Hello!

What's that?

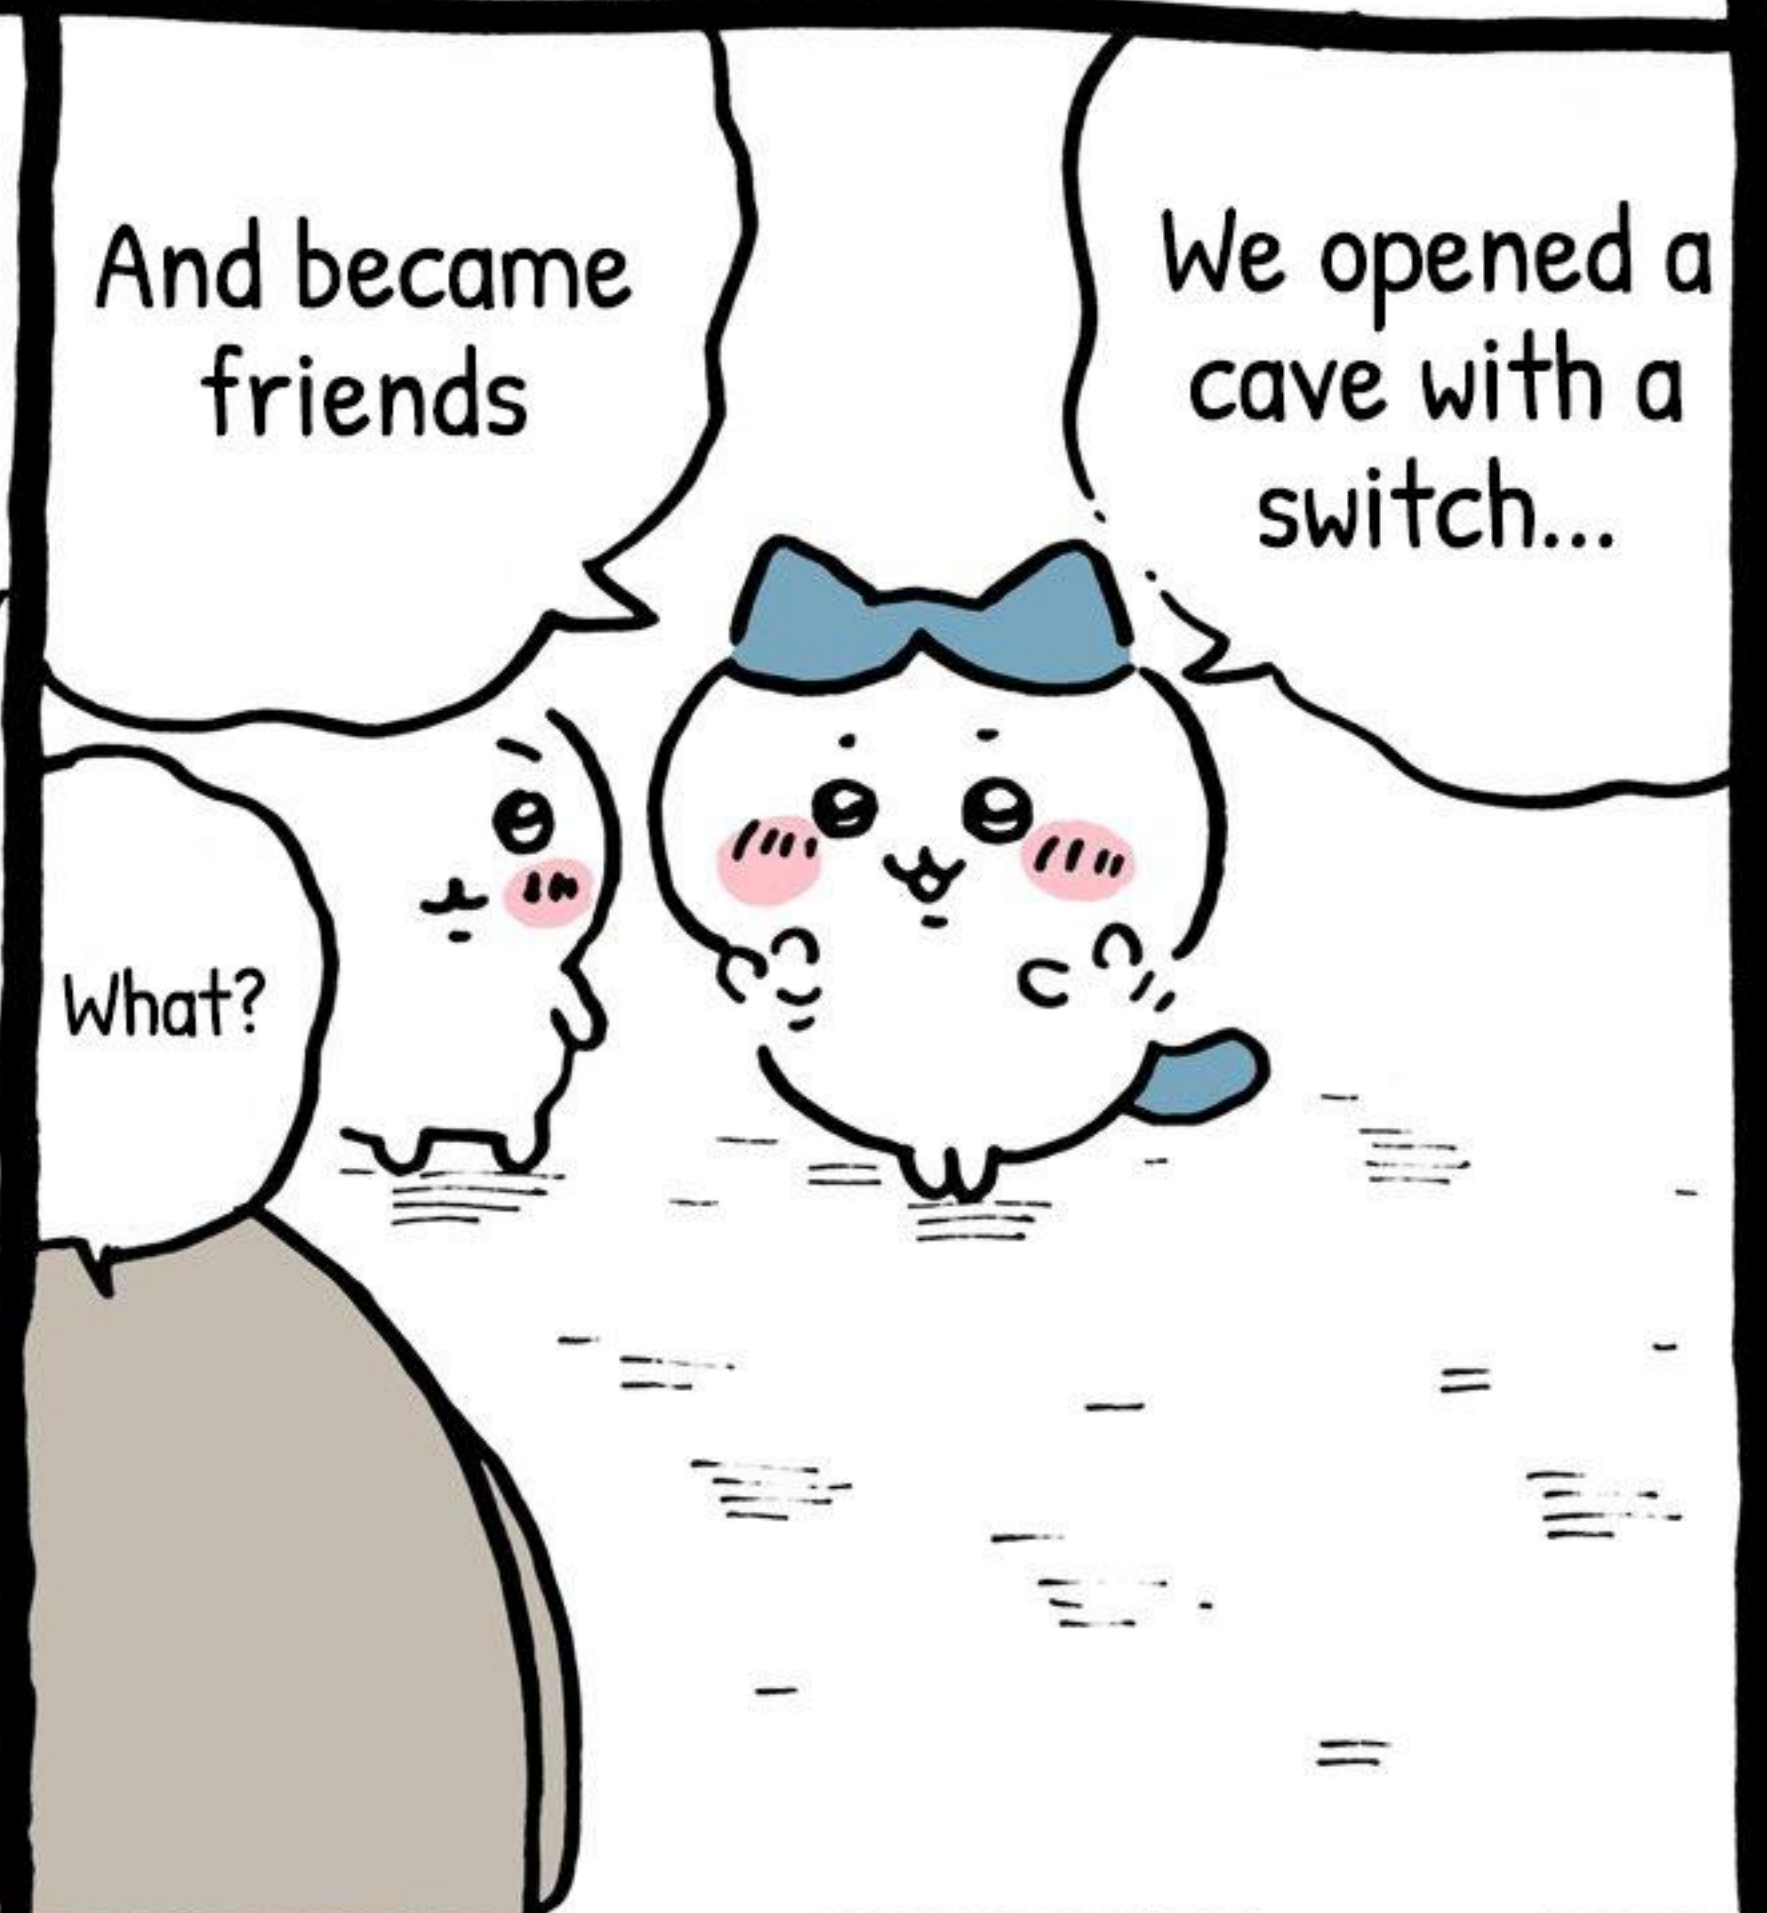

What is  
that?

