Chiikawa

And then I'll go right to sleep

I want to live like this

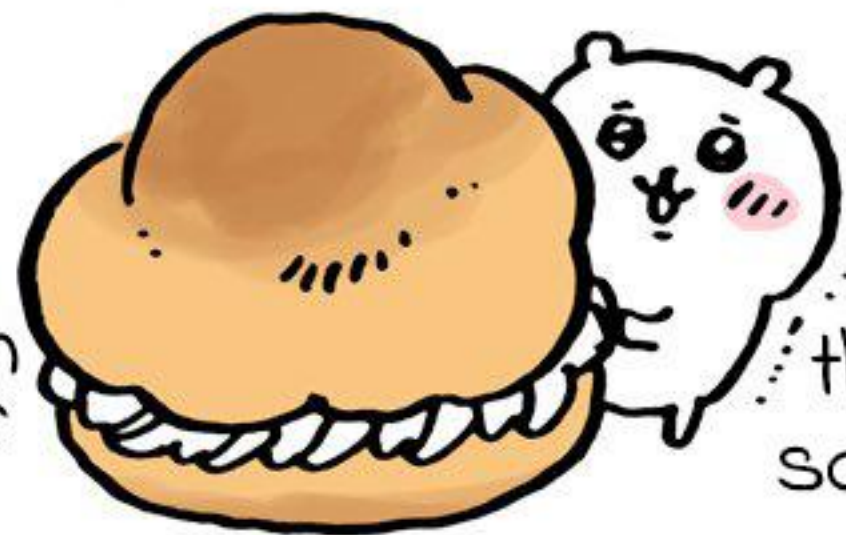

I ate it all

like a big cream puff

and then get something

and burry myself in it while feasting

and fall  
asleep  
in a bed  
that's like  
cotton

