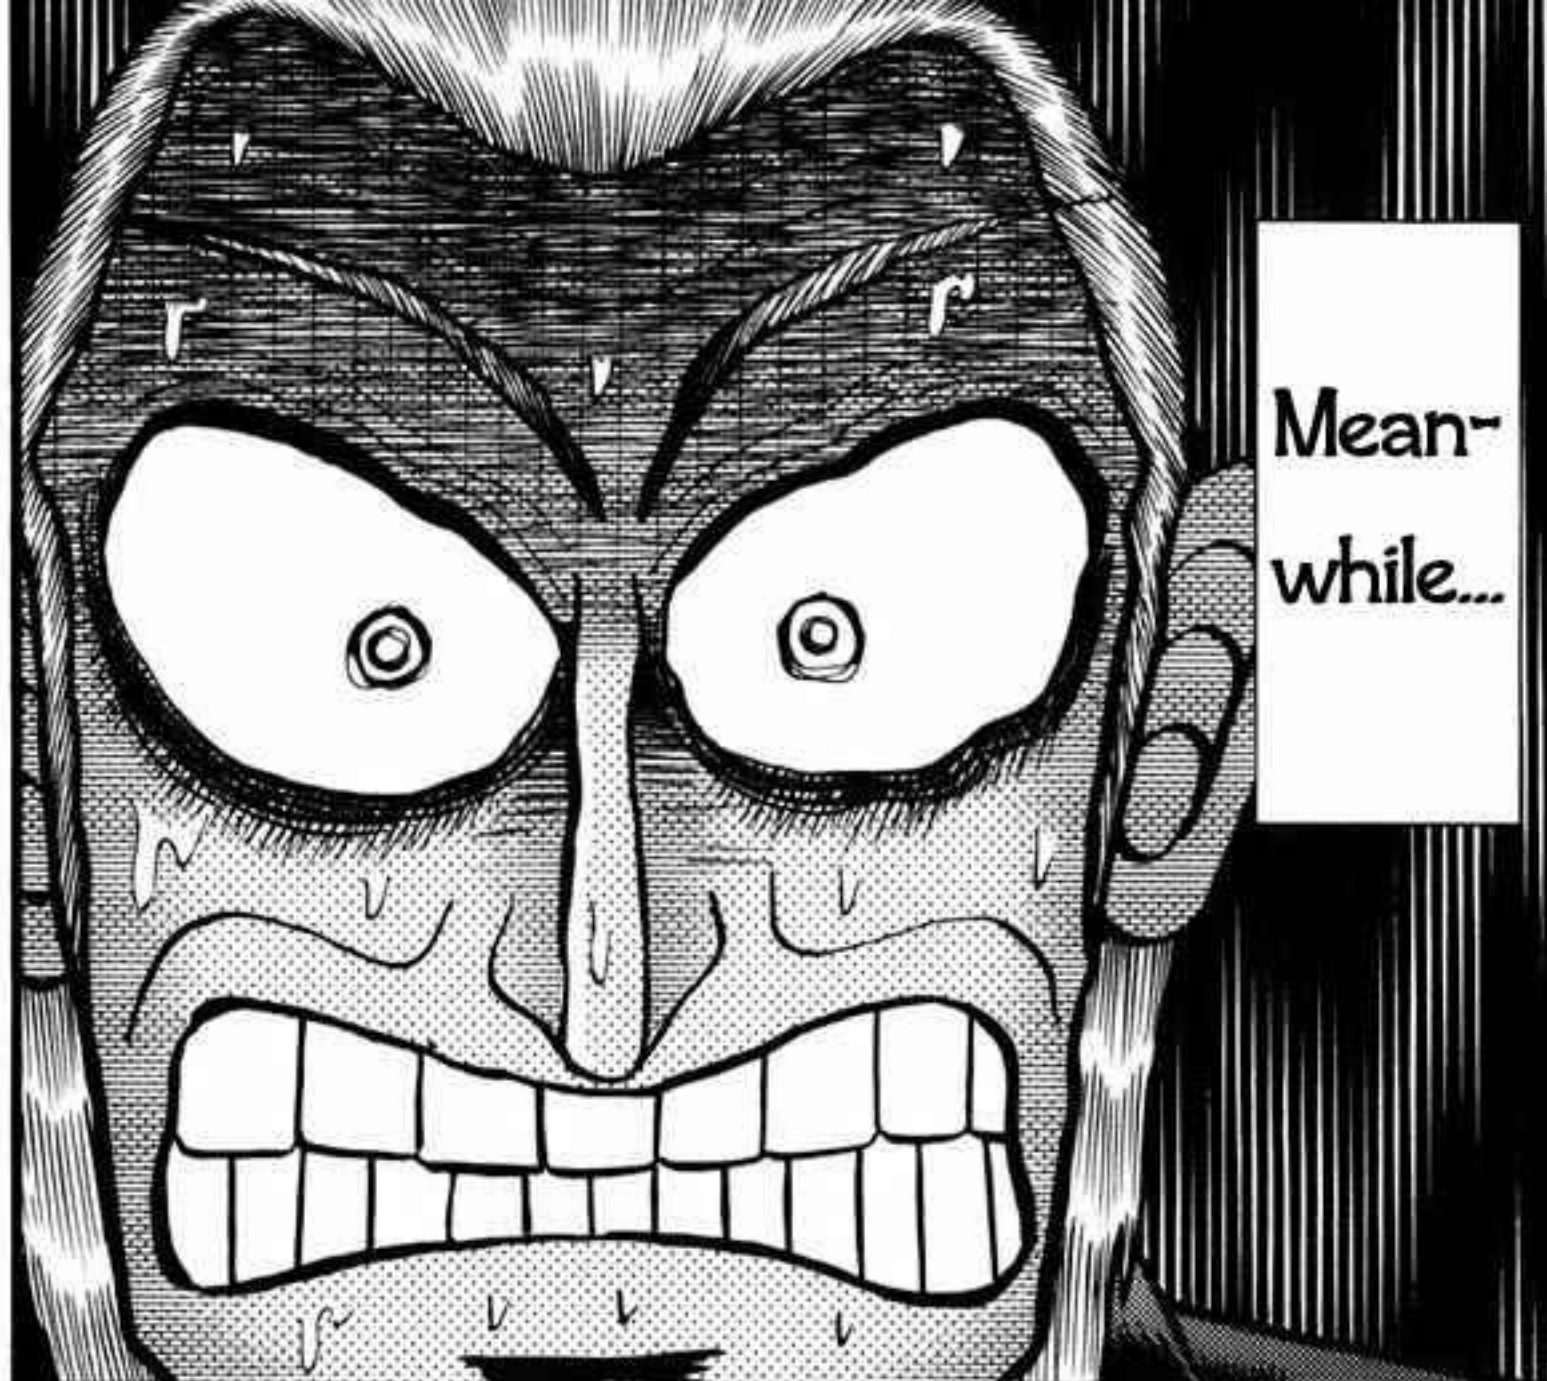

He
does
not
ride
it!

He
does
not
Riichi!

Created by
working his
opponent's
winning tile
into his
Tenpai!

GGH
....!

He
care-
fully
waits!

Mean-
while...

Washizu
is pushing
forward!

He at-
tacks!

Washizu
continues
to push!

And
on the
con-
trary
...

TCH!!

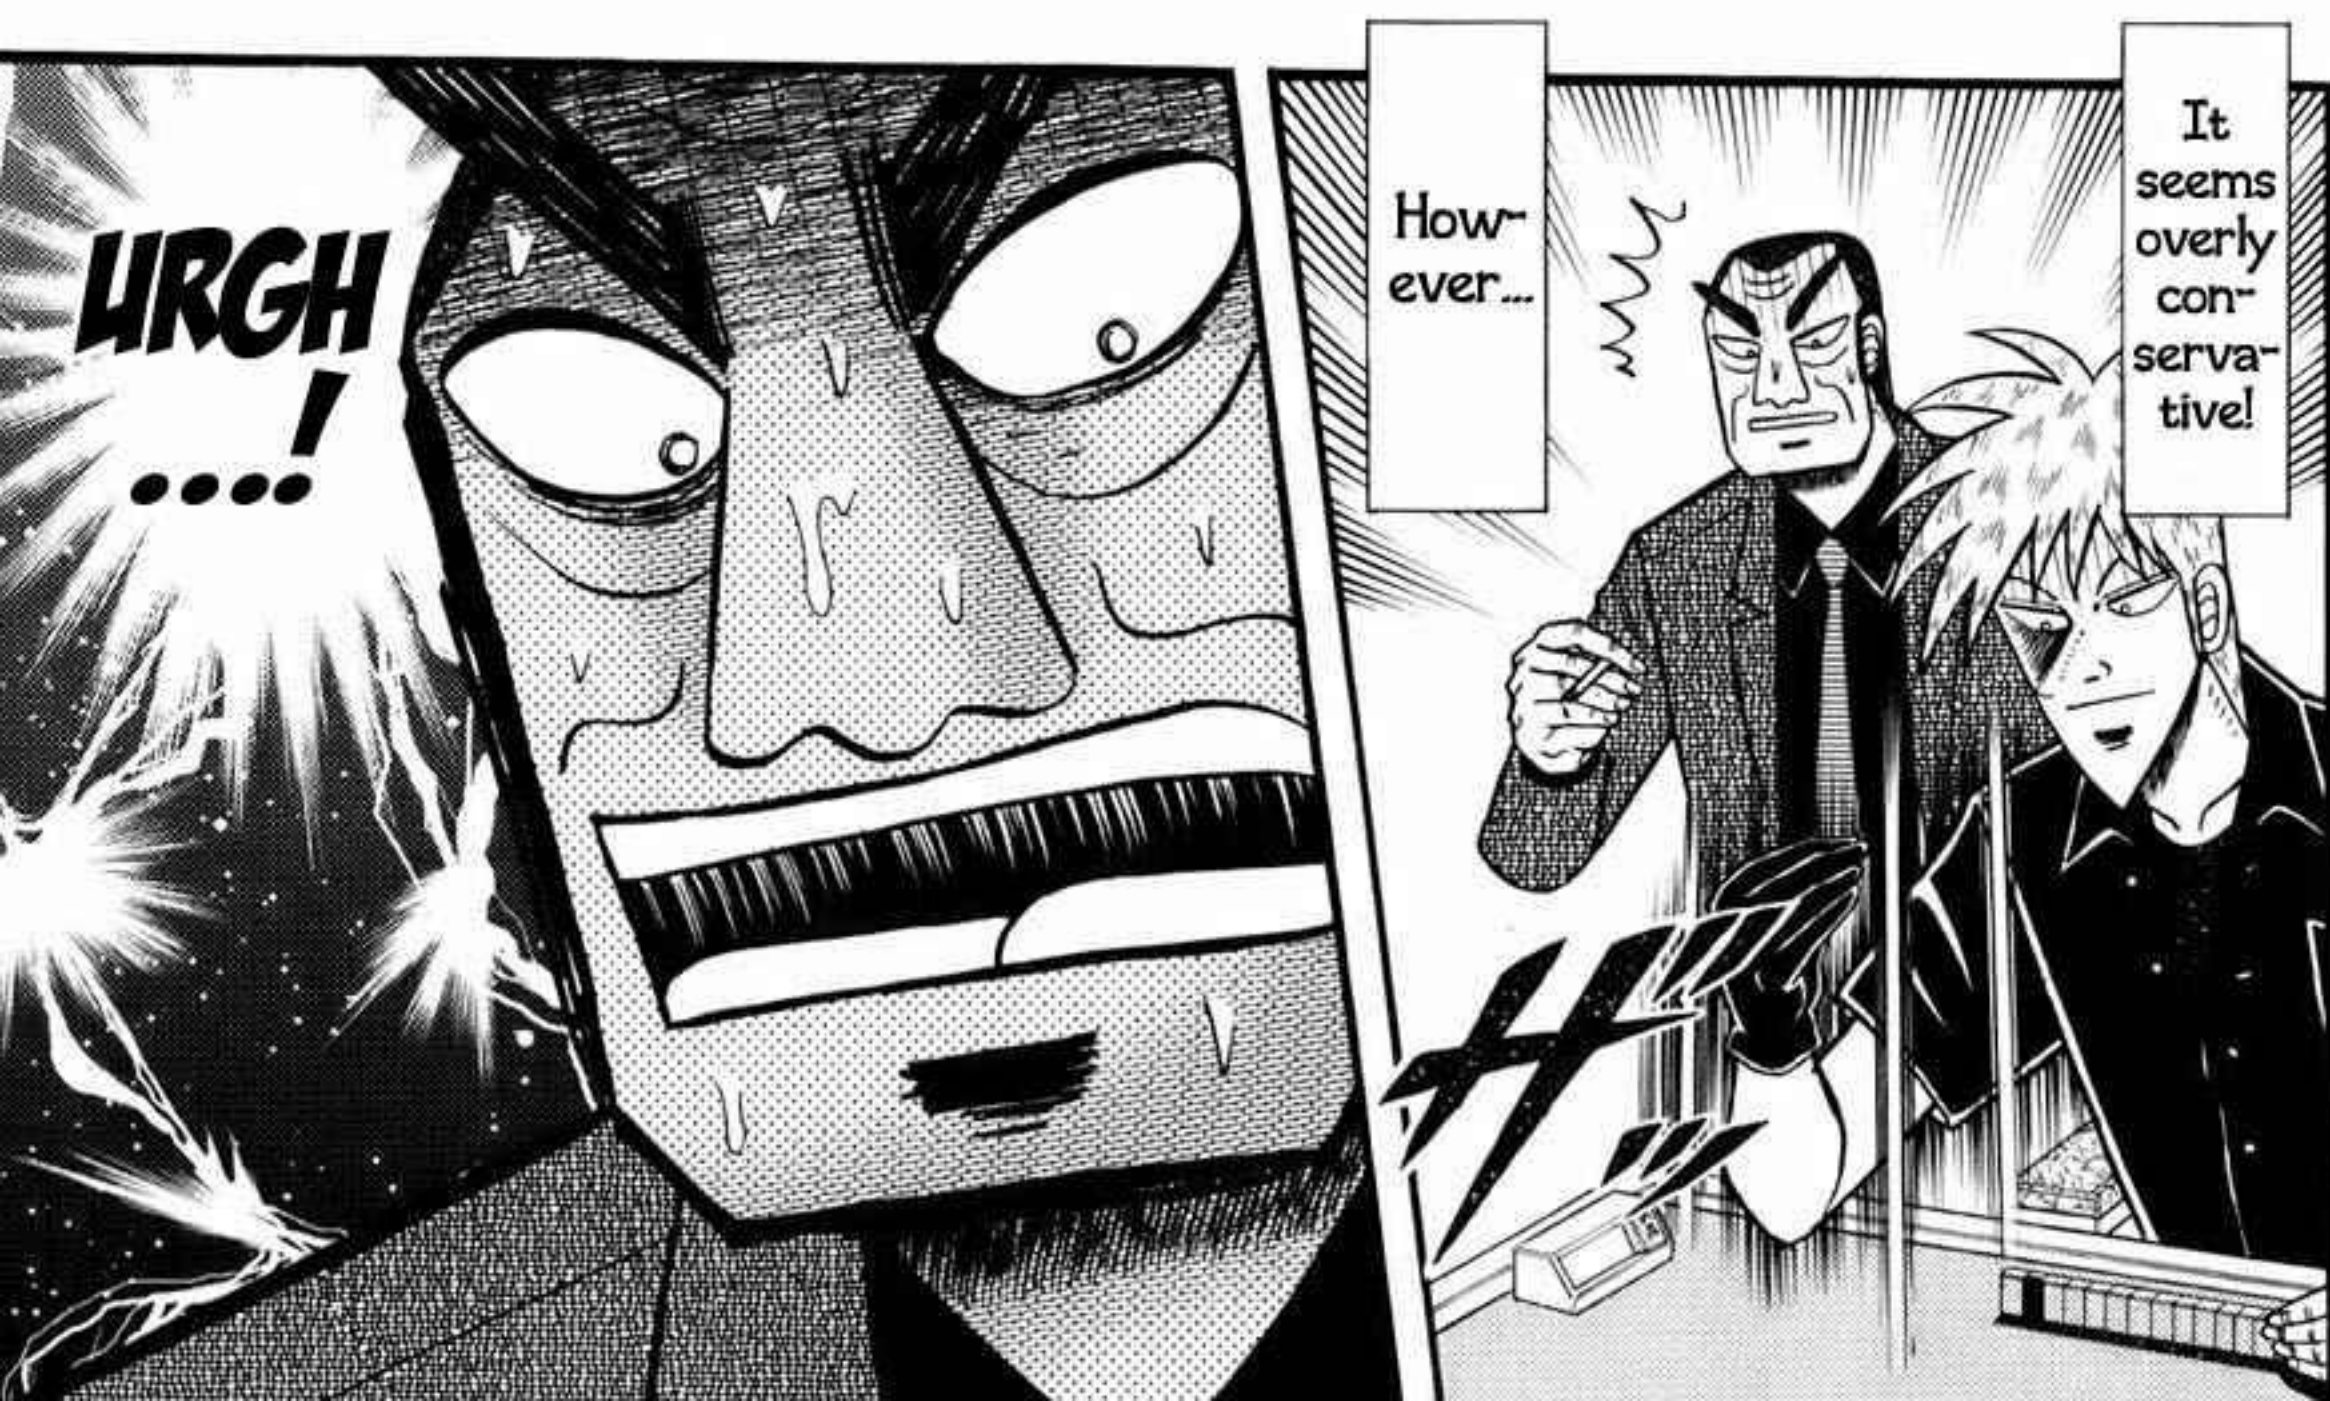

He
does
not
push
back!

He does
not jump in
thought-
lessly...

Akagi
holds
his
ground!

At a
glance...

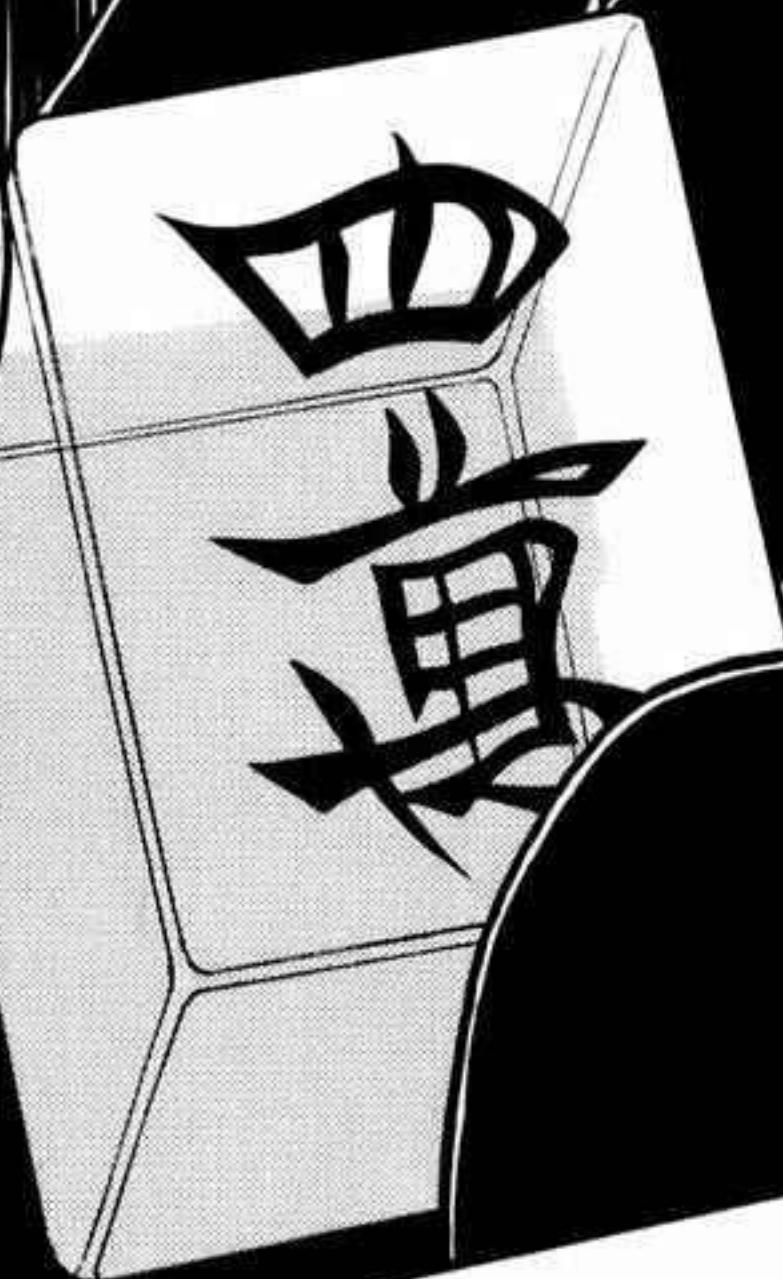

URGH
....!

How-
ever...

It
seems
overly
con-
serva-
tive!

From
this
4-Man!

He had,
in fact,
defended
himself!

Washizu's
winning
tile, the
4-Man!

GGH
....!

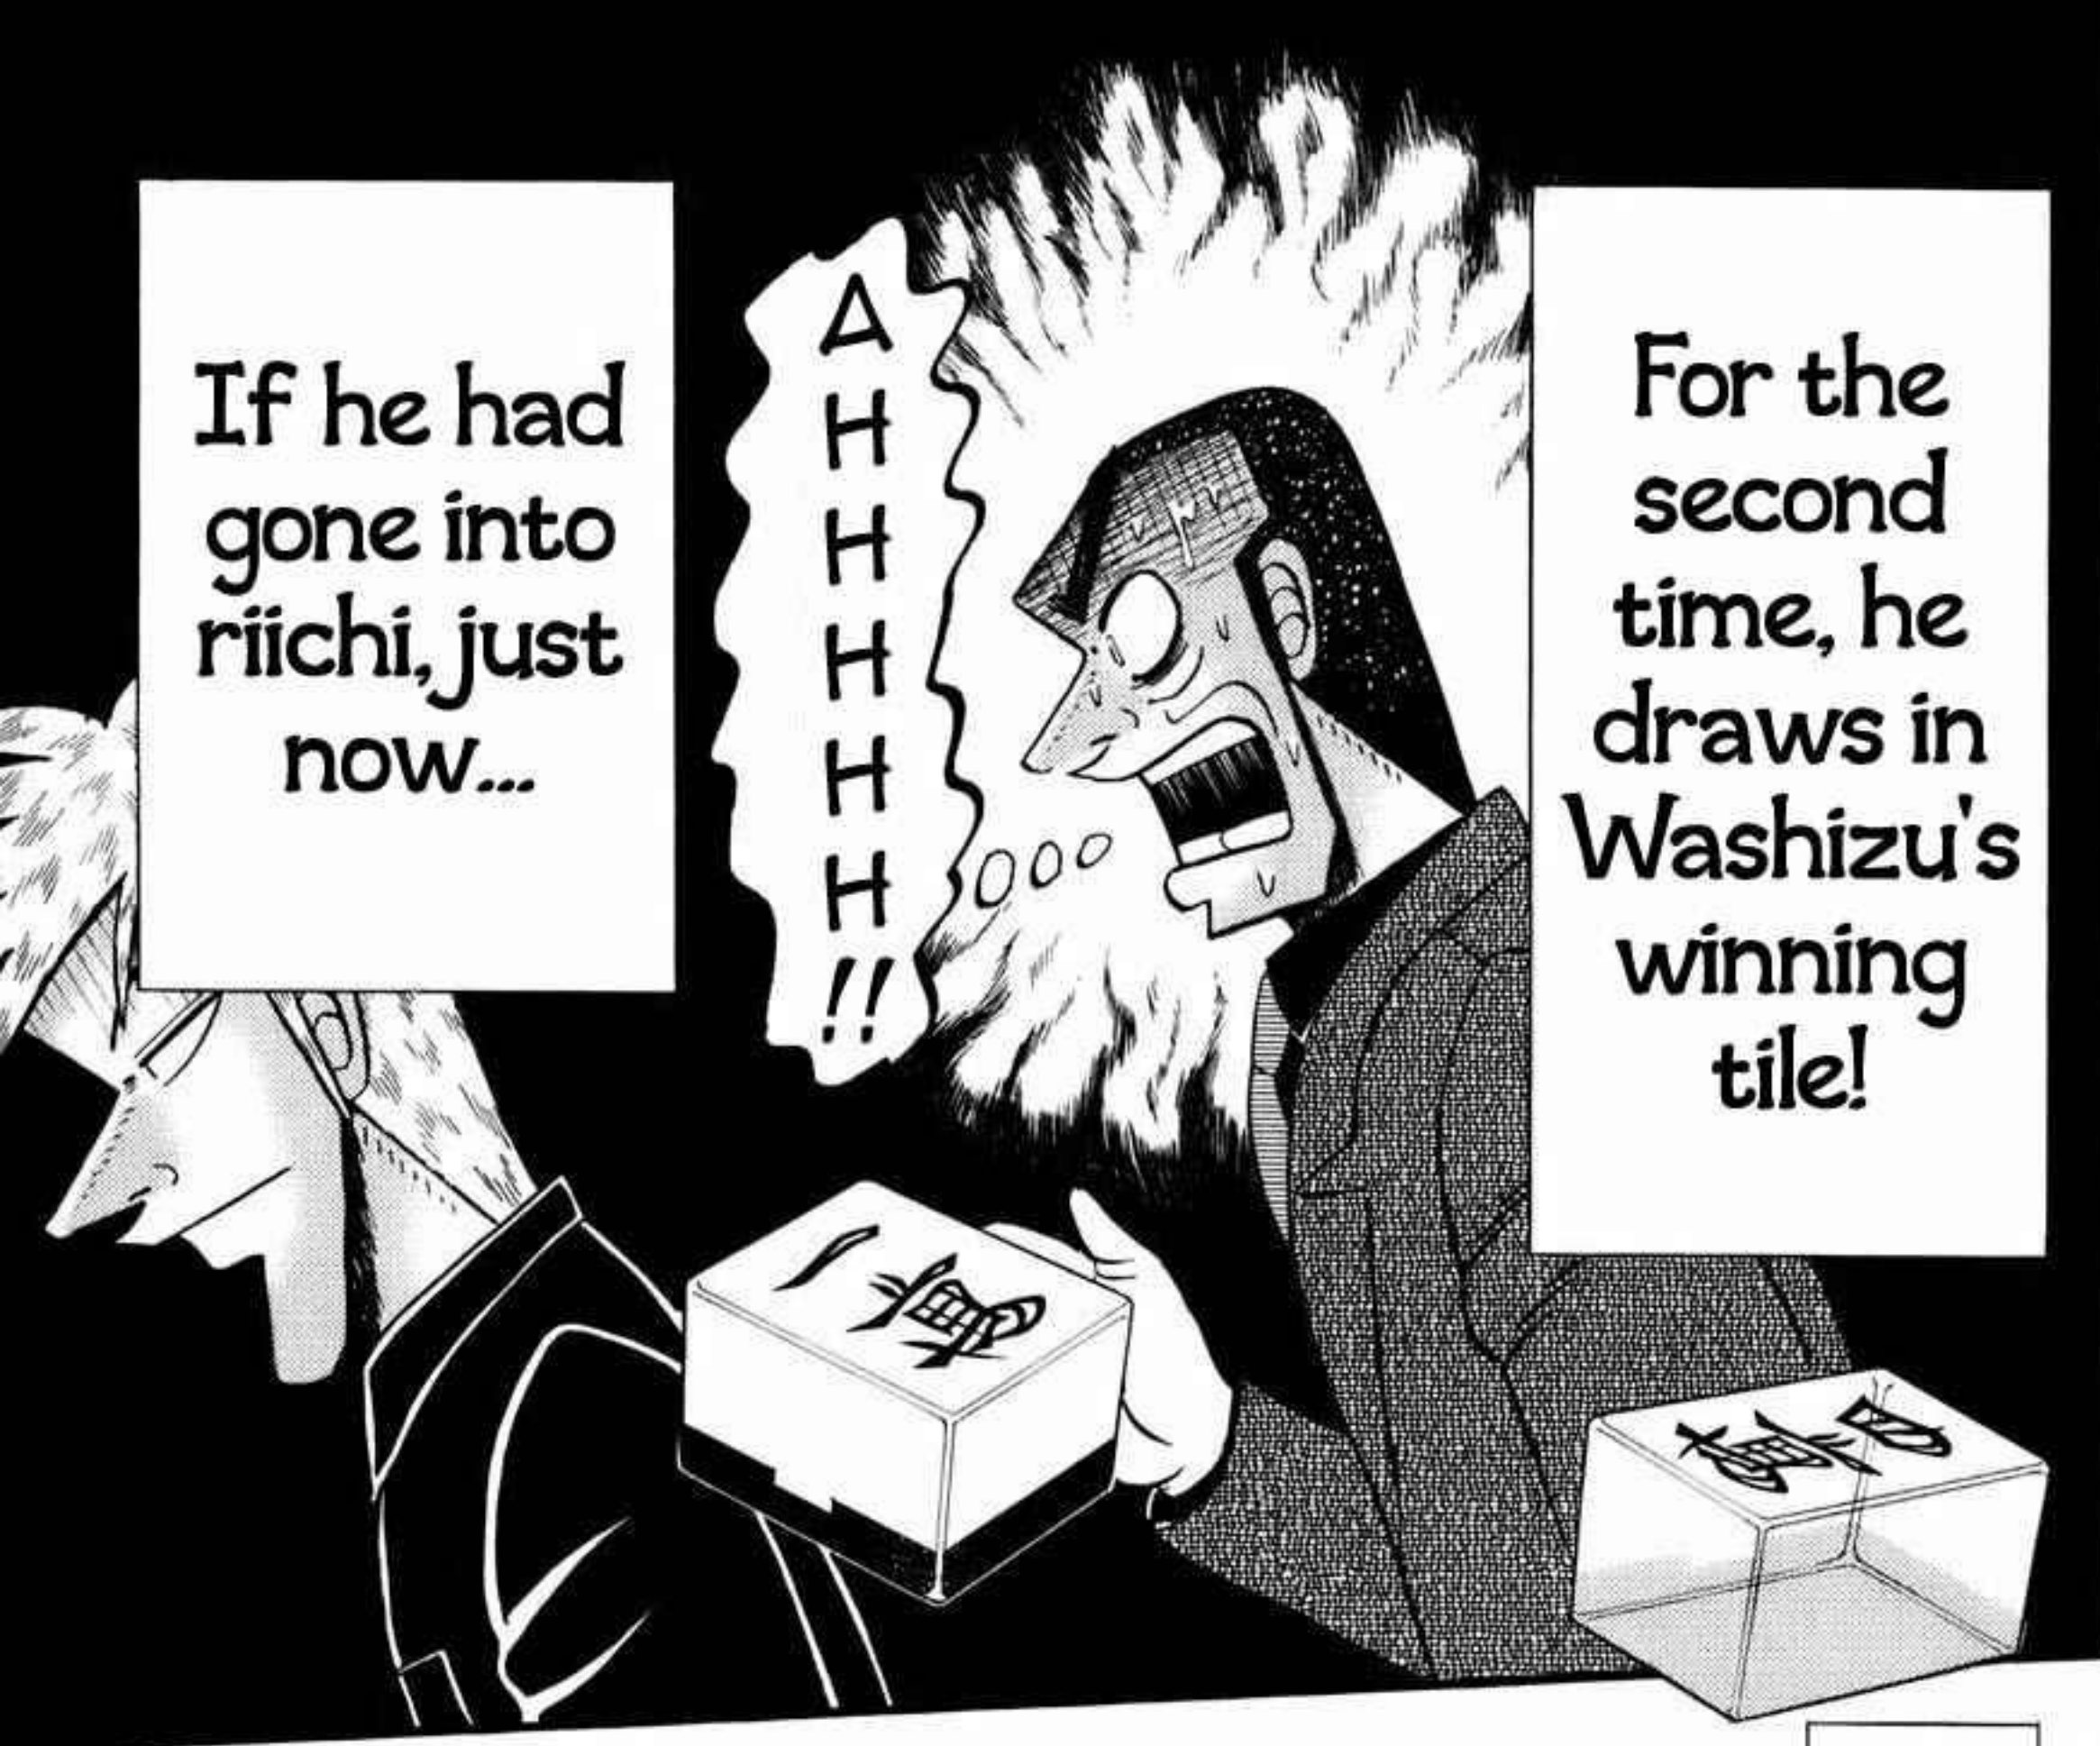

AHH

If he had
gone into
rīchi, just
now...

H

H
!!

For the
second
time, he
draws in
Washizu's
winning
tile!

In

direct
hit!

Death!

Well,
no...

Akagi
would
have
died!

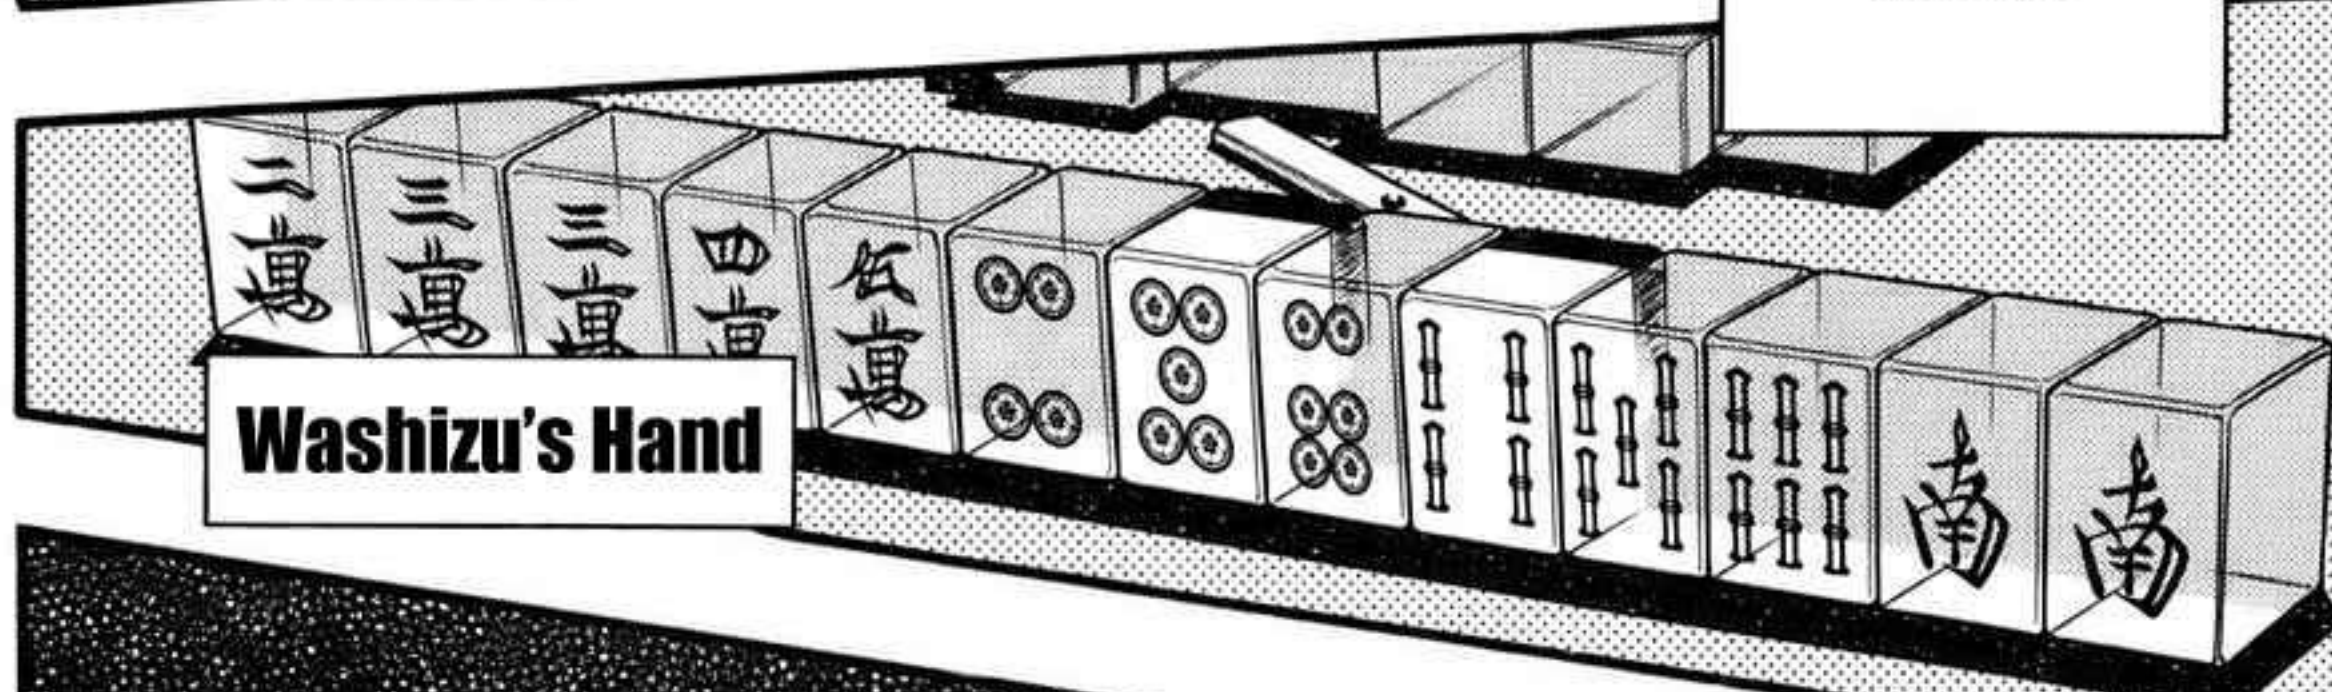

GGG
GHHH
....!!

CHAPTER 192: ADHESIVENESS 第192話粘力

Truthfully, his death would not be assured.

Washizu's hand has no Yaku built into it.

Washizu's Hand

In which case...

Even with the two Honba bonuses for 600 points, it would only be 1900.

Meaning, with its present state of 1 Han and 40 Fu, it would be only 1300 points...

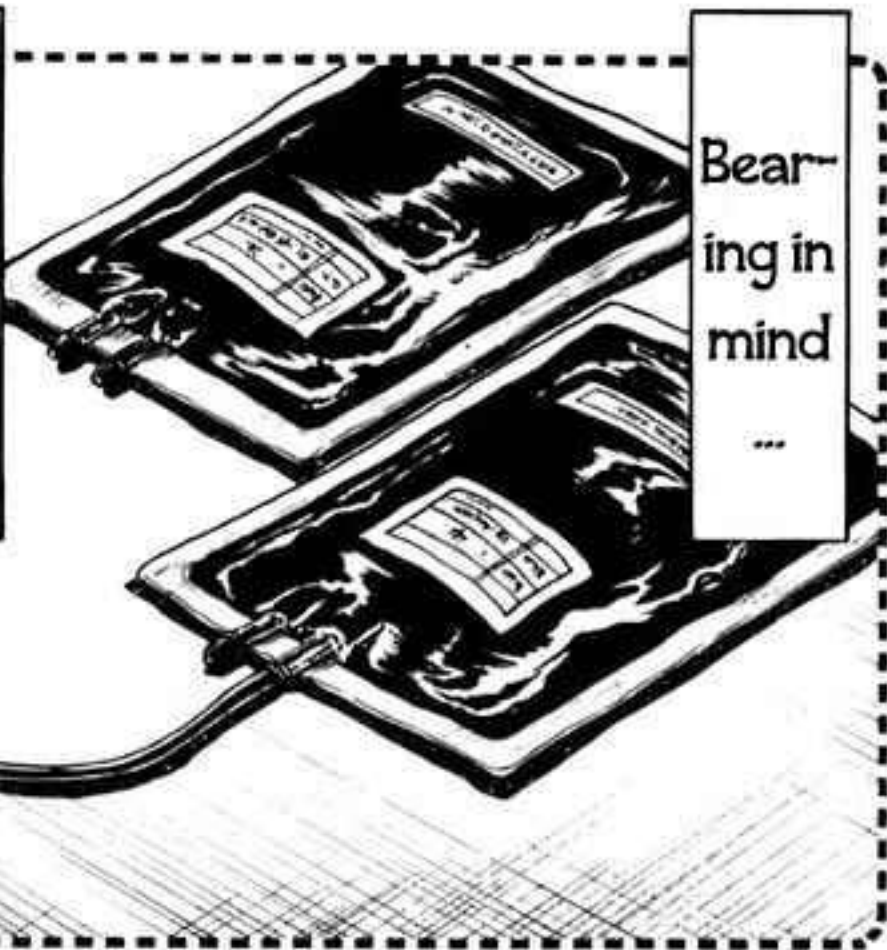

It would be a Riichi-only garbage hand!