So...

An

are they? They're  
not...

And became  
friends

We opened a  
cave with a  
switch...

What?

DASH

You haven't  
almost been  
eaten

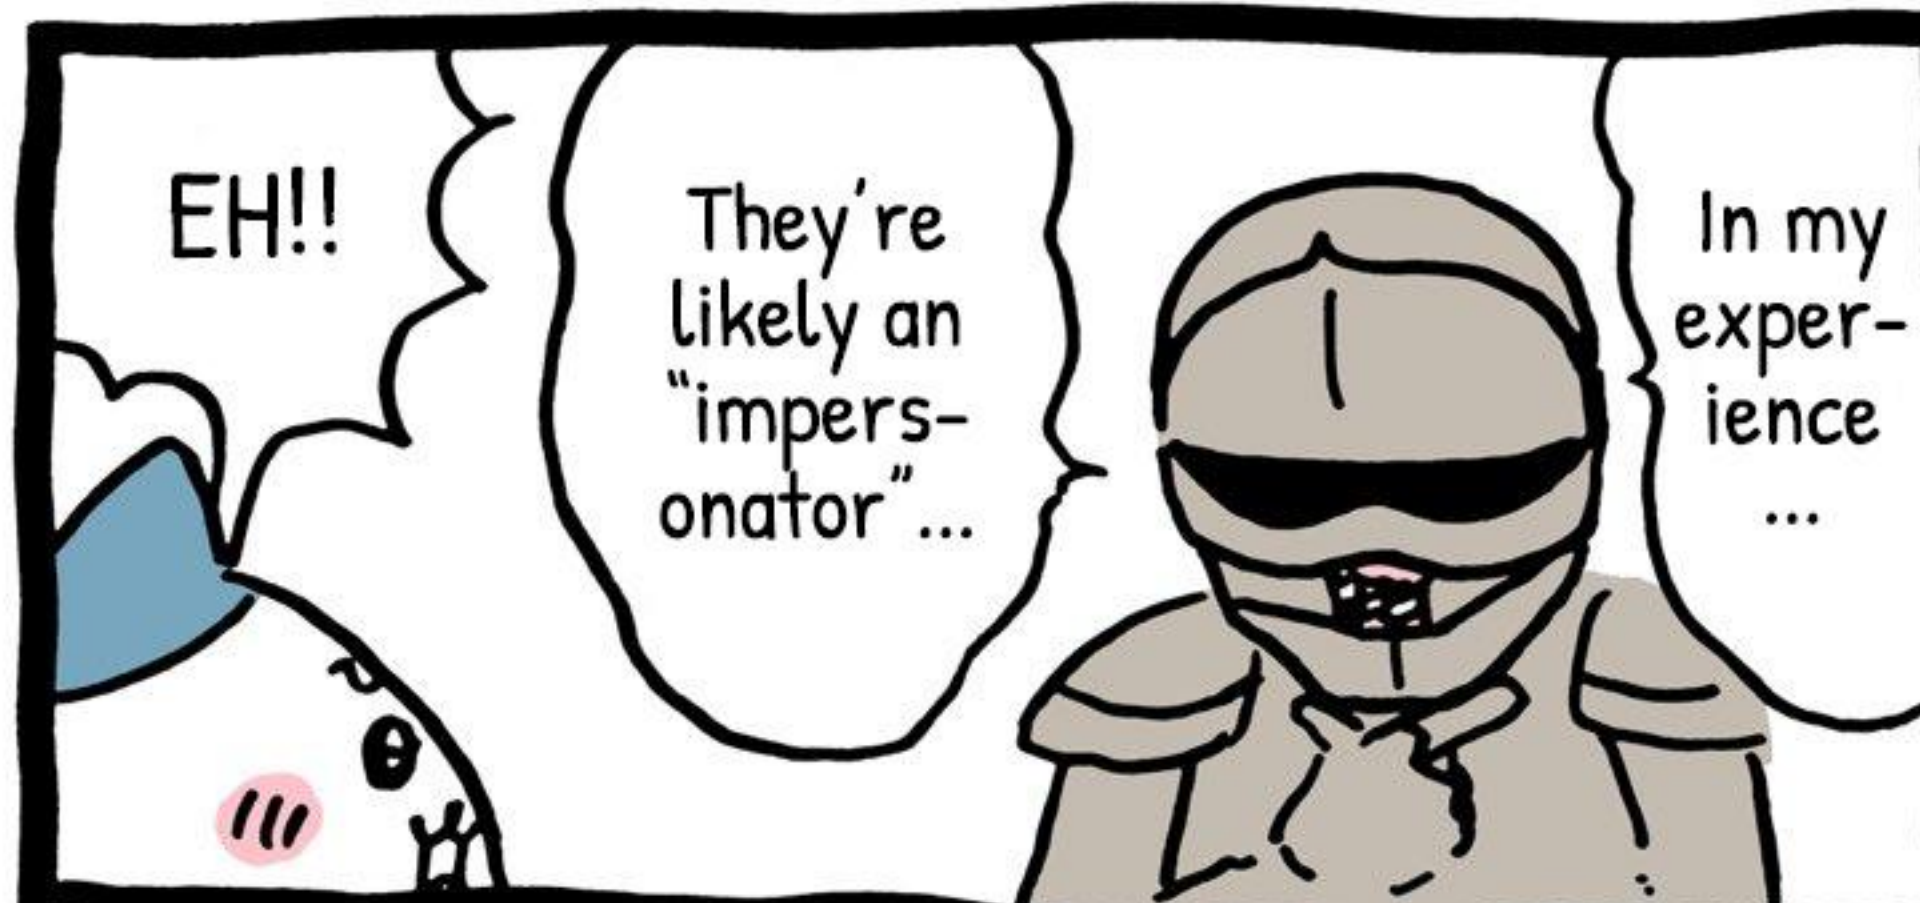

Have you?