Some  
kind of  
small  
and cute  
creature

I want to  
become  
something  
like this

in a good  
mood

I want to  
go back  
home

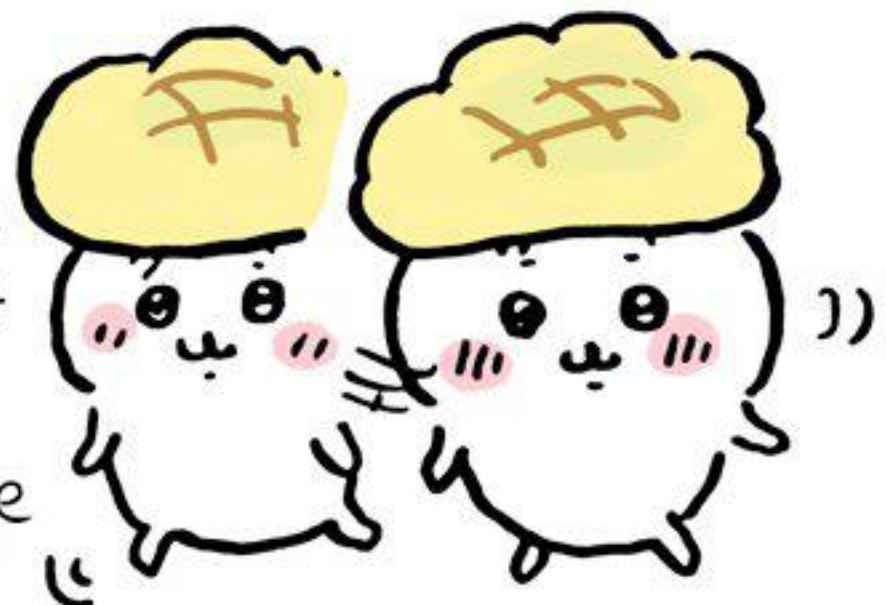

and wear  
silly hats like  
this

and get  
complimented

and  
parade  
in front  
of  