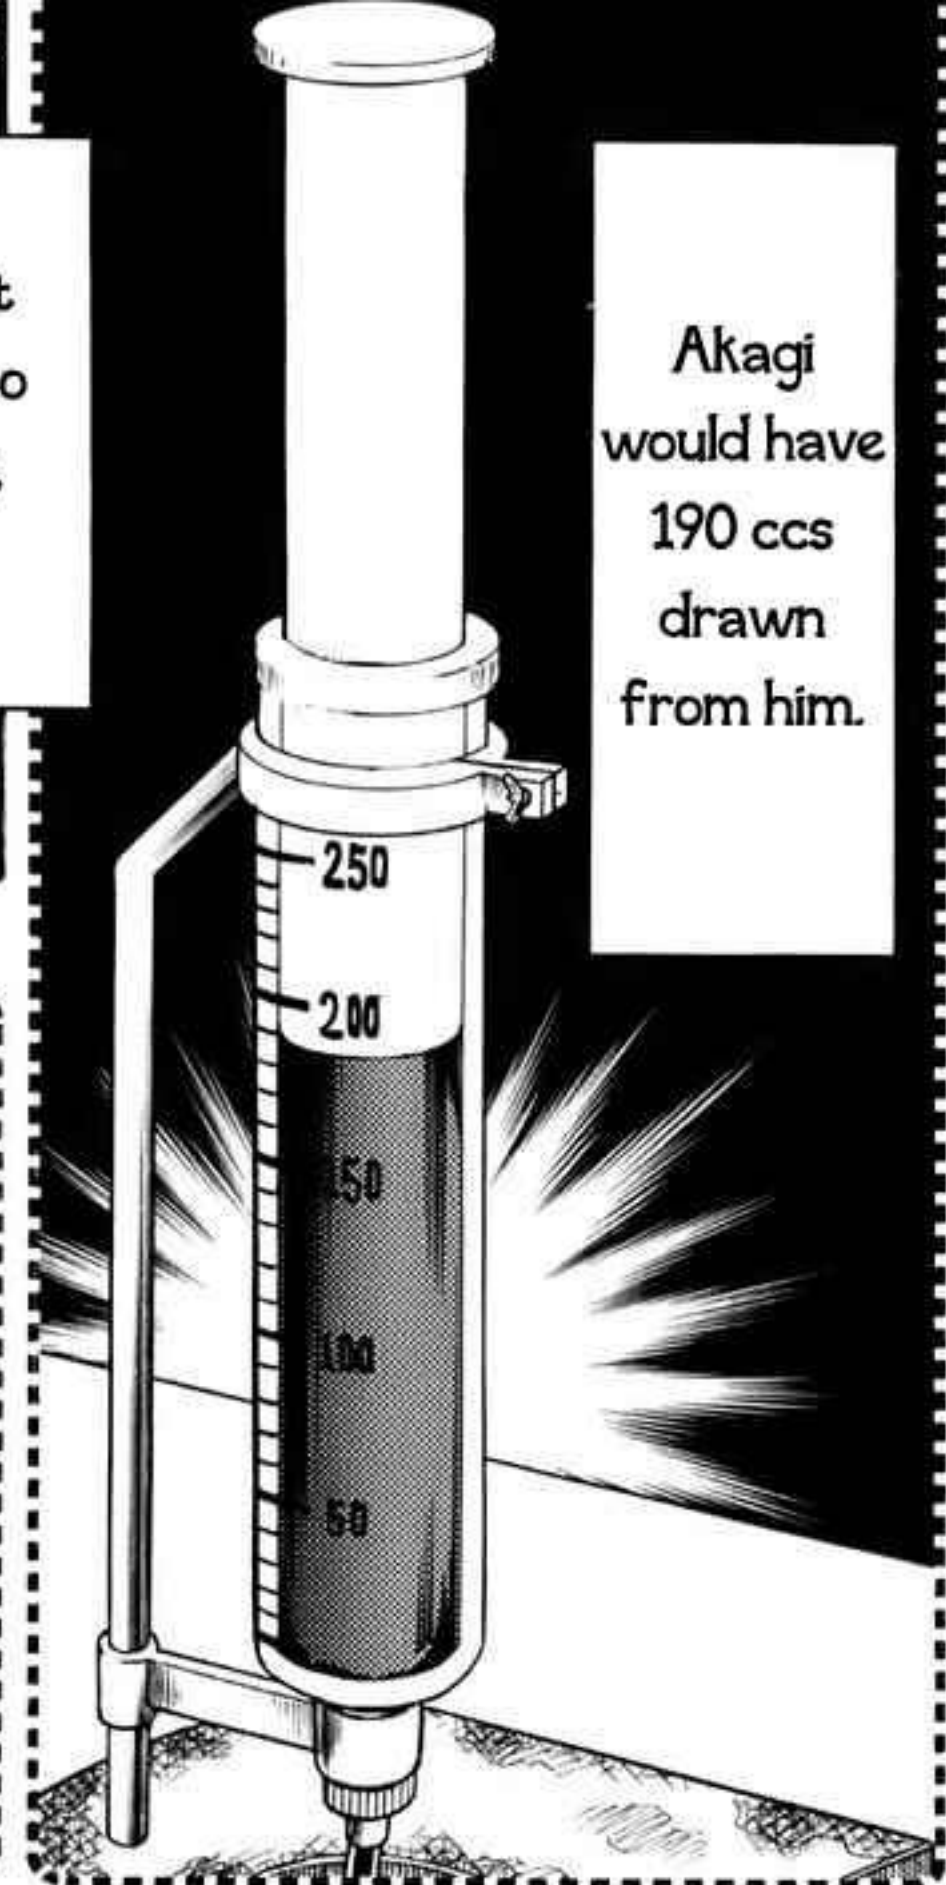

He has lost
2000 ccs to
this point,
but...

Akagi
would have
190 ccs
drawn
from him.

That he
transfused an
extra 500 ccs
into his body
before the
match...

Bear-
ing in
mind
...

Thinking of
2000 ccs as the
lethal limit...

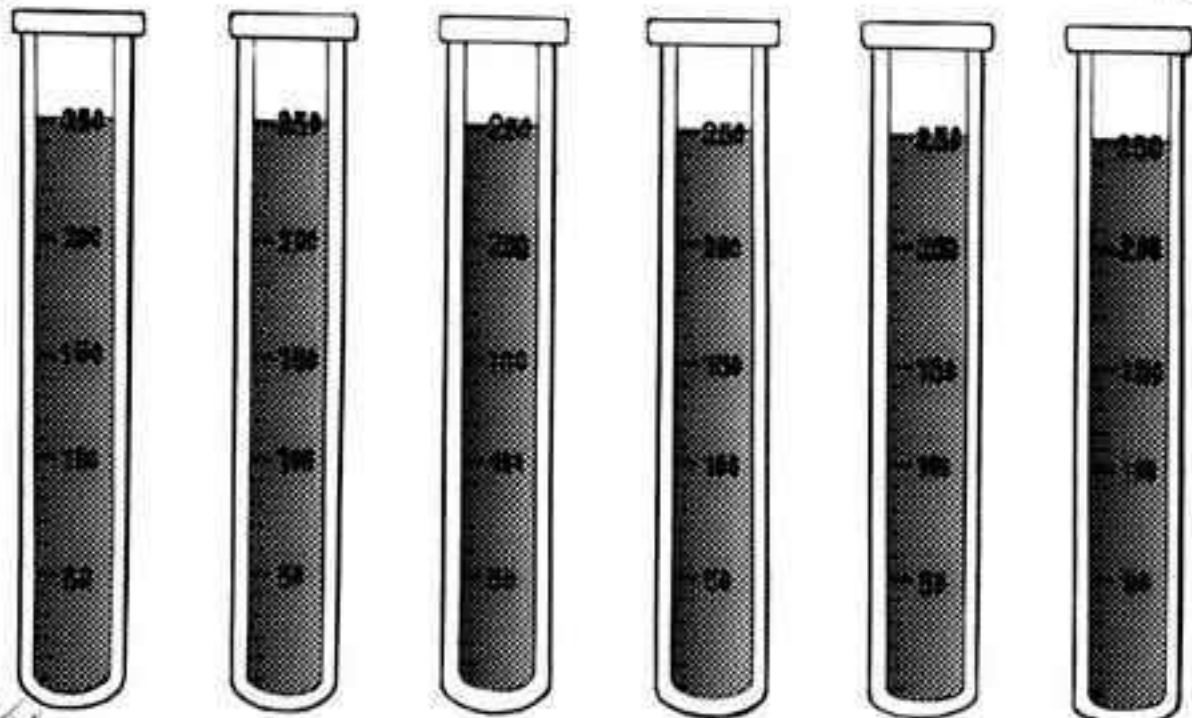

The total
would
reach
1690 ccs.

It is entirely
possible that
this 1690 would
leave some
breathing
room!

In which case,
upon drawing
another 190 ccs on
top of that...

One can think
of his lost
blood as the
equivalent of
1500 ccs
normally.

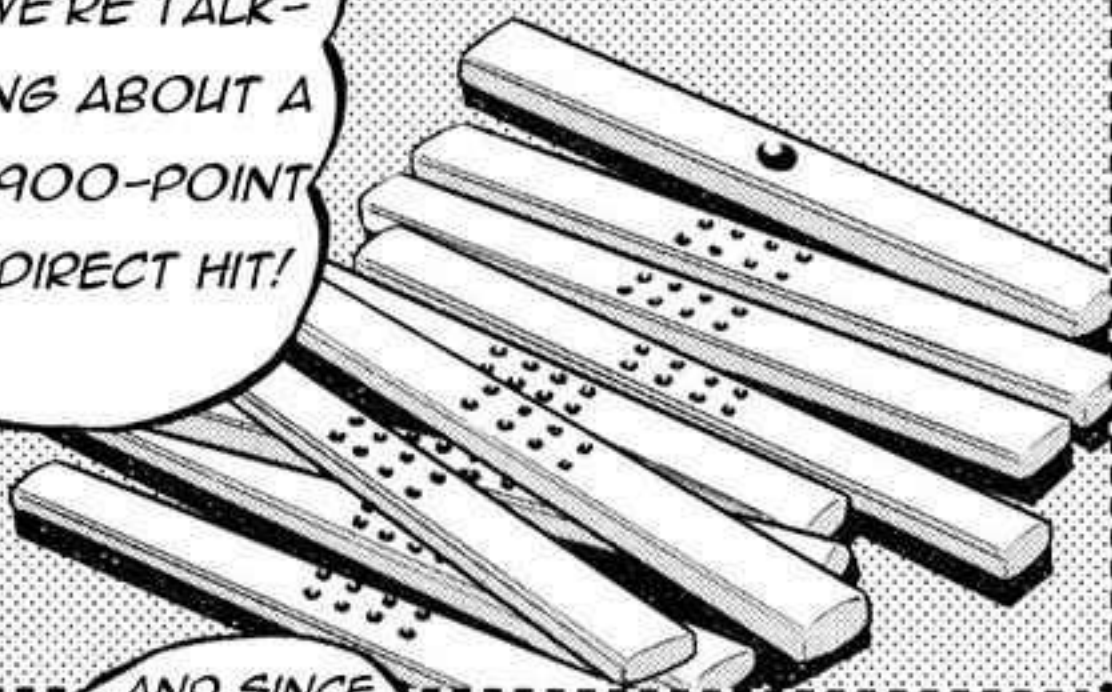

THAT
WOULD
BE 1300 IN
THE 2ND
HONBA...

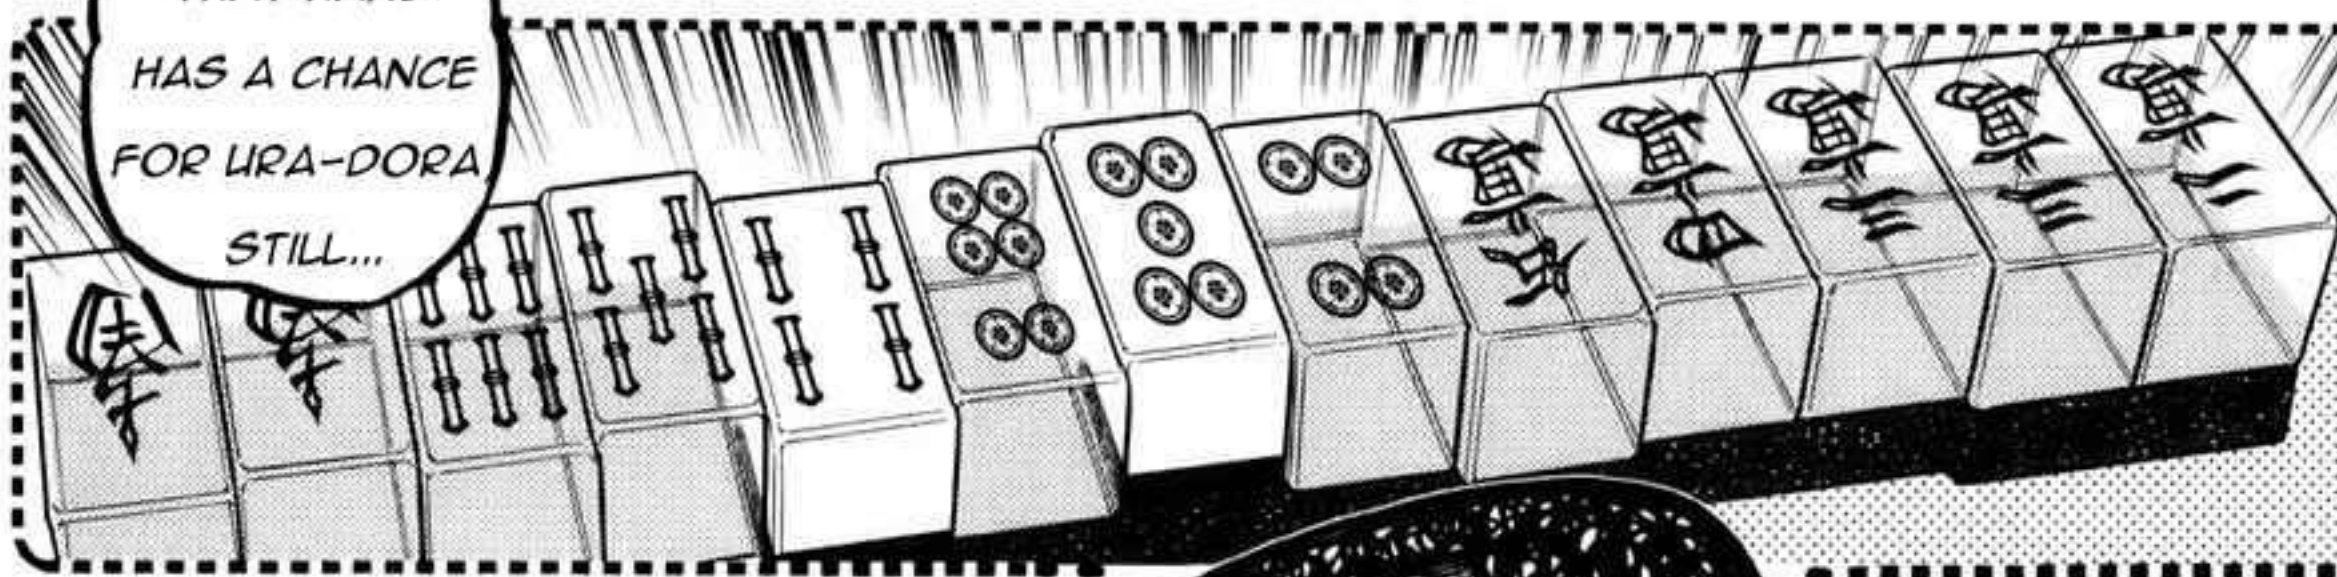

How-
ever
...

WE'RE TALK-
ING ABOUT A
1900-POINT
DIRECT HIT!

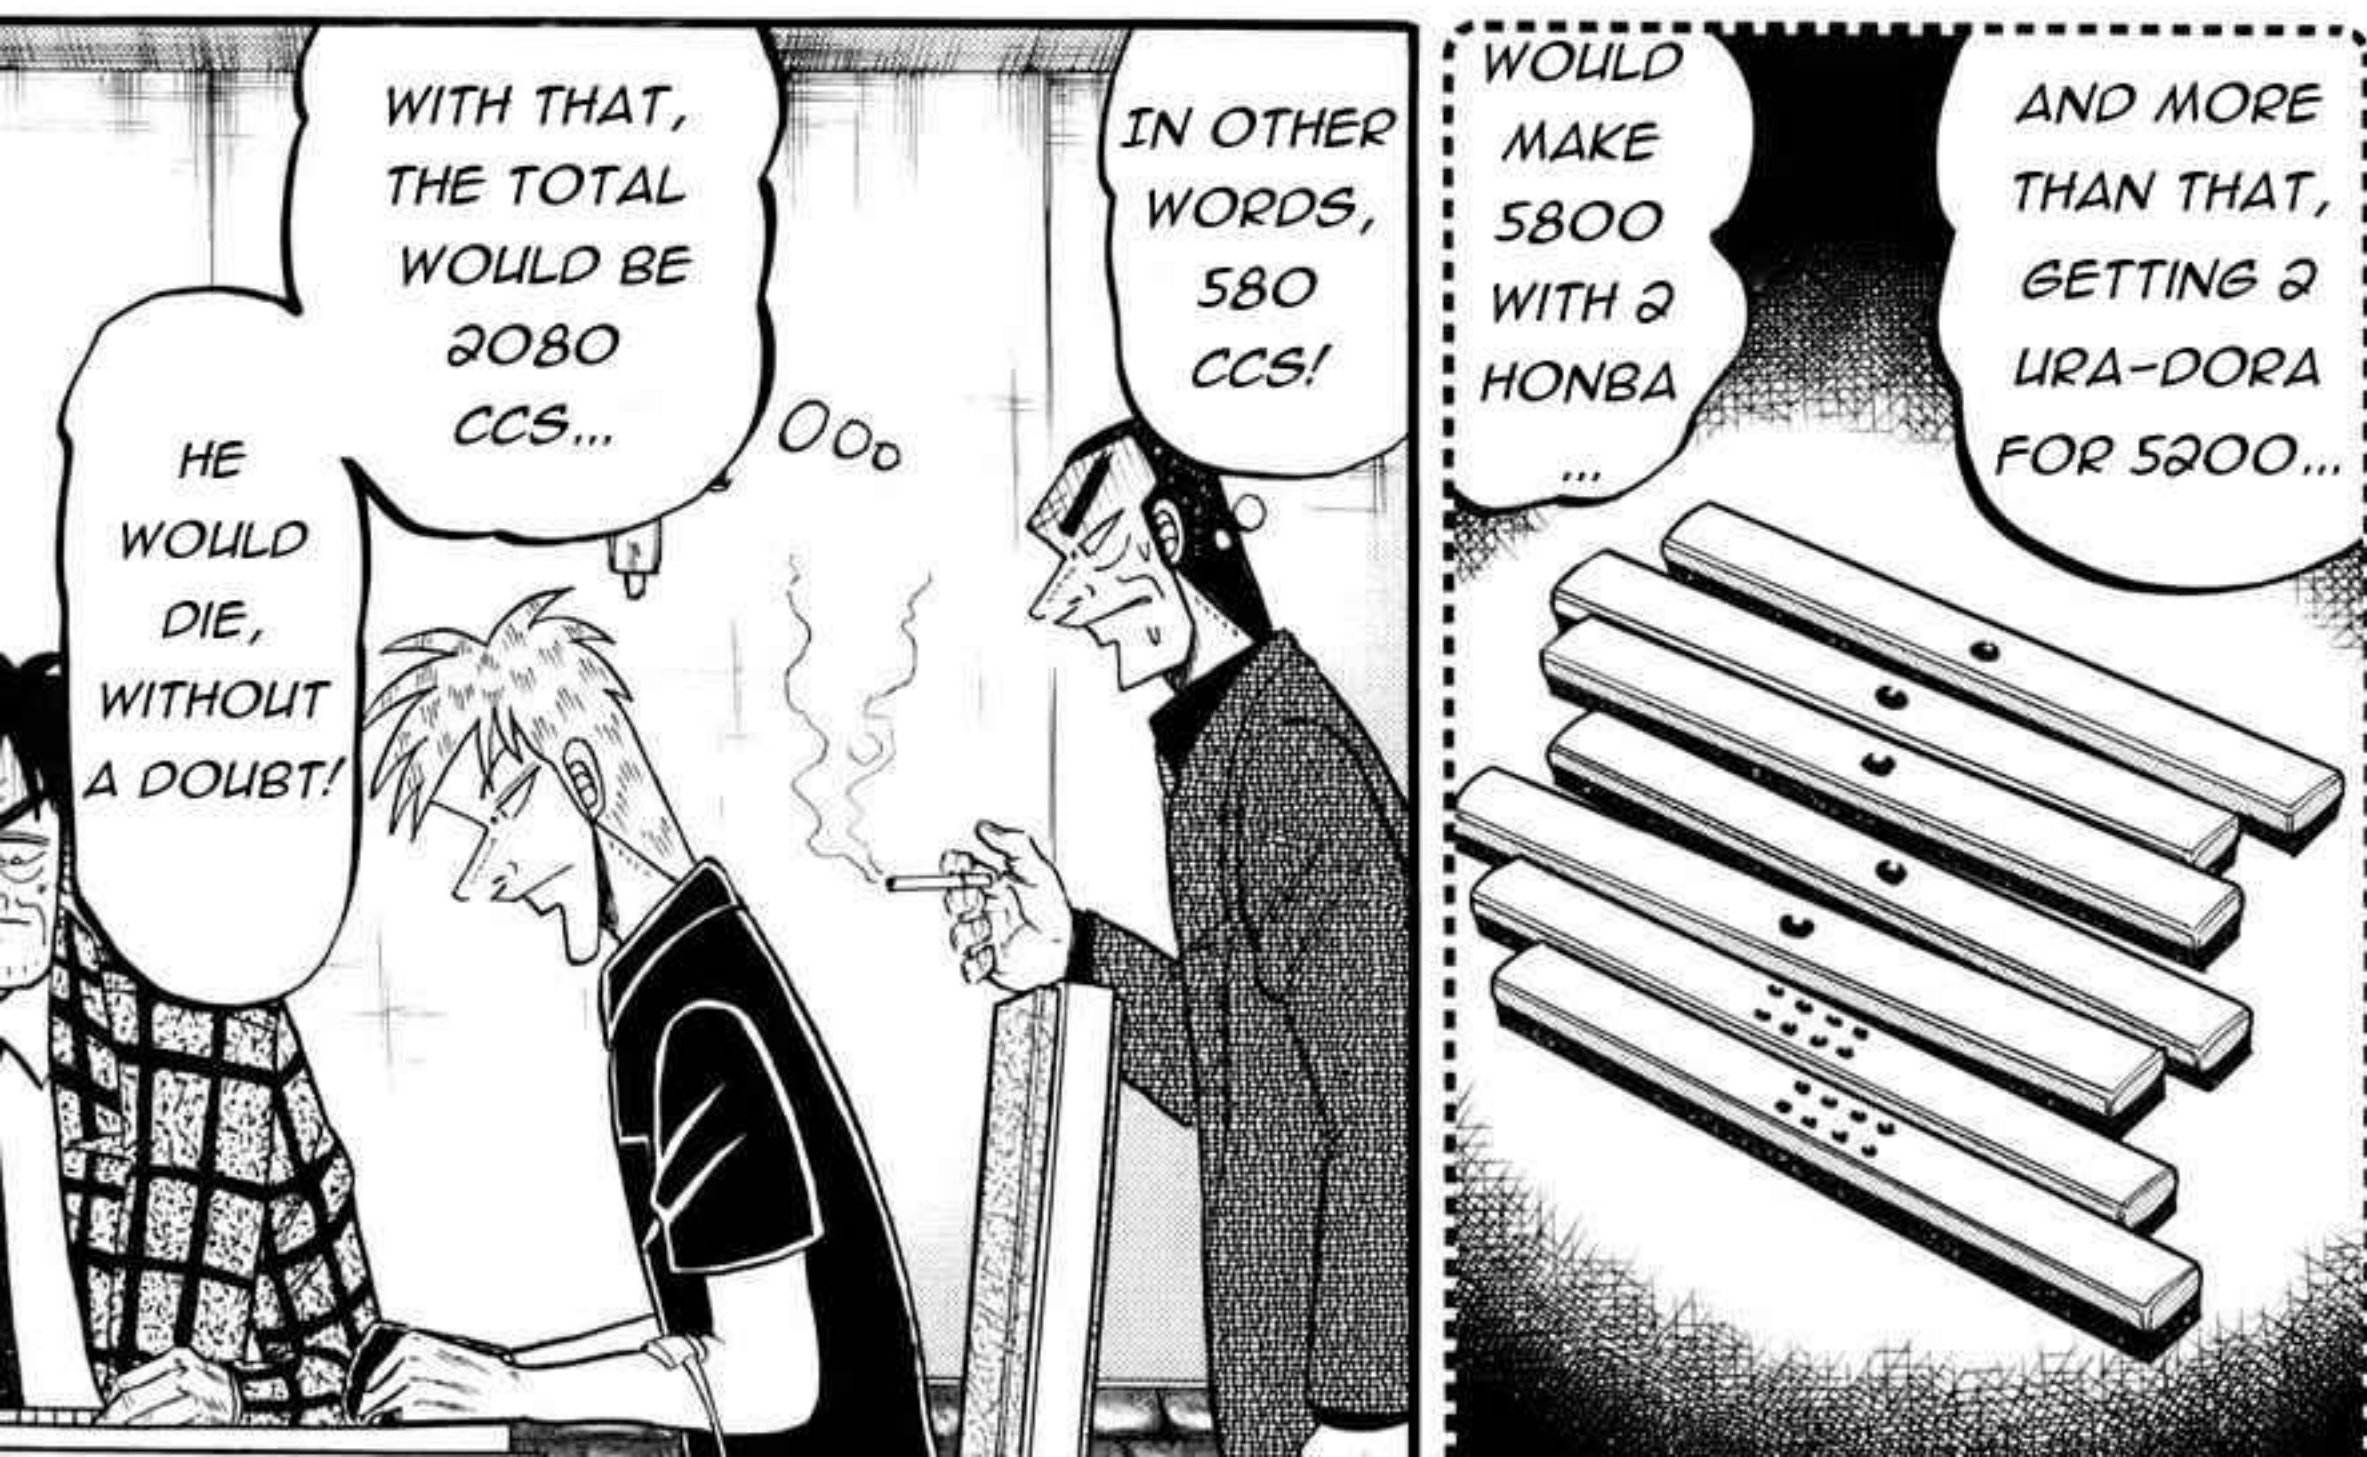

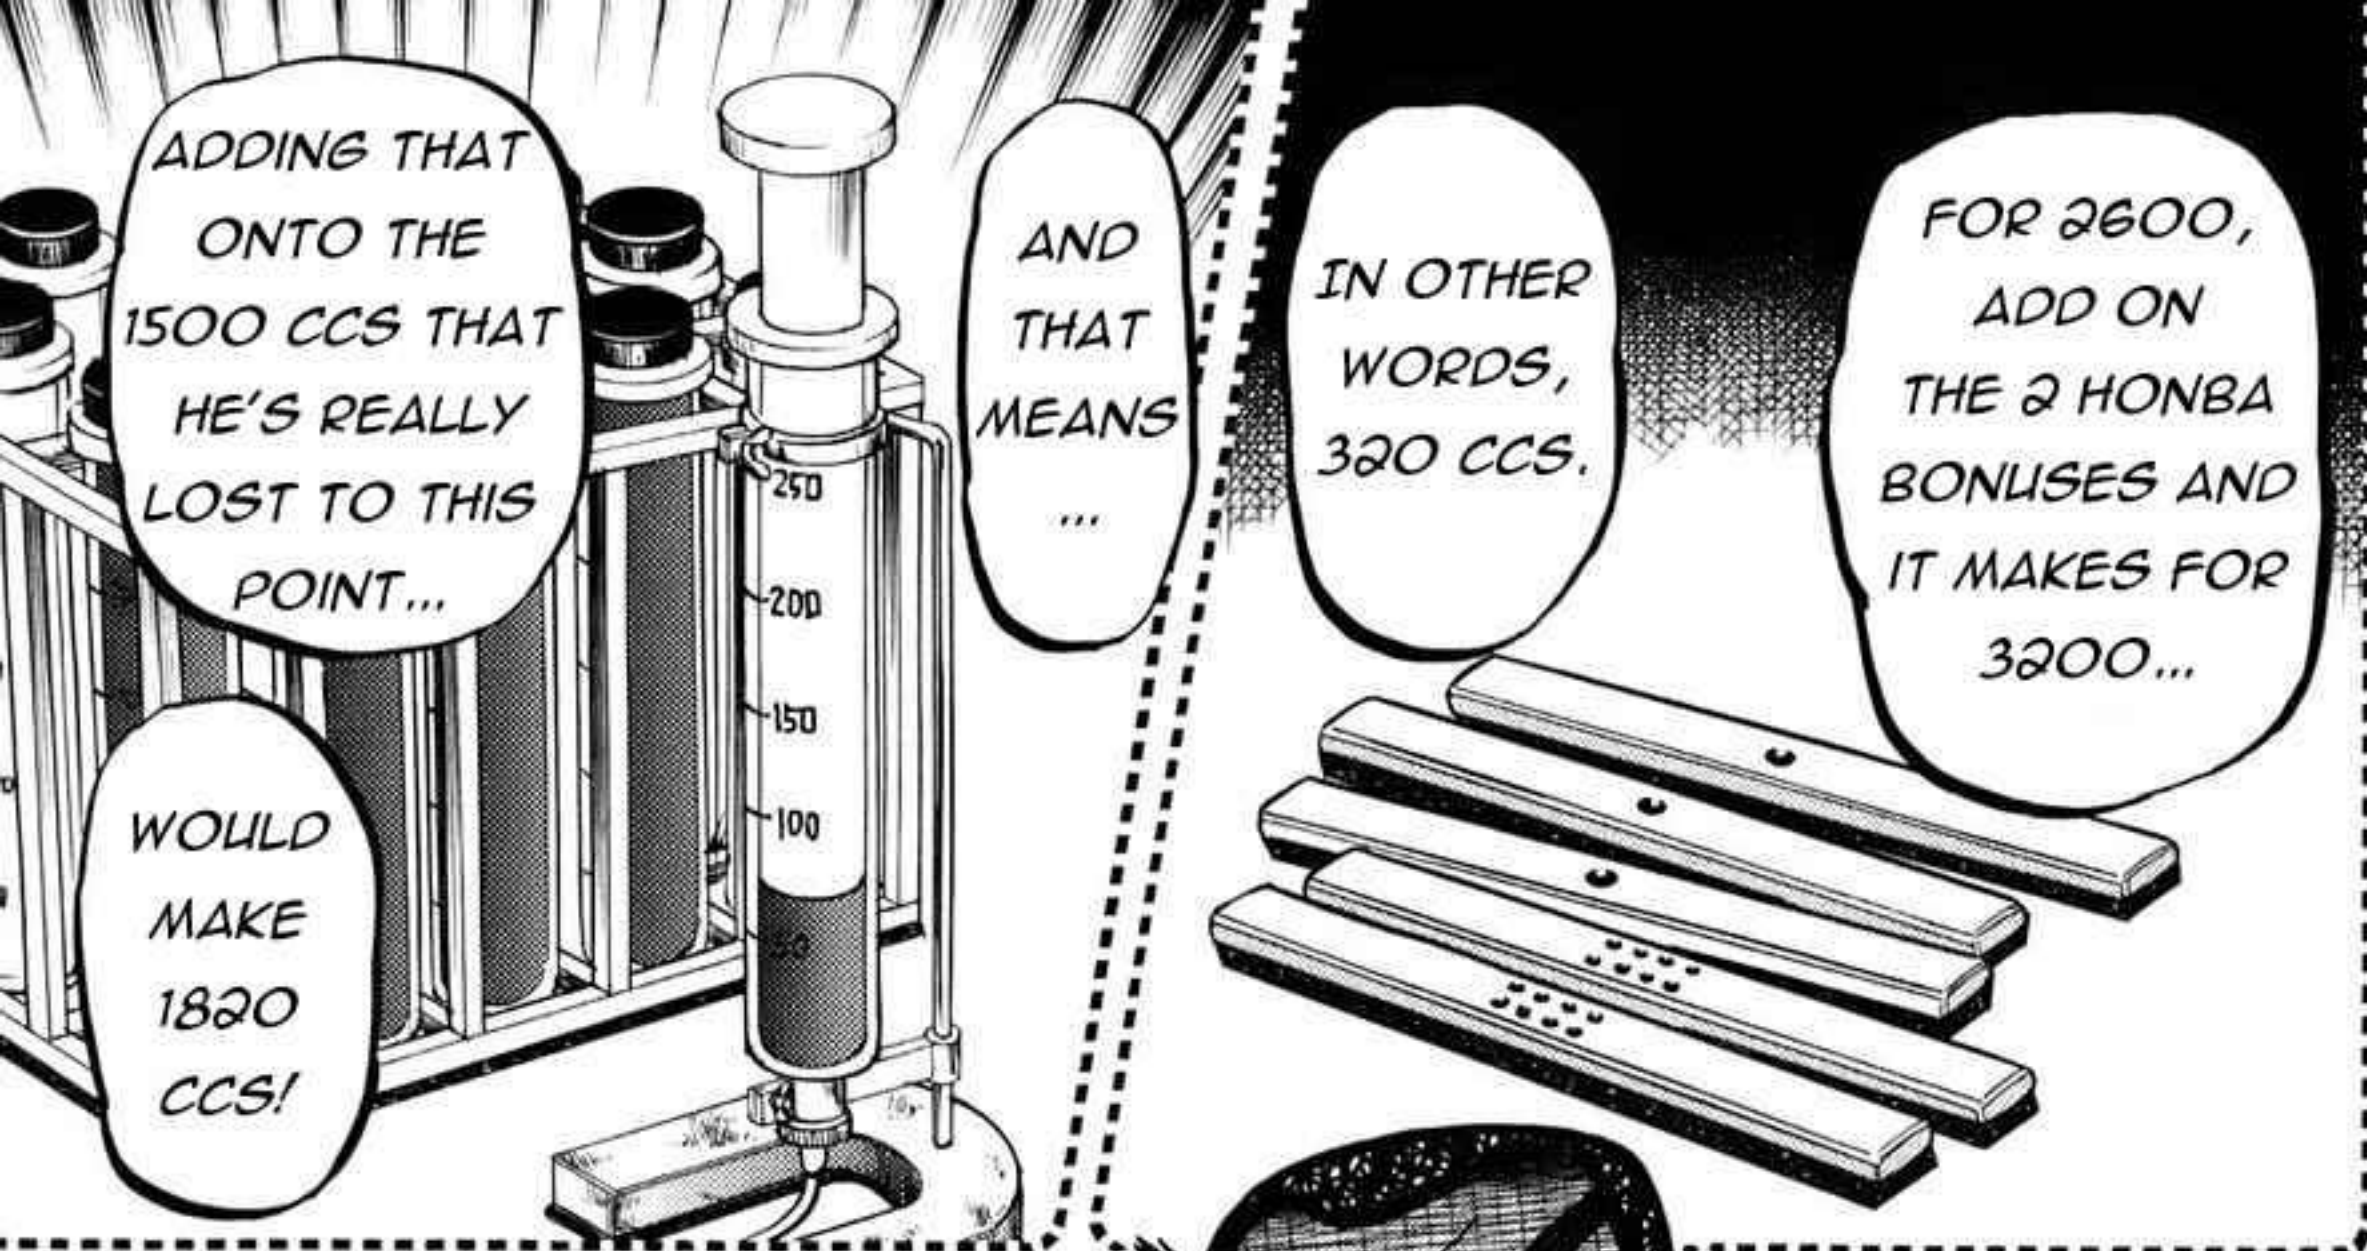

AND SINCE
THAT HAND
HAS A CHANCE
FOR URA-DORA
STILL...

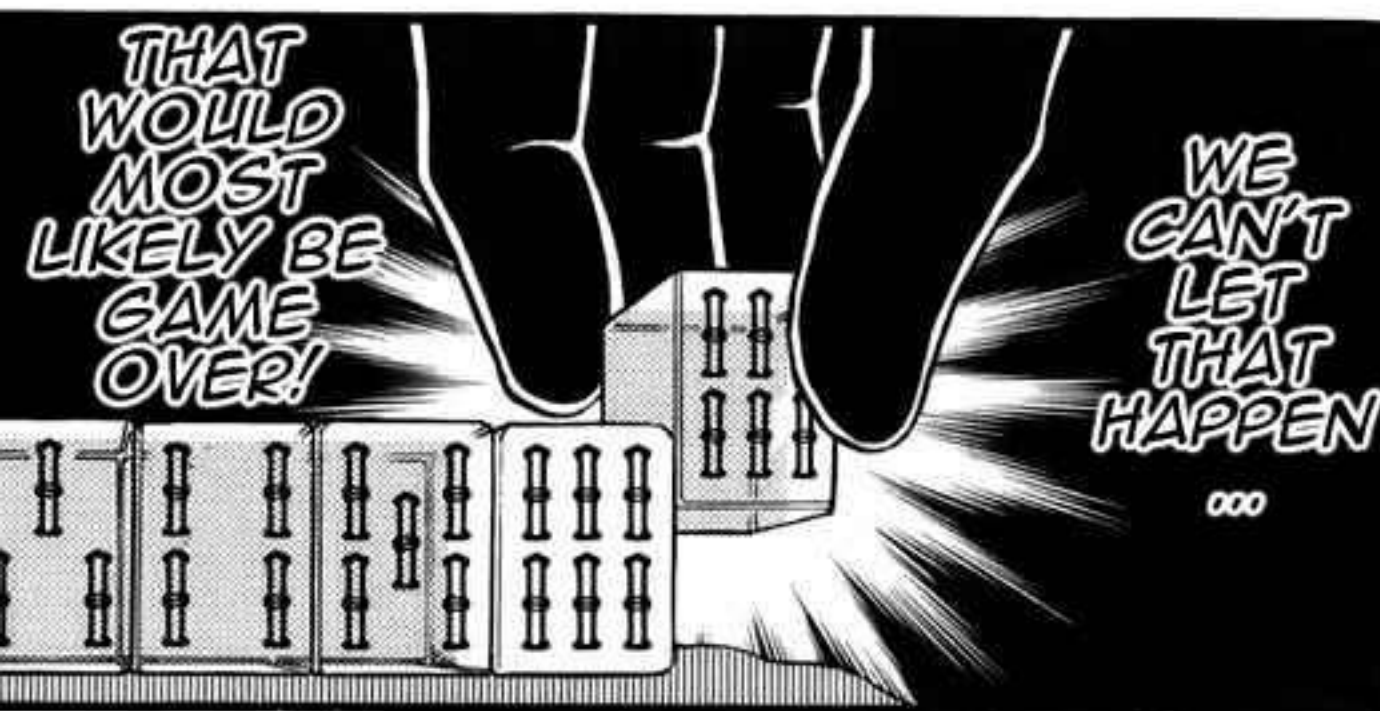

OR EVEN
5200
POINTS
WITH
ENOUGH!

IT
COULD
REACH
2600...