urp\*  
chomp\*

Or seen  
them  
behave  
violently

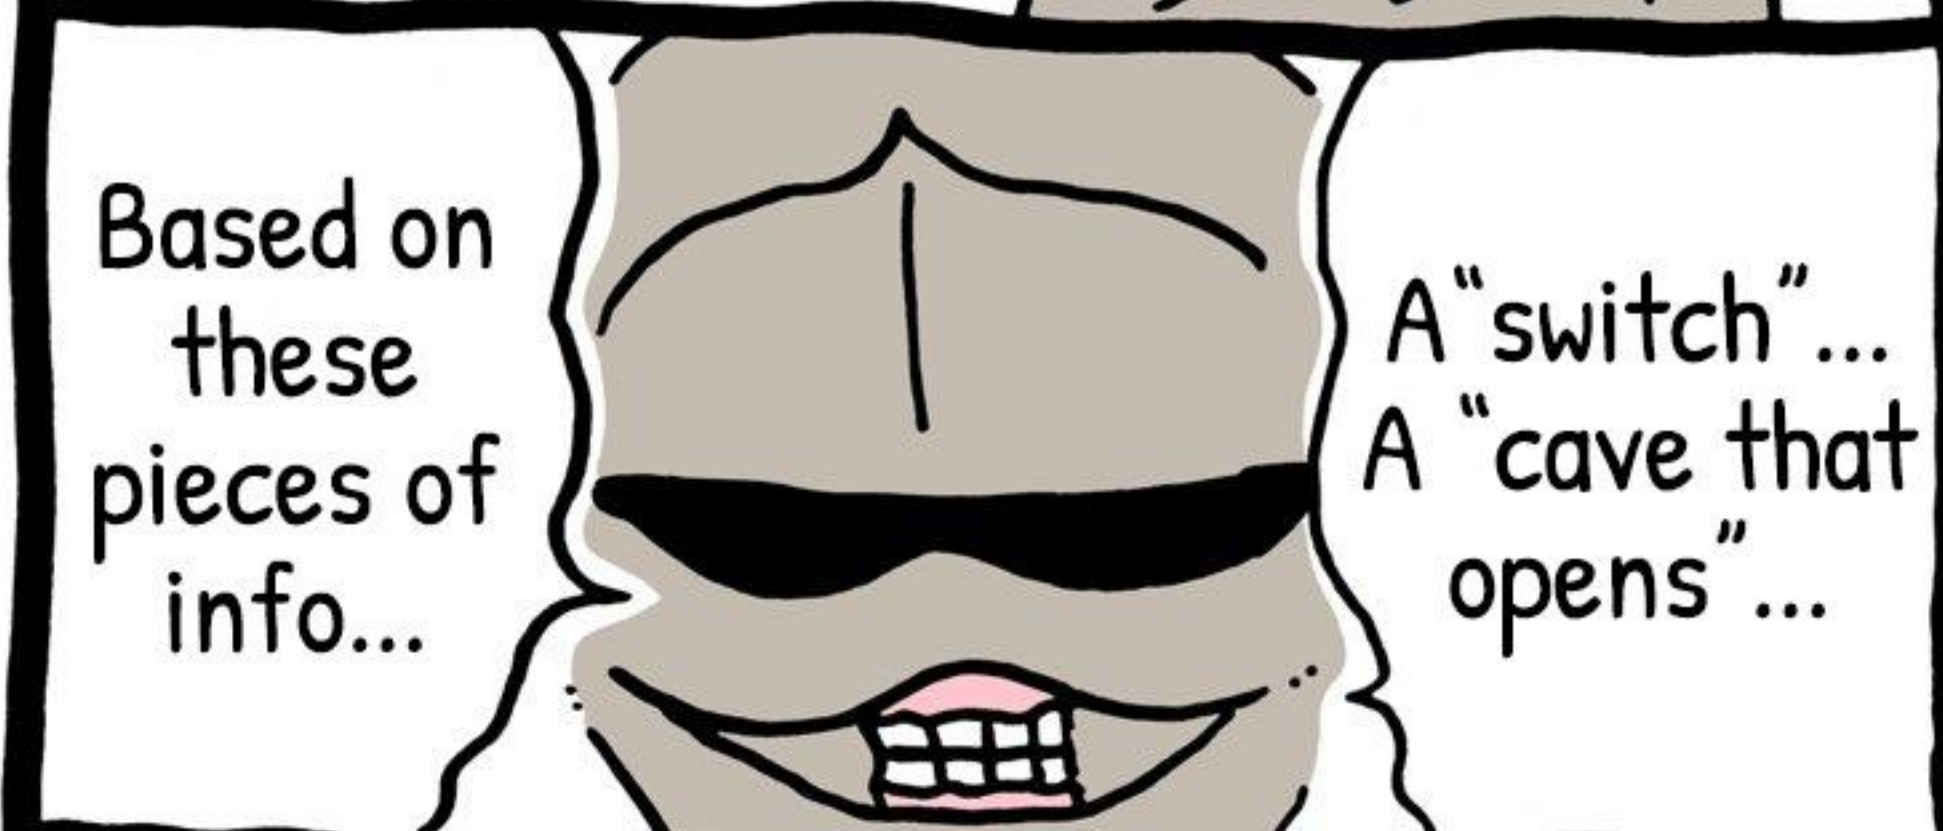

EH!!

They're likely an "impersonator"...

In my experience ...

Where are you going?

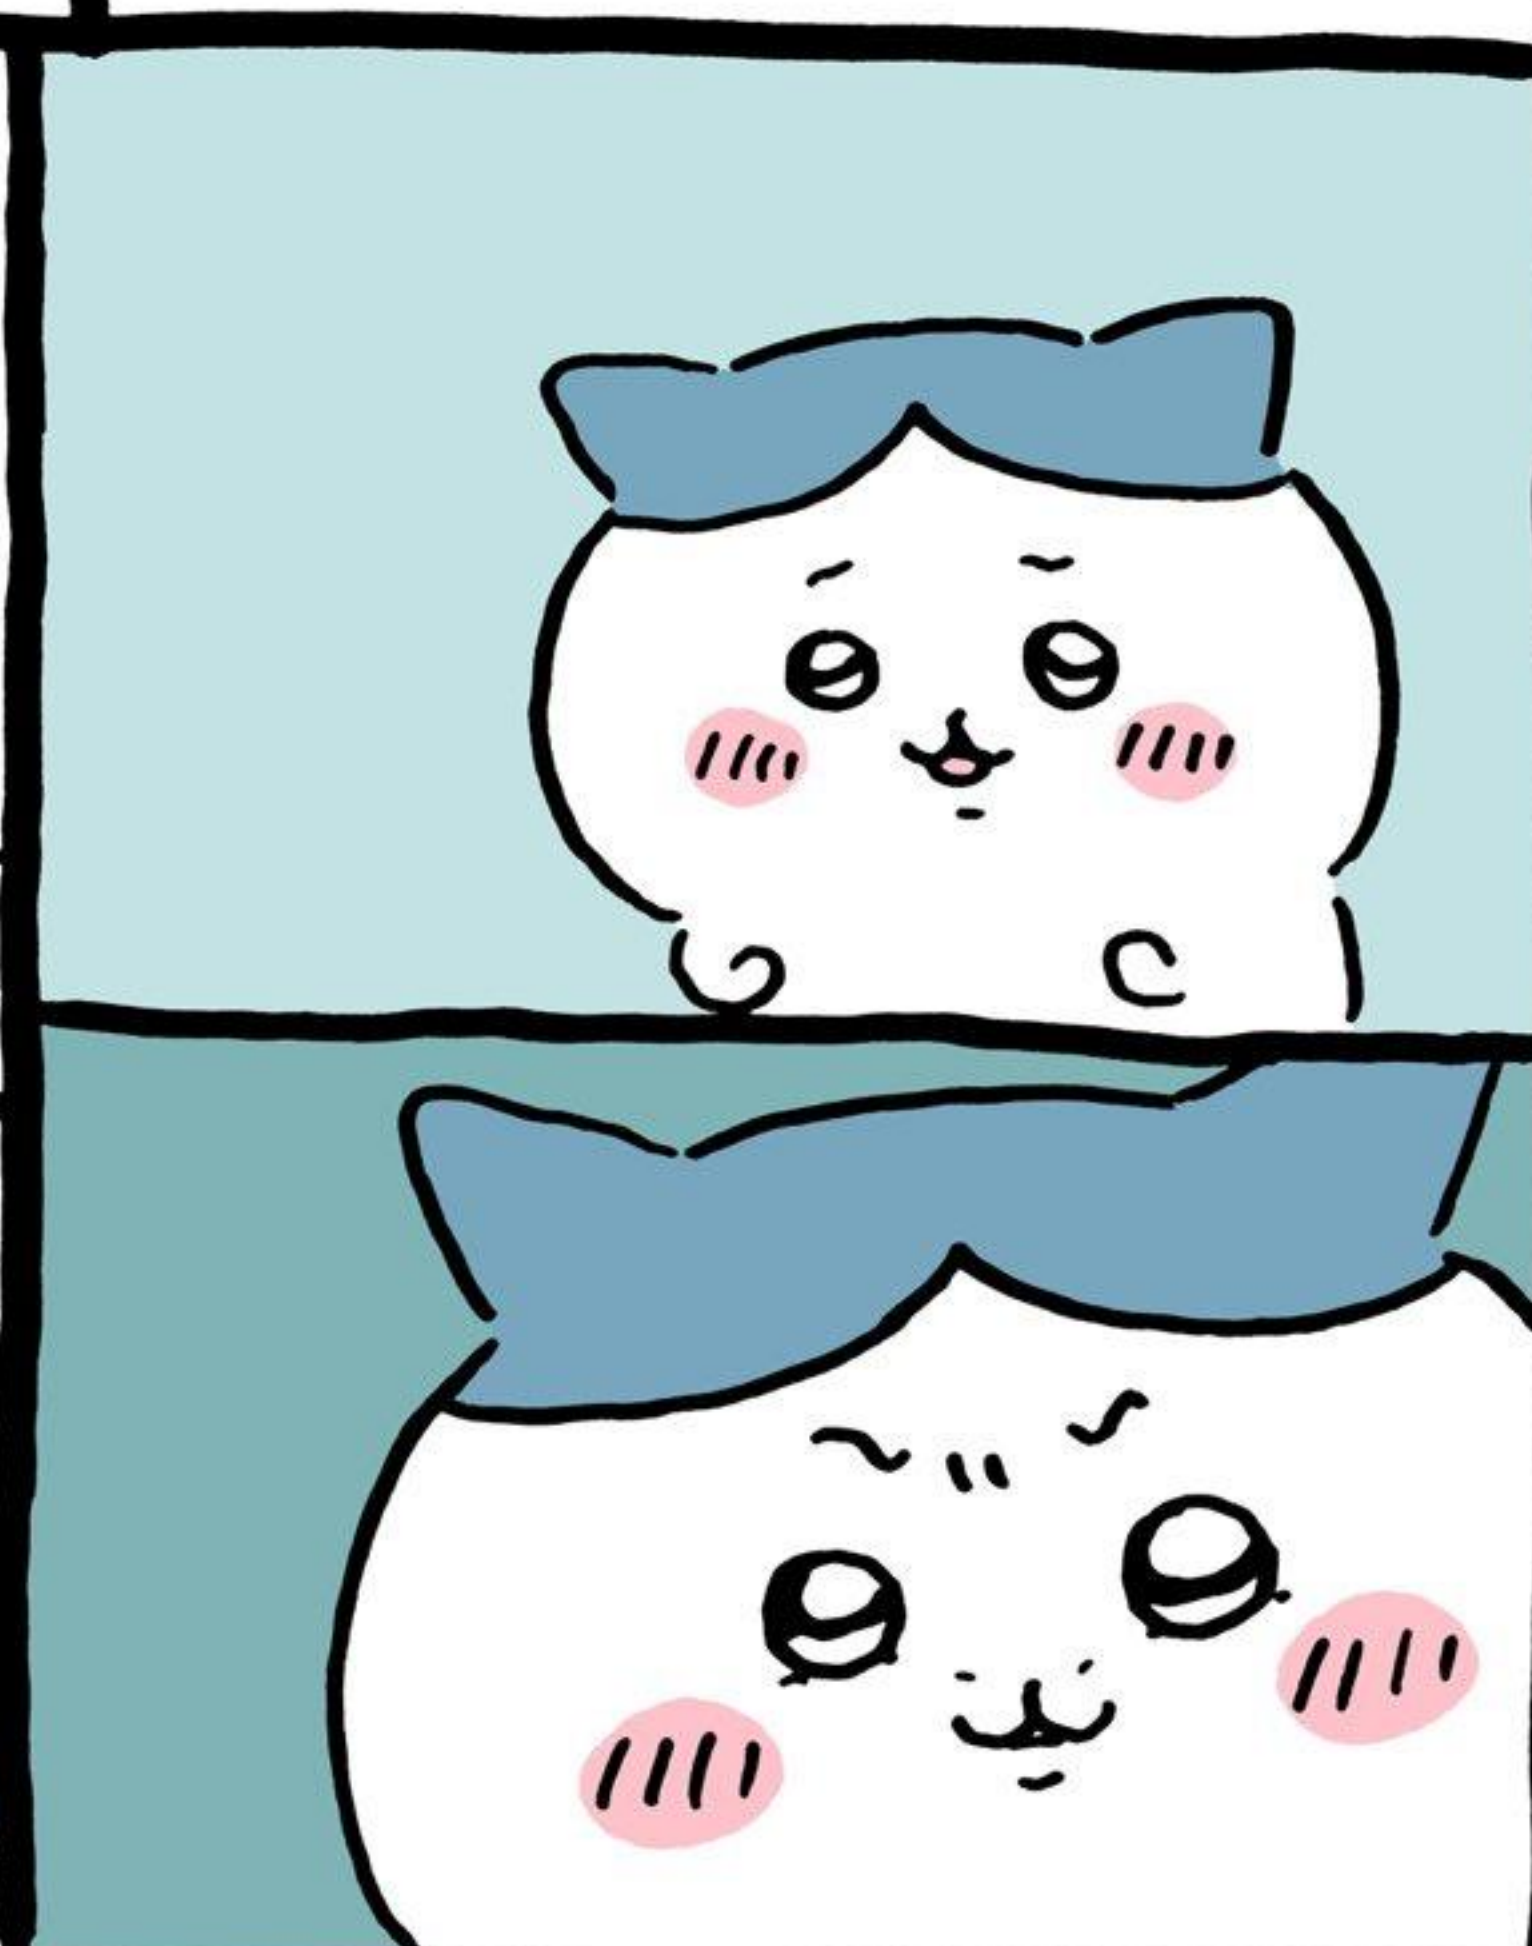

Based on these pieces of info...