everyone

Some  
kind of  
small  
and cute  
creature

I want to  
become  
something  
like this

carried automatically

or when I'm  
carrying  
a lot

or when  
my legs  
are  
tired

and  
then  
on a  
rainy  
day

in a  
cart  
like  
this

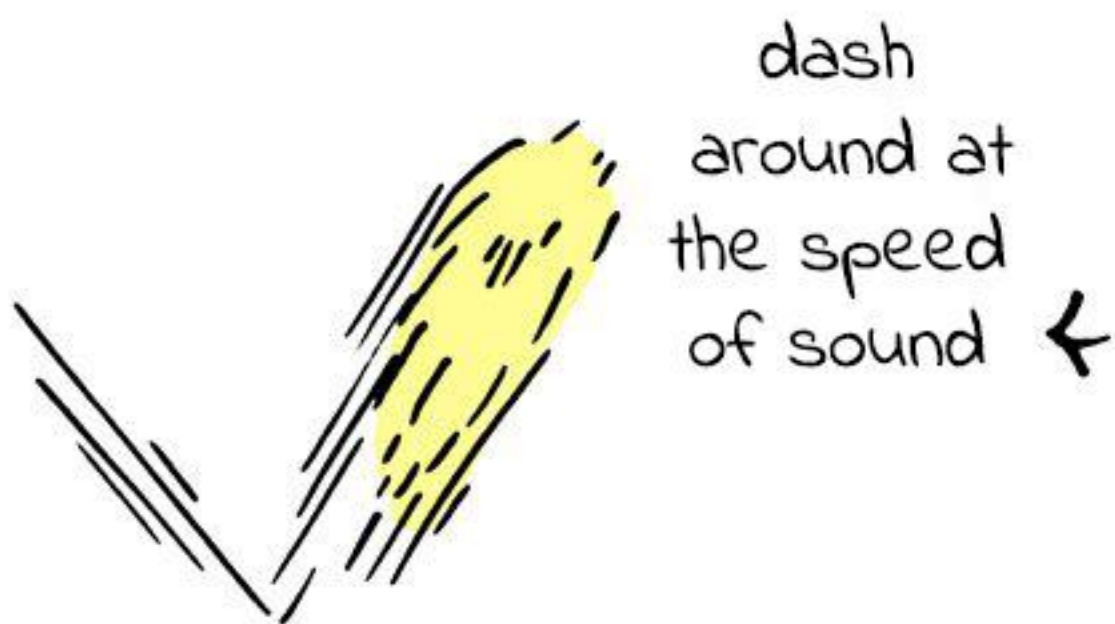

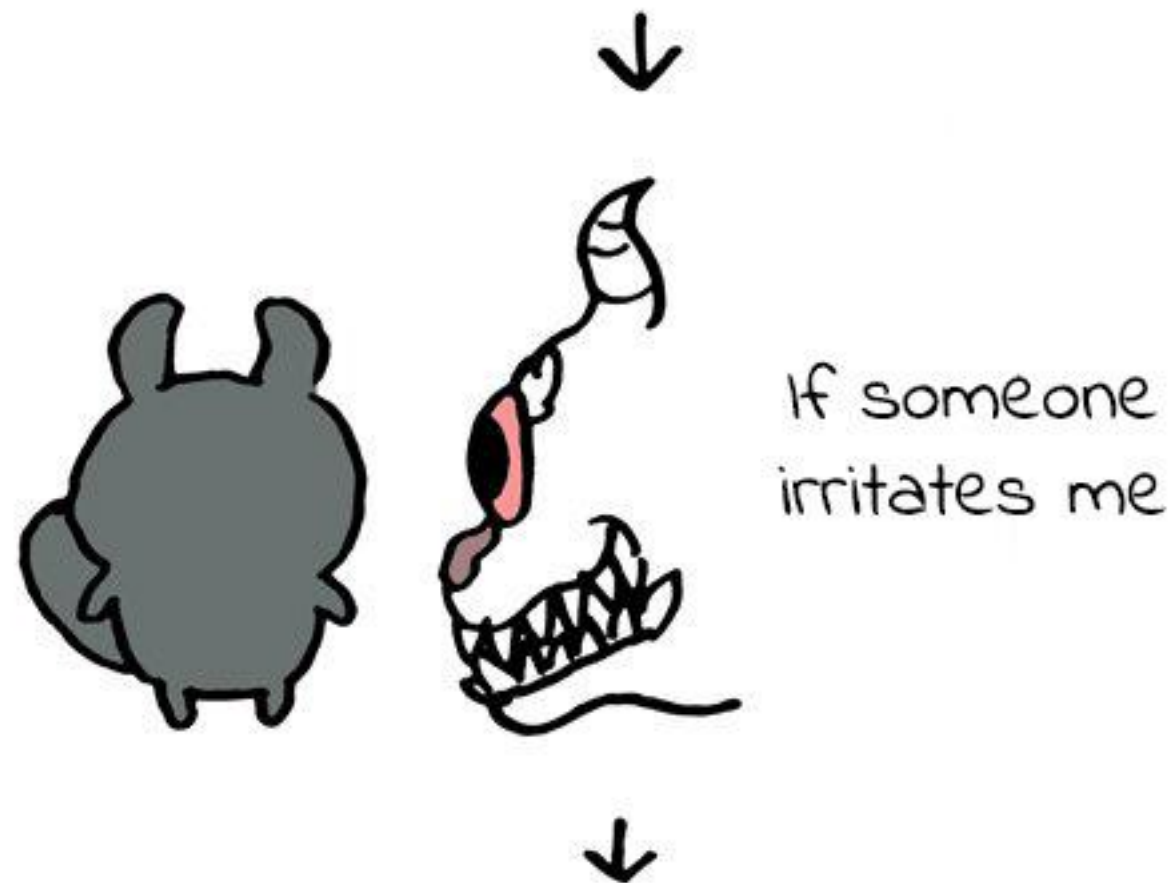

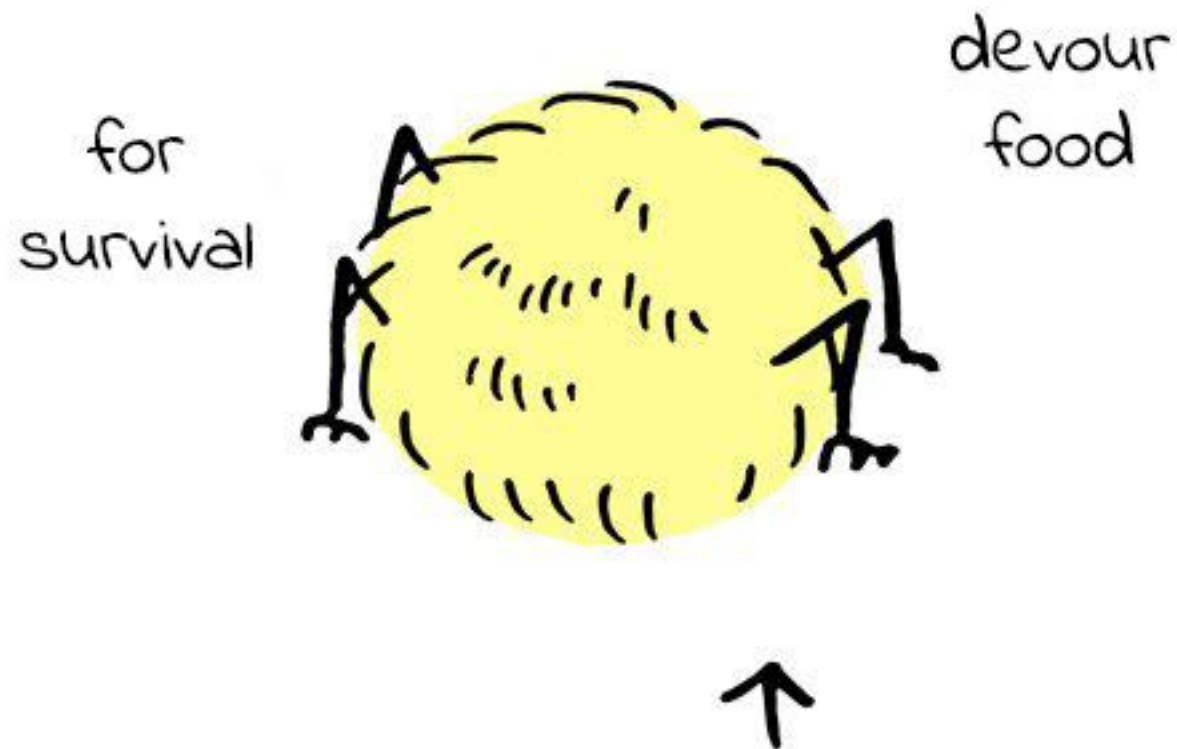

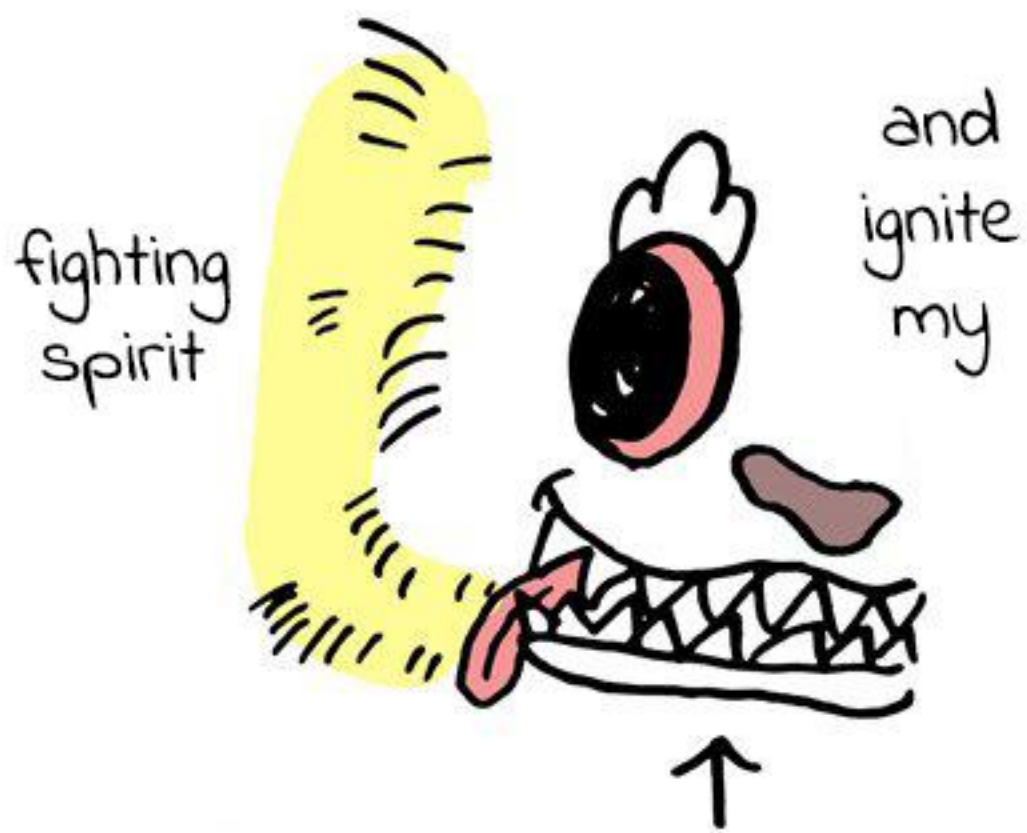

and be  
picked  
up

I want to fall over and cry

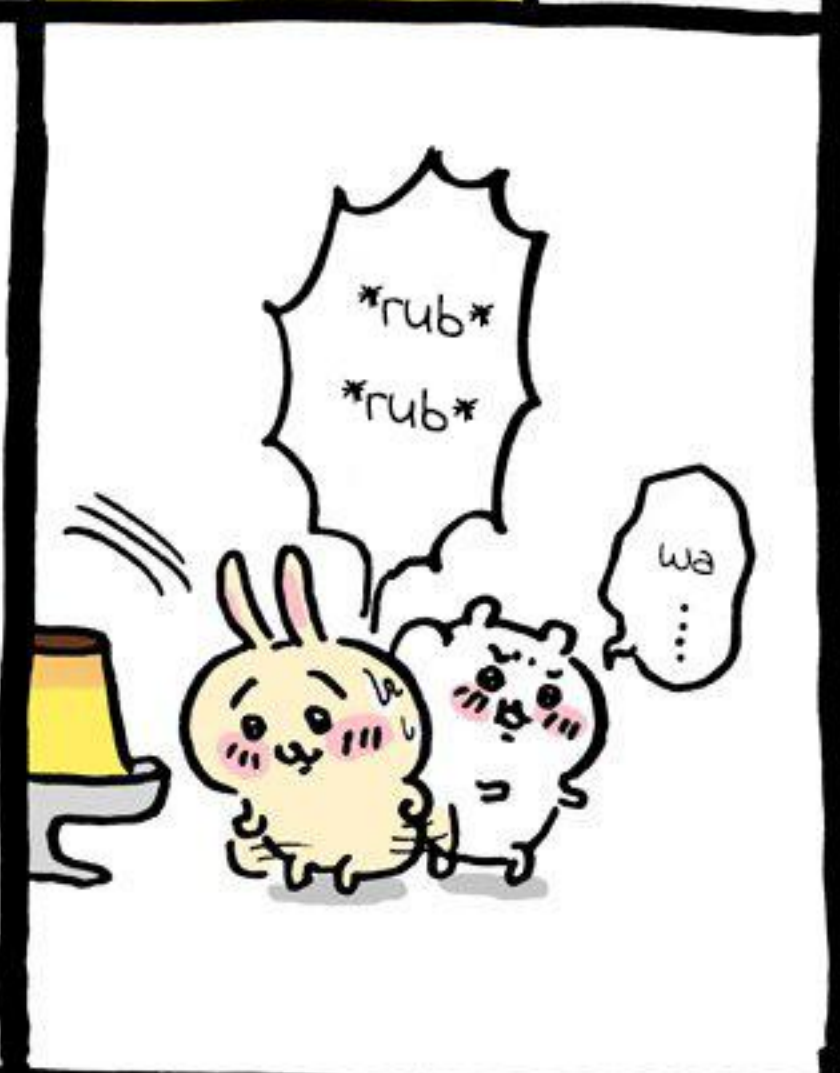

Still only  
the  
outside