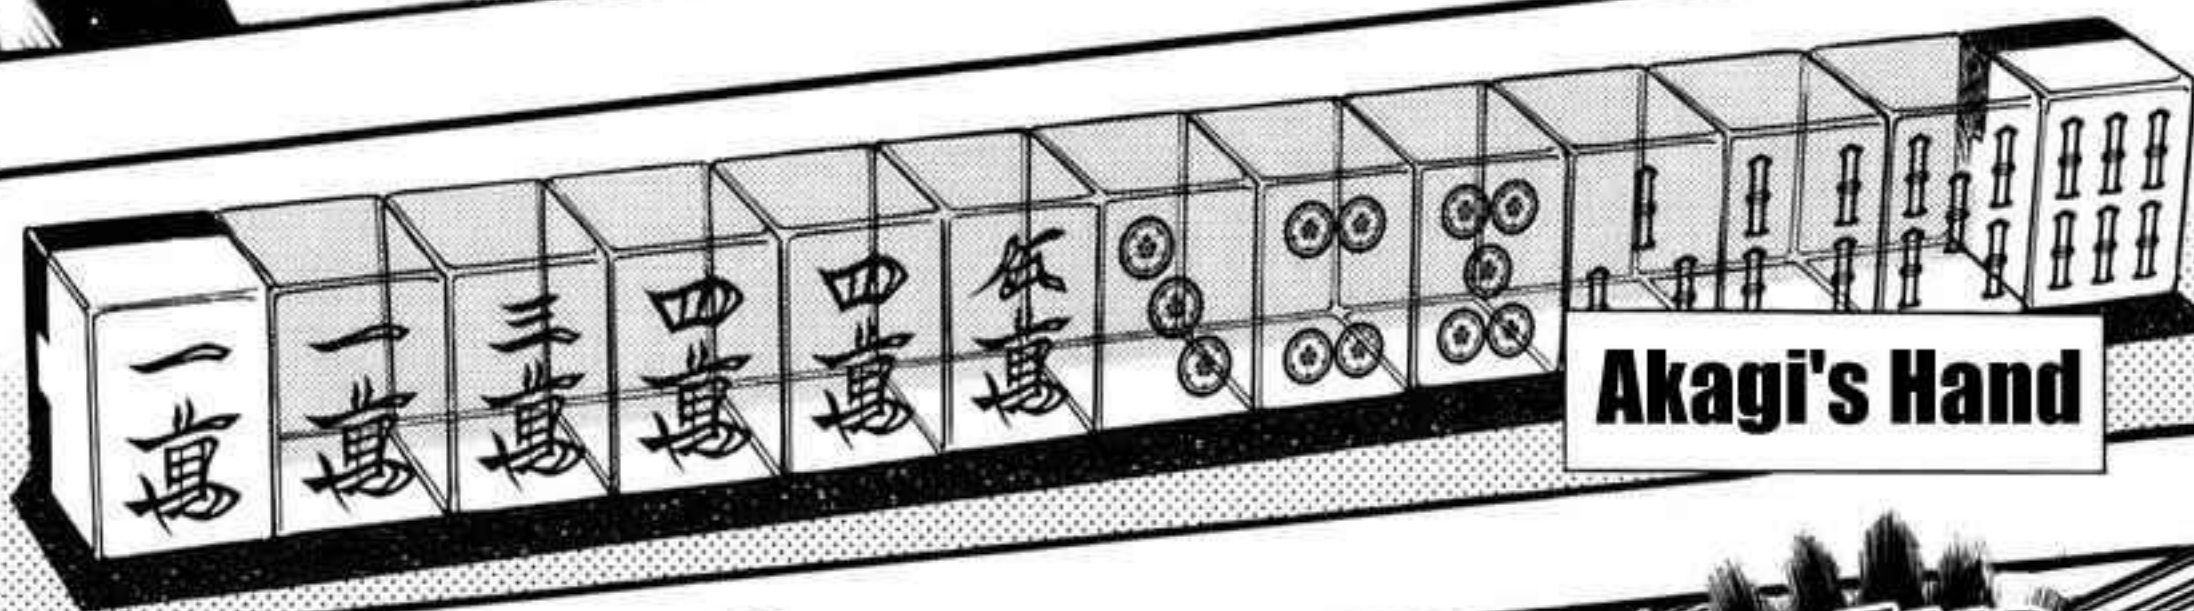

**COMPLETELY
ELIMINATED!**

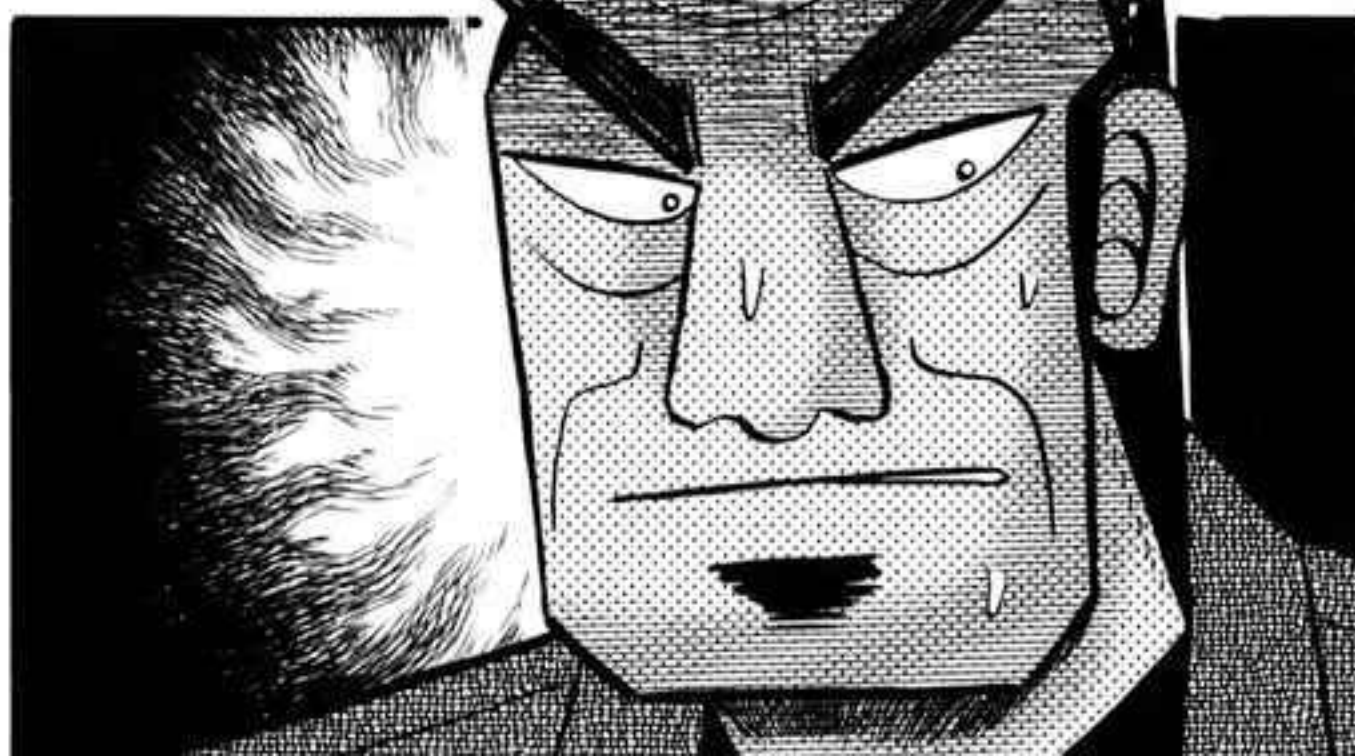

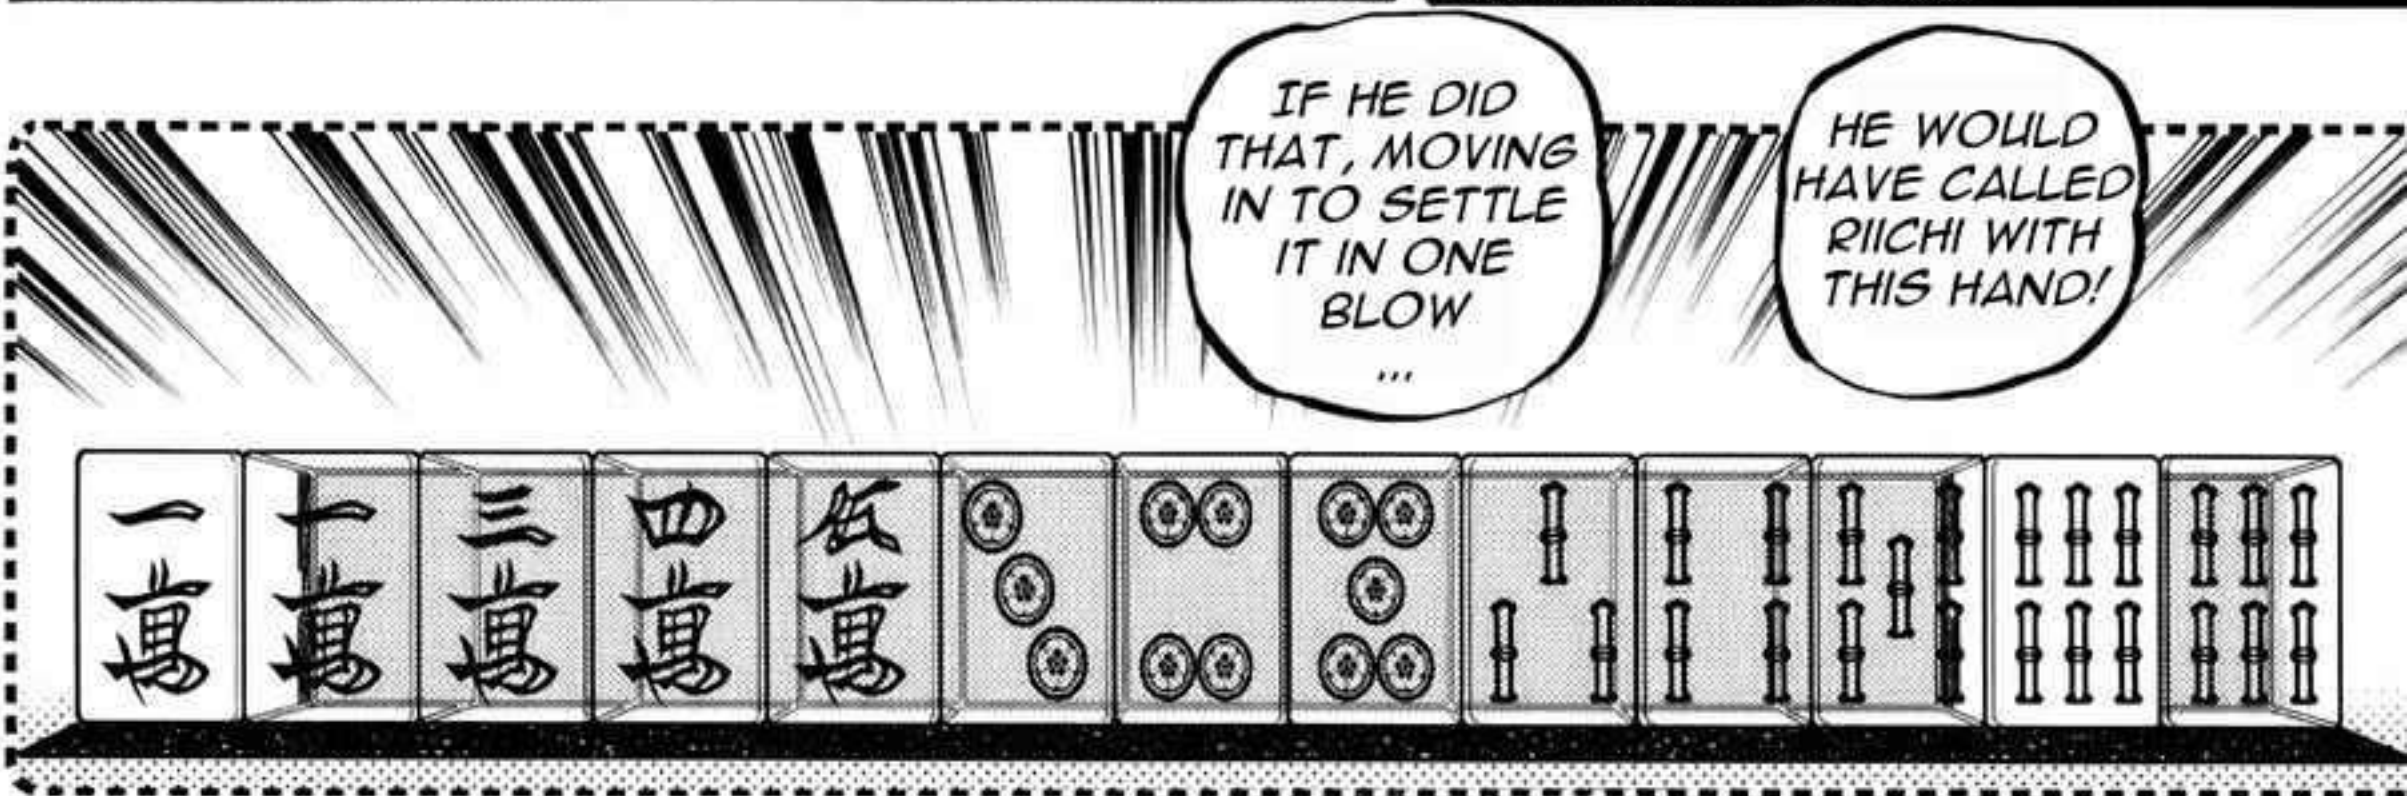

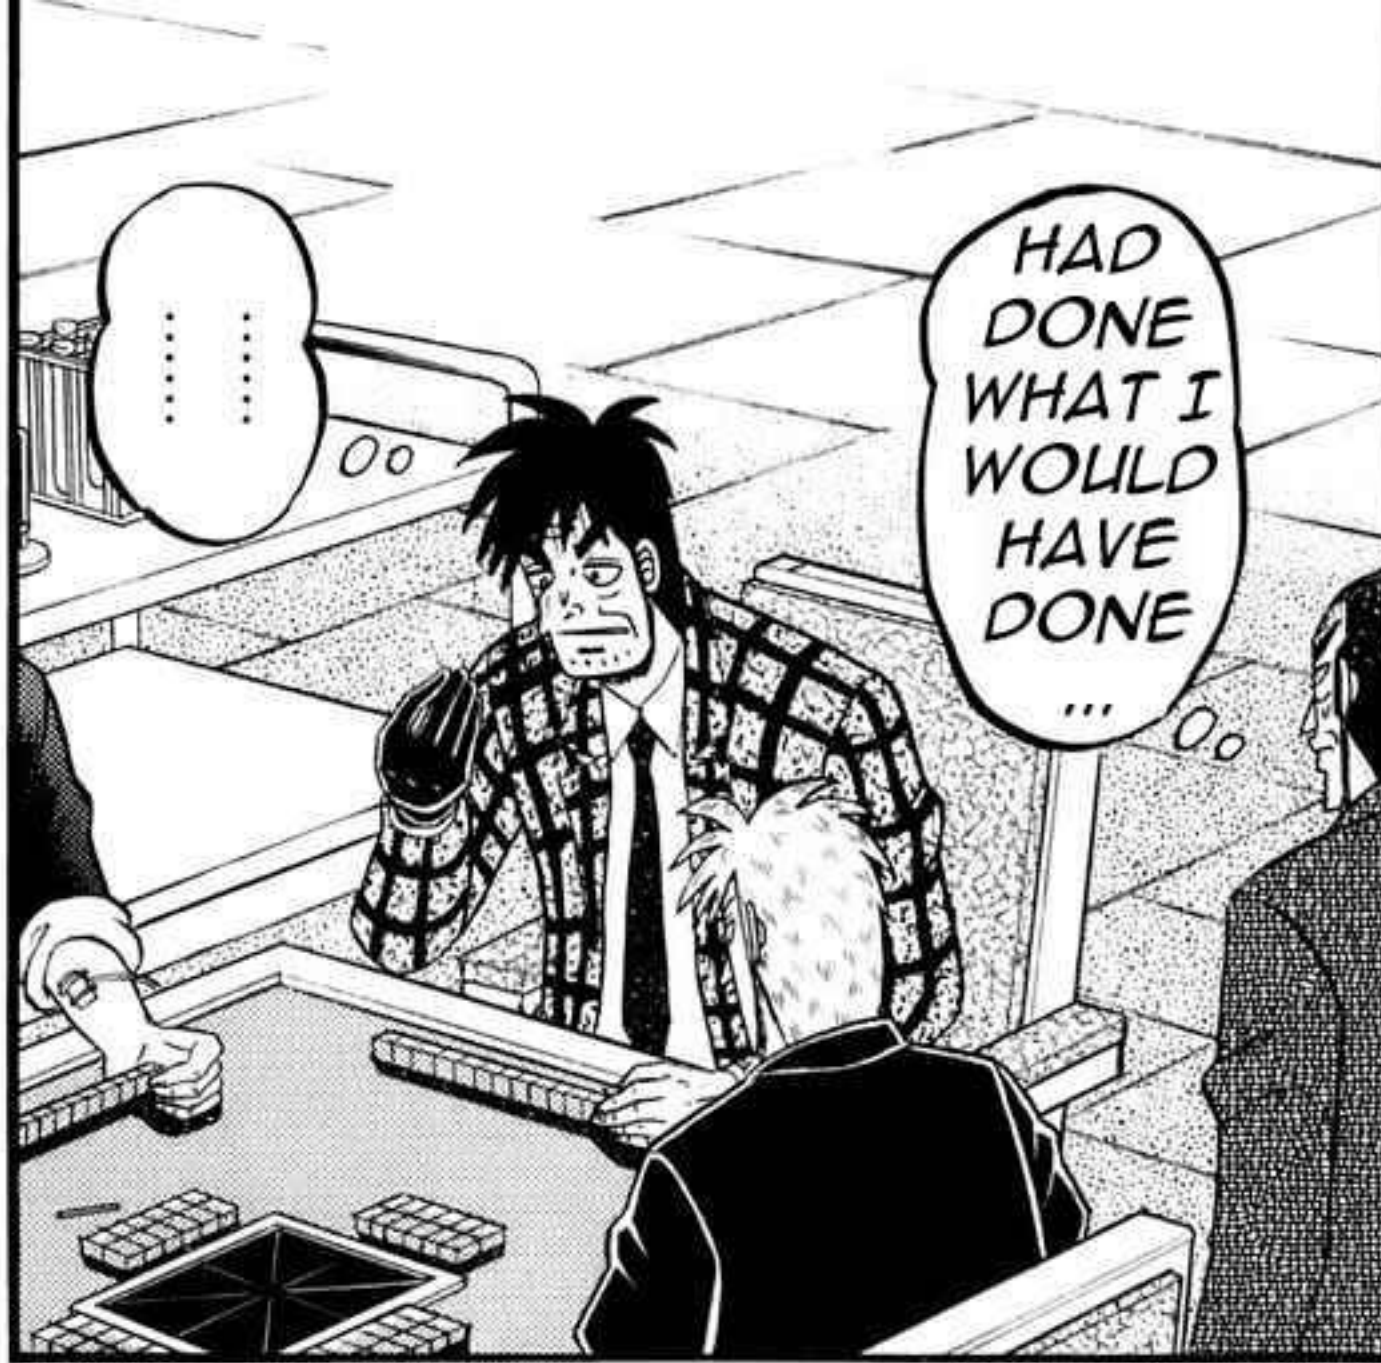

**HE WOULD
BE OUT OF
THE COM-
PETITION**

ooo

Akagi's Hand

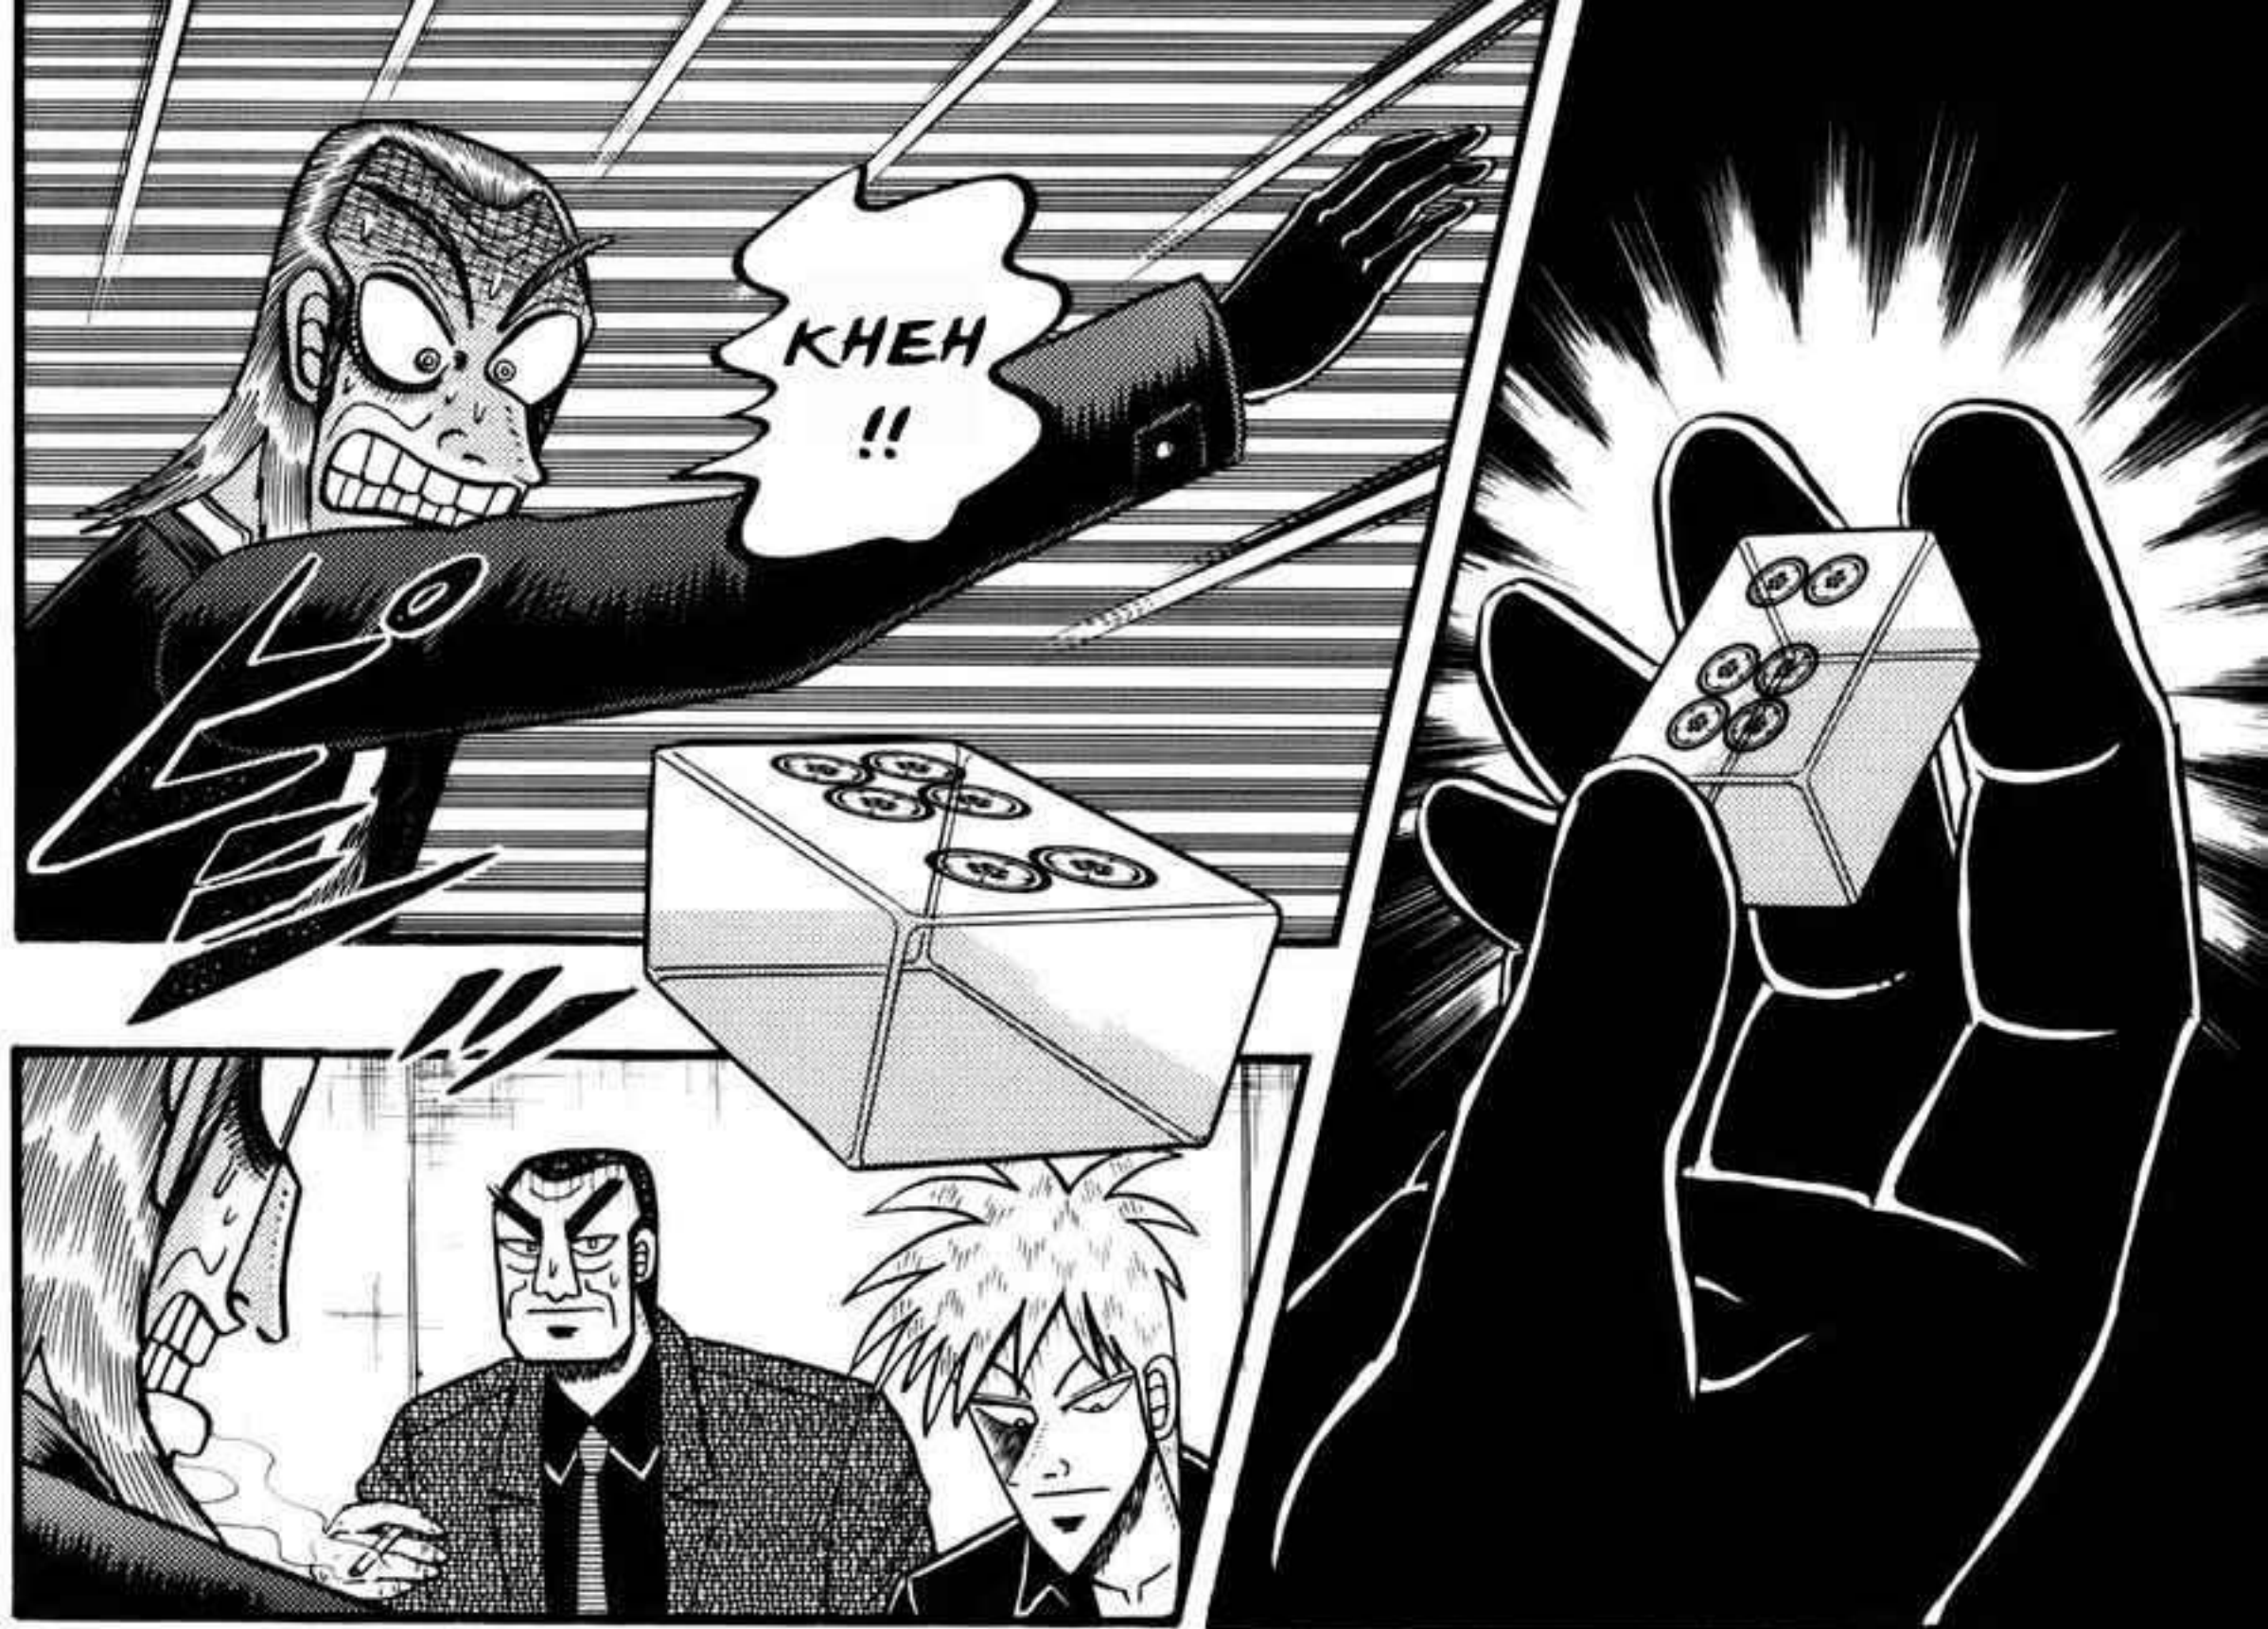

**AND
INEVIT-
ABLY,
DEAD!!**

IN
OTHER
WORDS,
HIS
LIFE!!

How-
ever
...

Is
certainly
within
reason!

So calling
riichi to
ride that
flow to its
finish...

A
game
of
mah-
jong
...

Is a
game
of
mini-
miz-
ing
losses
!

Right now,
the game of
mahjong that
Akagi is
playing...

Akagi
...

And
thus...

Where you
cannot
take the
slightest
chance of
dealing in!

Grounded
himself in
reality!

These
are things
players often
feel when
gambling.

Instinct
...

Momentum
...

At the proper time,
in the heat
of the moment...

And
more than
that...

Each
have
their
place.

Those
insights
certainly
do...

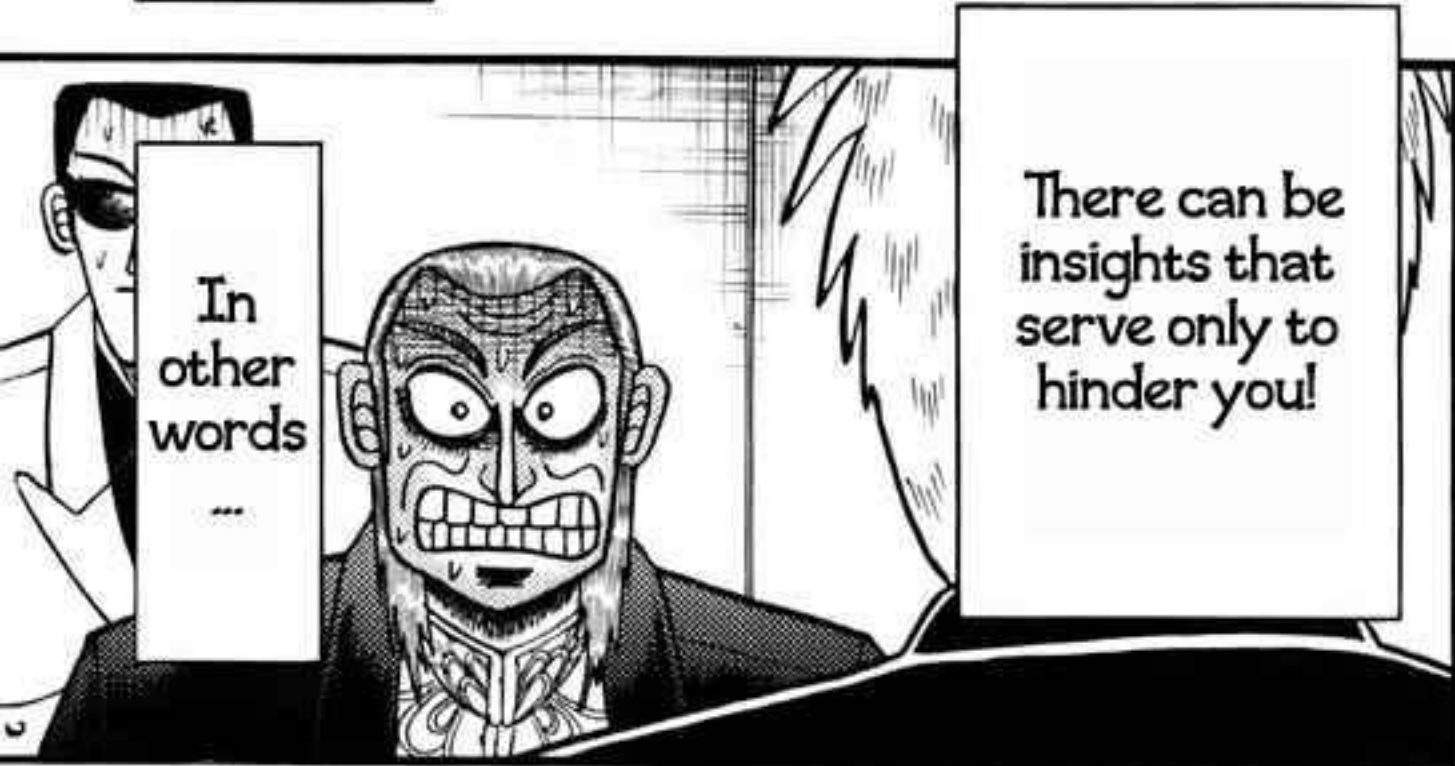

They can
prove
extremely
effective!

How-
ever...

No matter
how
accurate
they are...

Insights that hit
home 8 or 9
times out of 10
can also occur!

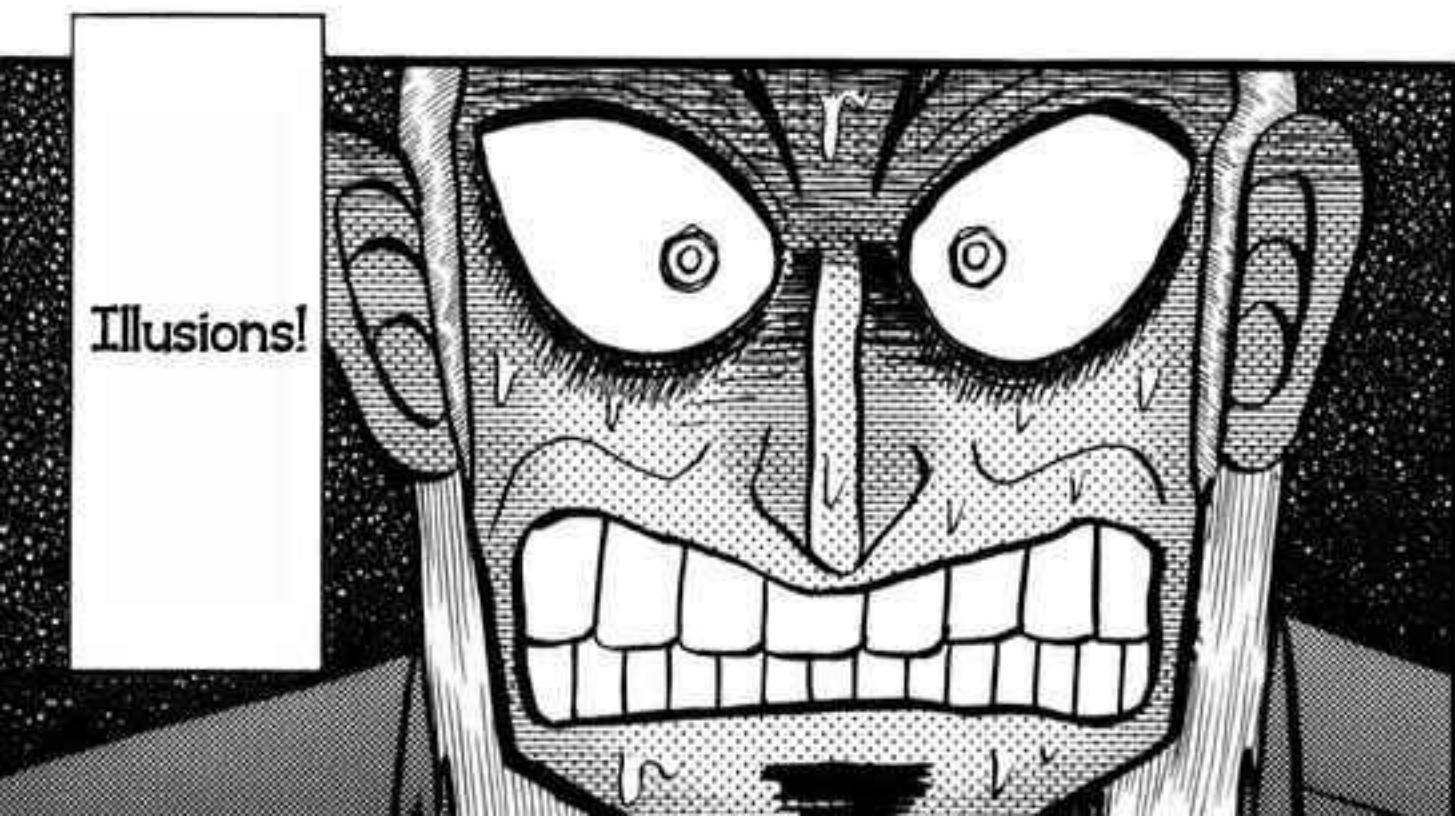

In
other
words
...

There can be
insights that
serve only to
hinder you!

And more
than just
inaccu-
racy...

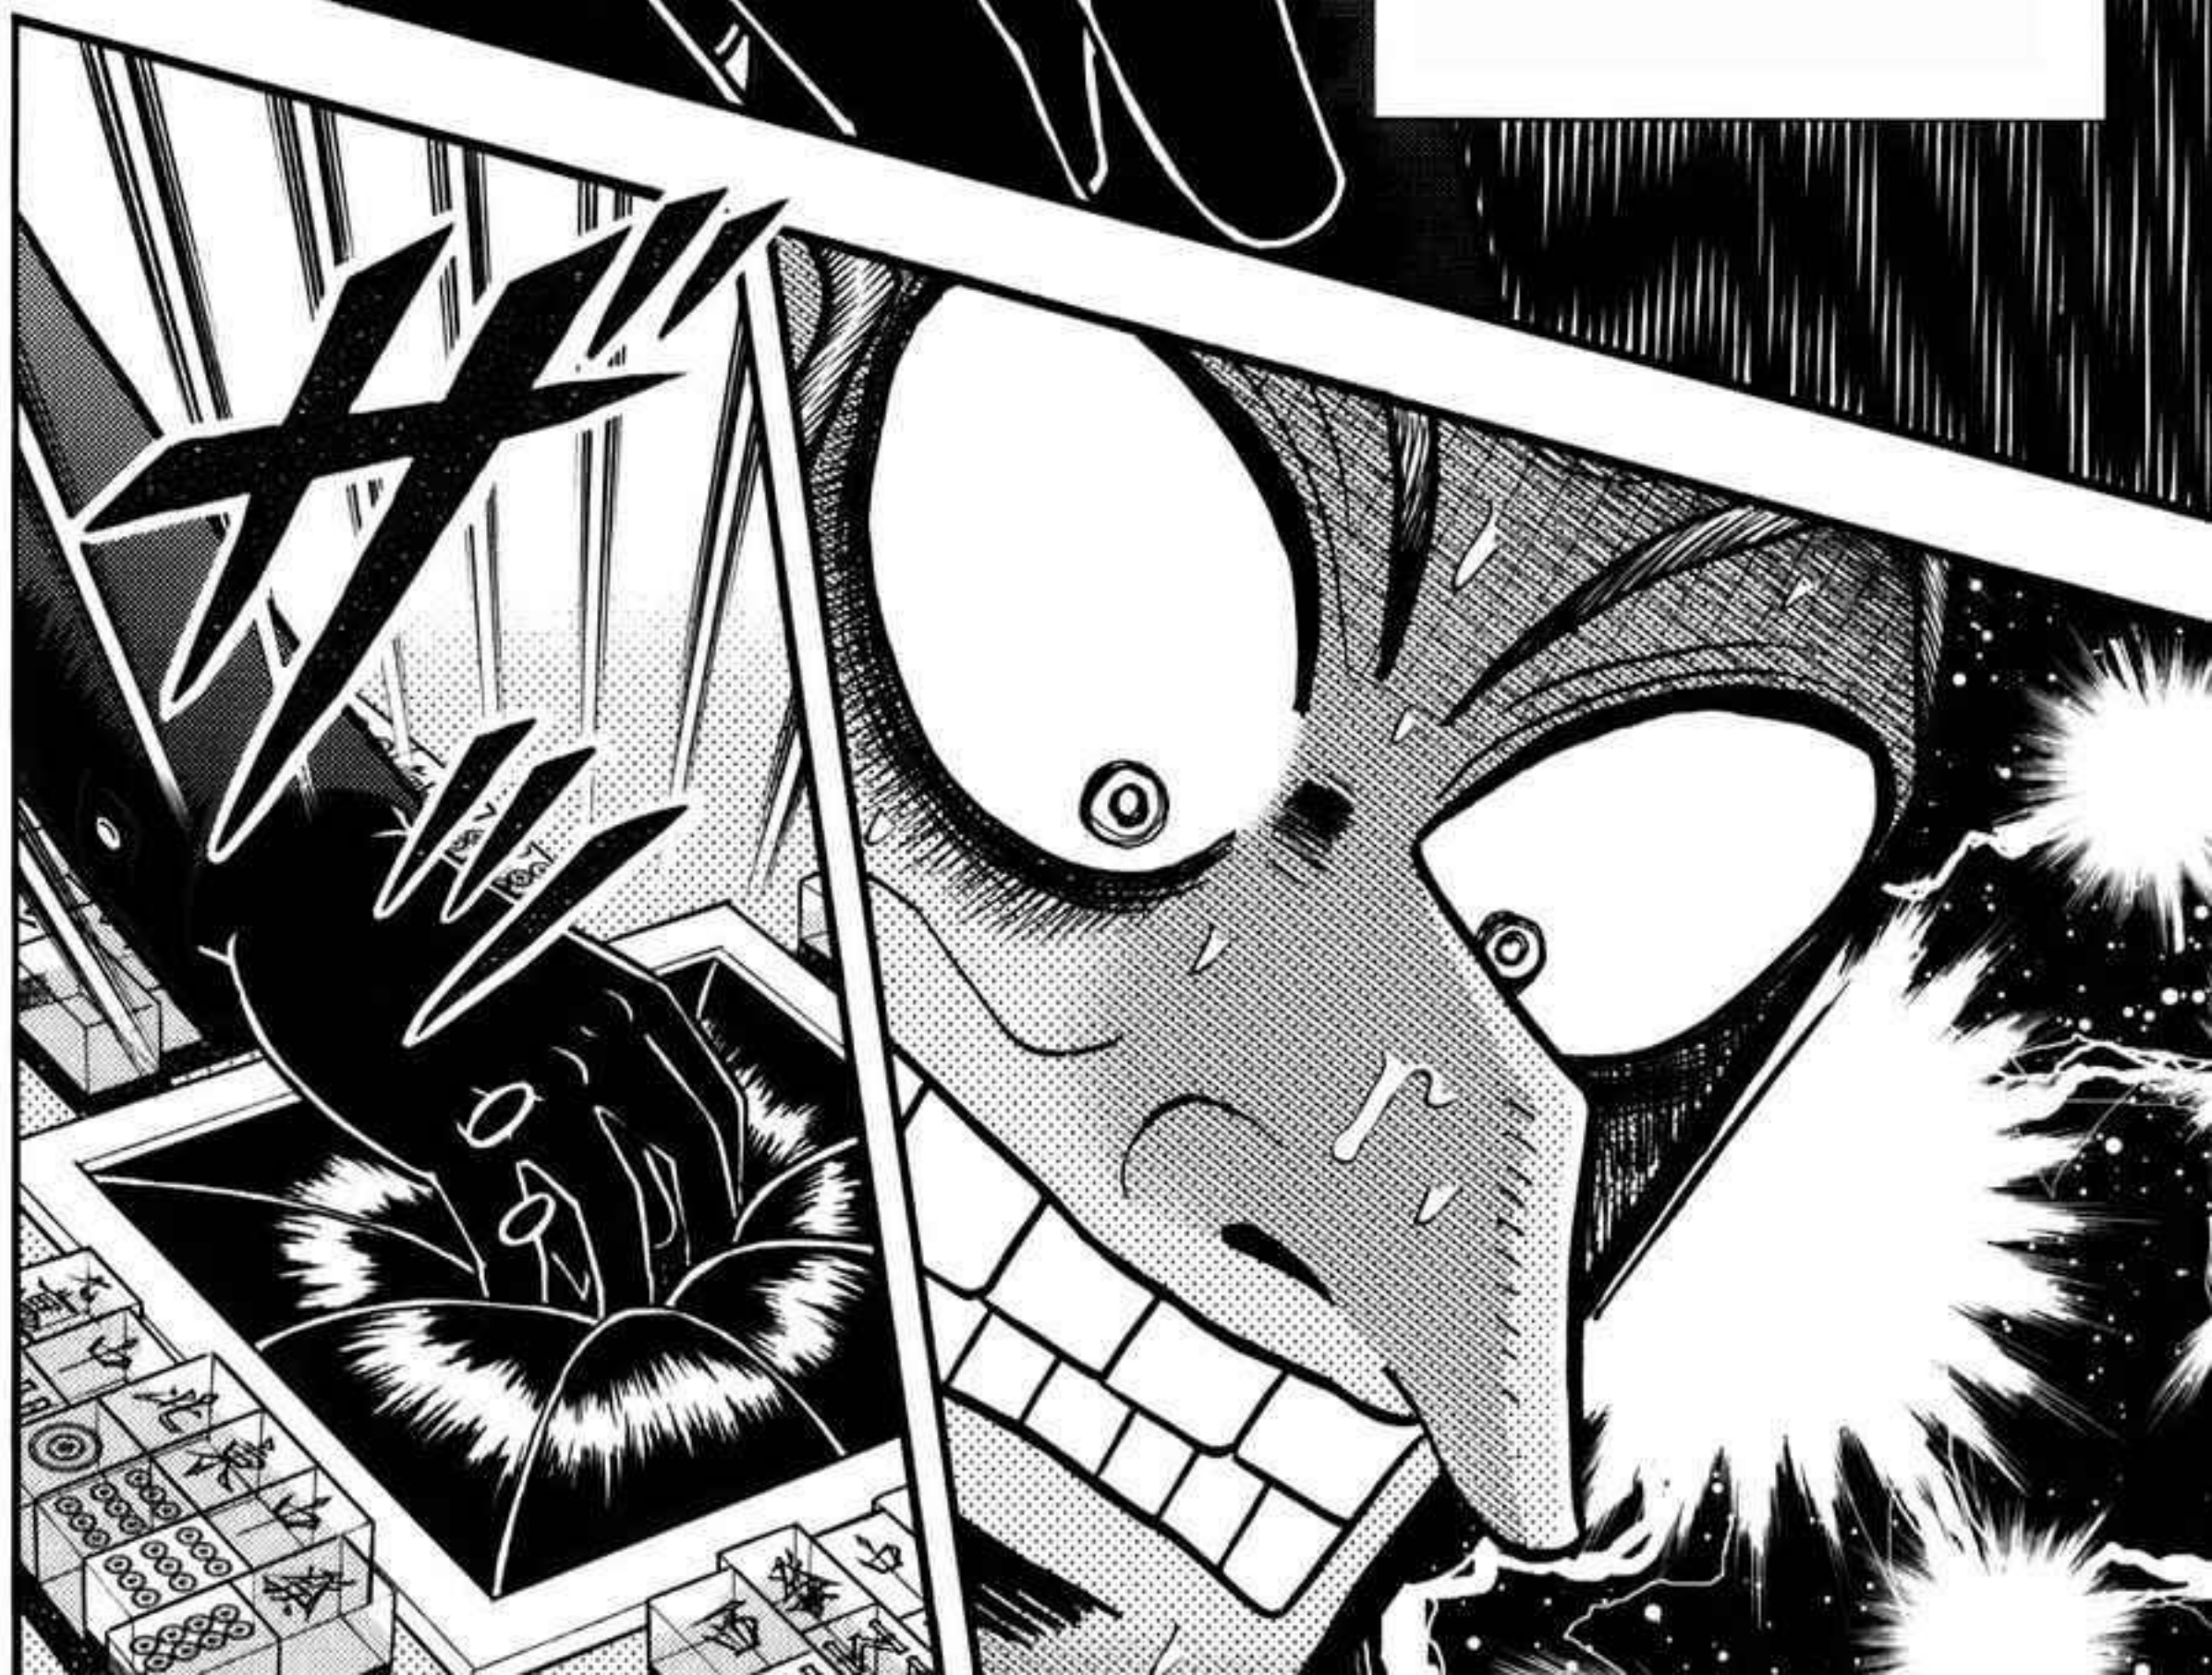

Of course,
they cannot
ever be 100%!