A "switch" ...  
A "cave that opens" ...

You mean.. "they trapped a dangerous impersonator inside a cave"!?

YES, THAT!

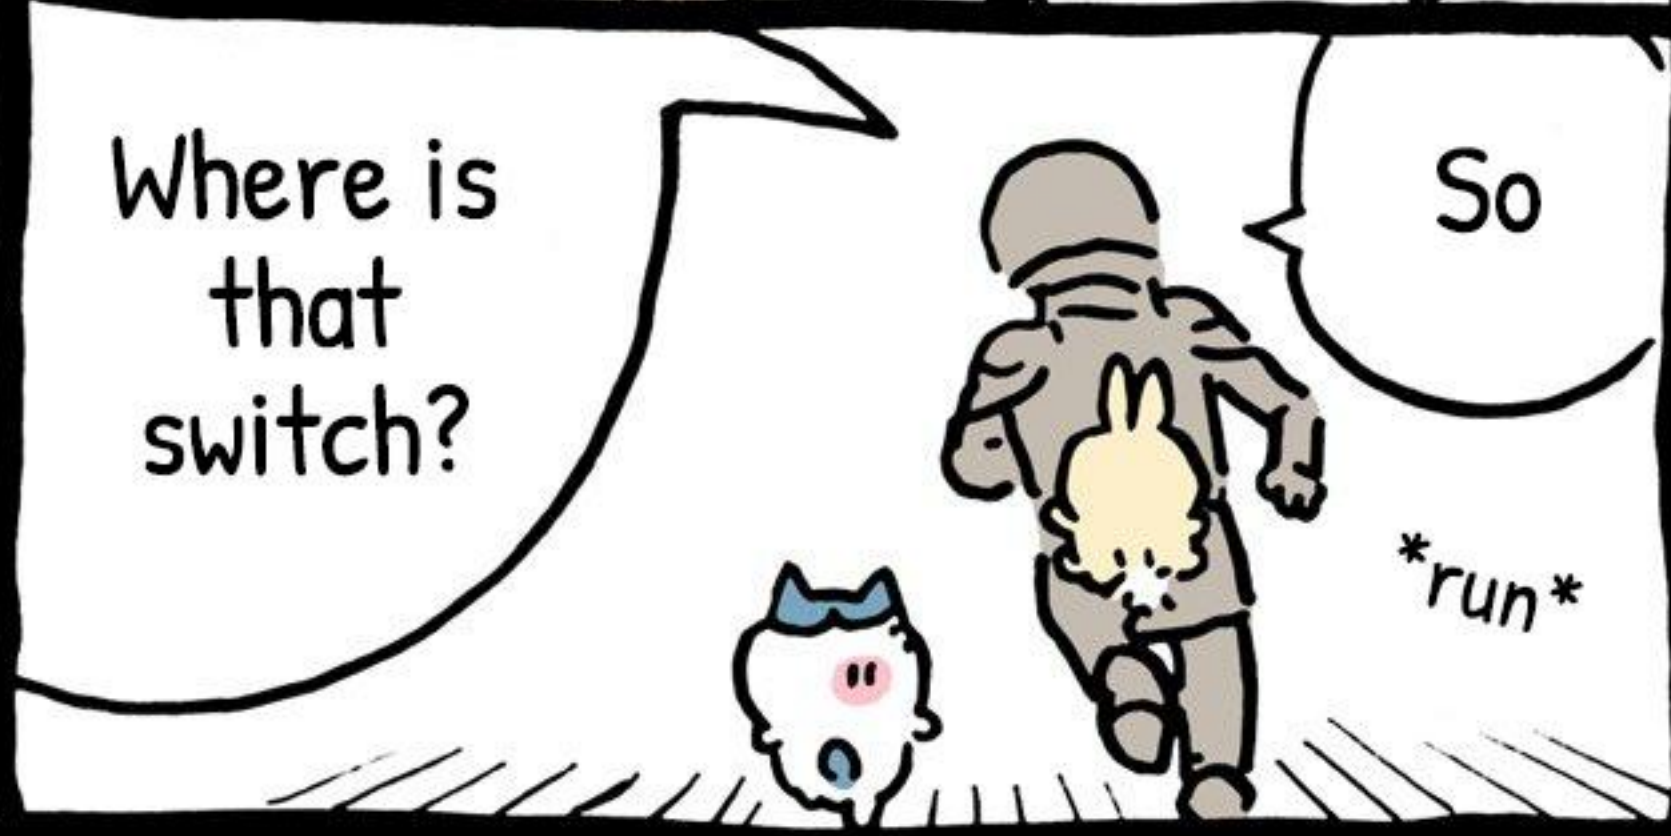

We left it somewhere

Umm ...

For now, let's chase them

But they're our friend...

Where is that switch?