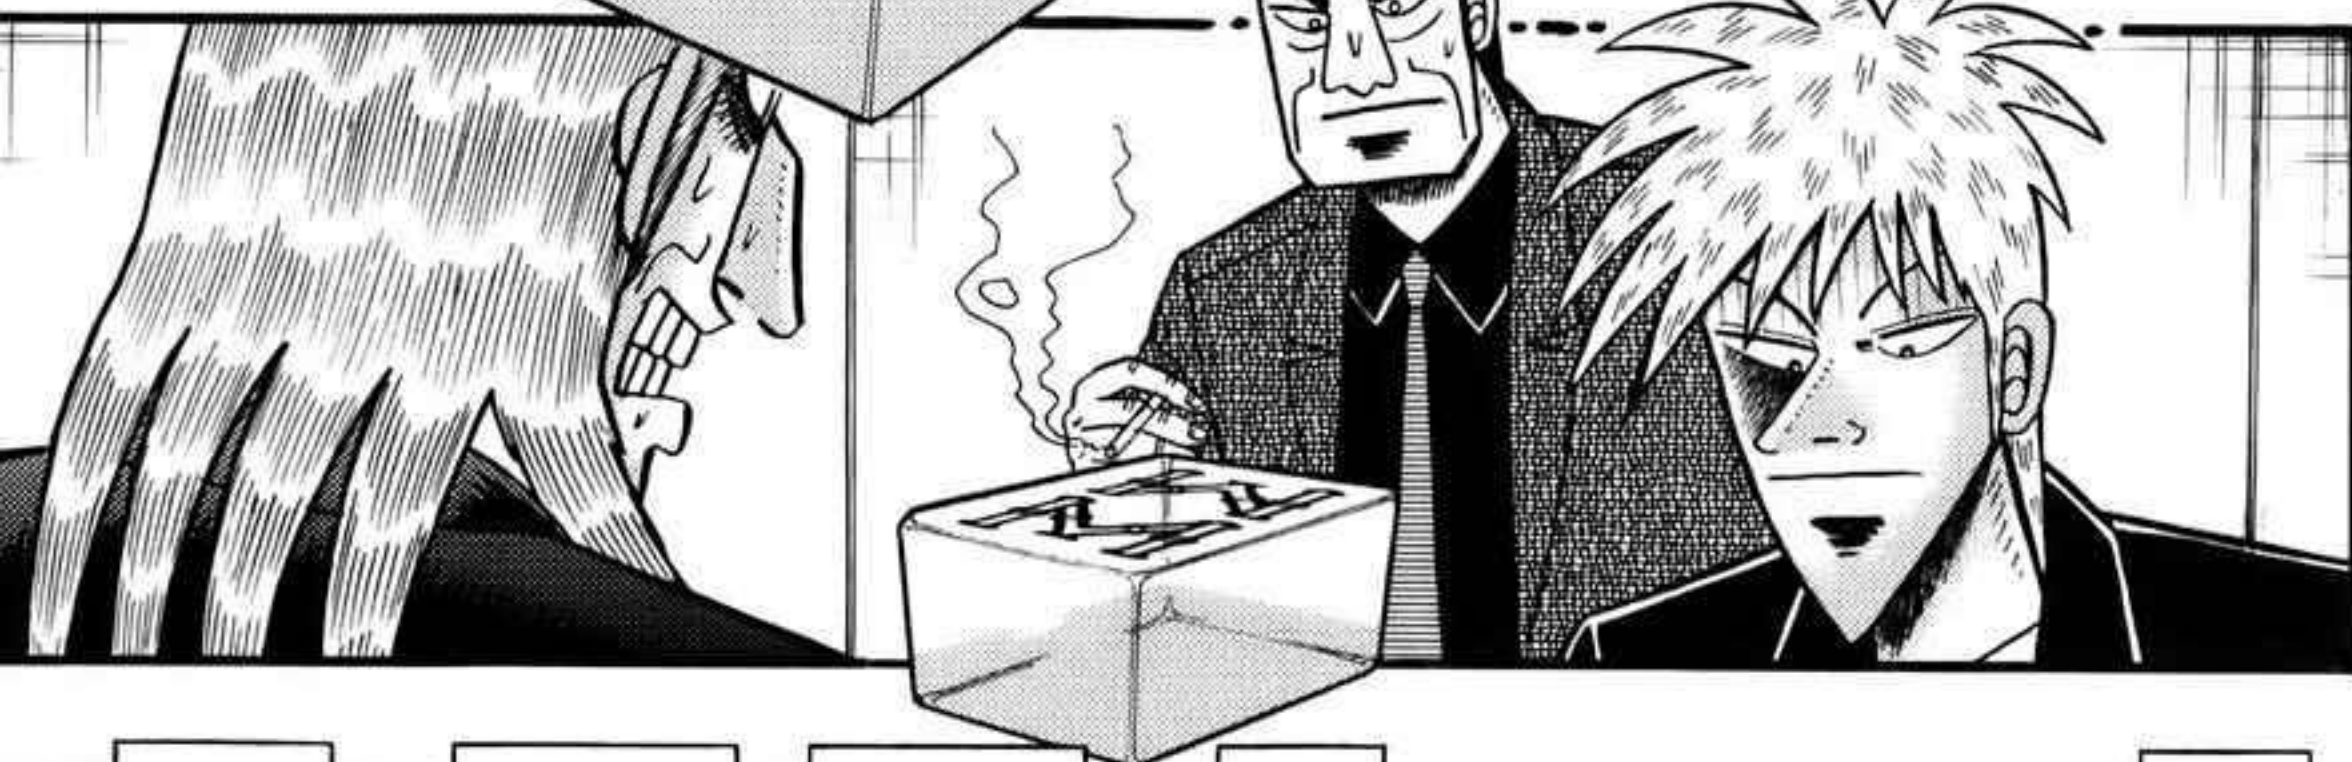

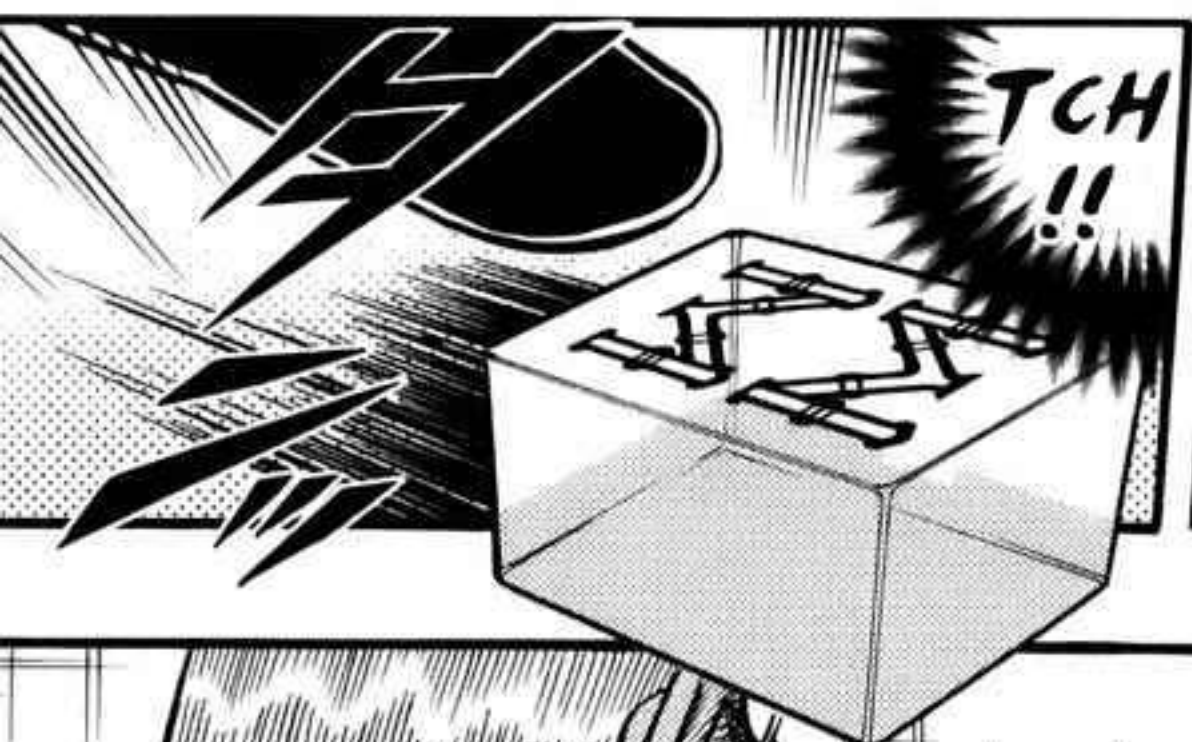

Illusions!

Day-
dreams!

Nothing
but
unreliable
illusions!

Ground
ed him-
self in
reality!

And took
his life into
his own
hands!

Cast
aside that
foolhardy
illusion...

Given
the situa-
tion...

Akagi
...

Akagi's Hand

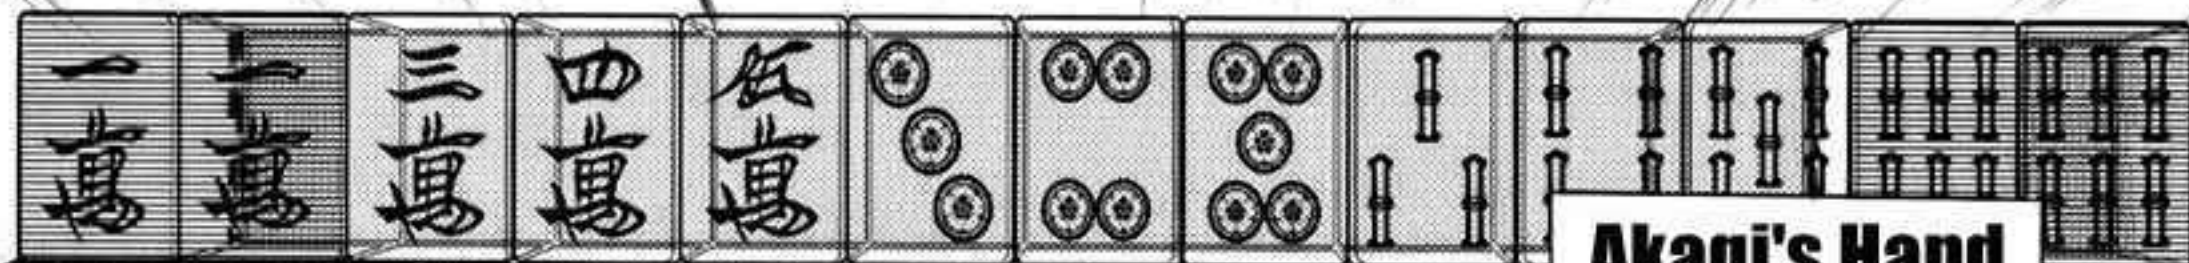

At that point in time, he saw the opportunity that was placed into his hand...

In other words ...

Looked closely at the reality of his predicament!

The built-in yaku of San Shoku!

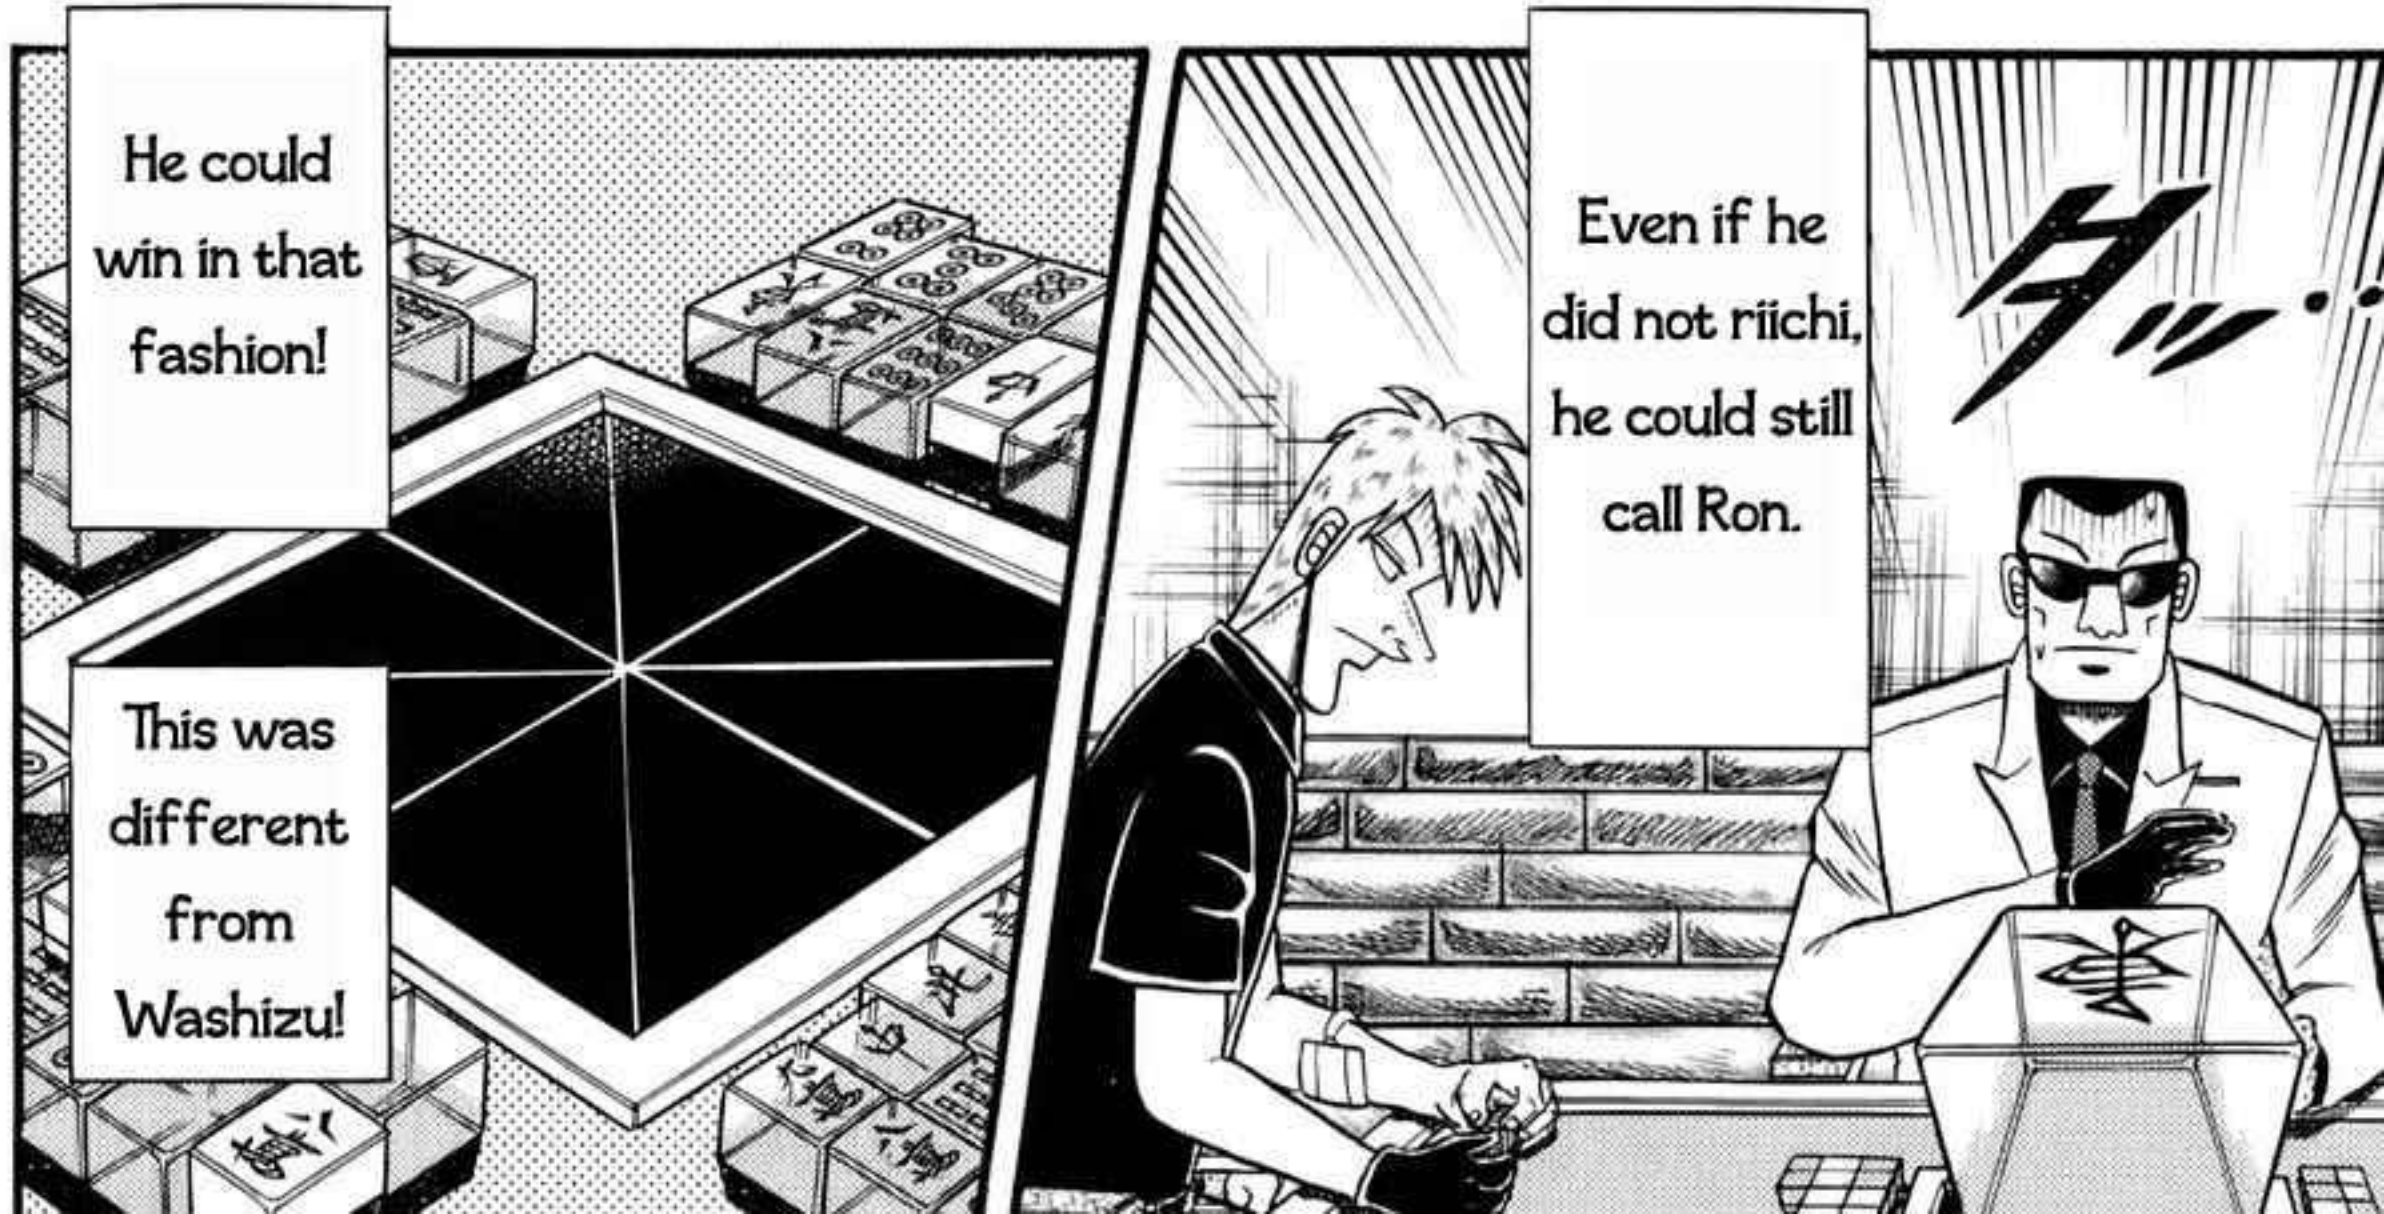

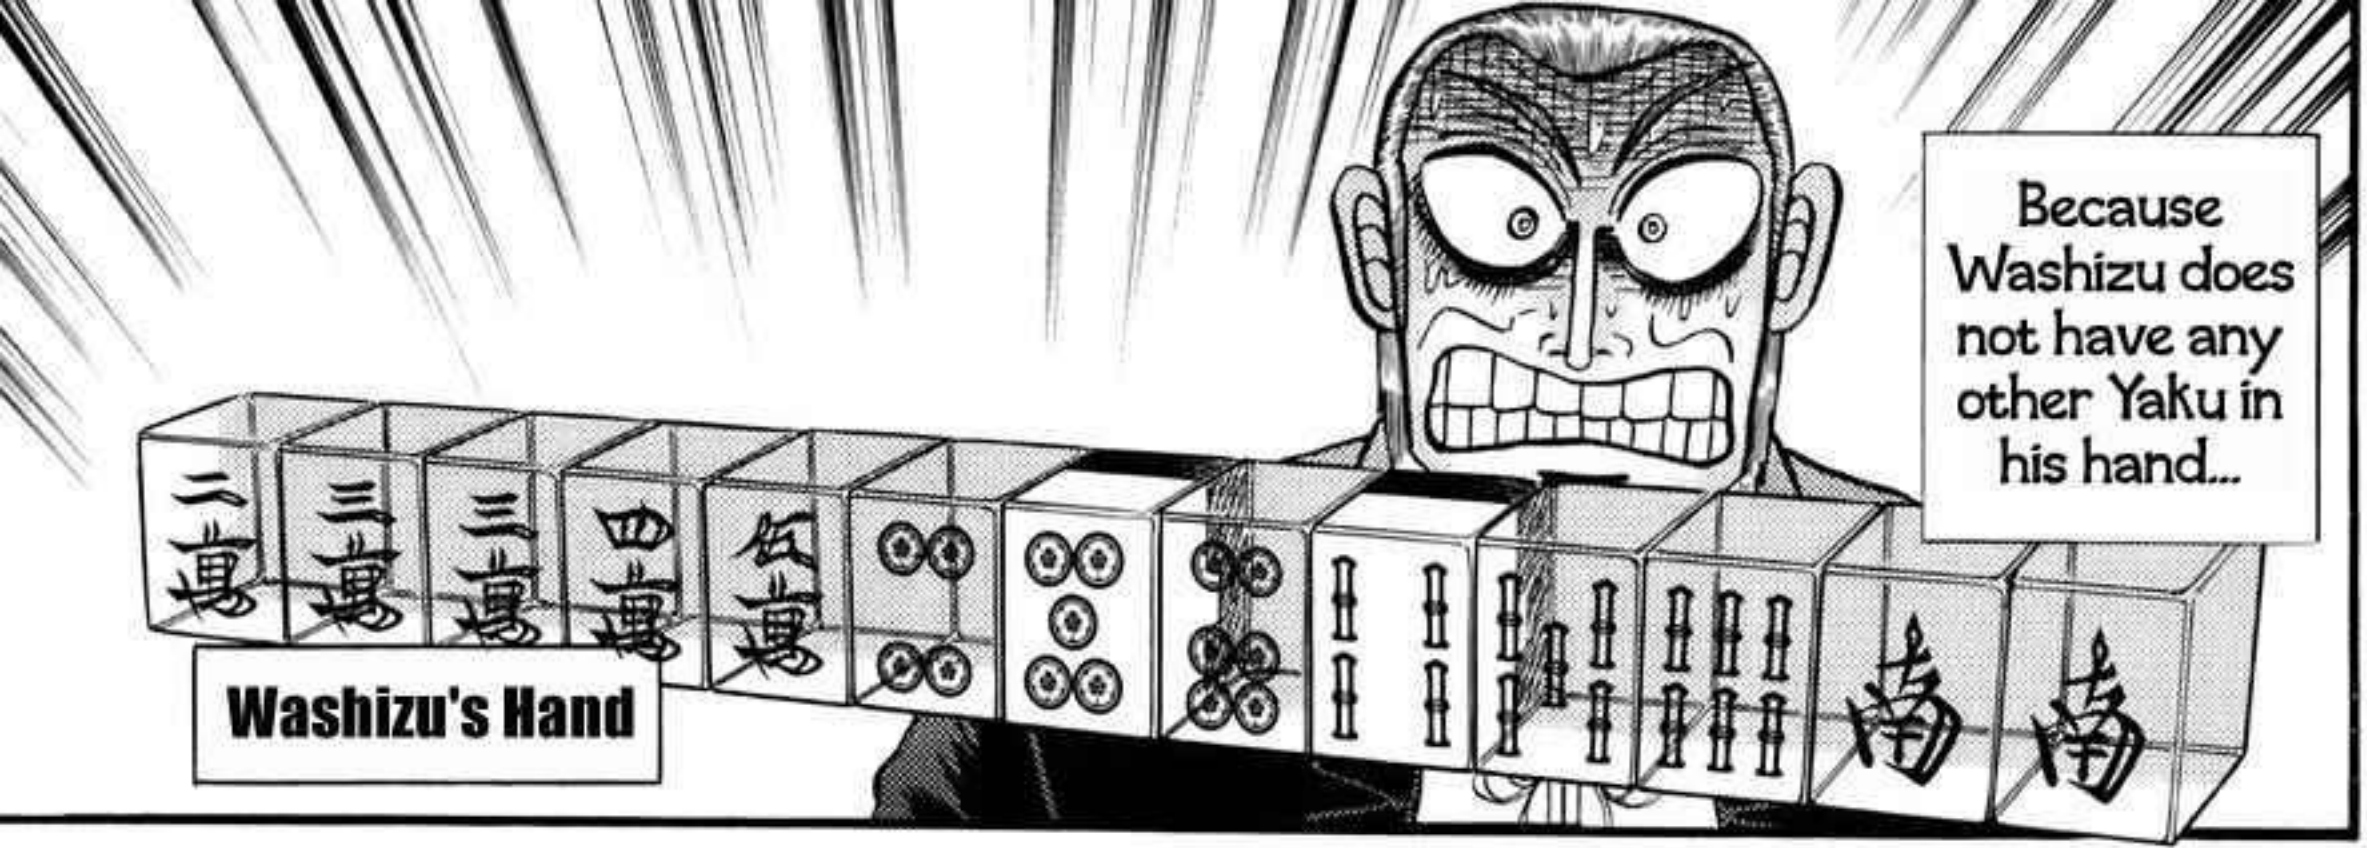

Akagi's Hand

He could win in that fashion!

This was different from Washizu!

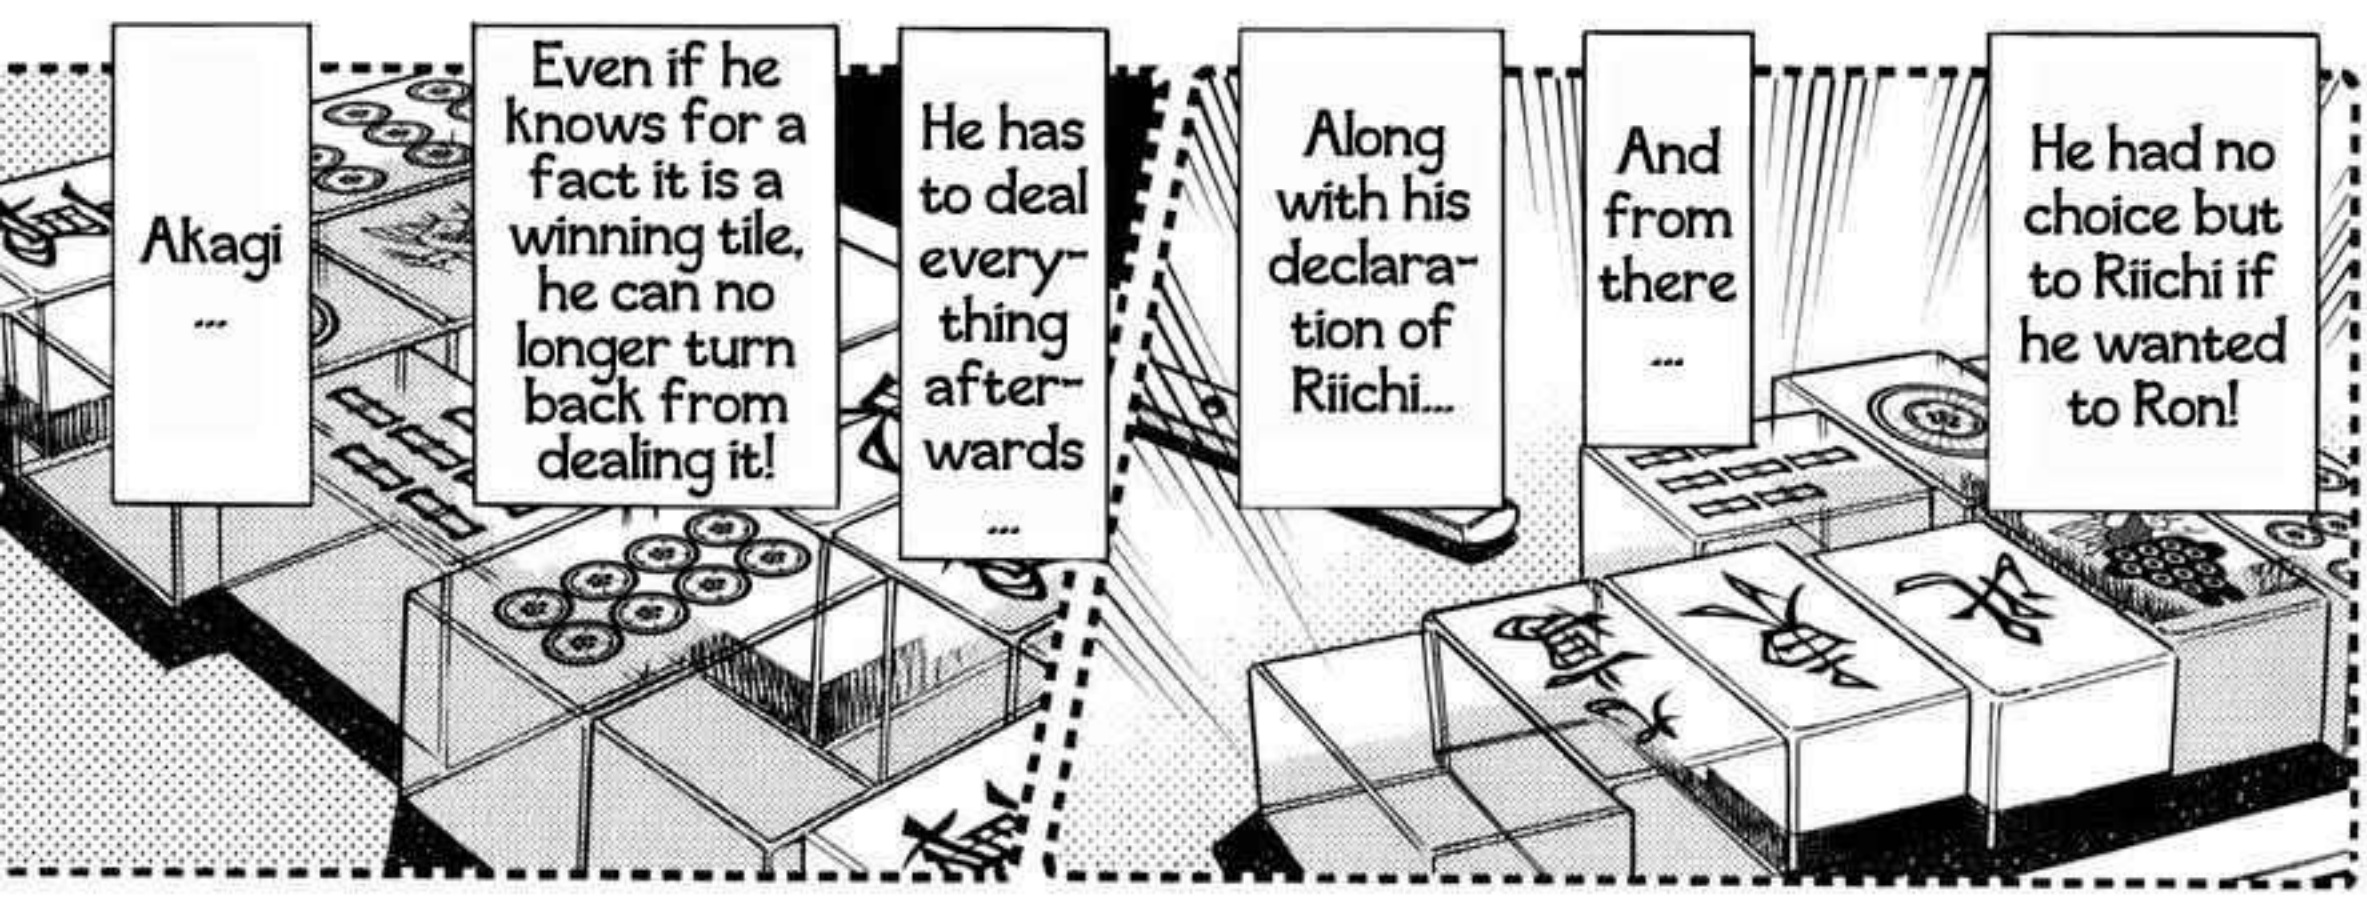

Even if he did not riichi, he could still call Ron.

Because Washizu does not have any other Yaku in his hand...

Washizu's Hand

Akagi ...

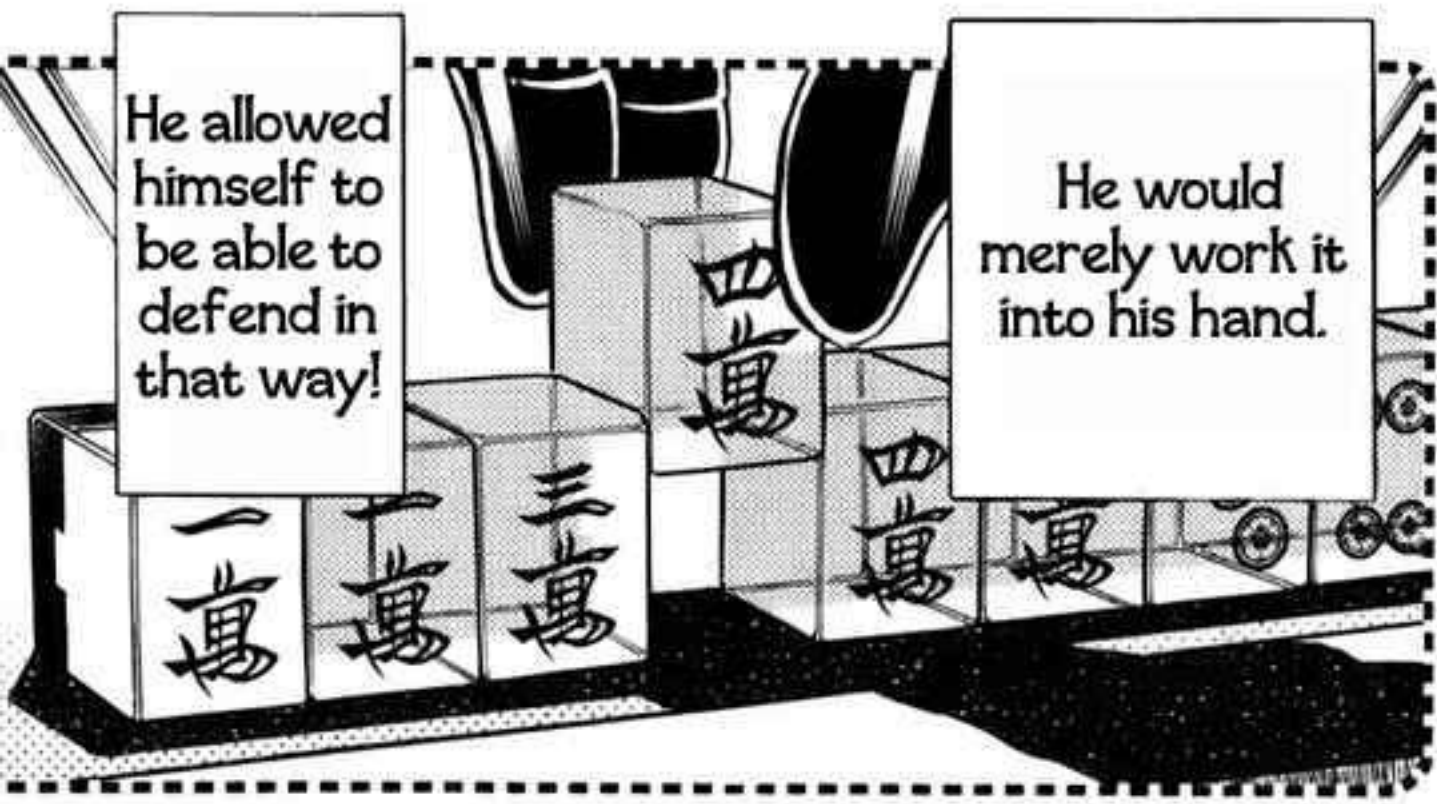

Even if he knows for a fact it is a winning tile, he can no longer turn back from dealing it!

He has to deal everything afterwards ...

Along with his declaration of Riichi...

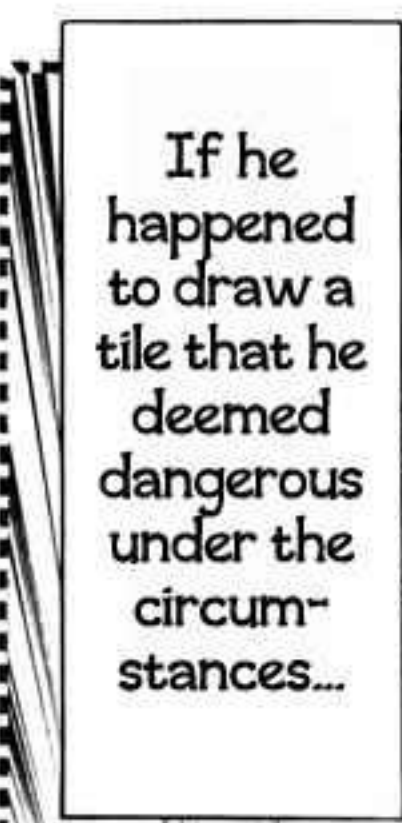

And from there ...

He had no choice but to Riichi if he wanted to Ron!

He allowed himself to be able to defend in that way!

He would merely work it into his hand.

If he happened to draw a tile that he deemed dangerous under the circumstances...

Avoided that very risk!

The points it would give him would be feeble in comparison.

Even if he did win...

True, it did not utilize his hand's destructive force.

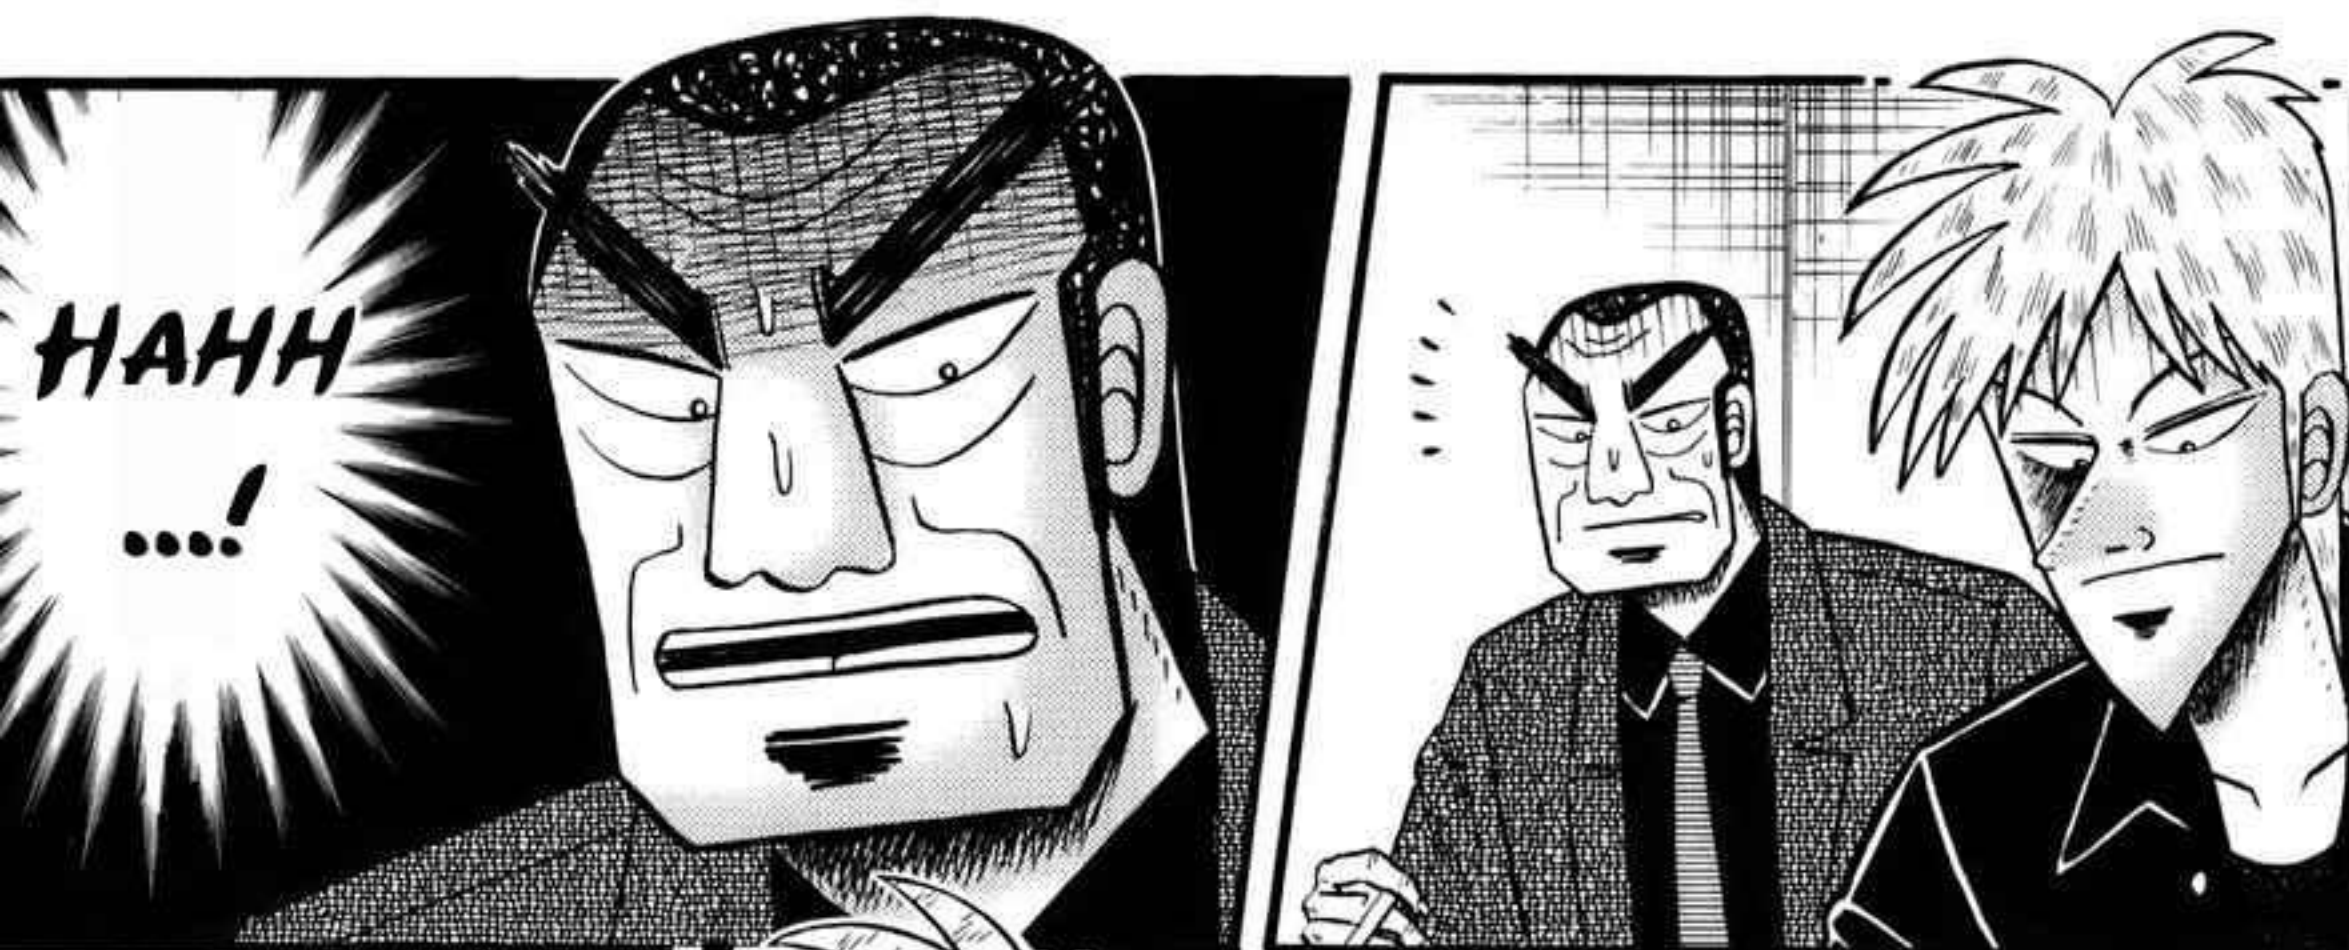

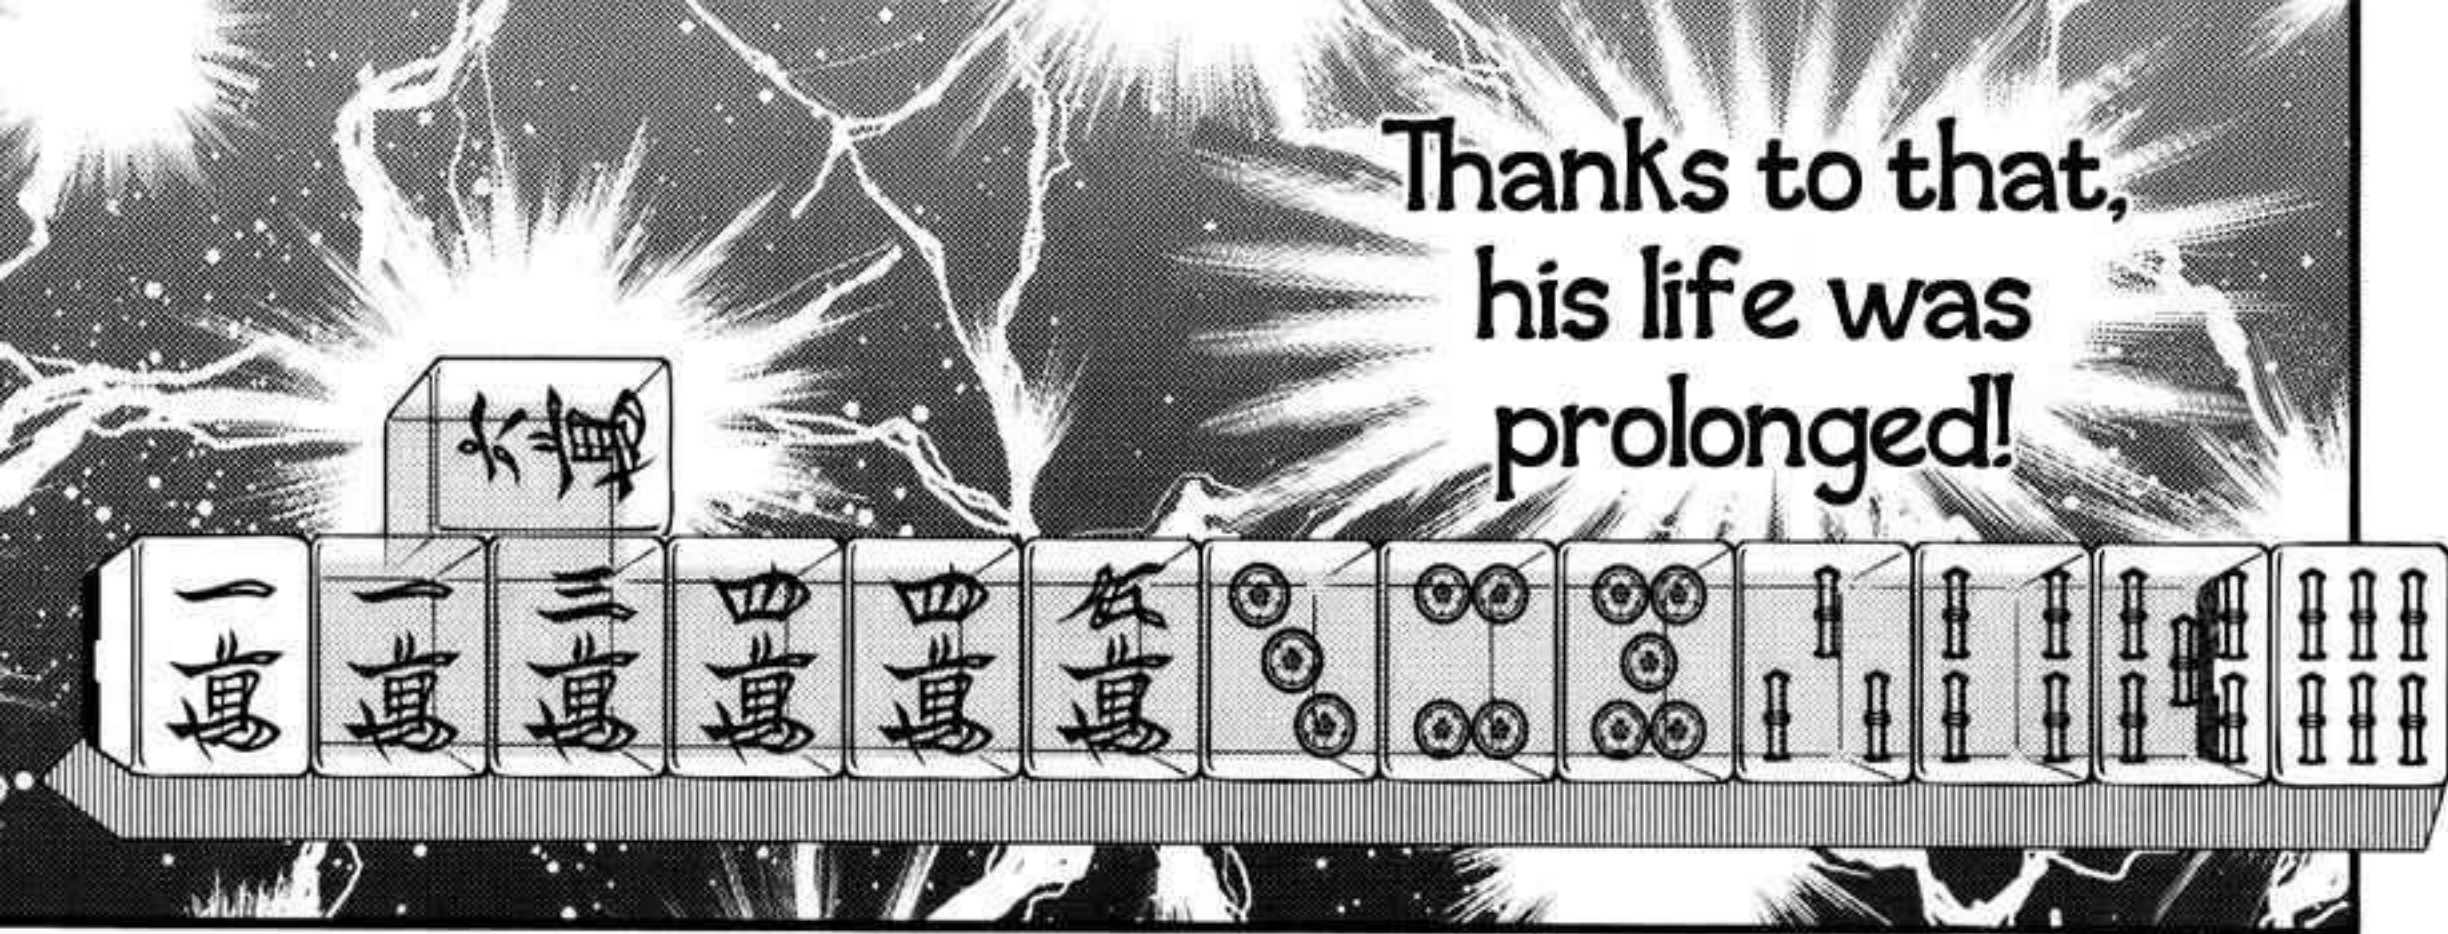

In one
fell
swoop,
as he
could
have
done!

He would
not be
able to
end the
battle...

How-
ever
...

Thanks to that,
his life was
prolonged!

And paved his way to a new future.

He avoided having to deal in...

He was brought back to life!

And that future lead Akagi...

Resurrected!!

Akagi's 2-5 Man Wait

He held
it all
together!

But he
turned it
around!

As if Akagi
was in an
unfavor-
able
position...

So in the
fact that
he could still
win without
calling Riichi, it
was unchanged!

He received
the potential
for Pinfu!

But in
its place
...

His hand had
changed into a
shape where
San Shoku
was not guar-
anteed...

And
then,
pushing
back!

Avoiding all
the danger
...

It had
seemed
...

GRGH
...!

And his
leg up
over
Washi-
zu!

He
preserved
that aspect
of his hand...

By al-
lowing
room
to
bend!

6 turns since Washizu's Riichi on the 9th Turn!

It was the 15th Turn...

The 1-and 4-Man!

Two of Washizu's winning tiles...

Akagi's Hand

How-
ever
...

And in that time...

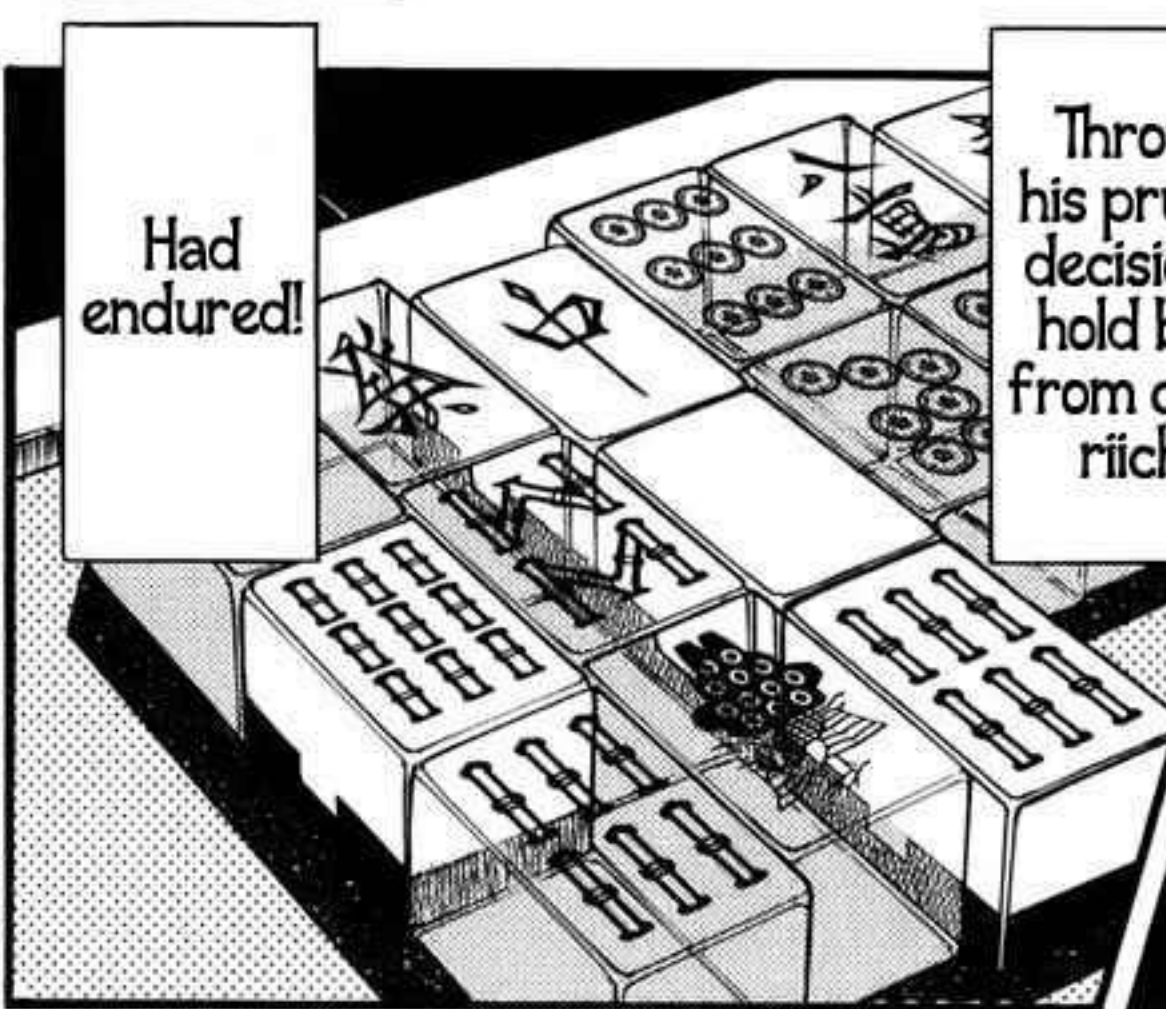

Akagi had gotten two of them!

RR
GH
...!

During
that tour of
misfortune...

Had
endured!

Through
his prudent
decision to
hold back
from calling
riichi...

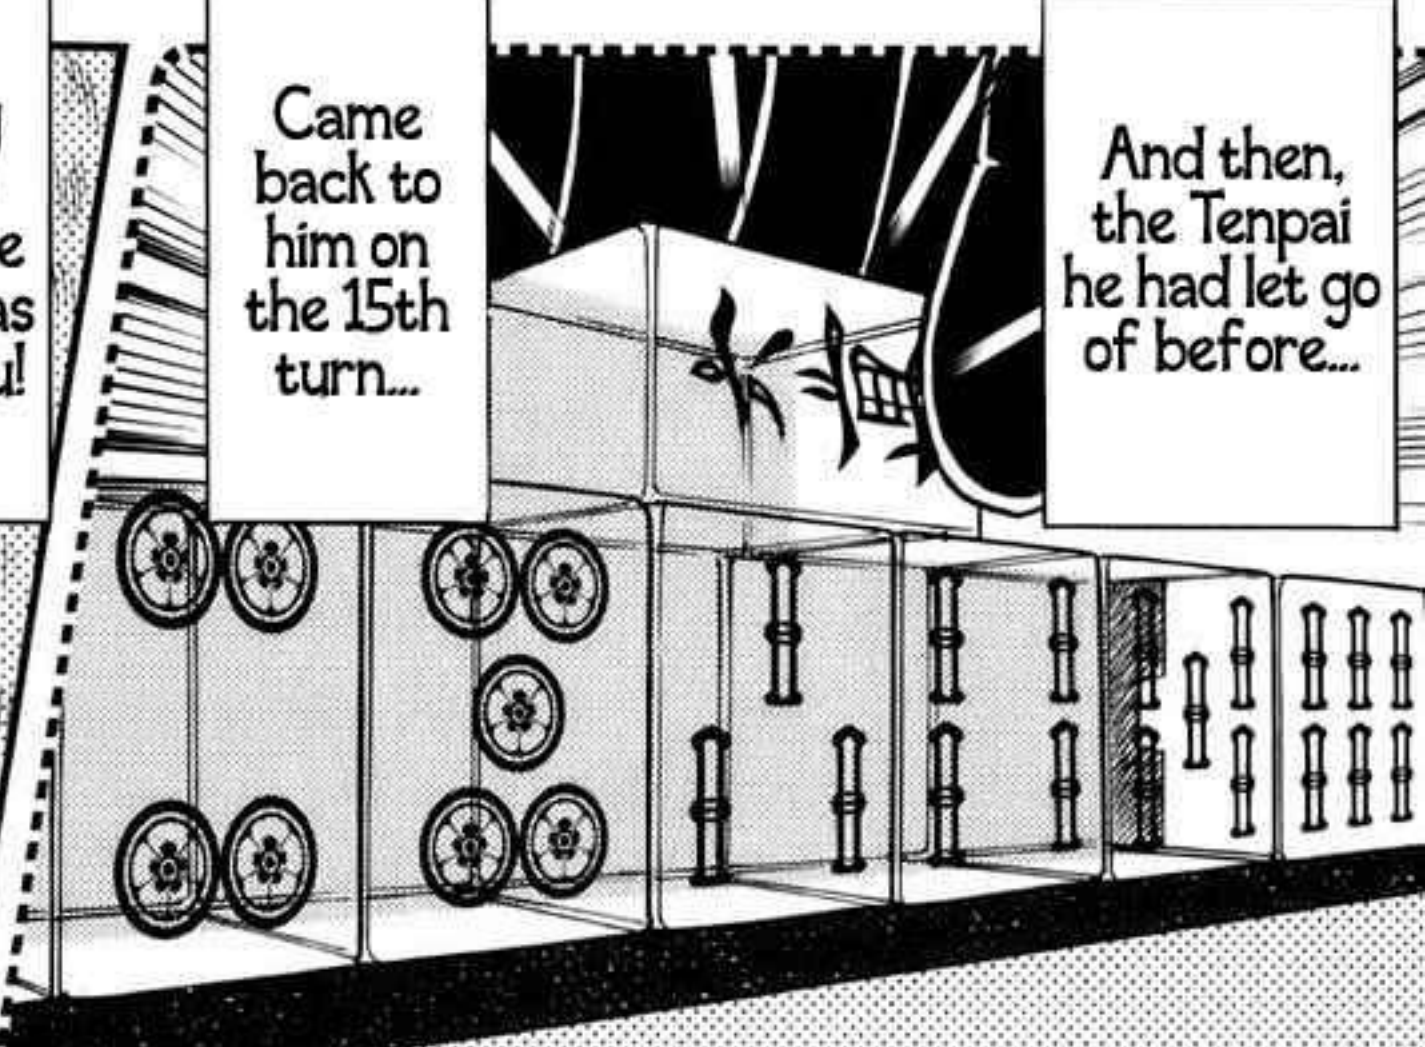

Akagi
...

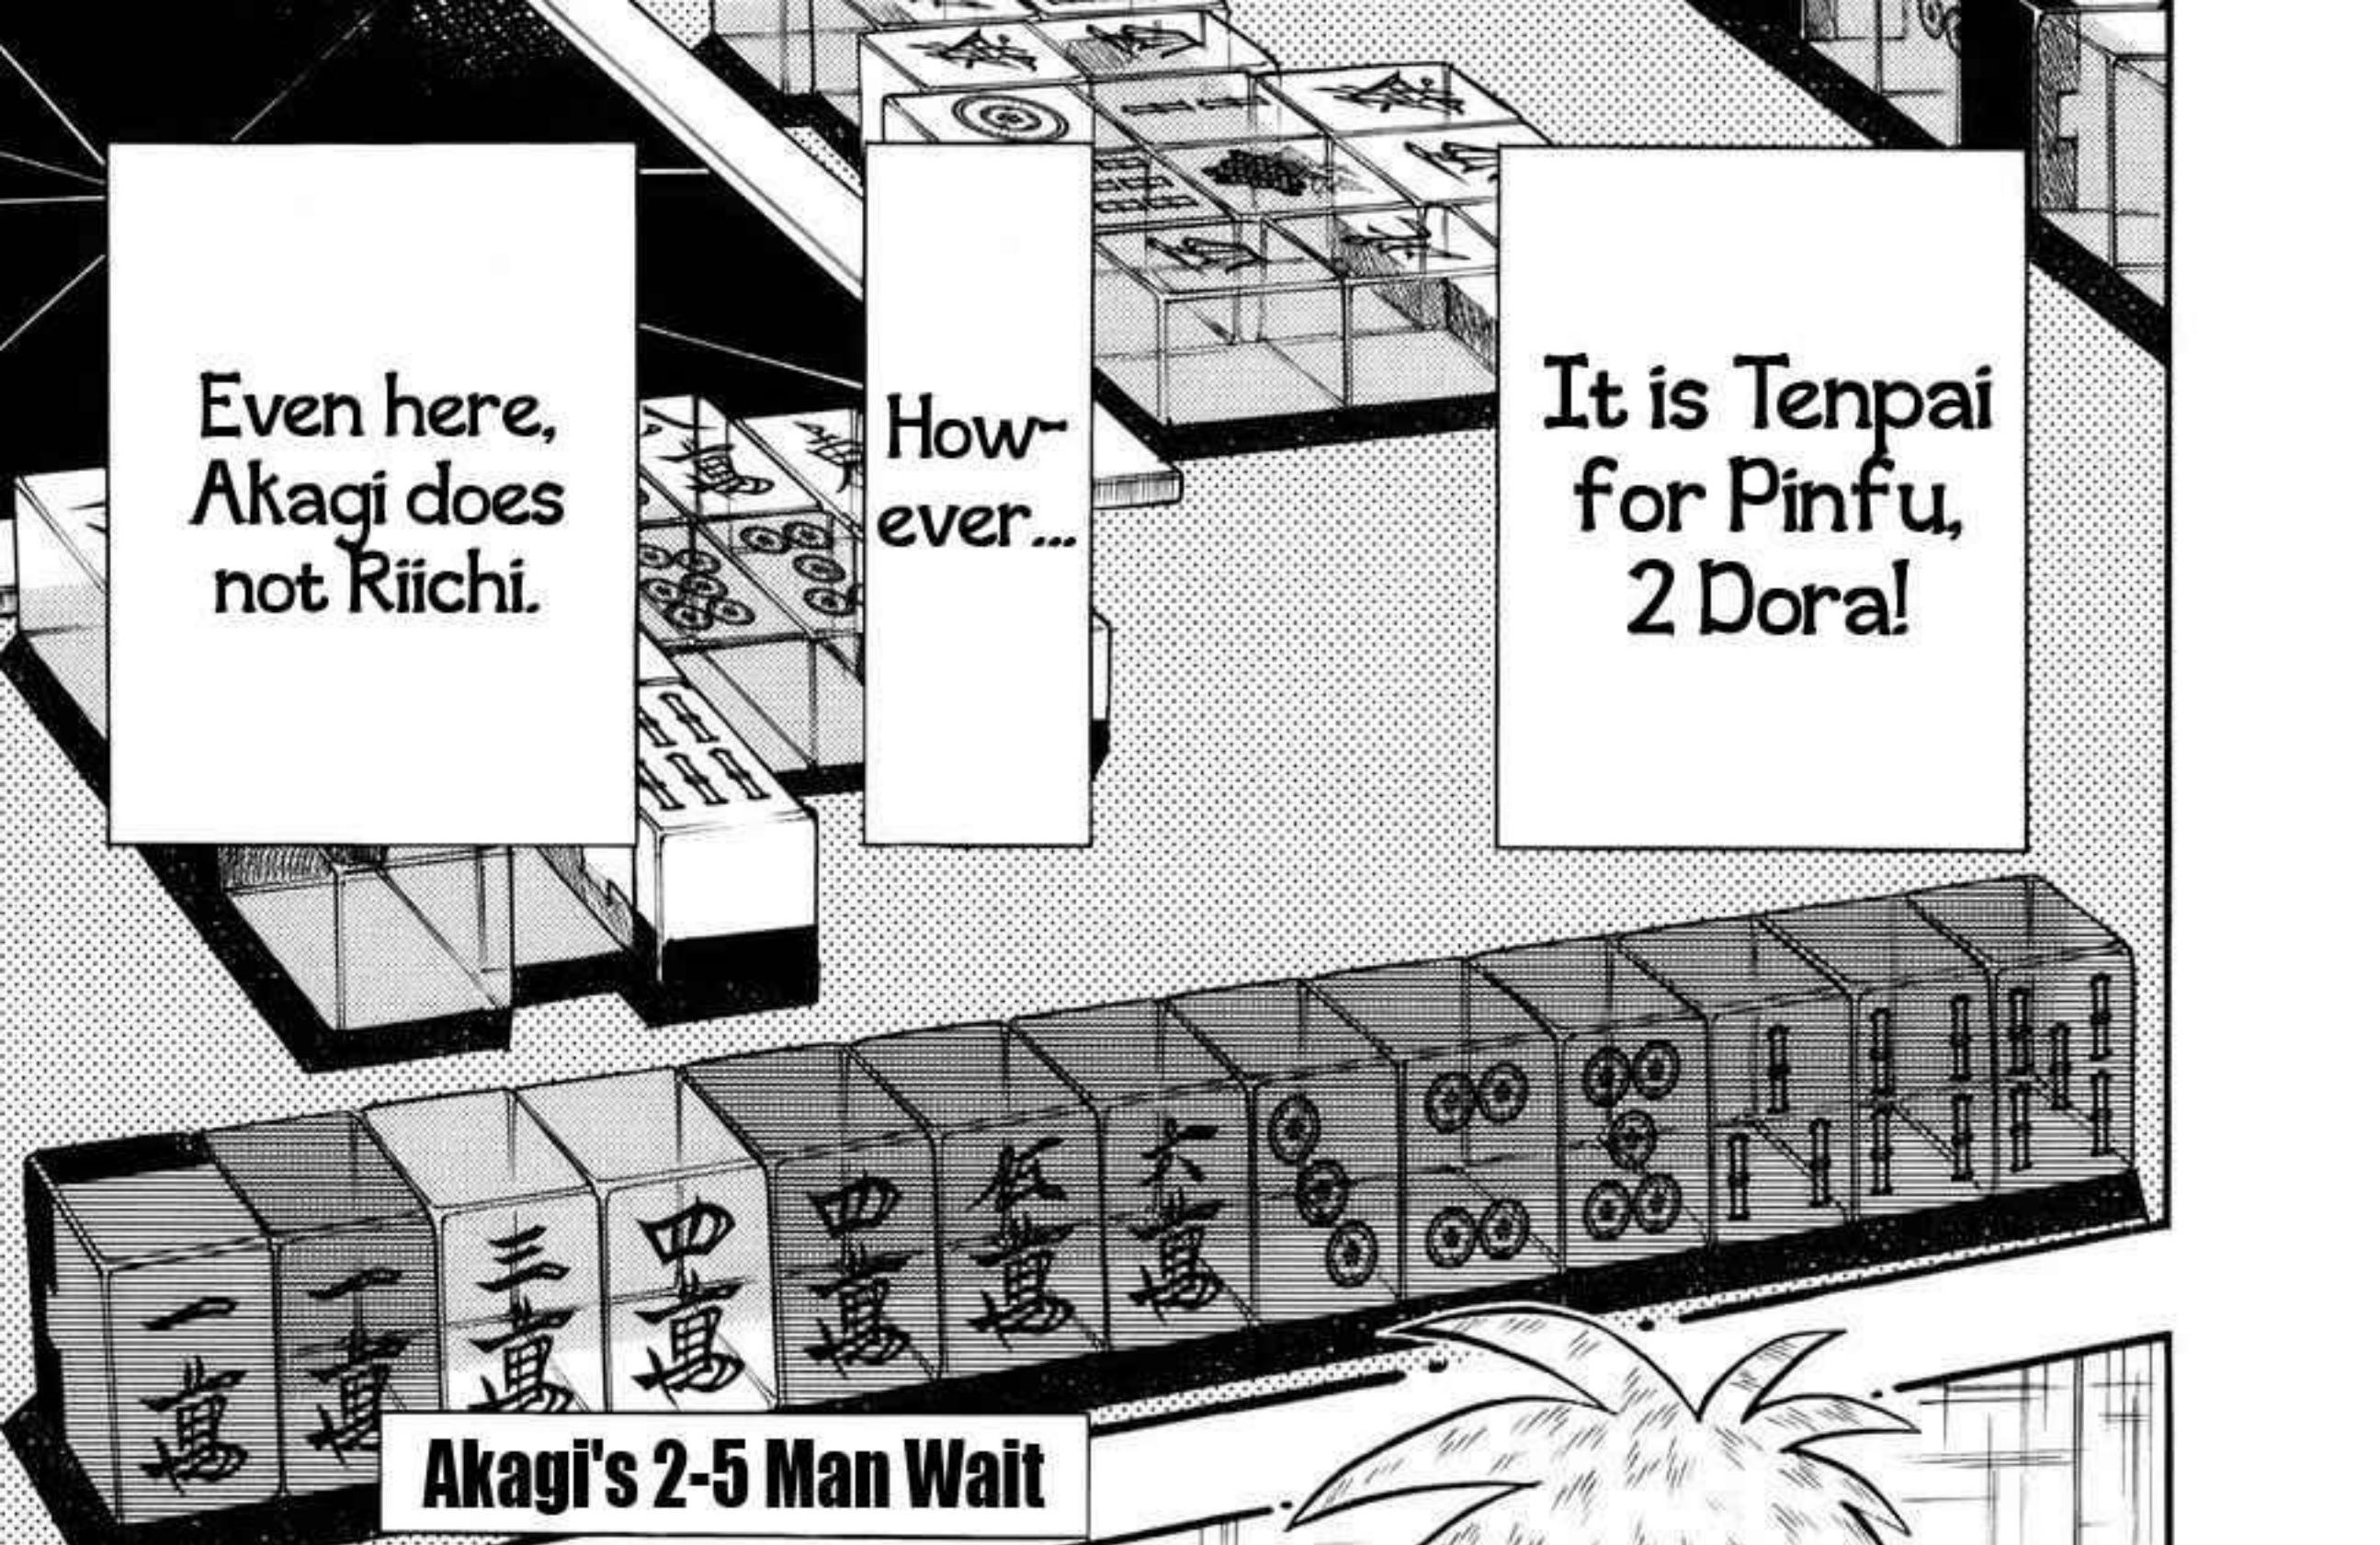

Putting
him on
the same
footing as
Washizu!

Came
back to
him on
the 15th
turn...

And then,
the Tenpai
he had let go
of before...

Even here,
Akagi does
not Riichi.

How-
ever...

It is Tenpai
for Pinfu,
2 Dora!

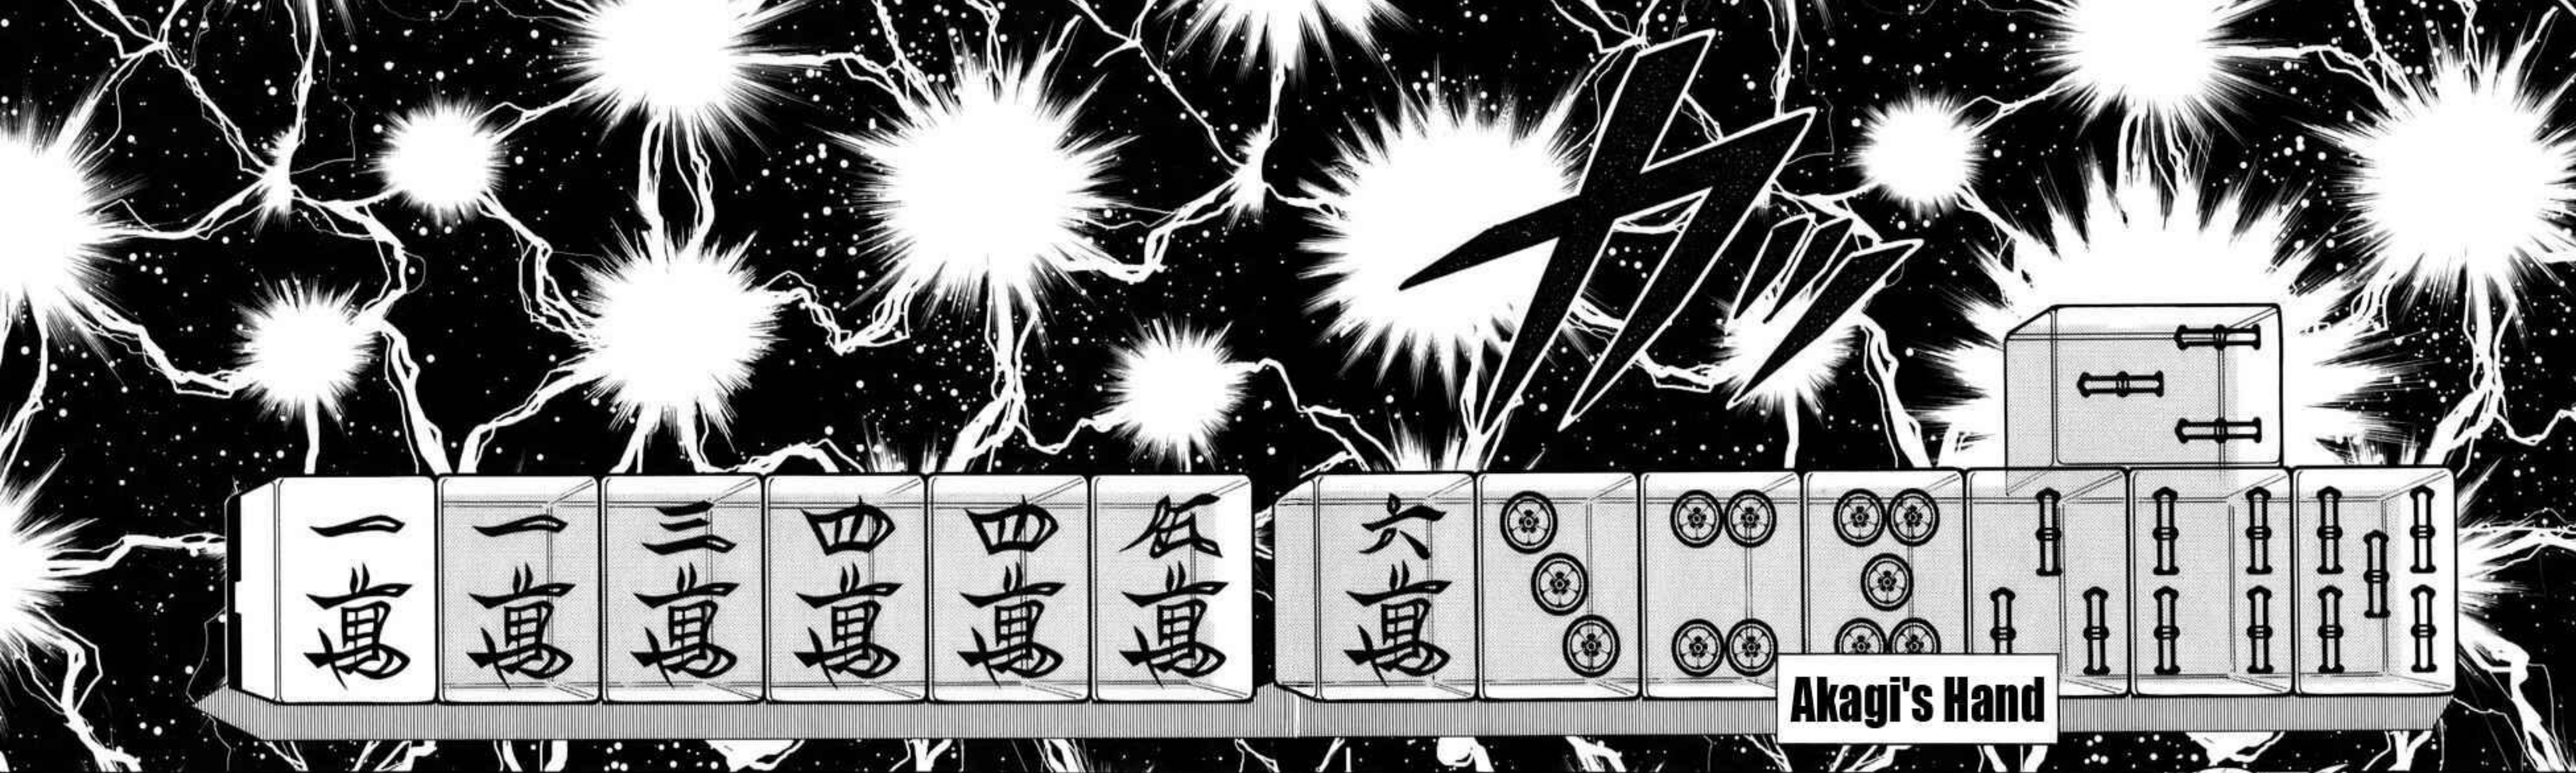

Akagi's 2-5 Man Wait

A
silent
Tenpai
!

He
cannot
go into
Riichi!

He
cannot
!

Akagi's Hand

He does not take it!