So

\*run\*

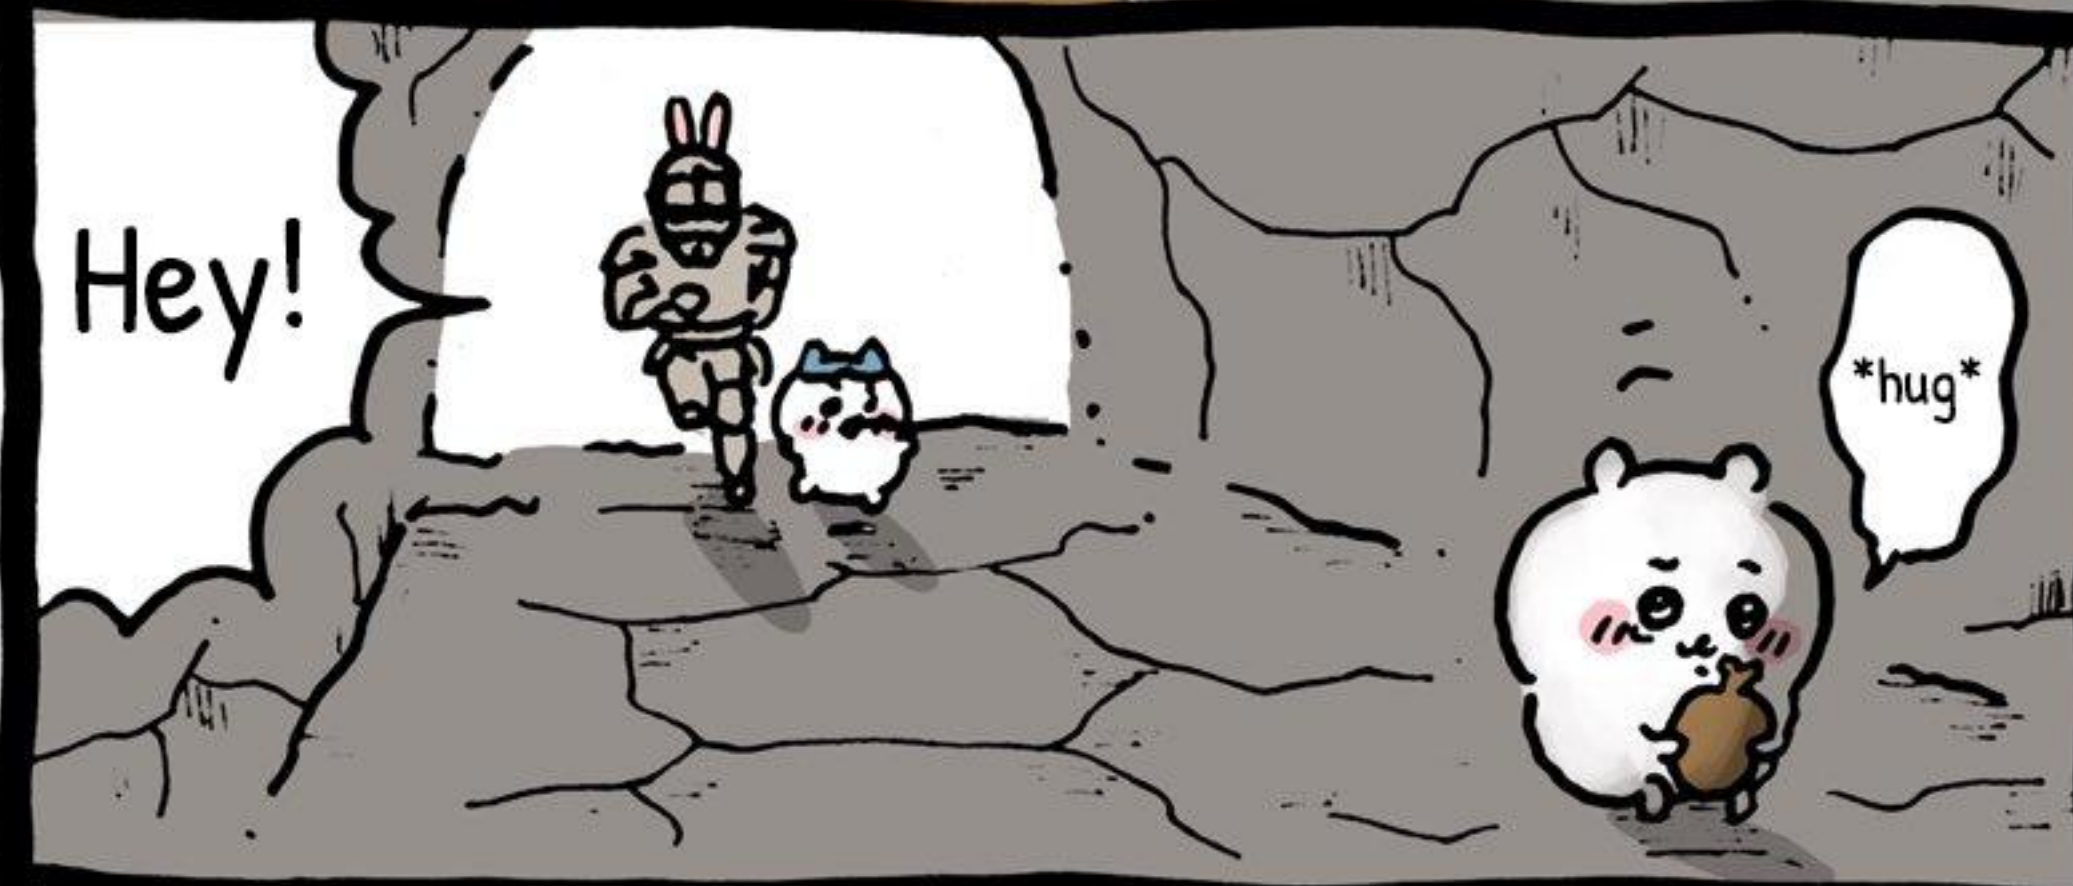

DAAAAASH

They're  
going  
inside the  
cave!

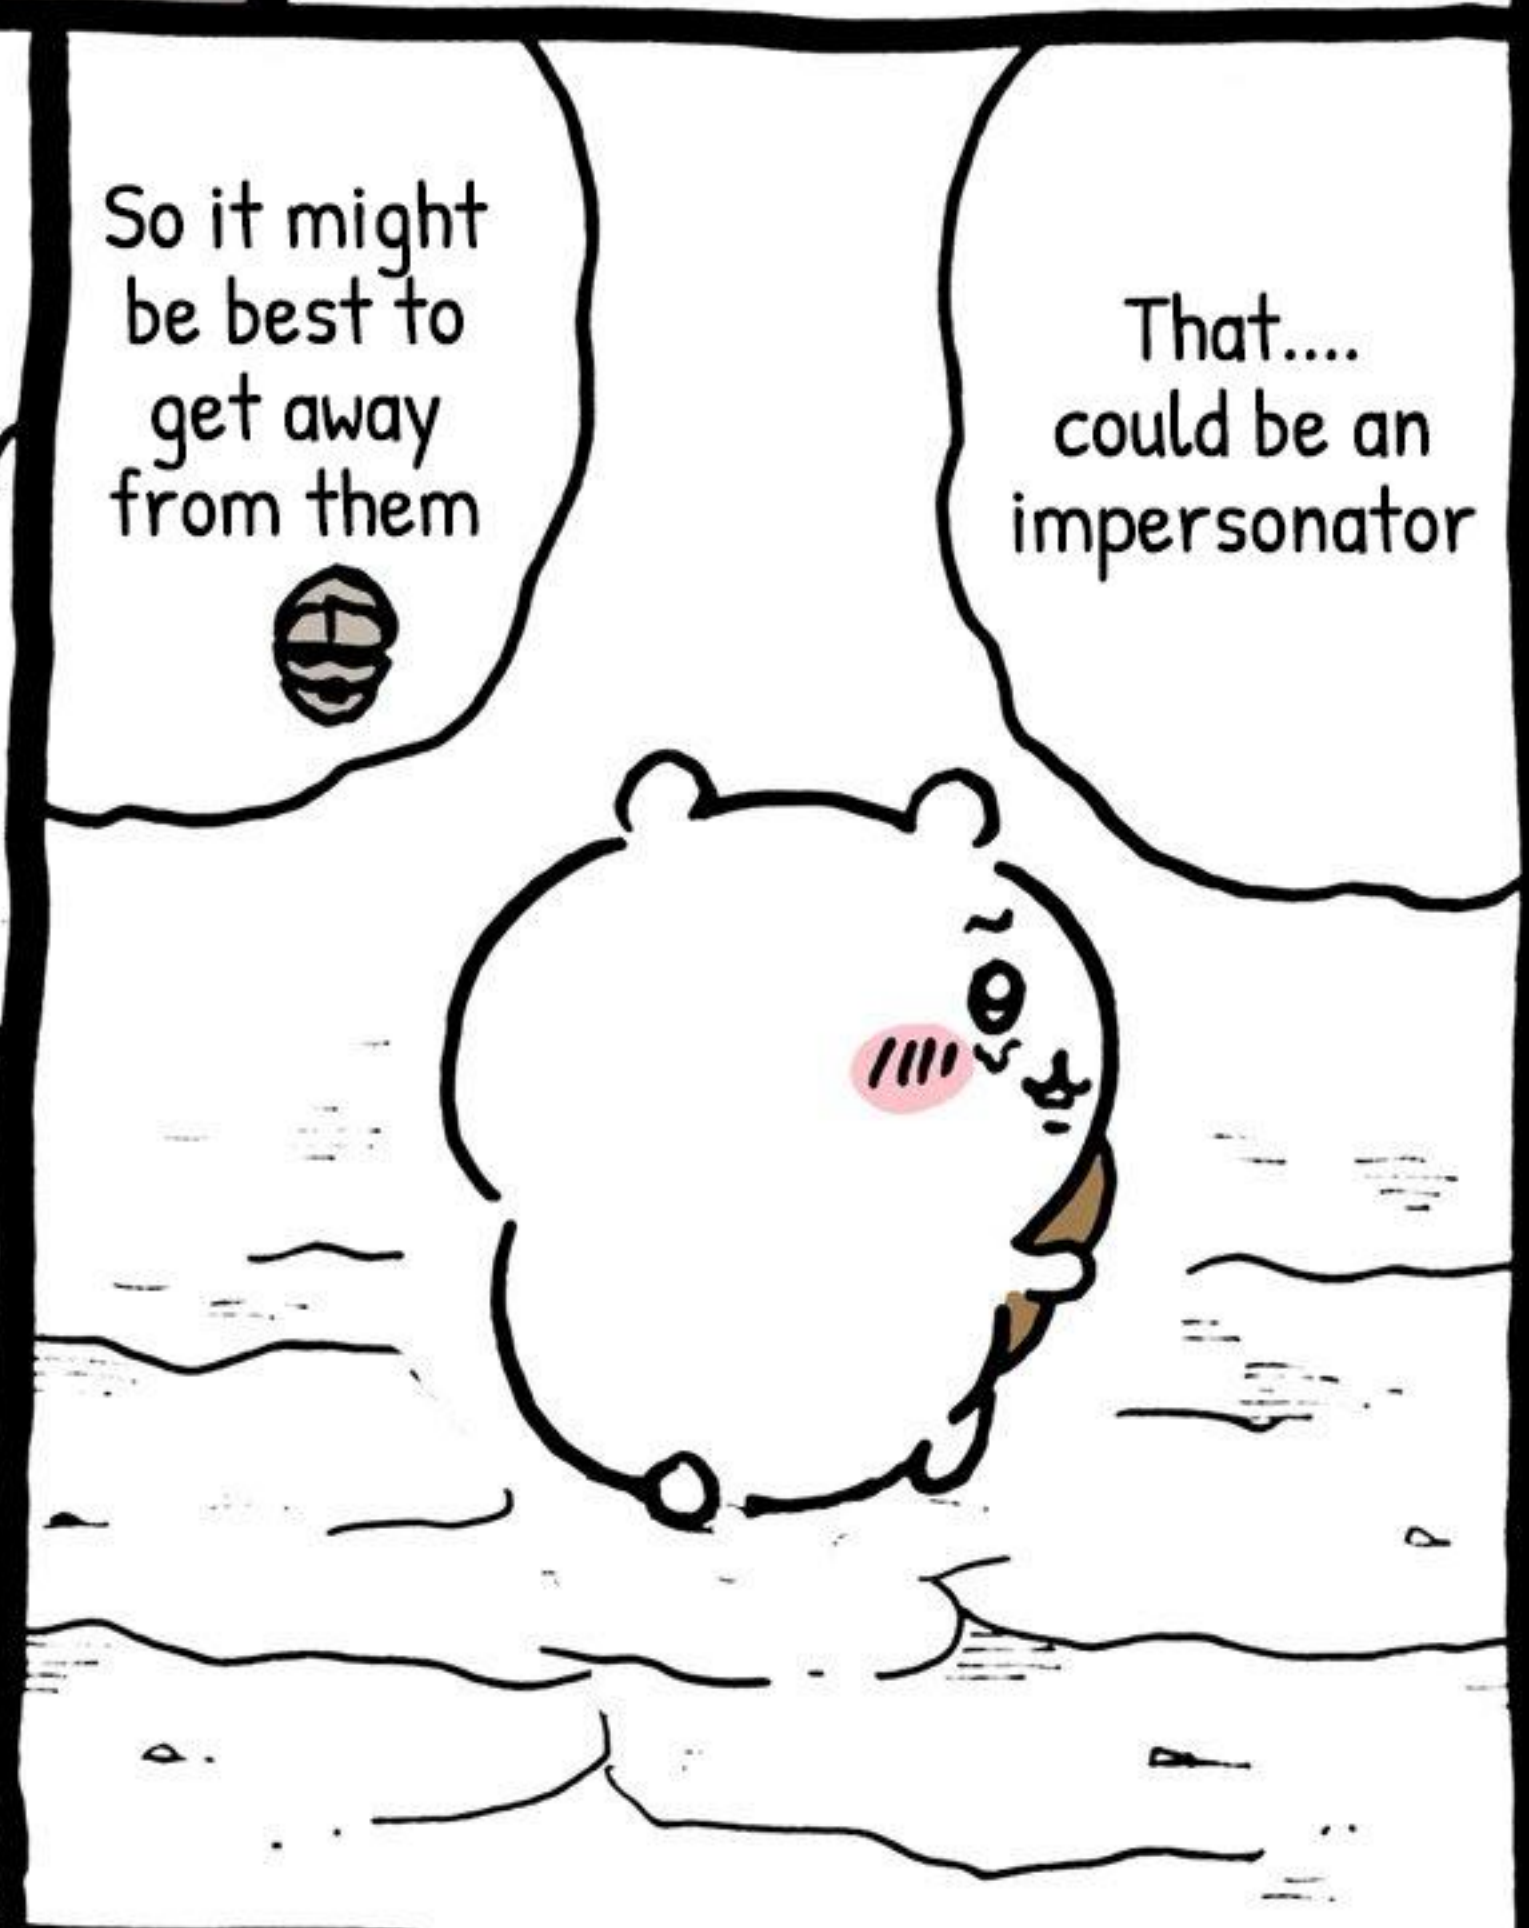

Hey!