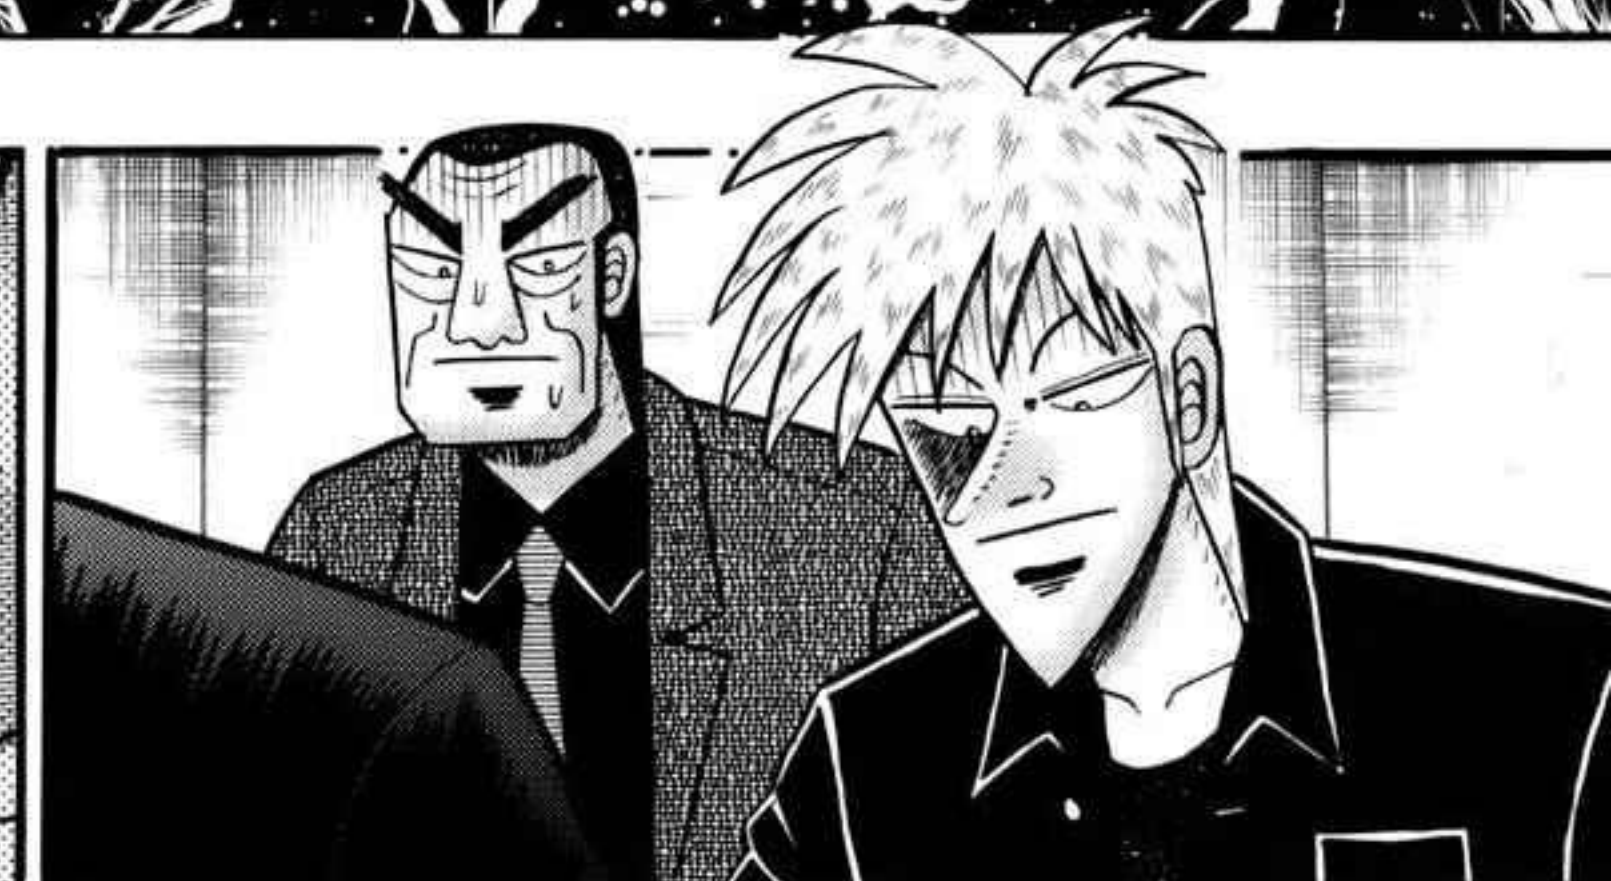

And yet...

Even Baiman would be possible!

Hane-man!

Silent Tenpai!

THINK-ING ON IT ...

He merely perseveres!

He does not take that chance!

That hope-filled possibility...

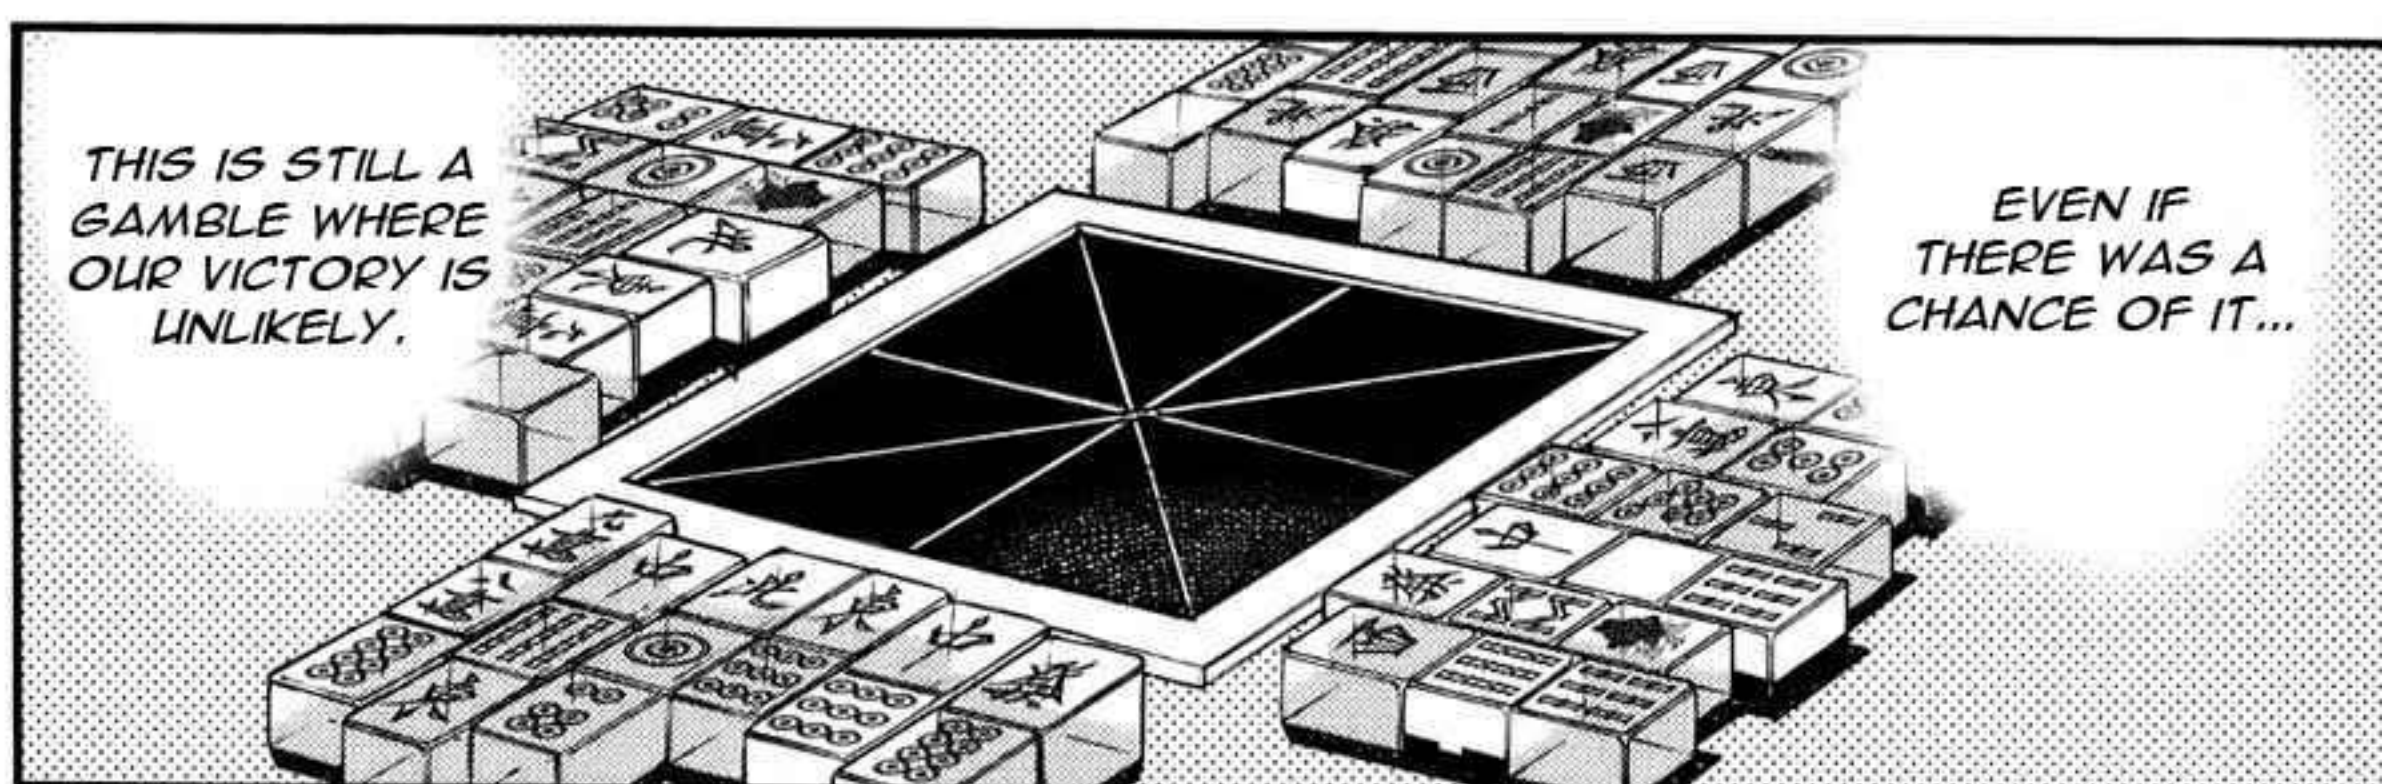

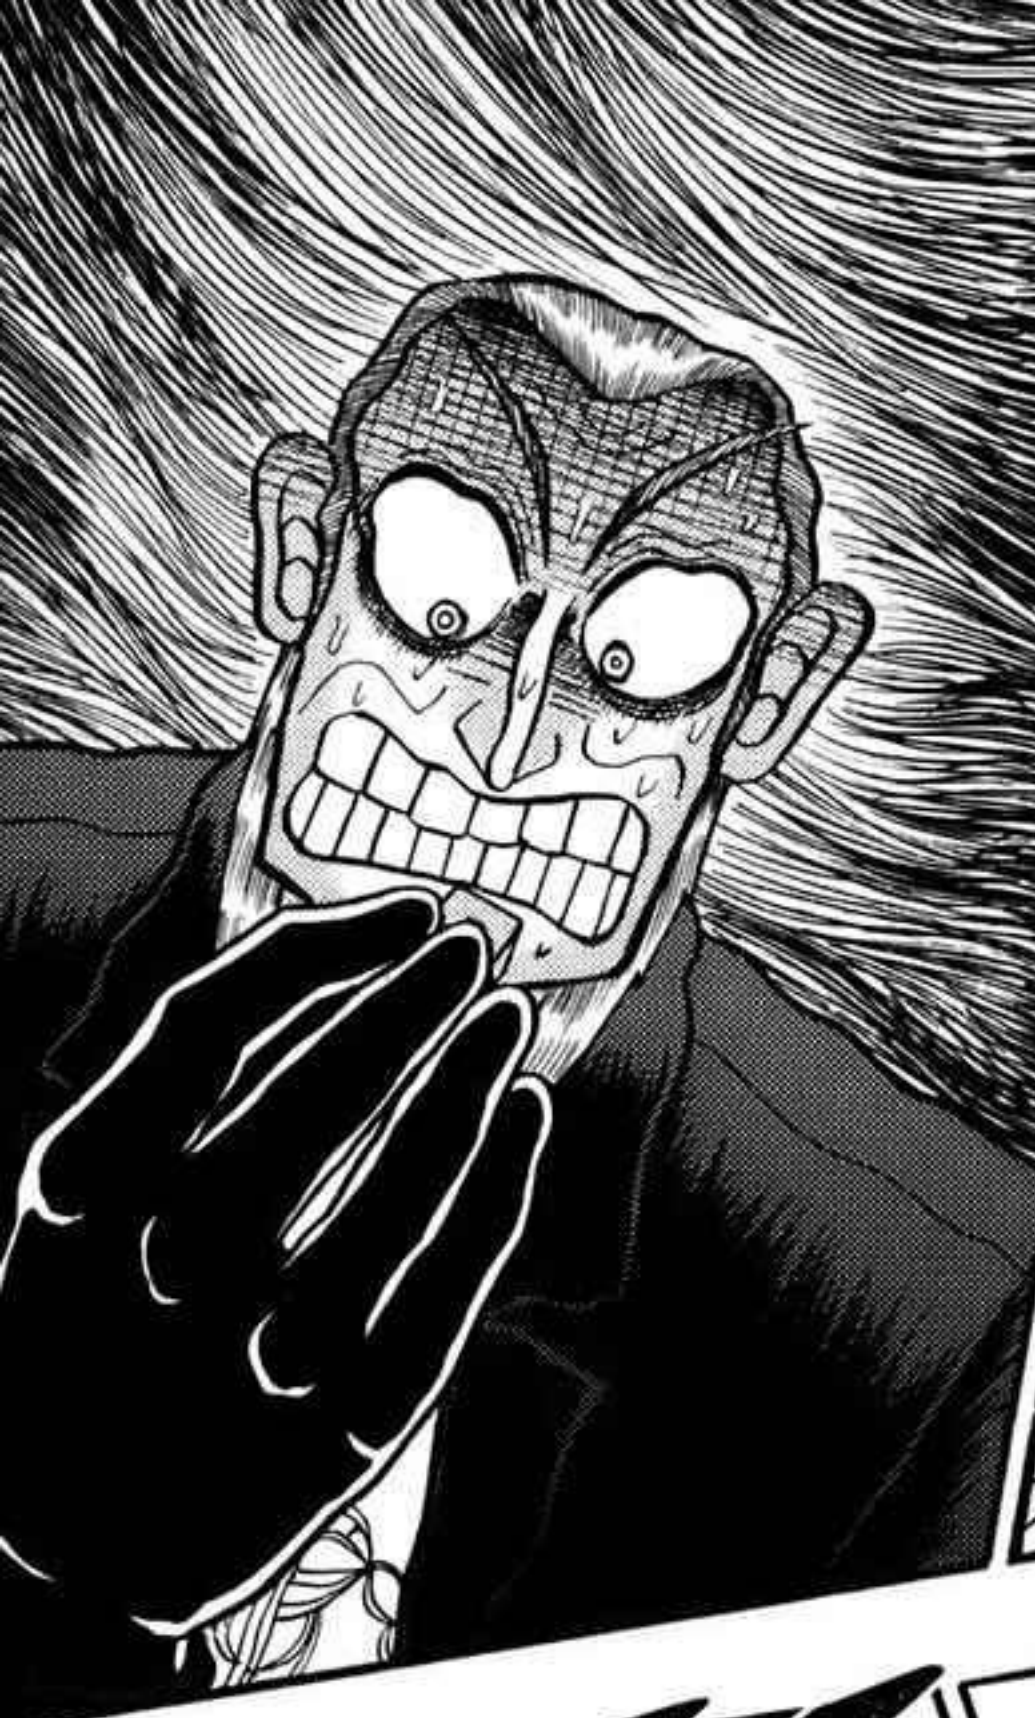

Would make his hand Mangan!

Though calling Riichi...

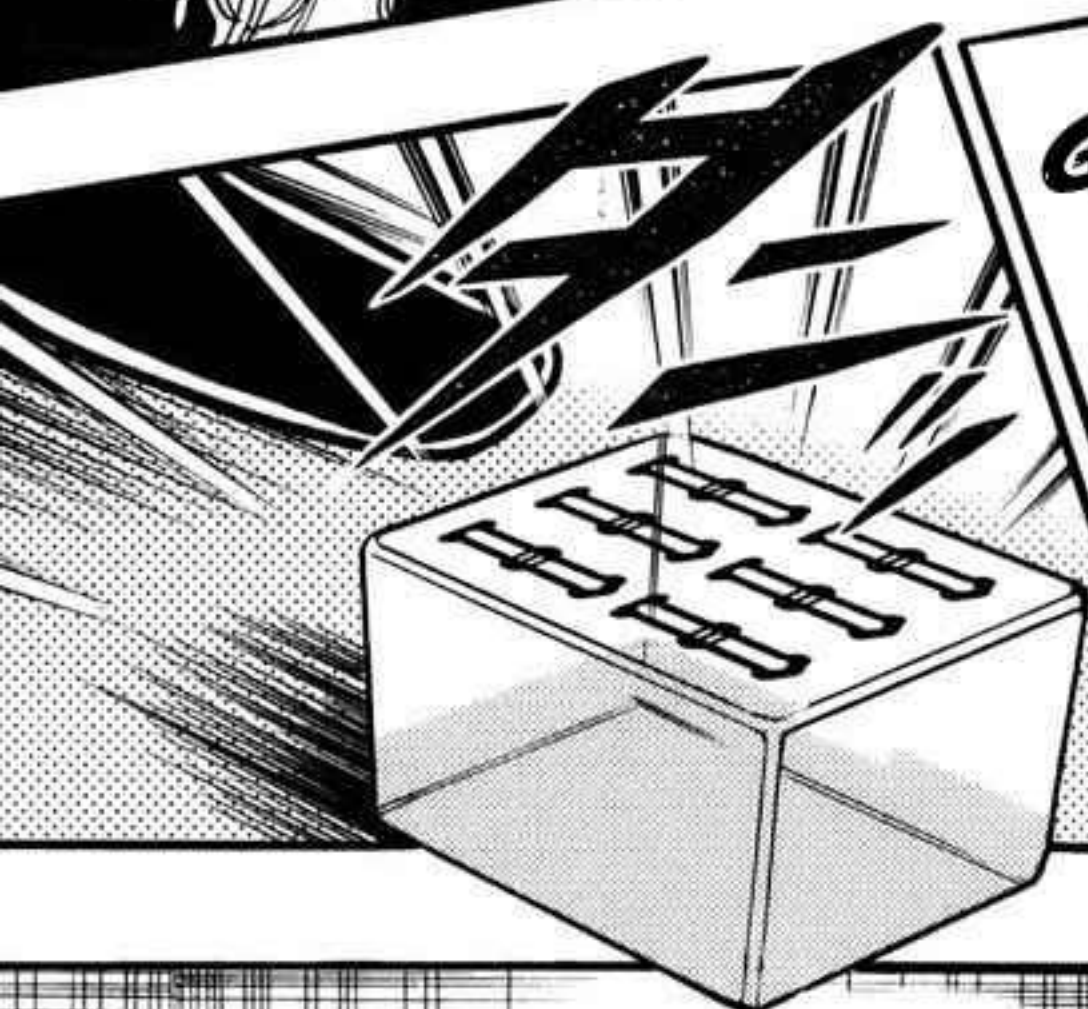

A silent Tenpai, to the bitter end!

And more than that, it could even reach...

**I WOULD
HAVE
CALLED
RIICHI
TO DECIDE
IT ALL
THERE!**

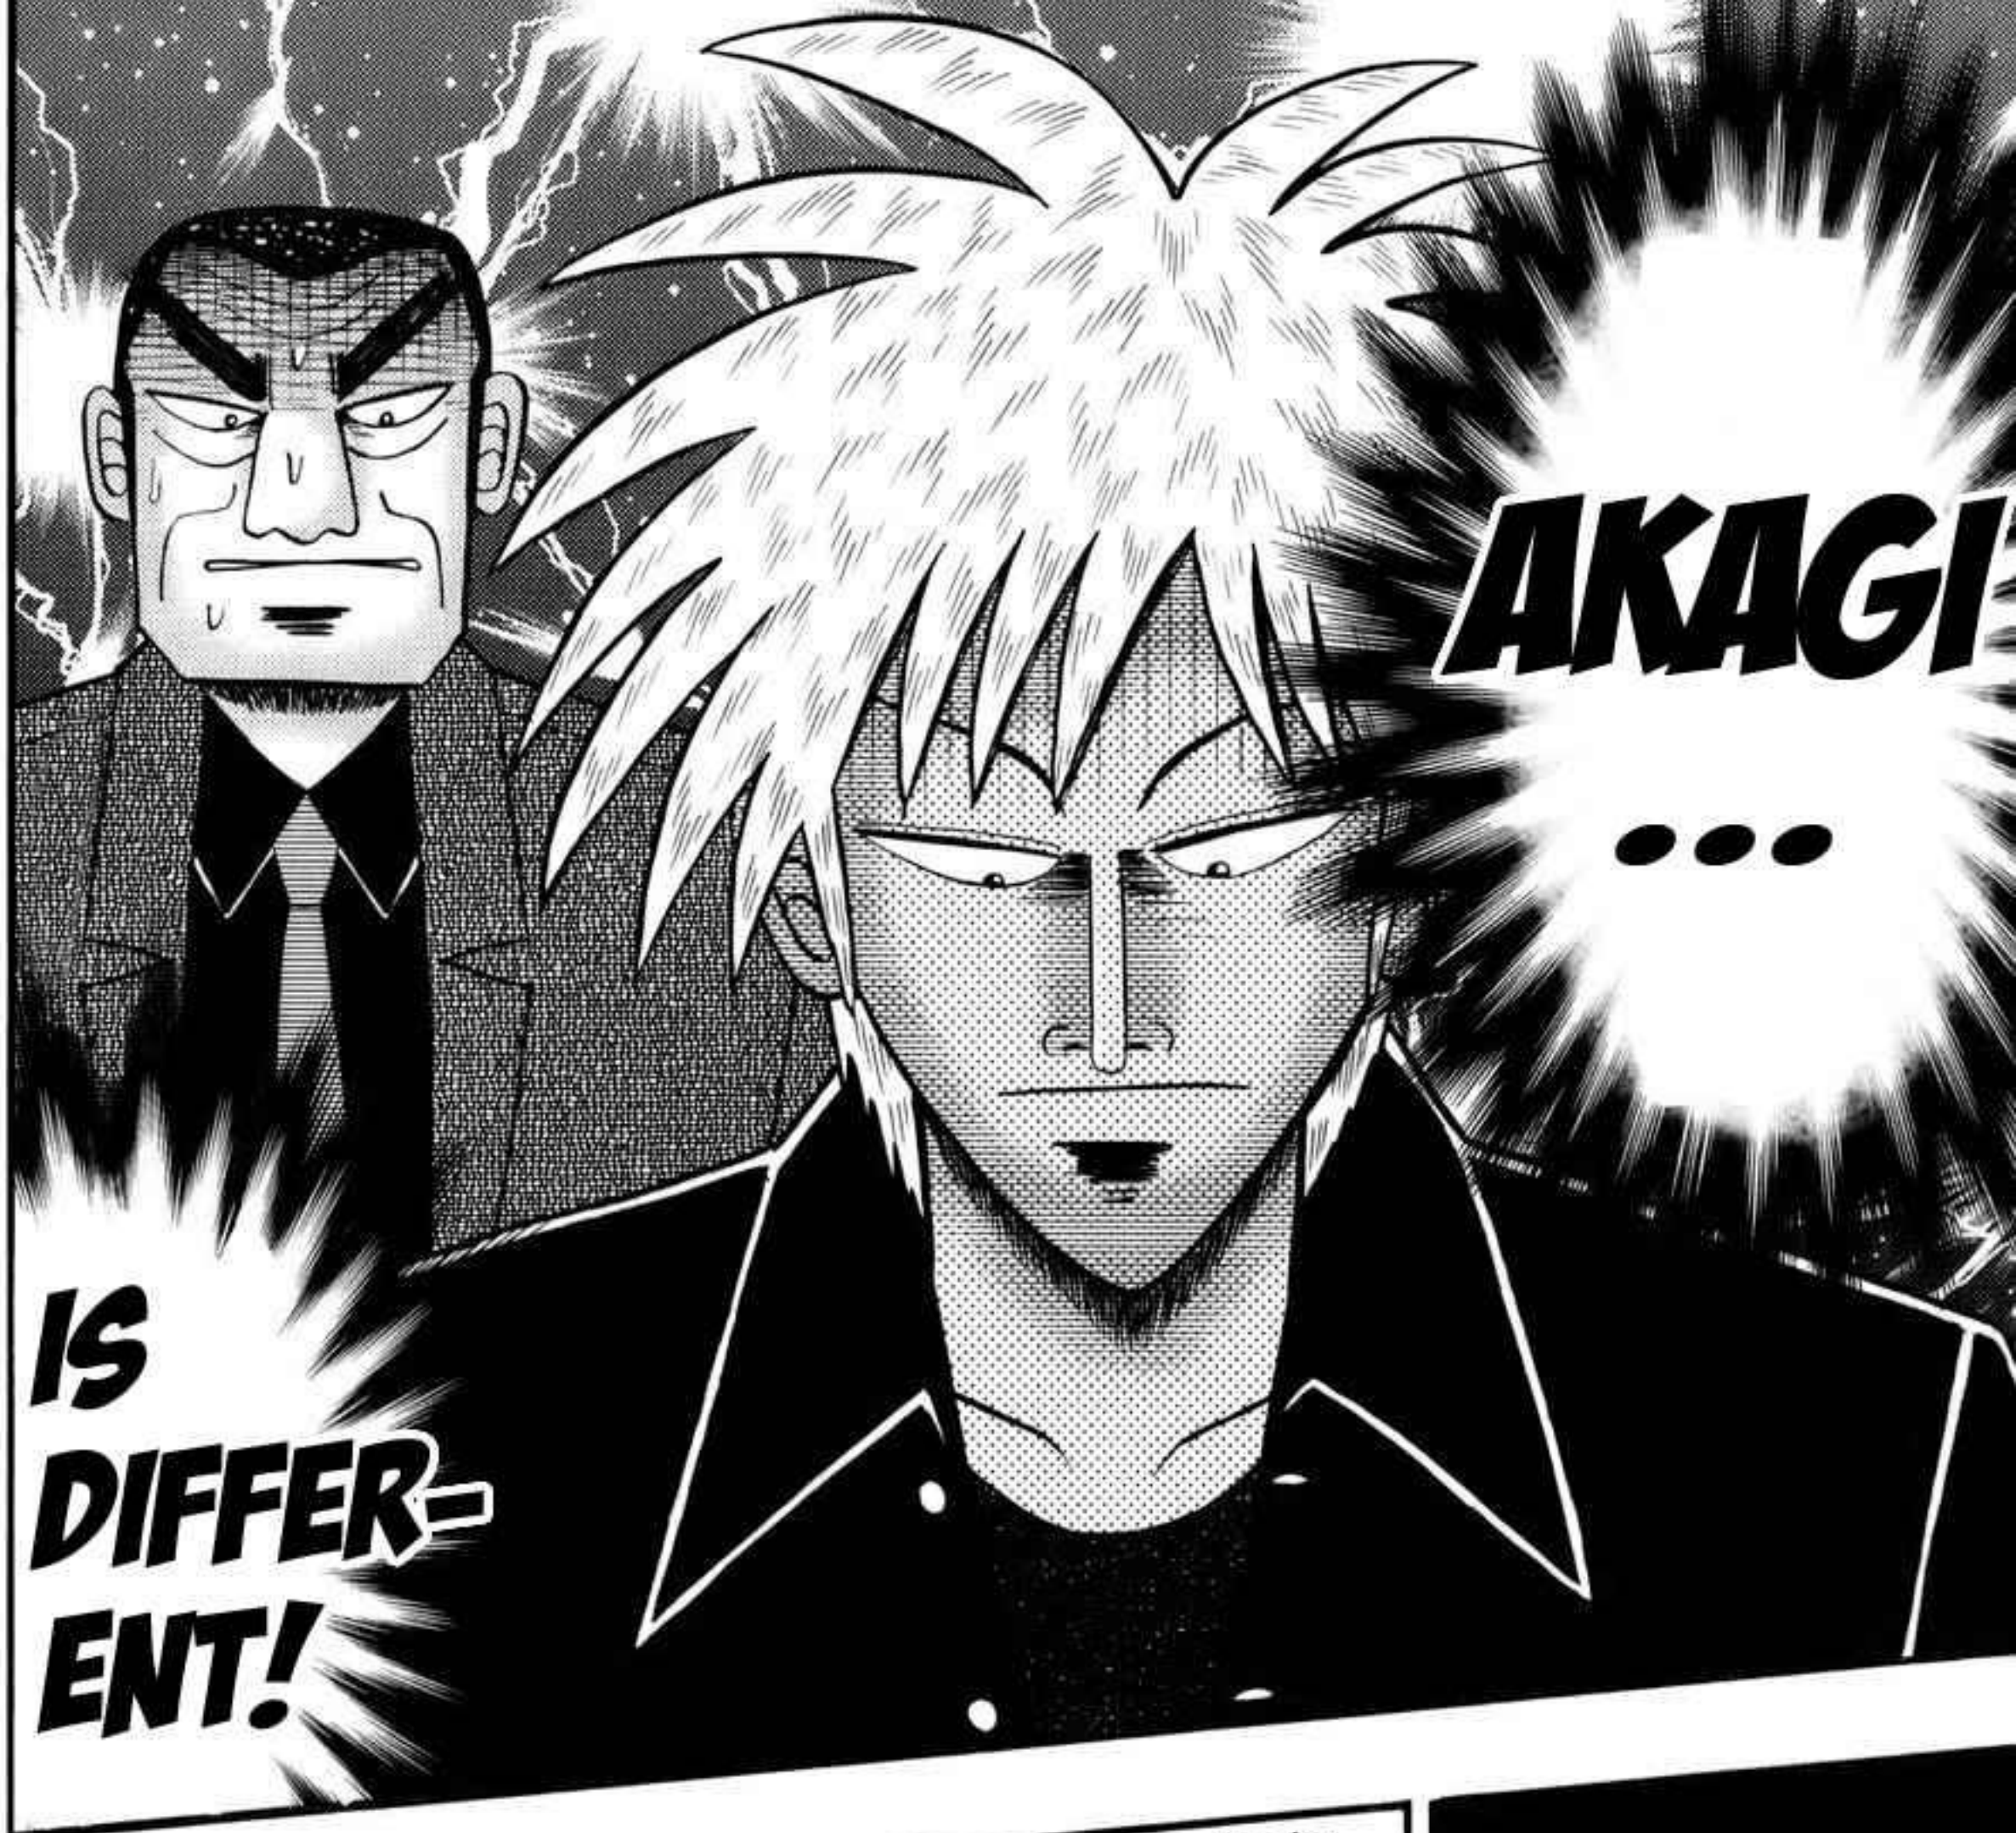

BUT
...

FROM THIS
OPPRES-
SION...
FROM THIS
INTENSE
BATTLE!