\*hug\*

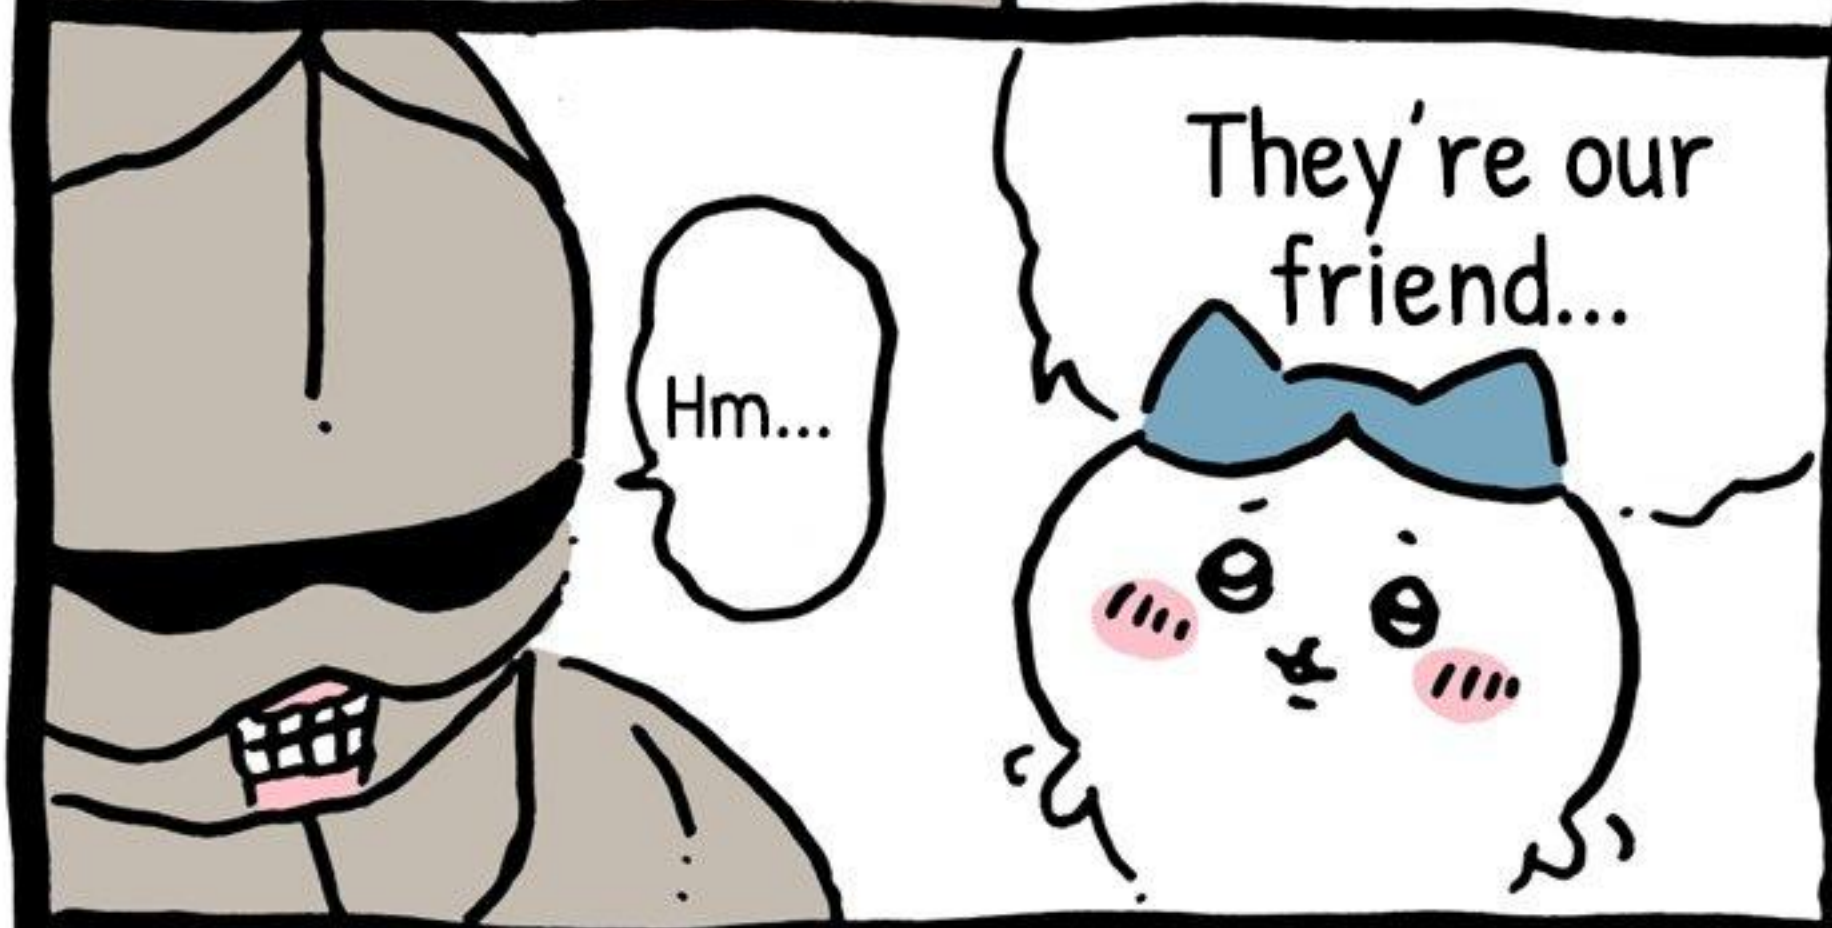

\*hug\*

NO!!