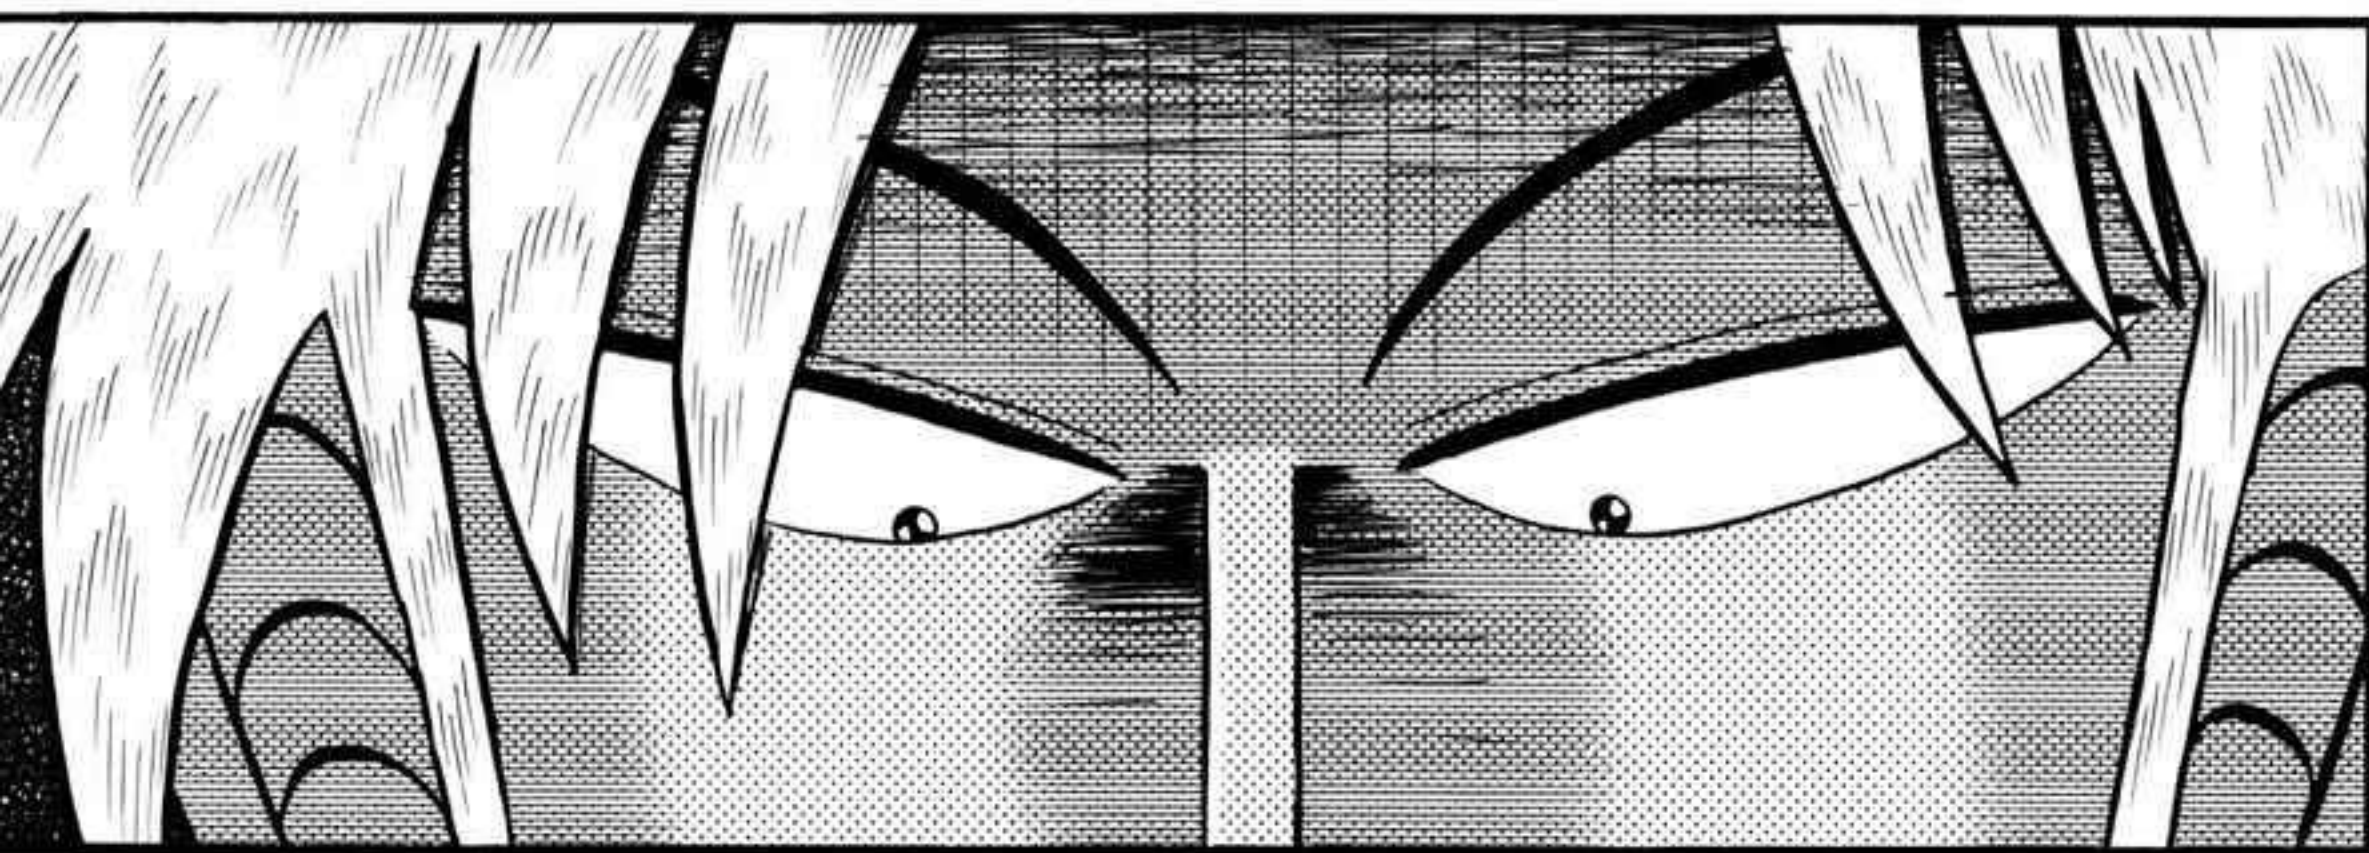

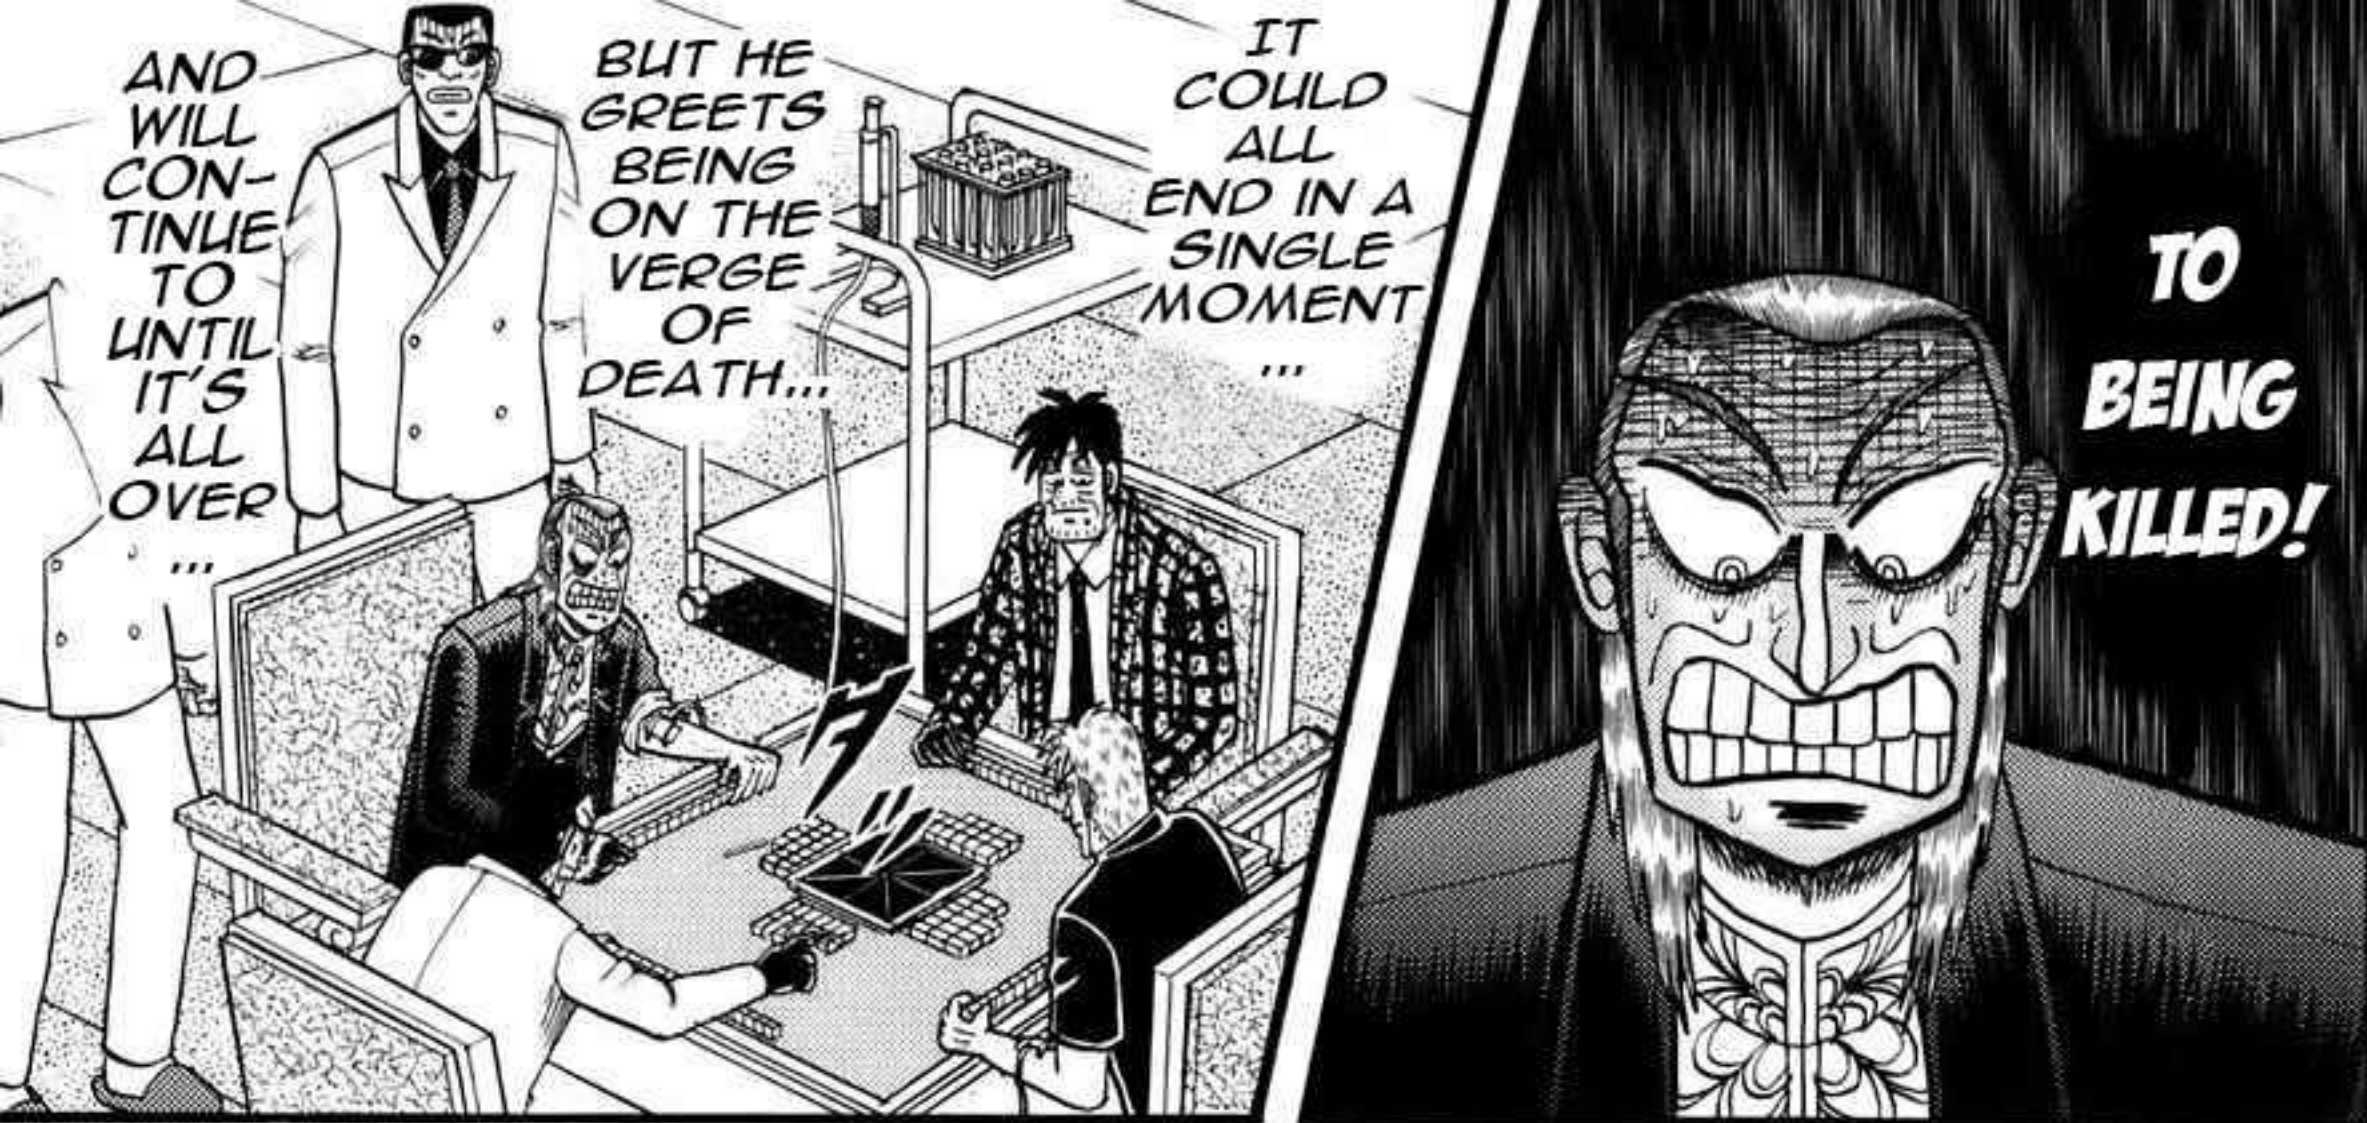

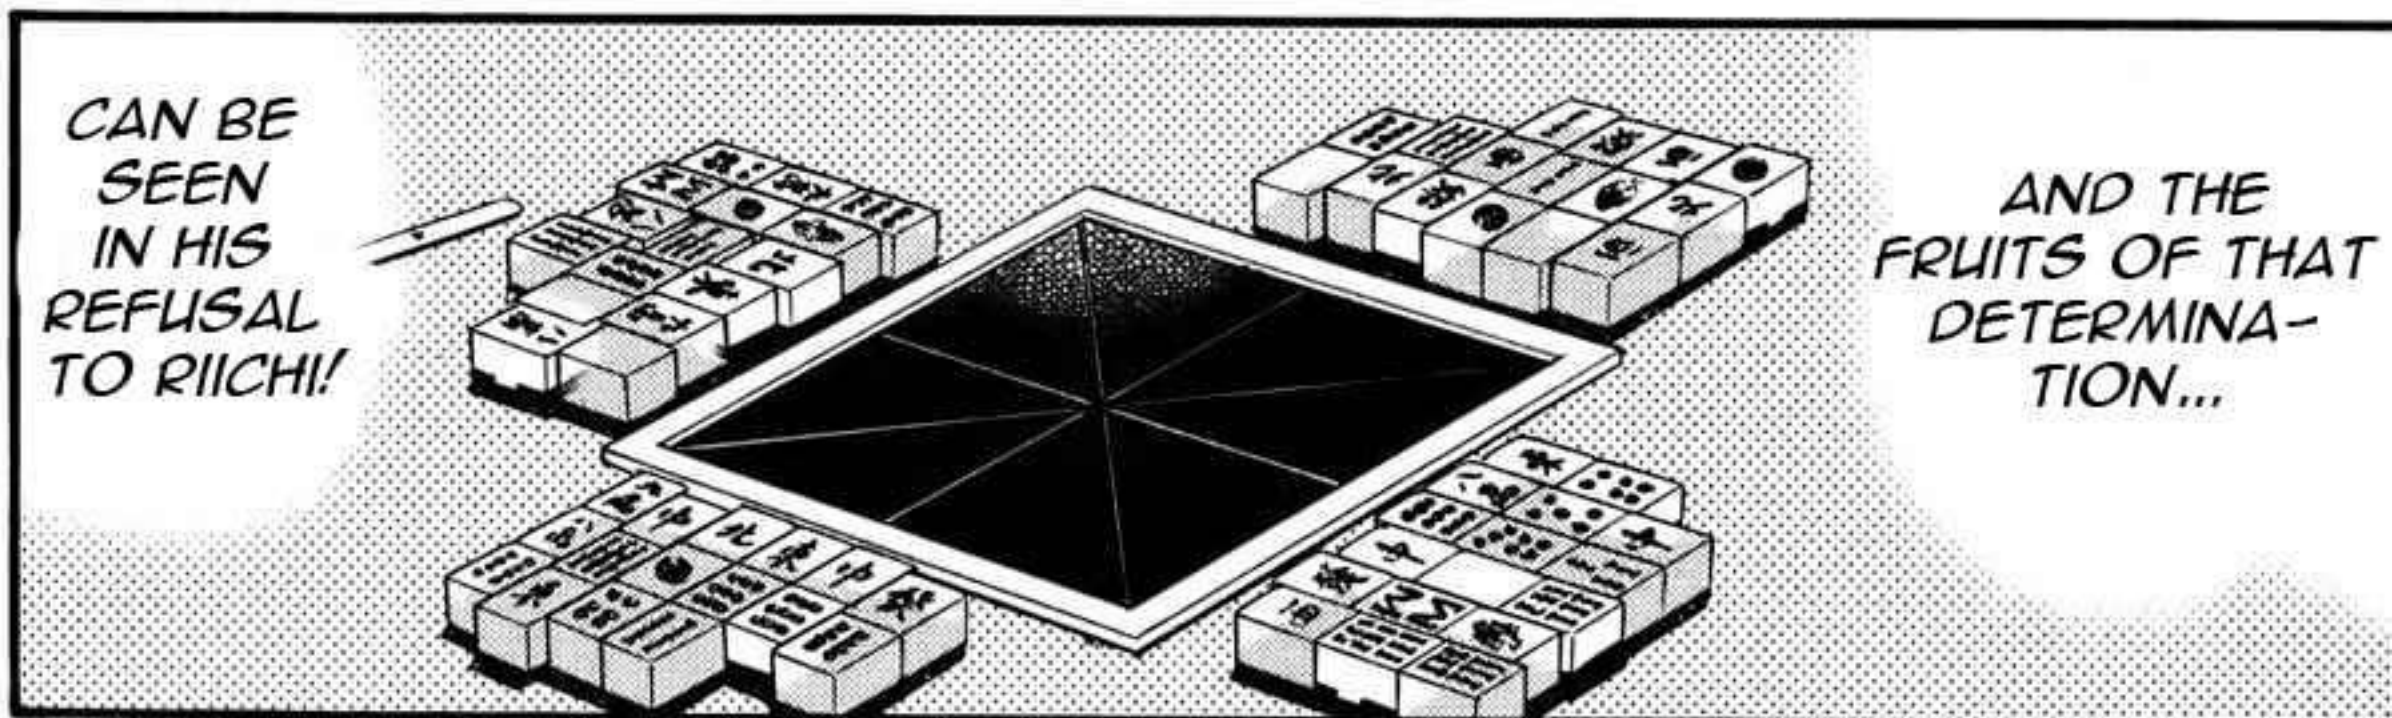

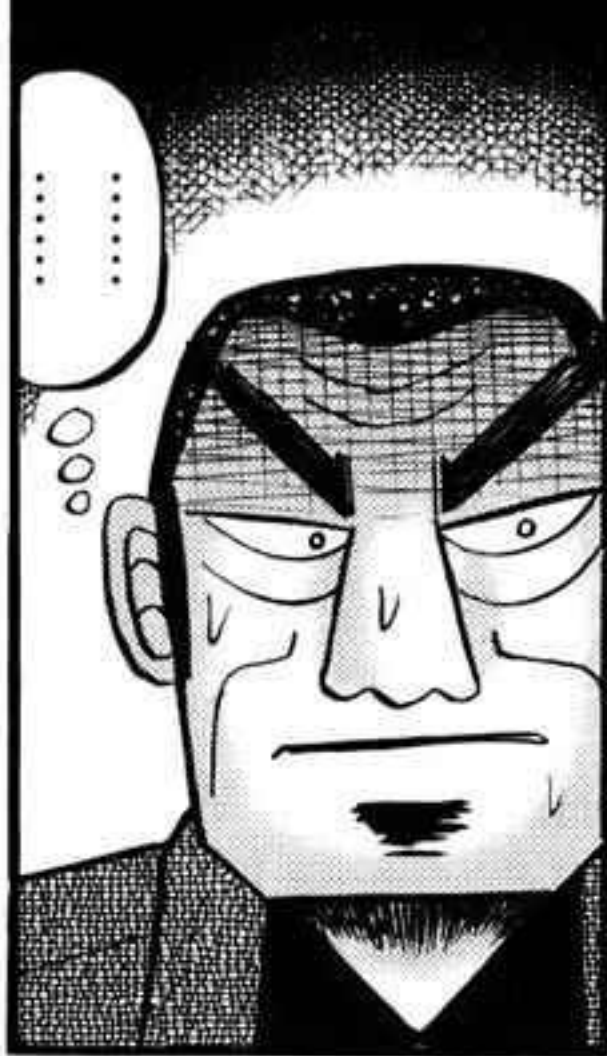

I JUST
WANTED
TO RUN
AWAY!

IN
THE
END...

**THIS
MAN
IS DEFINI-

CAN BE

HIM!

THAT

CAN'T
BEAR

THAT...

KNOWS
IN HIS
GUT...

A
K
A
G
I
...

IT IS
SOMETHING
THAT ONLY
HE, HIMSELF
CAN SENSE.

A
STRAIGHT
SHOT TO
VICTORY...

EVEN IF HE
CAN SEE...

THAT'S WHY
HE CAN'T LET
HIMSELF CHASE
AFTER CHEAP
DREAMS
LIKE THAT!

**A
NAIVE
BELIEF!**

EVERYONE
ELSE WOULD
BE GRASPING
AT STRAWS
AT SUCH A
DEAD END!

AND
YET...

HE IS
AT
DEA-
TH'S
DOOR
...

**HE TORE
HIM-
SELF
AWAY
FROM
IT!**

HE EN-
DURES,
NOT
CARING
WHEN
HE
DIES!

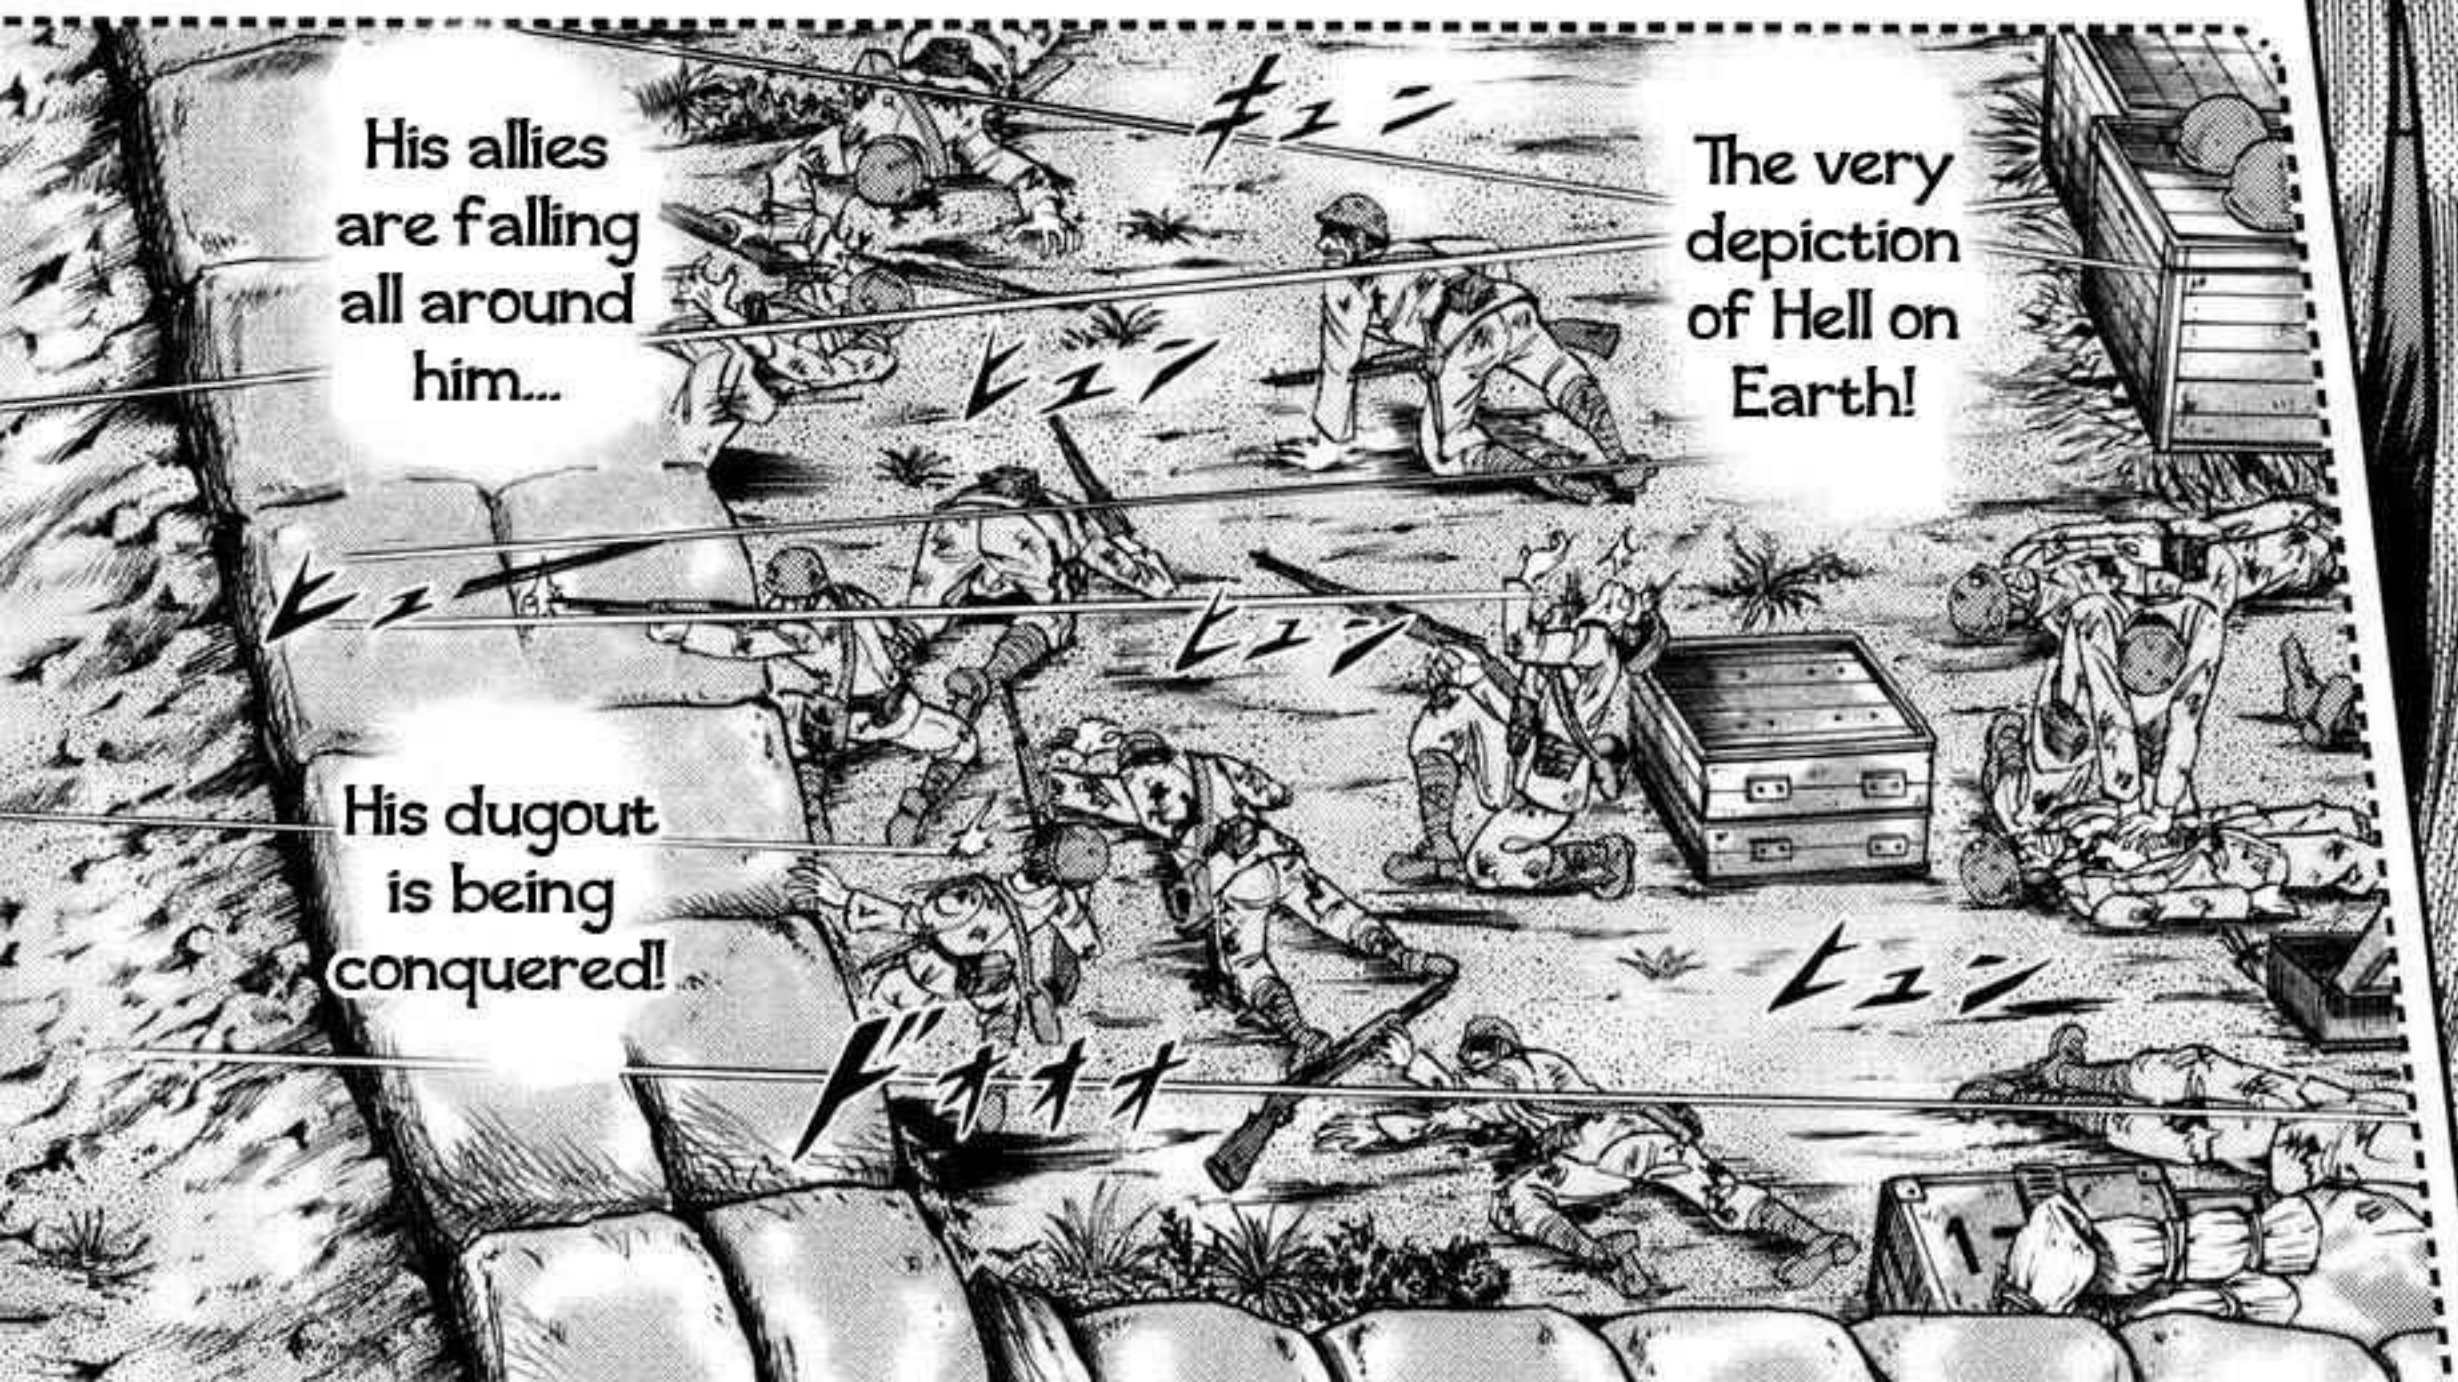

He is in a
war where his
side's loss is all but
certain... Heaps of
corpses all around!

His allies
are falling
all around
him...

The very
depiction
of Hell on
Earth!

His dugout
is being
conquered!

**AKAGI
DOES
NOT
ASK
TO BE
SAVED!!**

He is the last
soldier re-
maining in
that trench!

And if
not, already
seeing this
as the end...

They lose their
concentration,
and die!

Everyone else
is unable to
handle the
pressure...

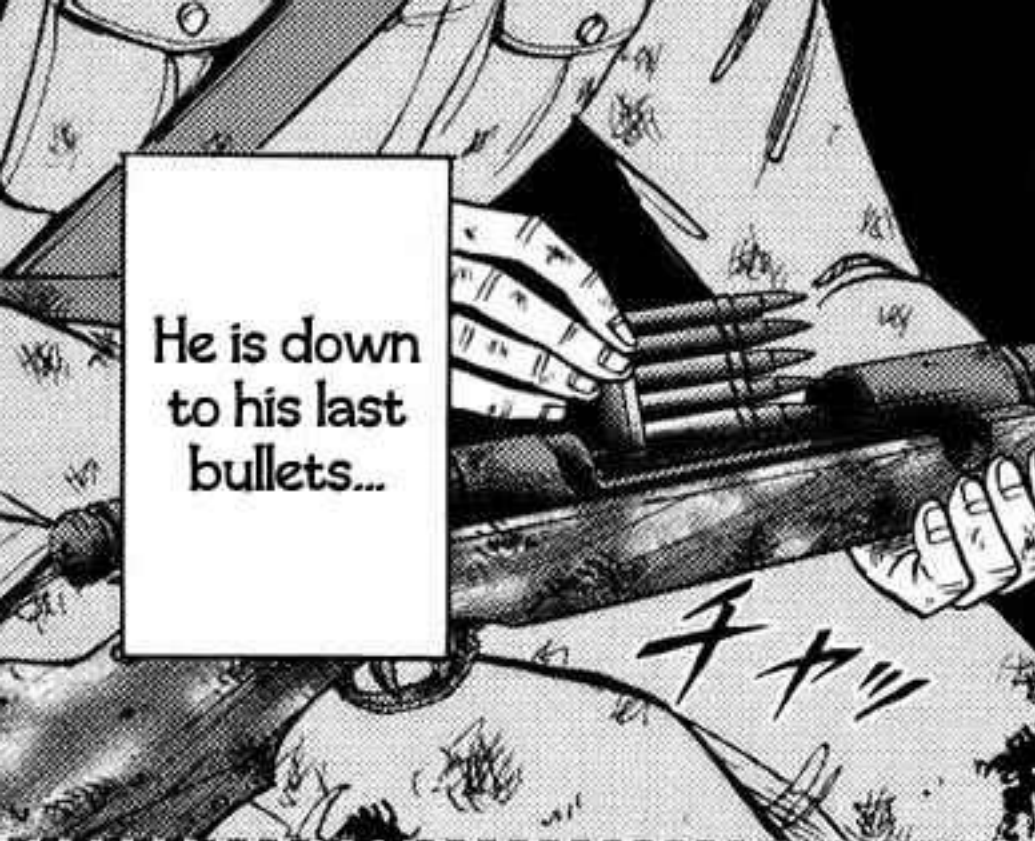

Akagi,
alone
...

How-
ever...

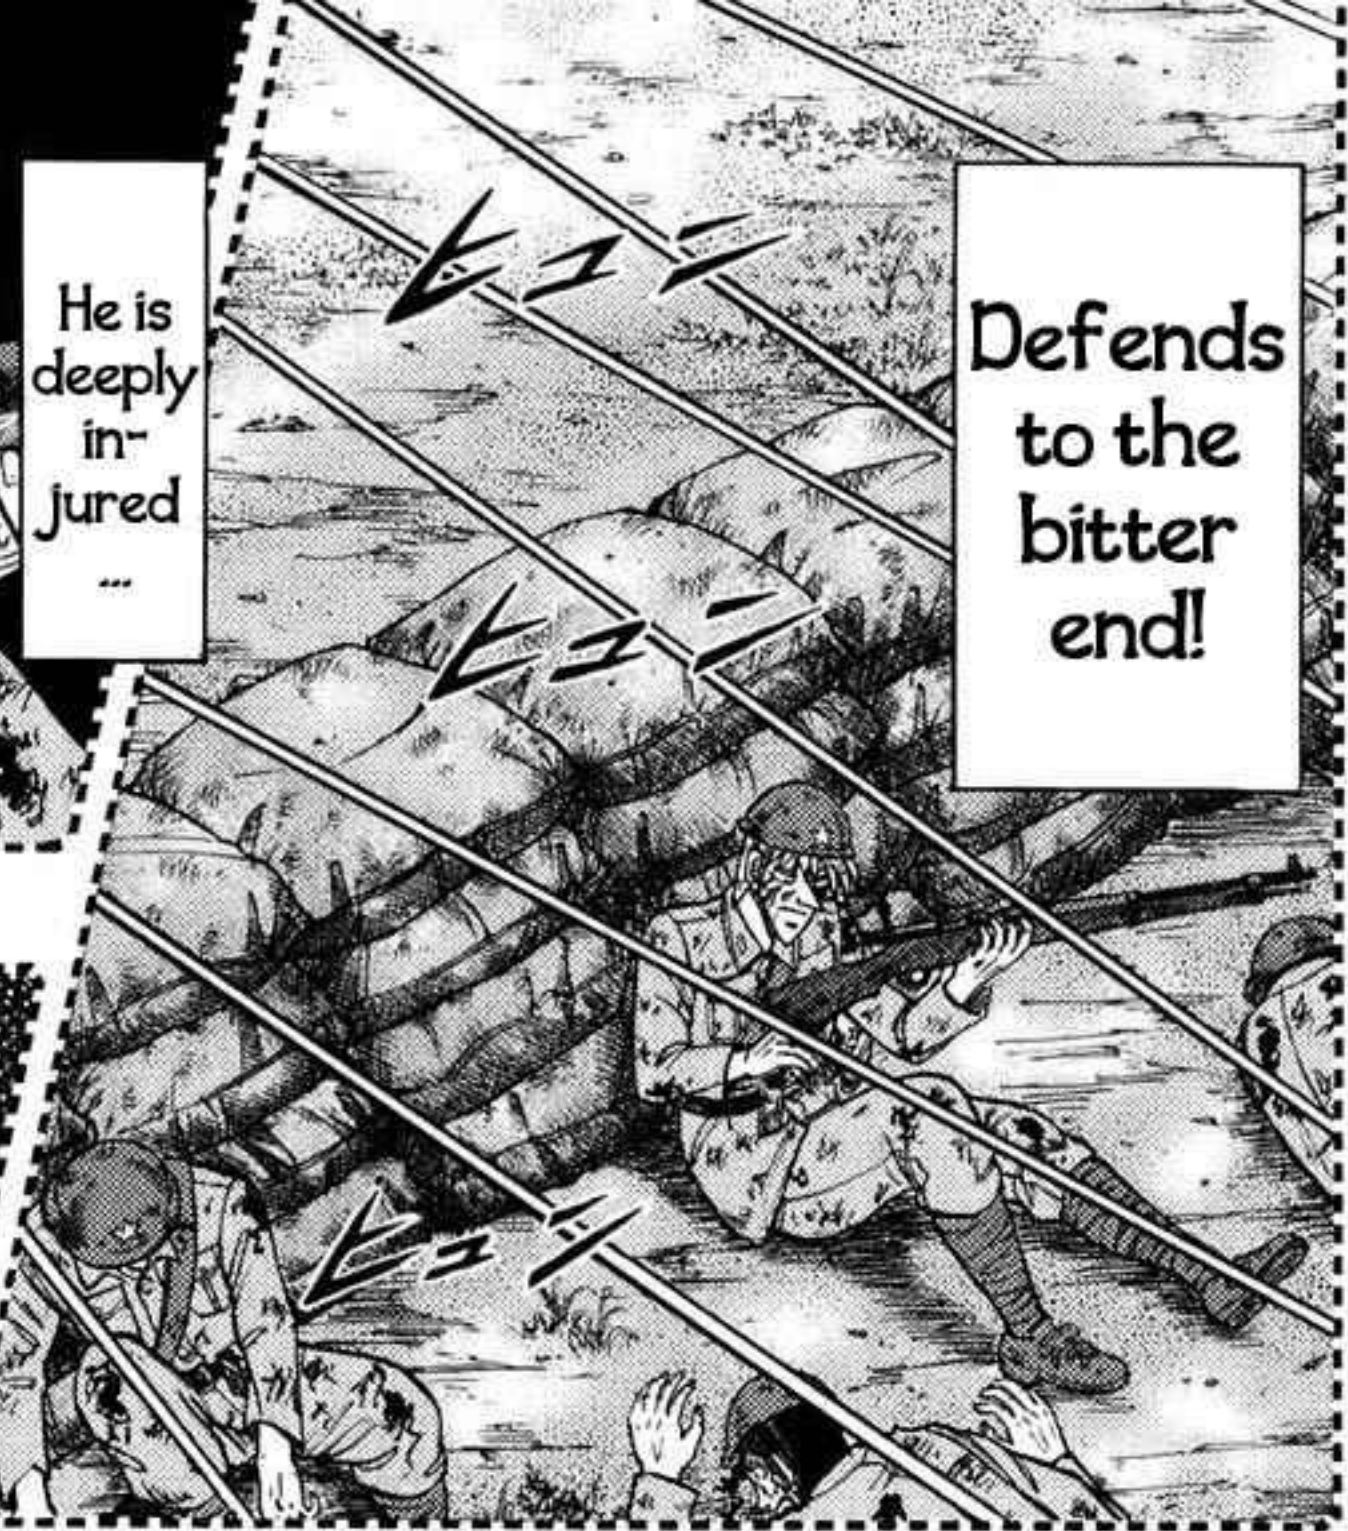

They
charge
forward
ferociously
and are
killed that
way!

He is down
to his last
bullets...

He is
deeply in-
jured
...

Defends
to the
bitter
end!

But
even
so...

He merely
continues
to fight!

He
does
not
chase
after
dreams!

He
does
not
falter!

**AS LONG AS
HIS HEART
STILL
BEATS...**

He
does
not
give
up!

**FIGHT UNTIL
HIS LAST DROP
OF BLOOD IS
SPILLED!**

**HE WILL
FIGHT!**

It was the 17th Turn.

ガガガガガ

It was the 17th Turn.

ガガガガガ

Washizu's 17th draw.

Just before the round was to be drawn ...

Just before the round was to be drawn

Akagi's
persever-
ance...

5800 WITH
2 HONBA IS
6400, AND
WITH YOUR
RIICHI STICK
IT'S 7400!

RON.

Finally

Washi

Through
Direct Hits
or Tsumos...

Between
Akagi
and
Washizu
...

The blood
loss!

The
drawing of
blood!

If any points
were to
transfer
between the
two of them...

They
would
have
blood
re-
moved!

The
losing
side
would
pay for it
with their
blood!

But
this
time...

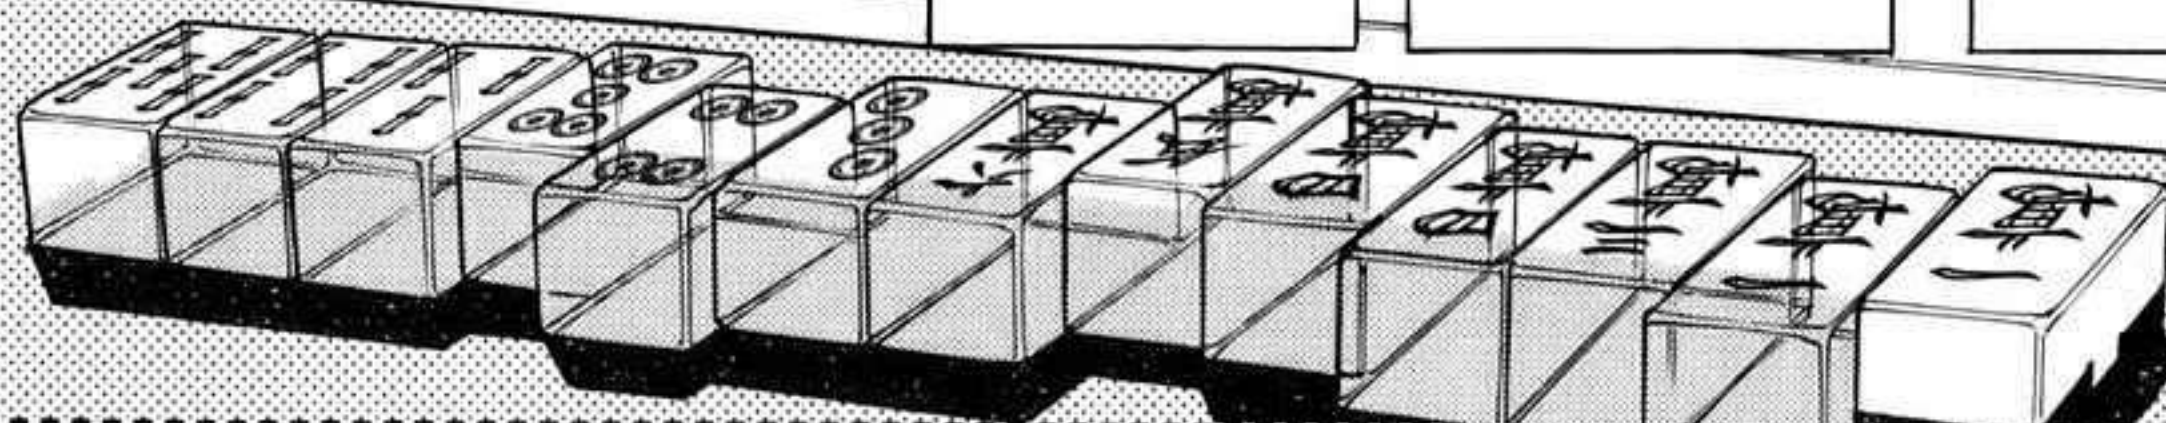

70 ccs
of his
blood
were
drawn.

So far in the
South 1st Round,
because Washizu
could not pay for
700 points' worth
of direct hits in
money...

Adding
Washizu's
riichi stick to
that makes for
a total of 7400.

3 han and 30
fu as the Dealer
makes 5800, with
2 Honba it is 6400.

It was a
Pinfu,
2-Dora
hand.

And
so...