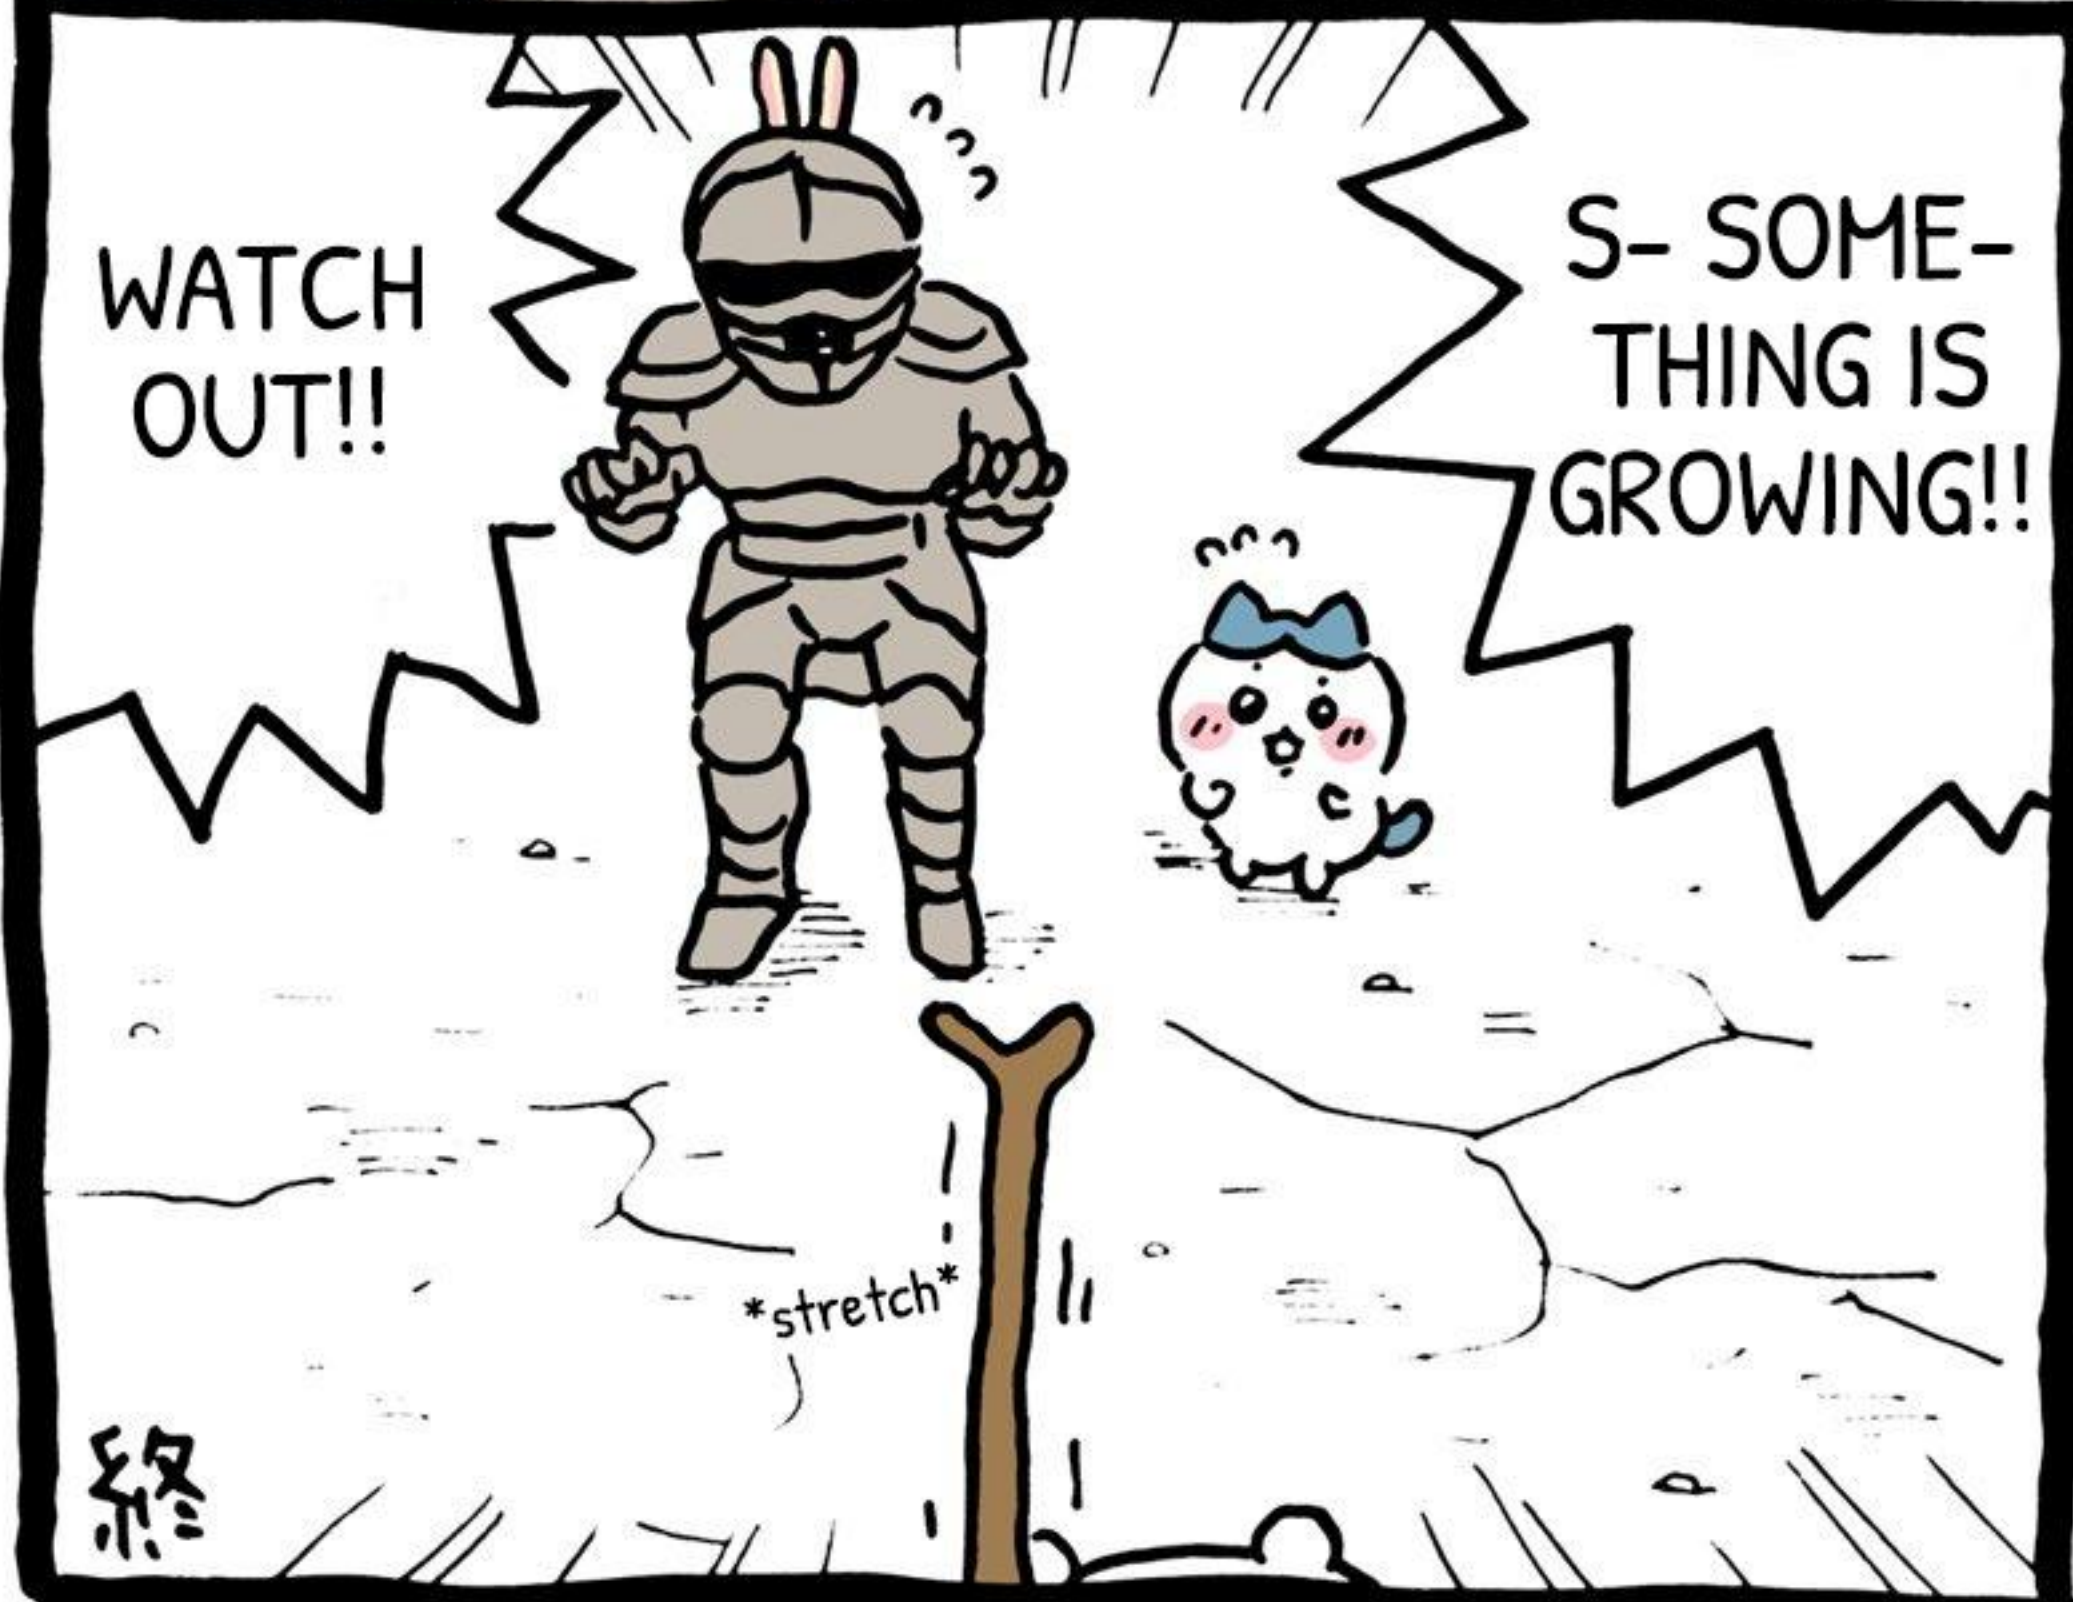

So it might  
be best to  
get away  
from them

That....  
could be an  
impersonator

They're our  
friend...