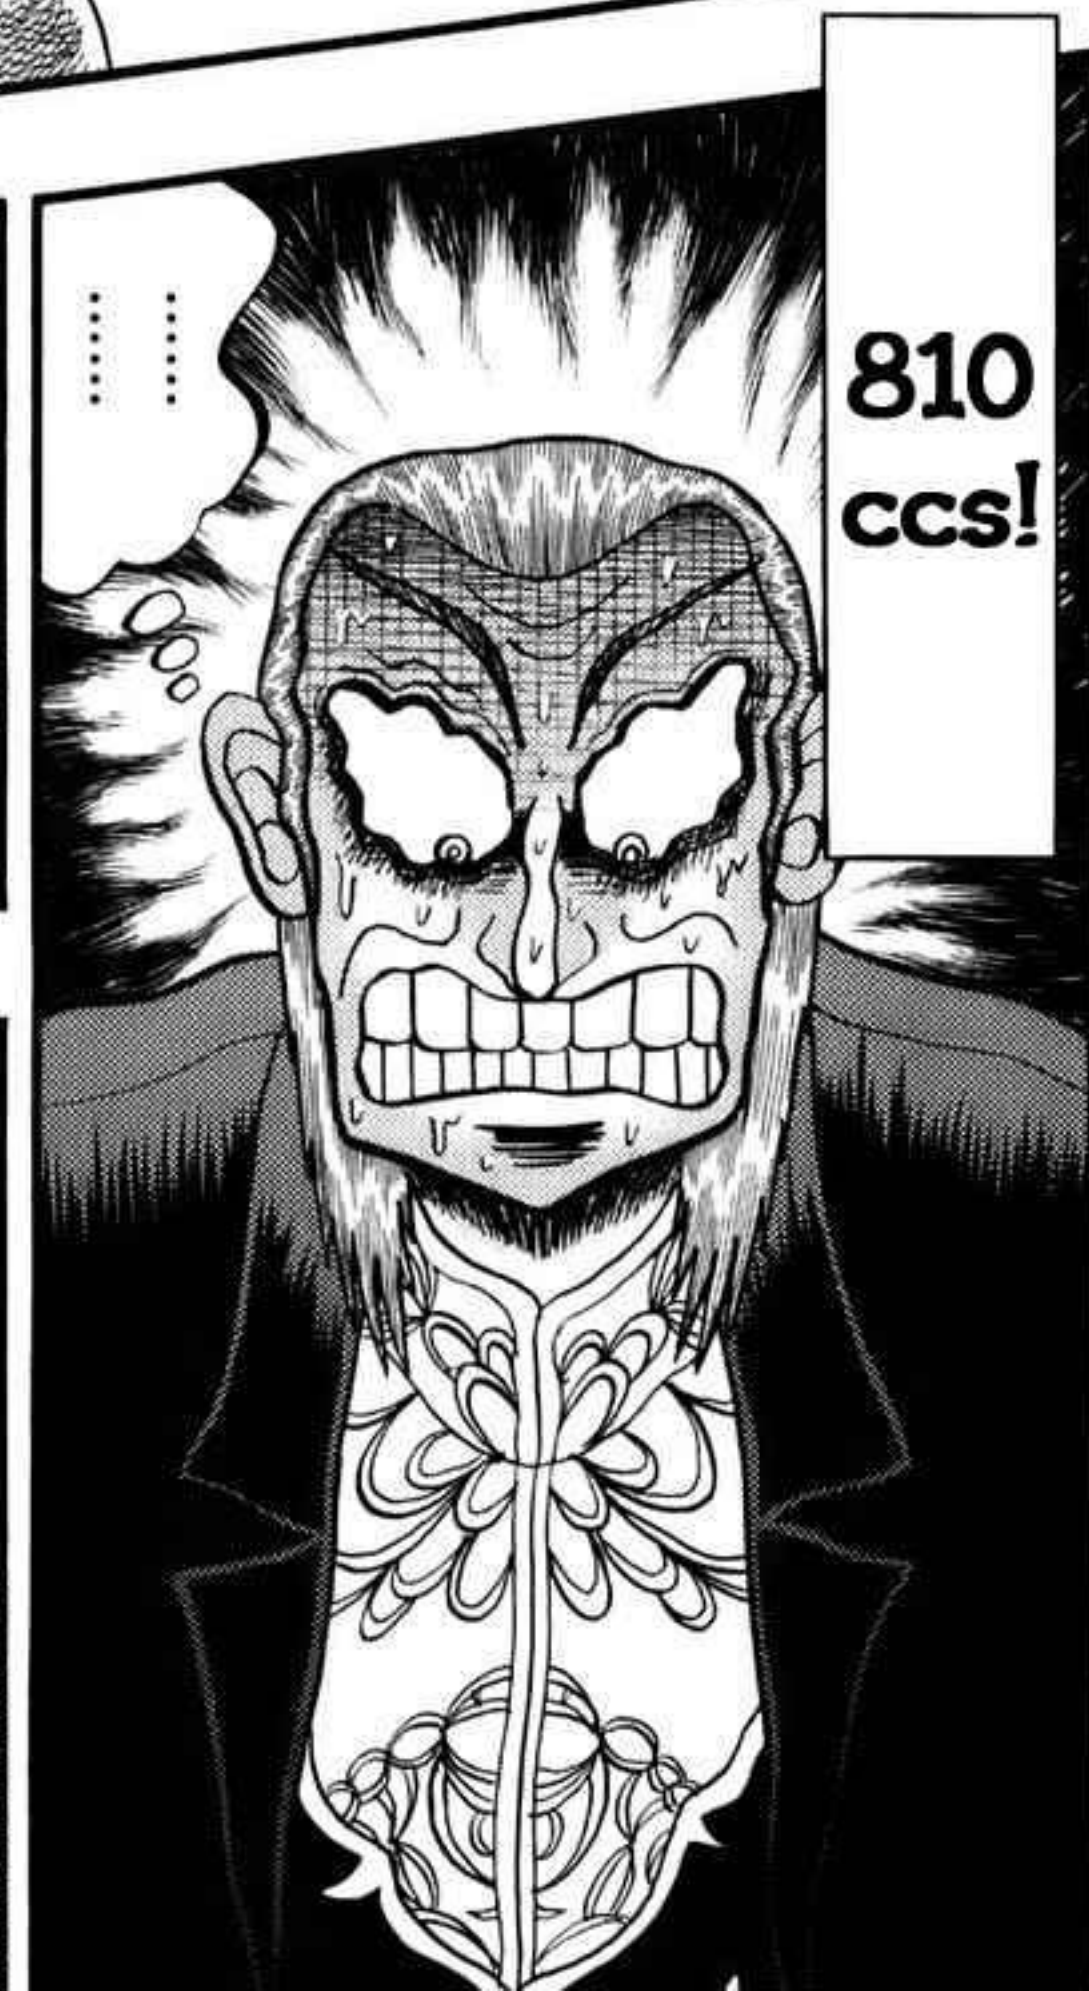

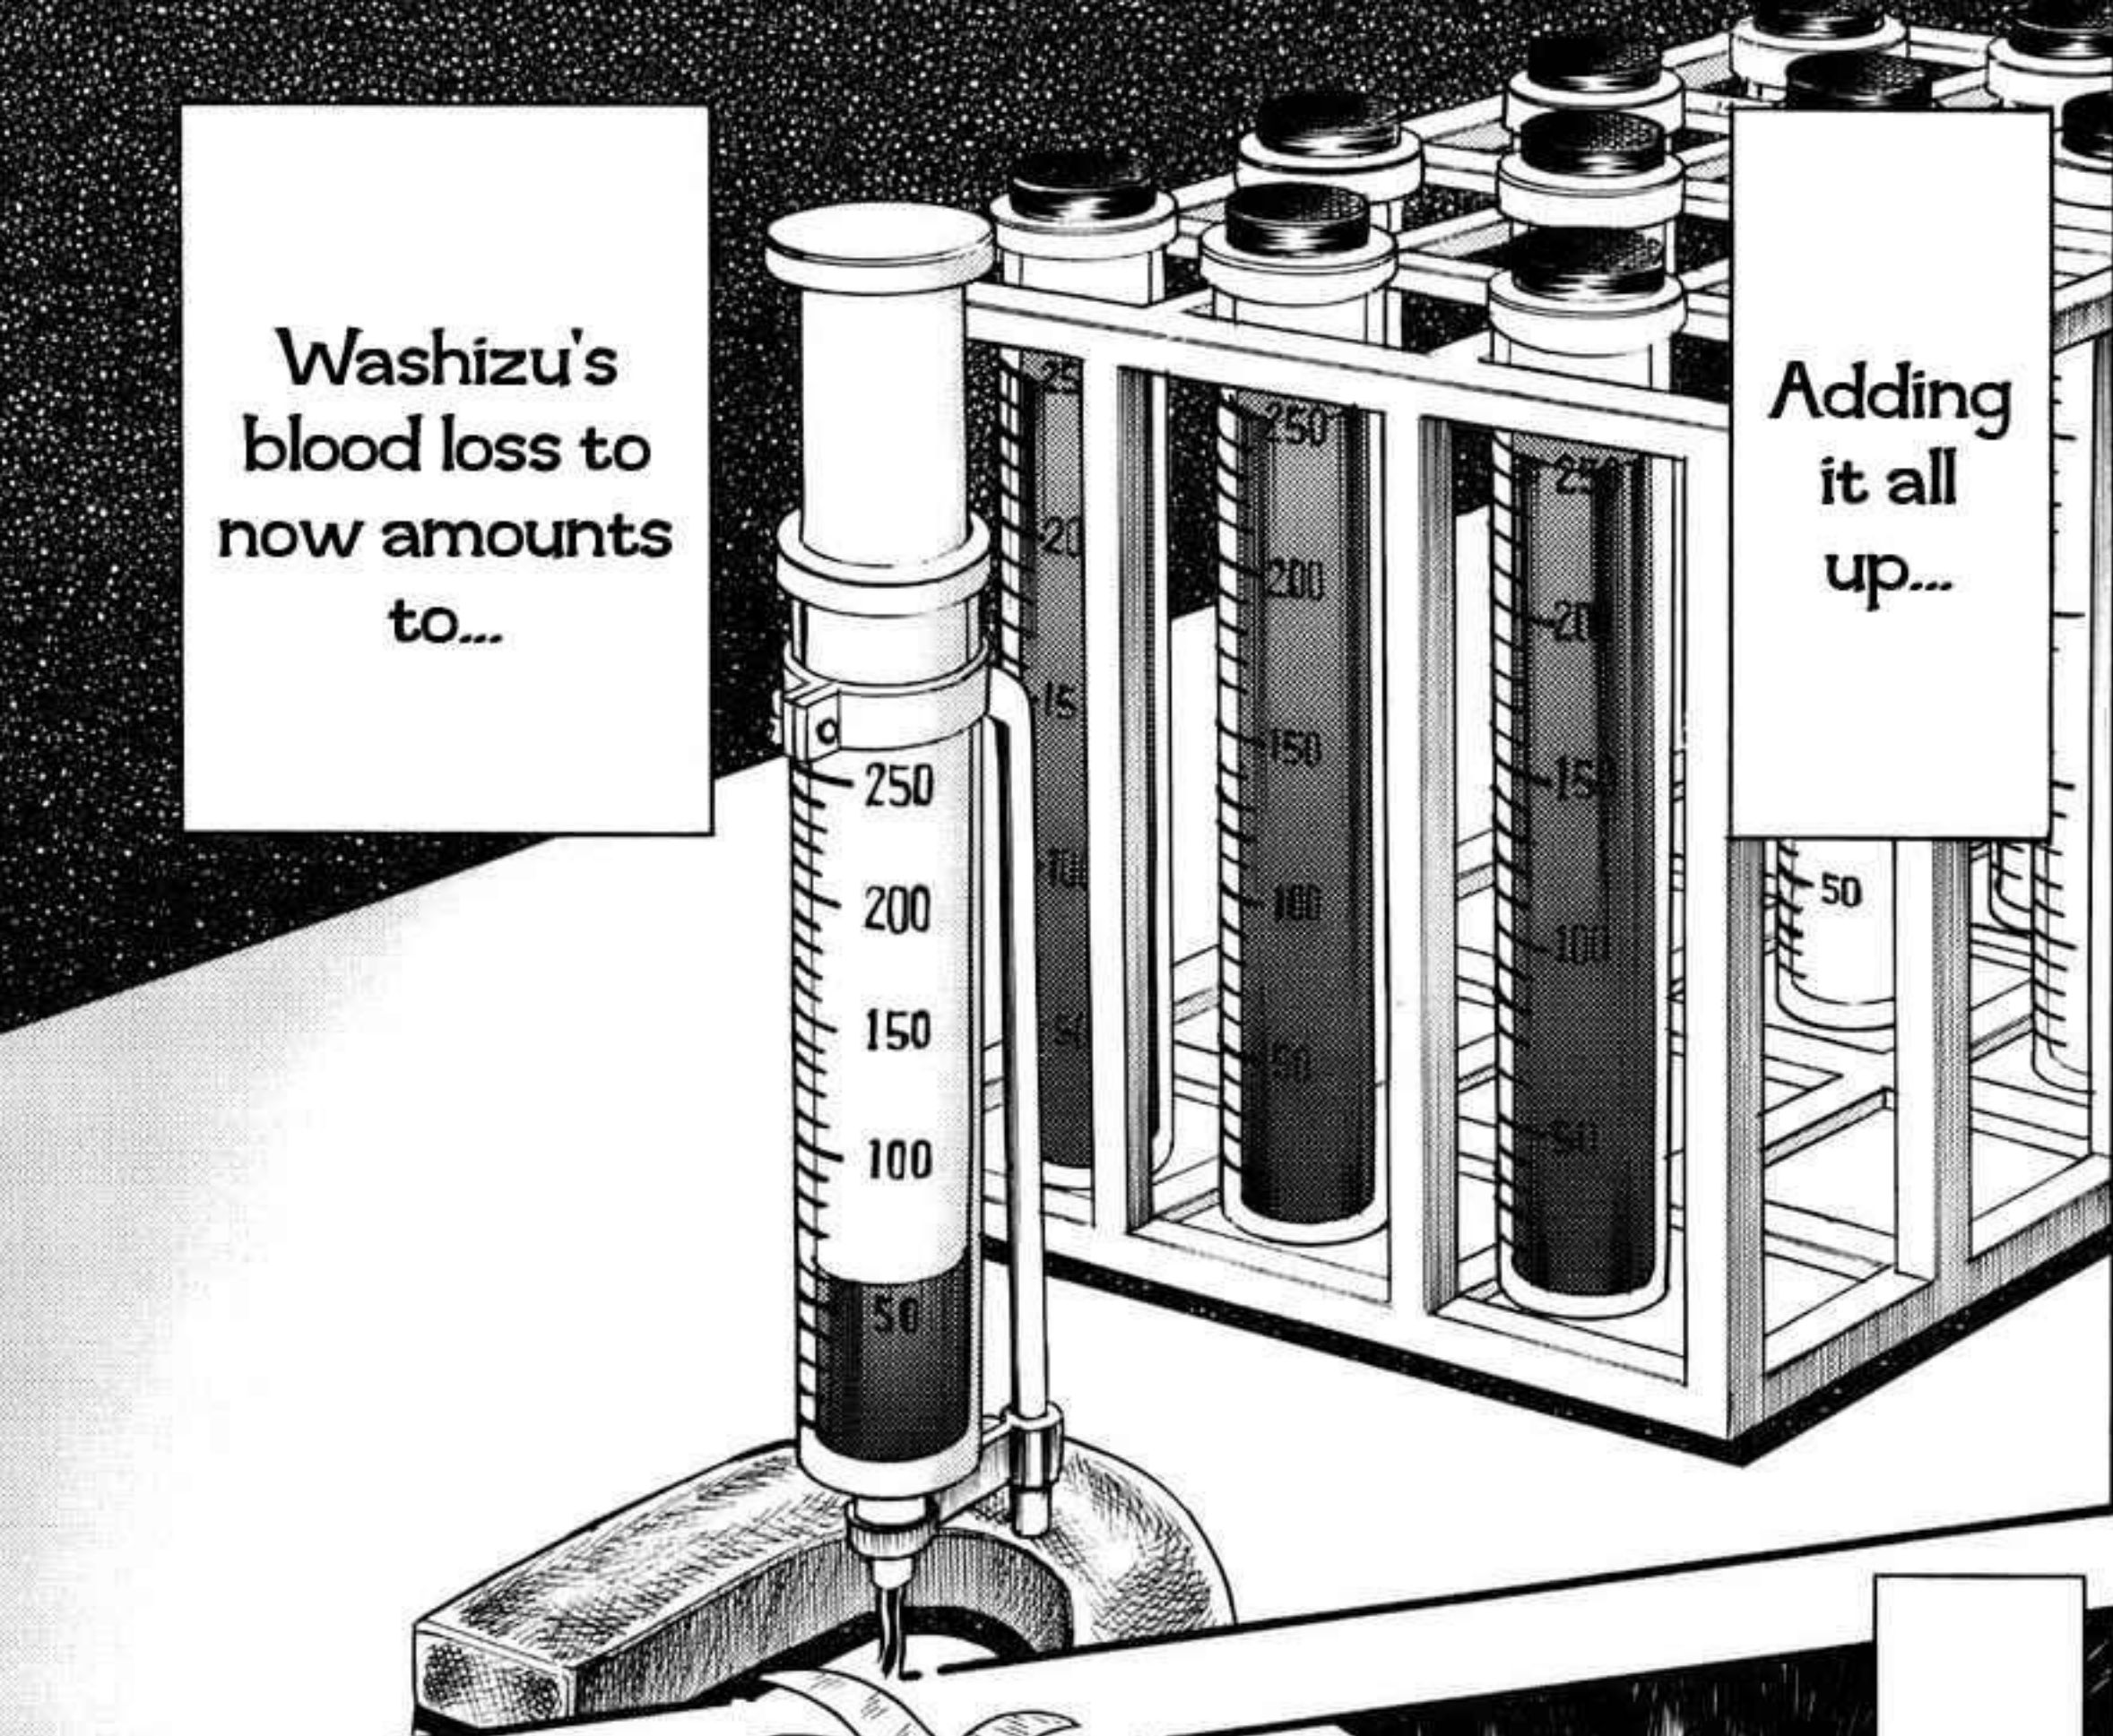

That is
now
being
drawn!

Making for
740 ccs
that he
must lose
with this
exchange.

This 7400
points is
translated
into blood...

Washizu's
blood loss to
now amounts
to...

Adding
it all
up...

GGH!

SSSSHHH!!

WE CAN
DEFINITELY
DO THIS!

WE CAN
DO
THIS...!

WHICH
MEANS
...

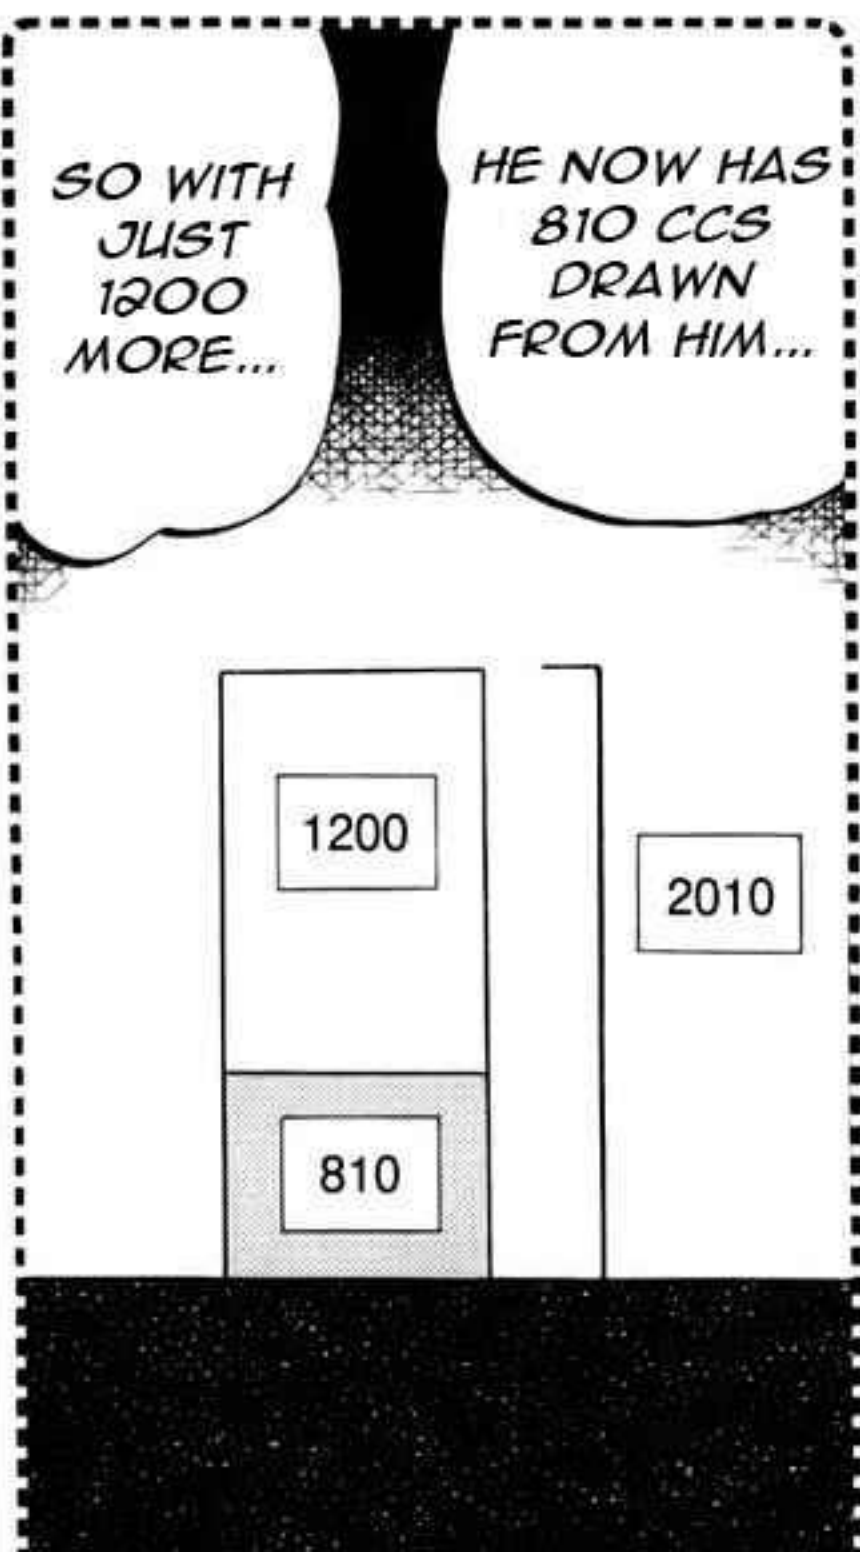

IT WILL HIT
THE LETHAL
LIMIT OF
2000
SQUARE ON
THE NOSE!

SO WITH
JUST
1200
MORE...

HE NOW HAS
810 CCS
DRAWN
FROM HIM...

IF, NEXT
ROUND,
AKAGI
USES HIS
DEALER
TURN...

I
MEAN
...

IT'S NOT
A DREAM,
ANY
LONGER...
IT'S
REALITY!

IS
NOW
IN
SIGHT!

AND OUR
BEING
ABLE
TO DRAW
THAT
2000
CCS...

THE ABSOLUTE,
UNQUESTION-
ABLE LETHAL
LIMIT IS
2000 CCS.

AFTER ALL...

HE HAS TO GO FORWARD AND STRIKE TO TAKE AKAGI'S DEALERSHIP FROM HIM!

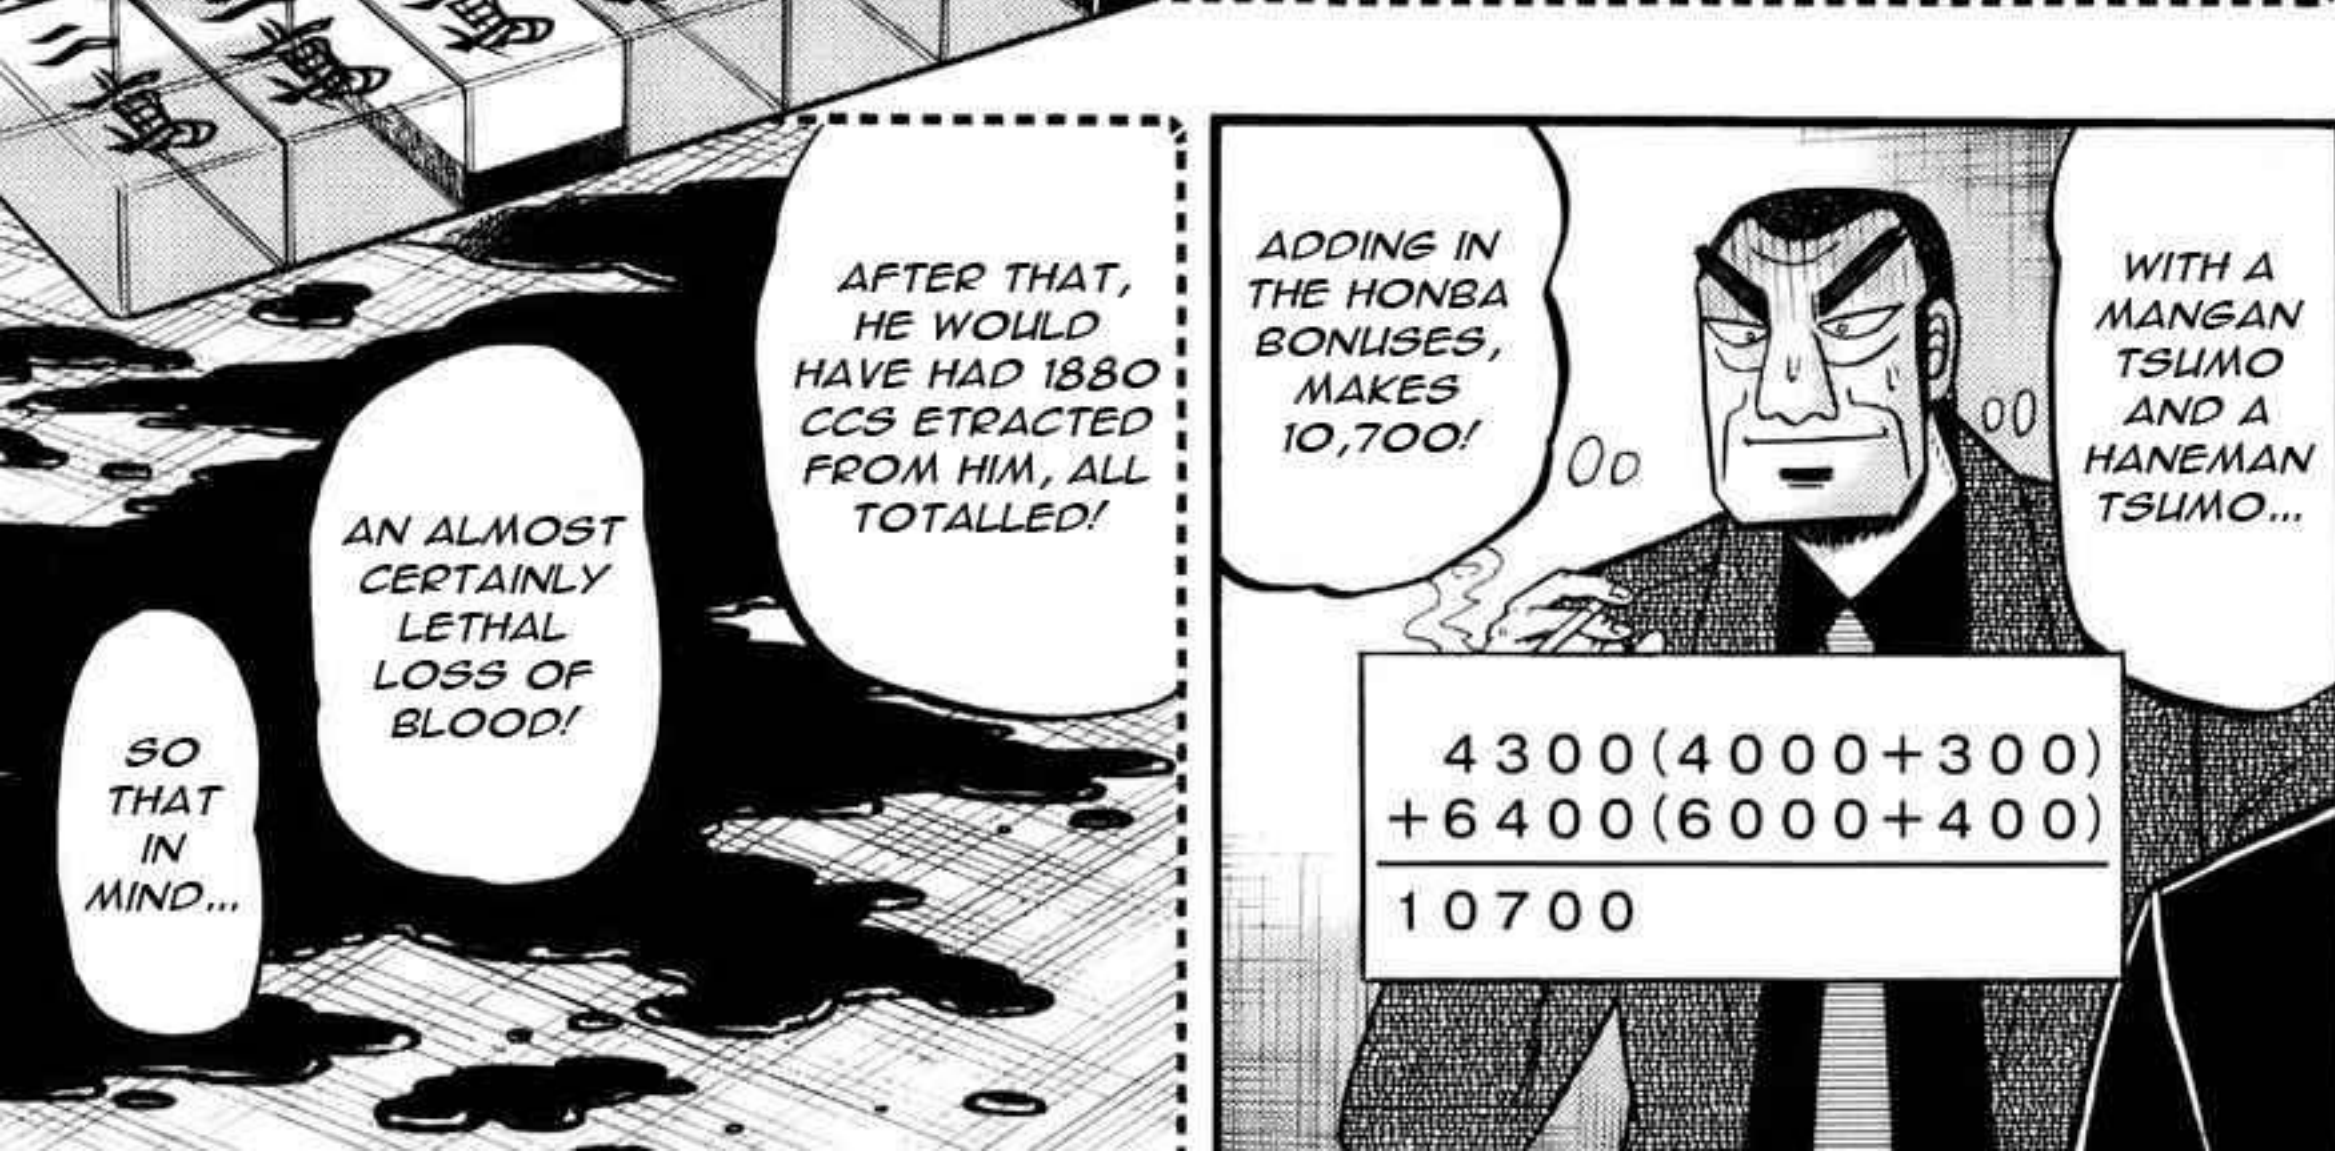

WASHIZU ISN'T IN A SPOT WHERE JUST ANYTHING HE DOES WILL WORK!

THEN THE BONUS PAYMENT FROM TSUMO...

IF AKAGI'S DEALER TURN CONTINUES LIKE THIS...

COULD DRAIN HIM DRY, AS WELL!

AFTER THAT, HE WOULD HAVE HAD 1880 CCS EXTRACTED FROM HIM, ALL TOTALLED!

ADDING IN THE HONBA BONUSES, MAKES 10,700!

WITH A MANGAN TSUMO AND A HANEMAN TSUMO...

AN ALMOST CERTAINLY LETHAL LOSS OF BLOOD!

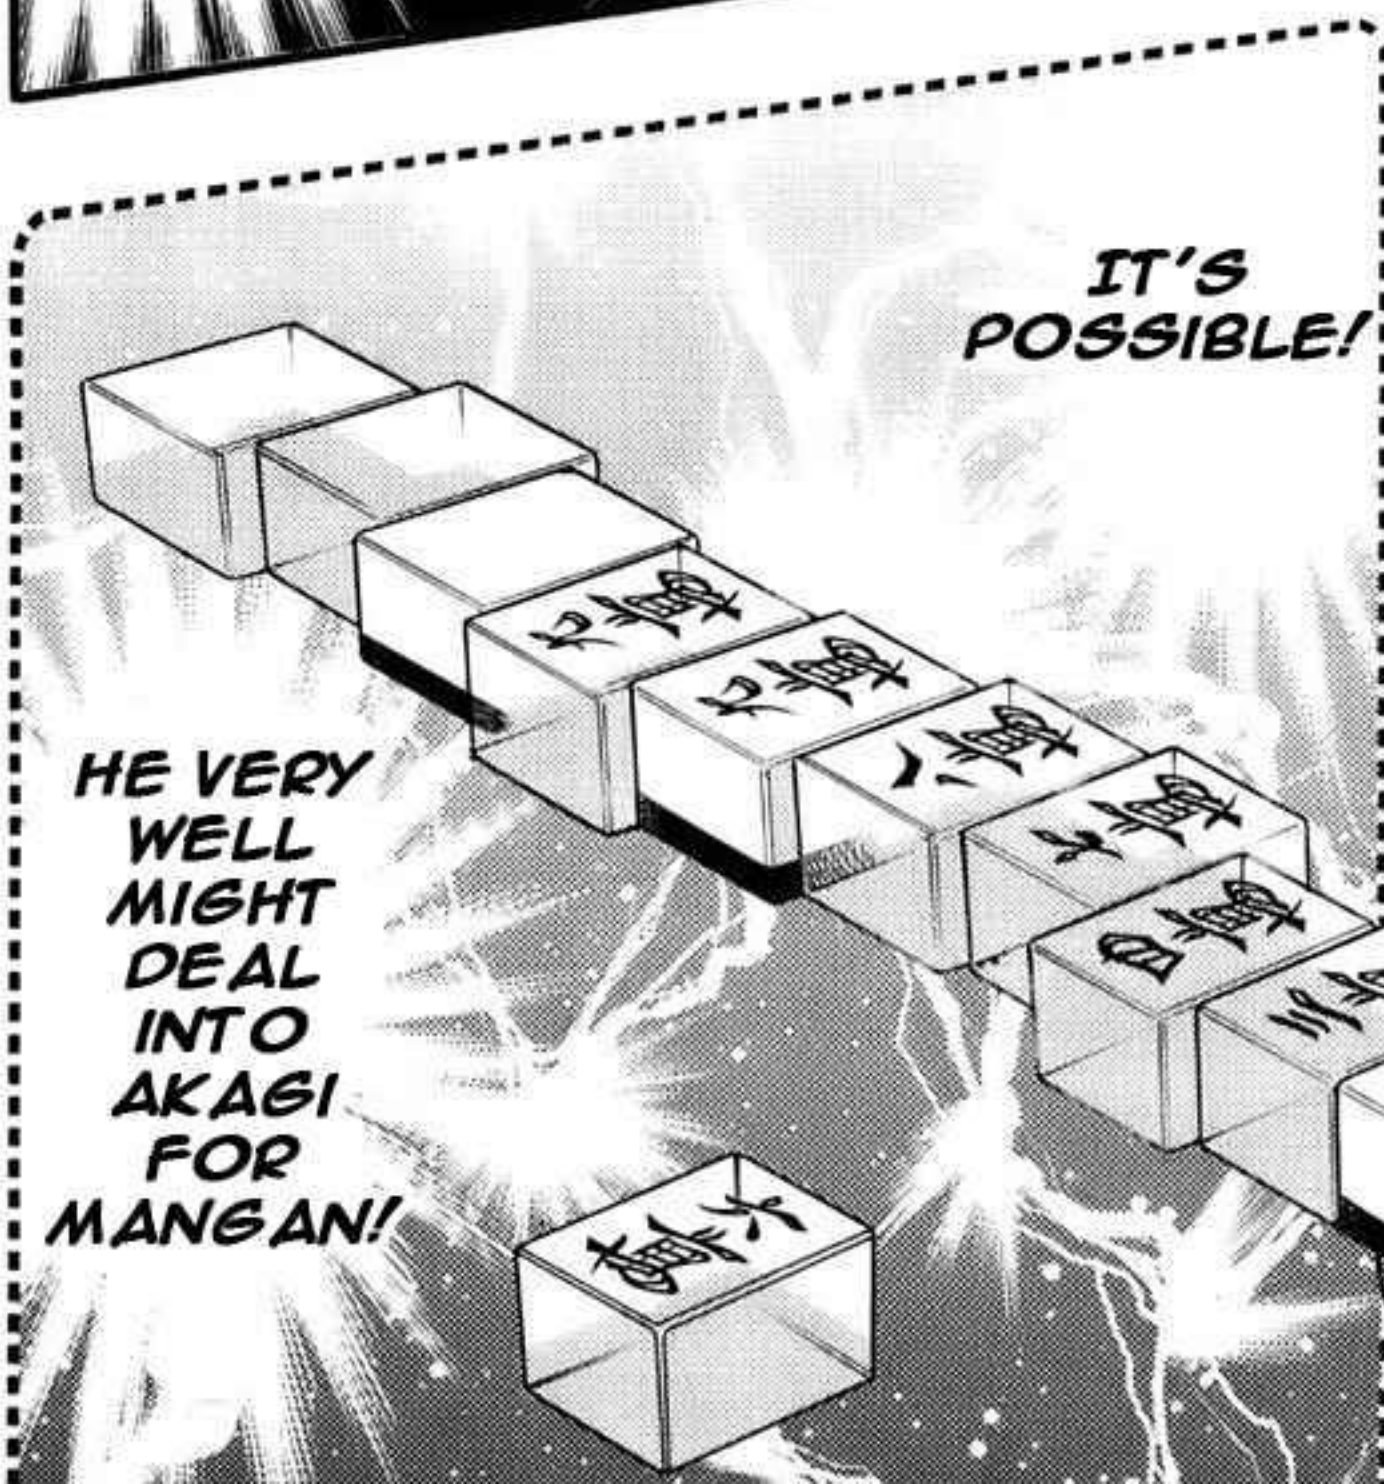

SO THAT IN MIND...

4300 (4000 + 300)
+ 6400 (6000 + 400)
10700

**HE
HAS TO
GO FOR
IT!**

**HE CAN'T
JUST
PLAY IT
SAFE!**

**IT'S
POSSIBLE!**

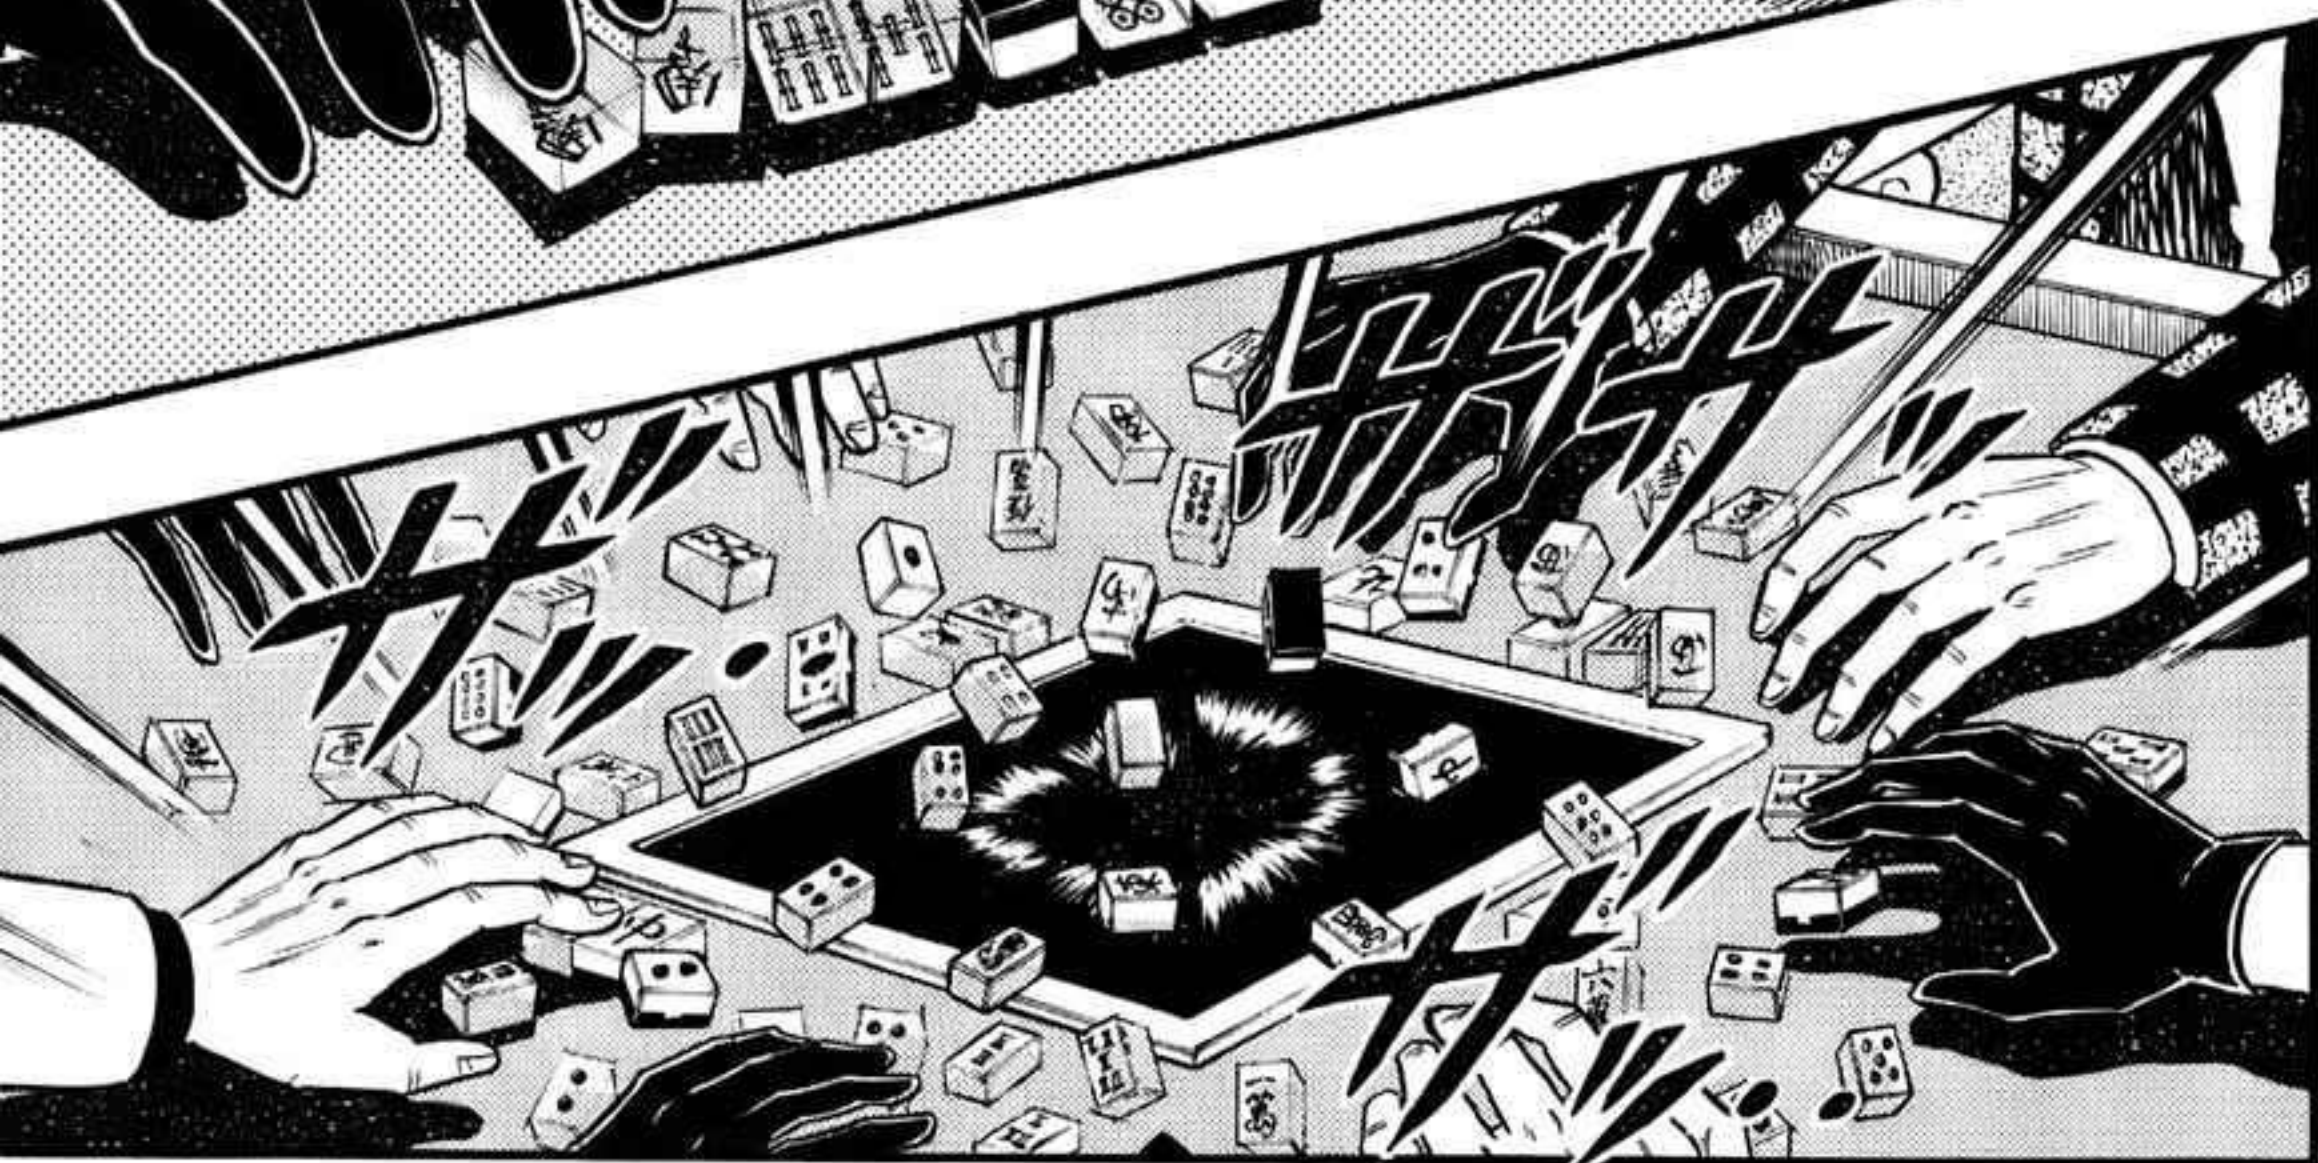

**HE VERY
WELL
MIGHT
DEAL
INTO
AKAGI
FOR
MANGAN!**

IN
WHICH
CASE...

**WE'RE
CLOSING
IN!**

**GRGH
....!**

**KGH
....!**

**WE'RE
CLOSING
IN ON
WASHI-
ZU...**

**AT
LONG
LAST!**

**WHERE ARE MY
REINFORCEMENTS?!**

**WHY HAVE
YOU ALL
STOPPED
SUPPORTING
AND
PROTECTING
ME?!**

**YOU HAVE TO
HURRY UP
AND SAVE
ME!!**

**YOU
CAN'T

**BE

**I HAVE TO
RECOVER
FROM
THIS!!**

**I NEED