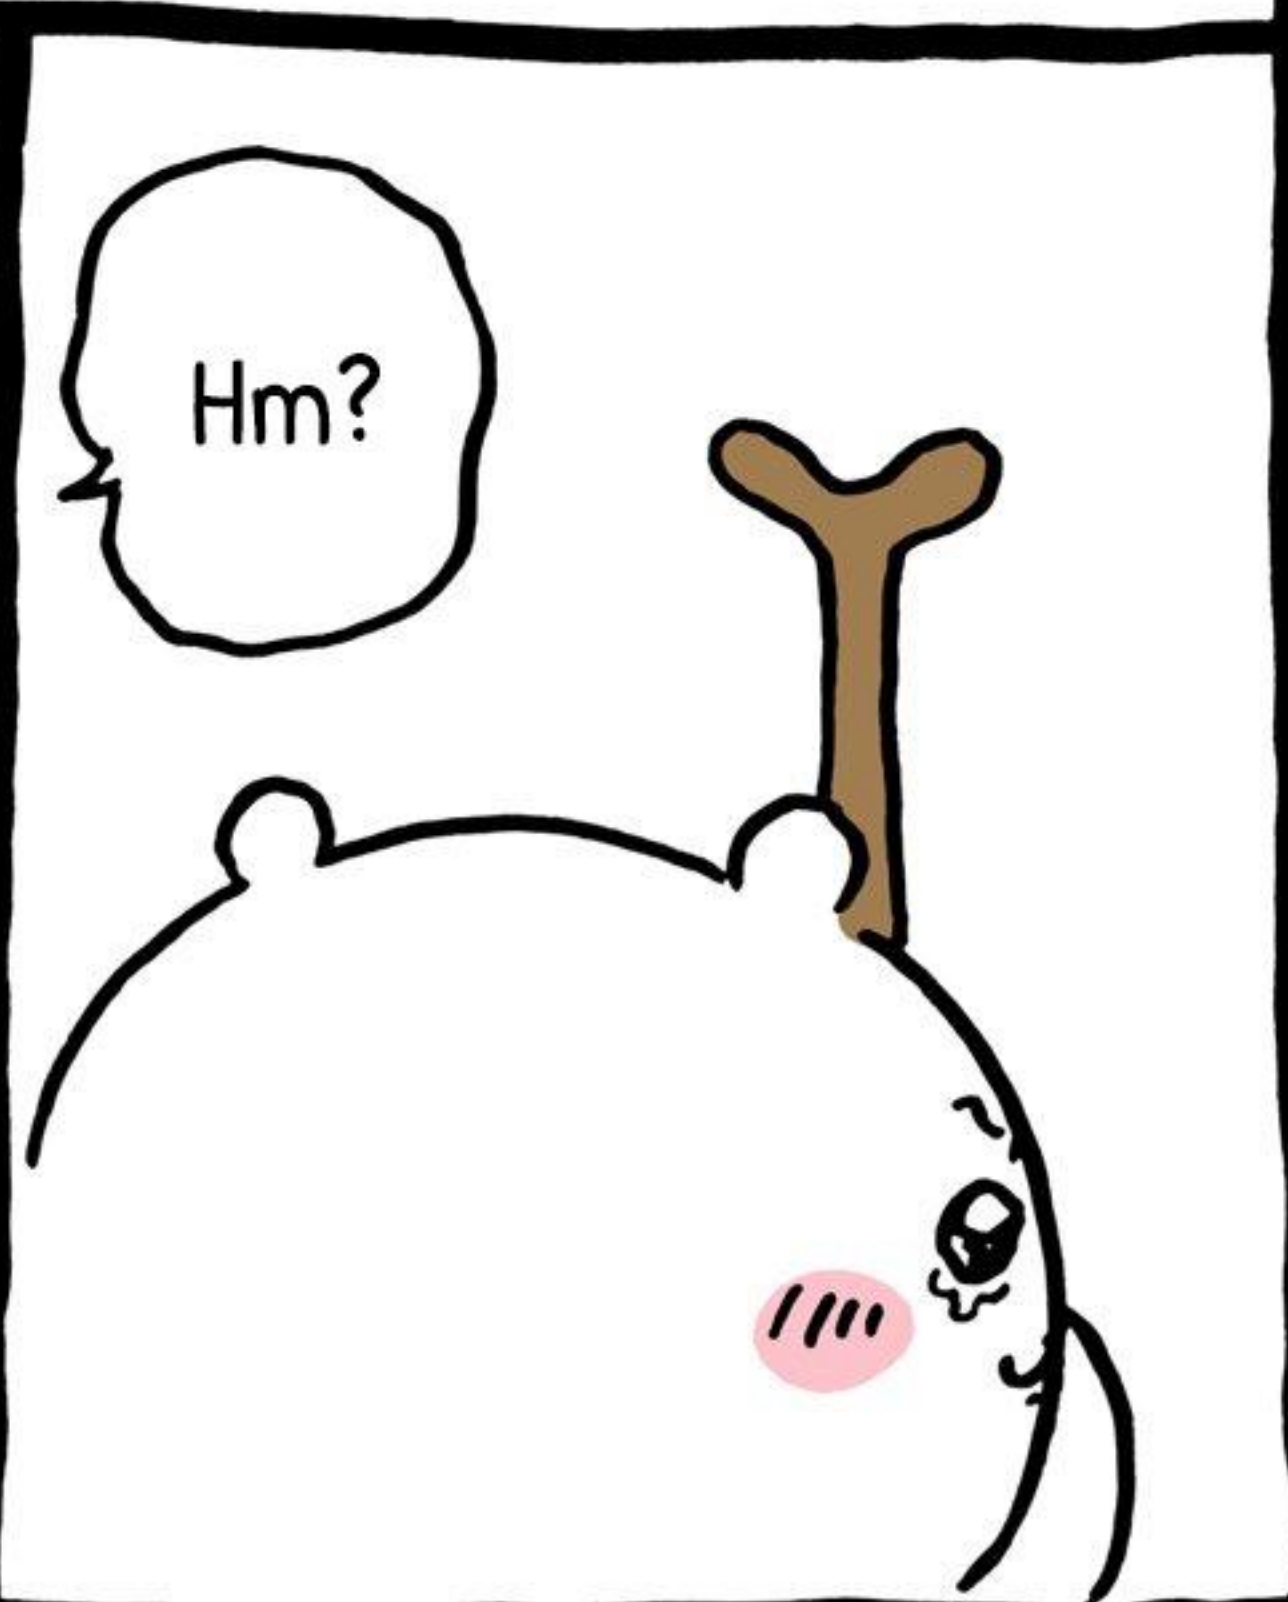

Hm...

WATCH  
OUT!!

THING IS  
GROWING!!

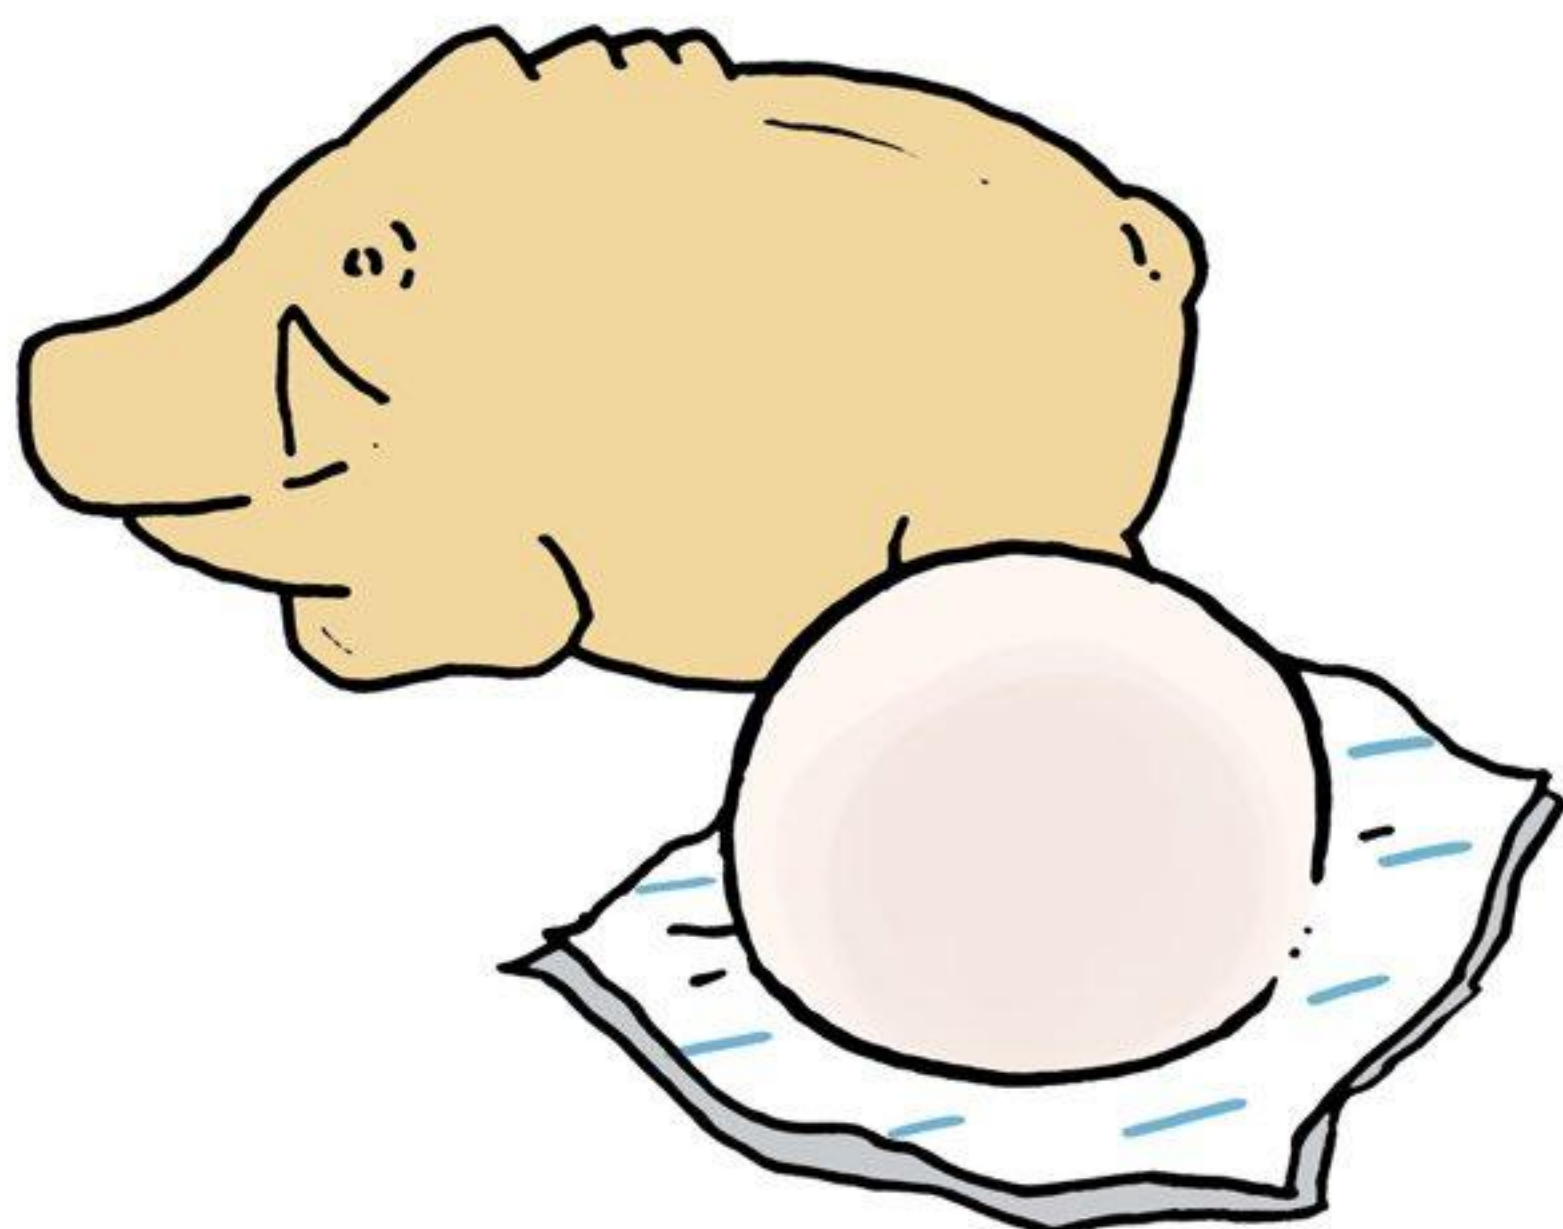

\*stretch\*

Hm?
